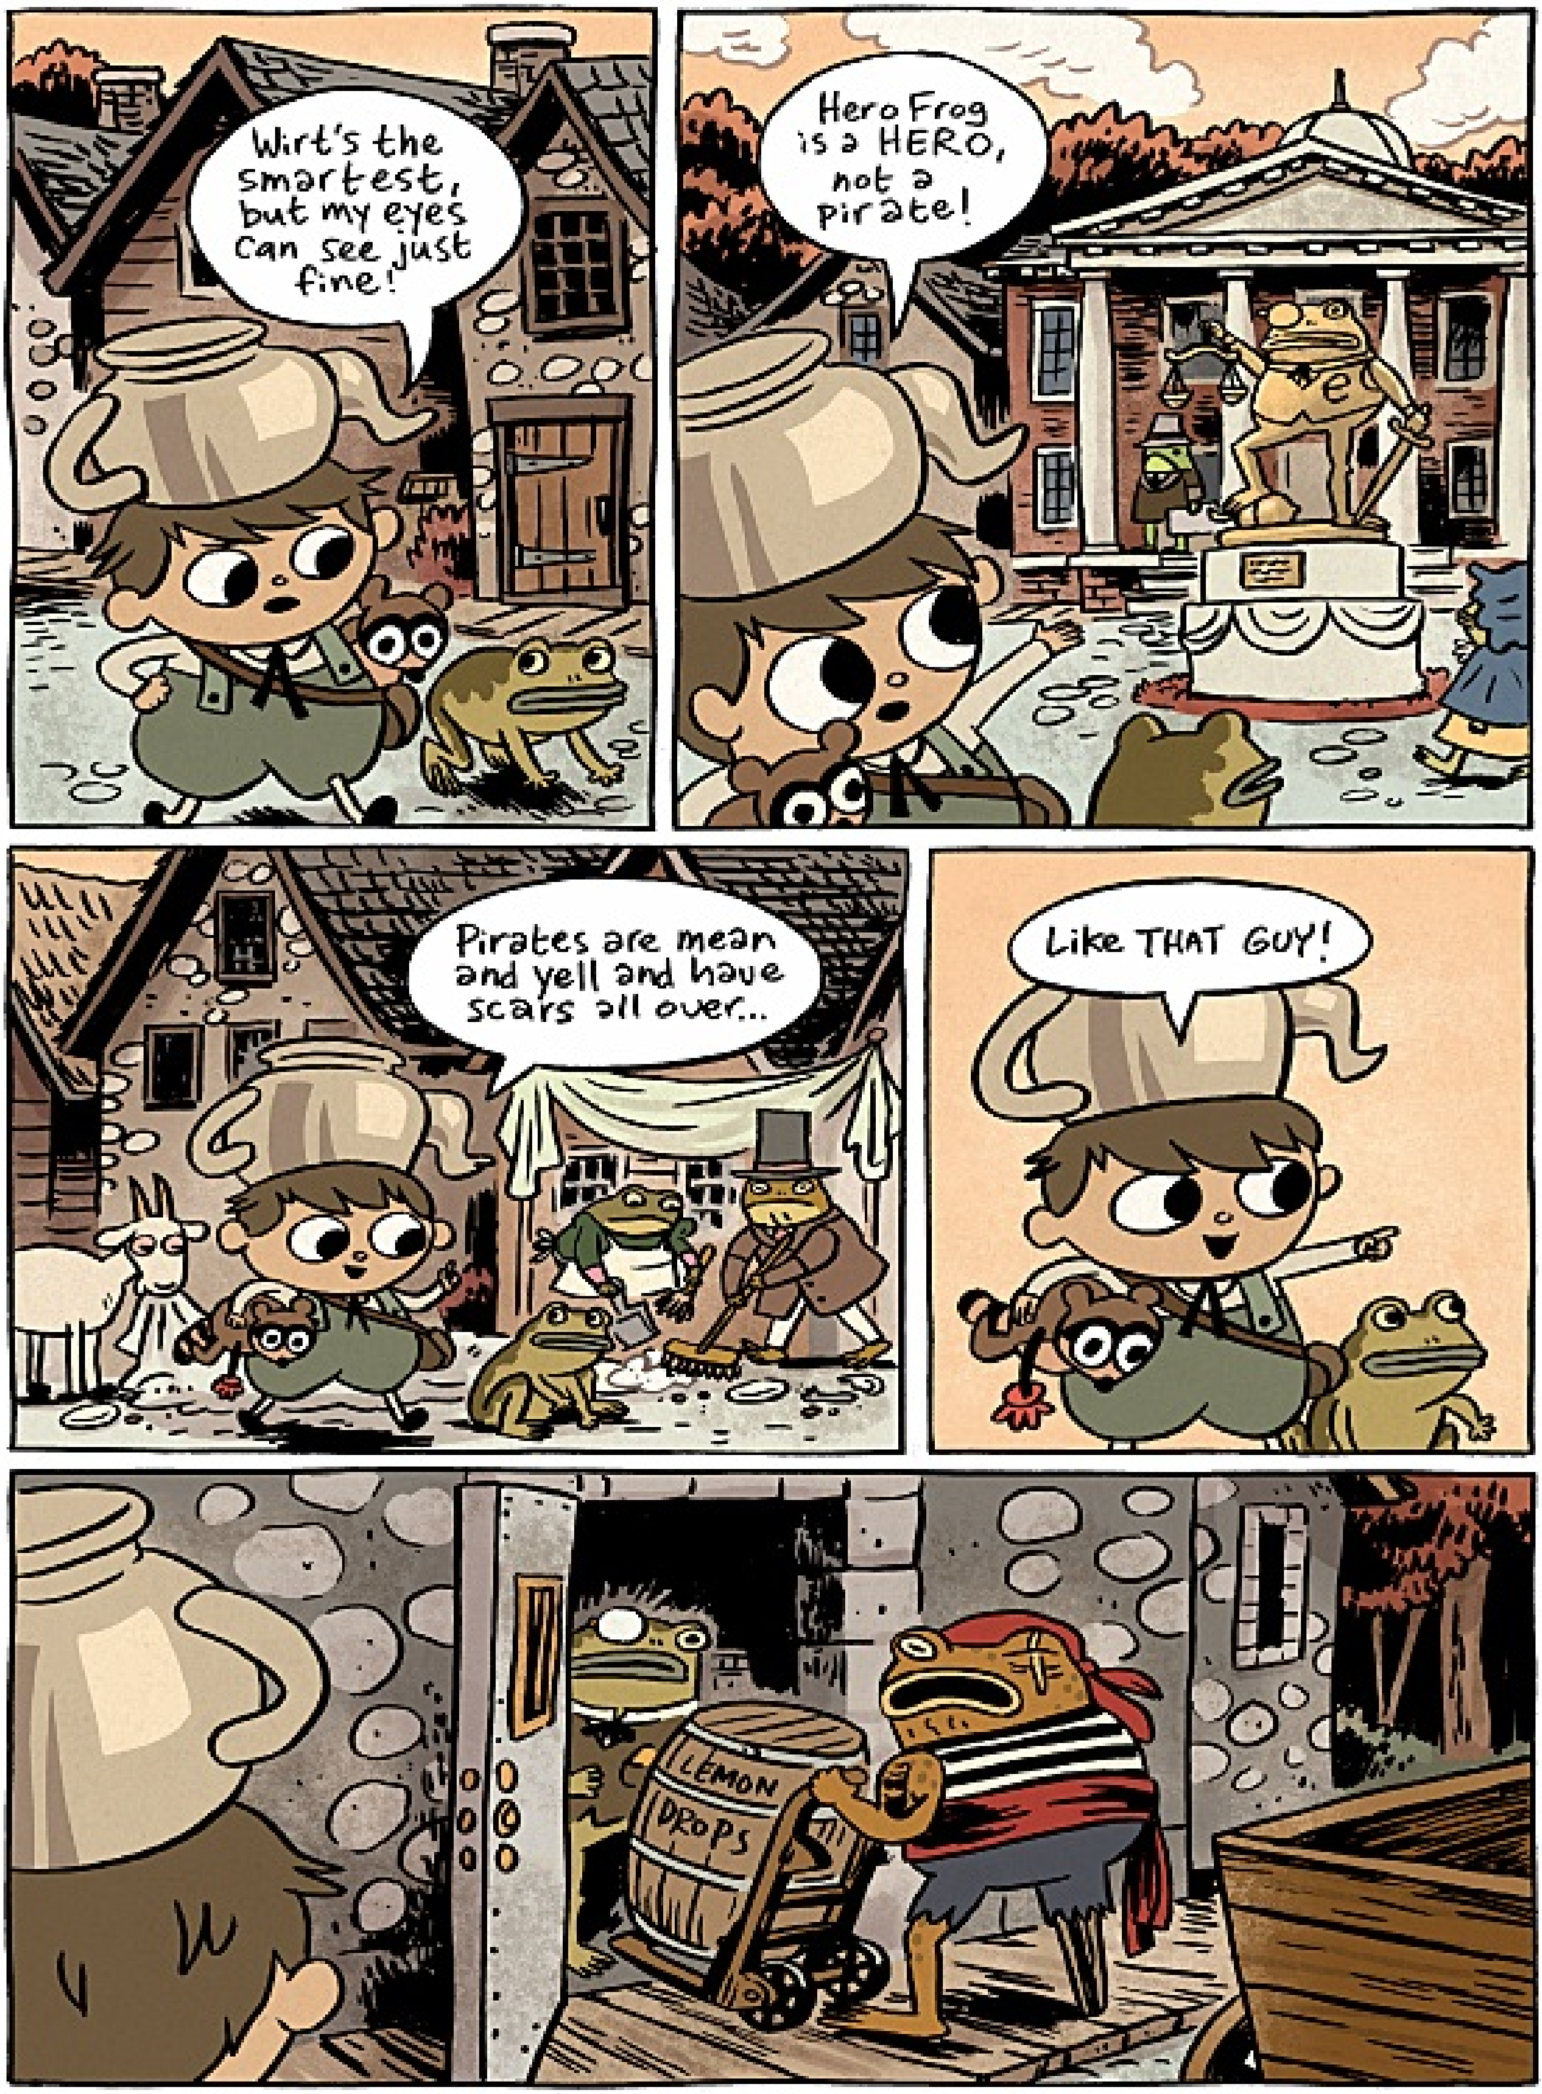
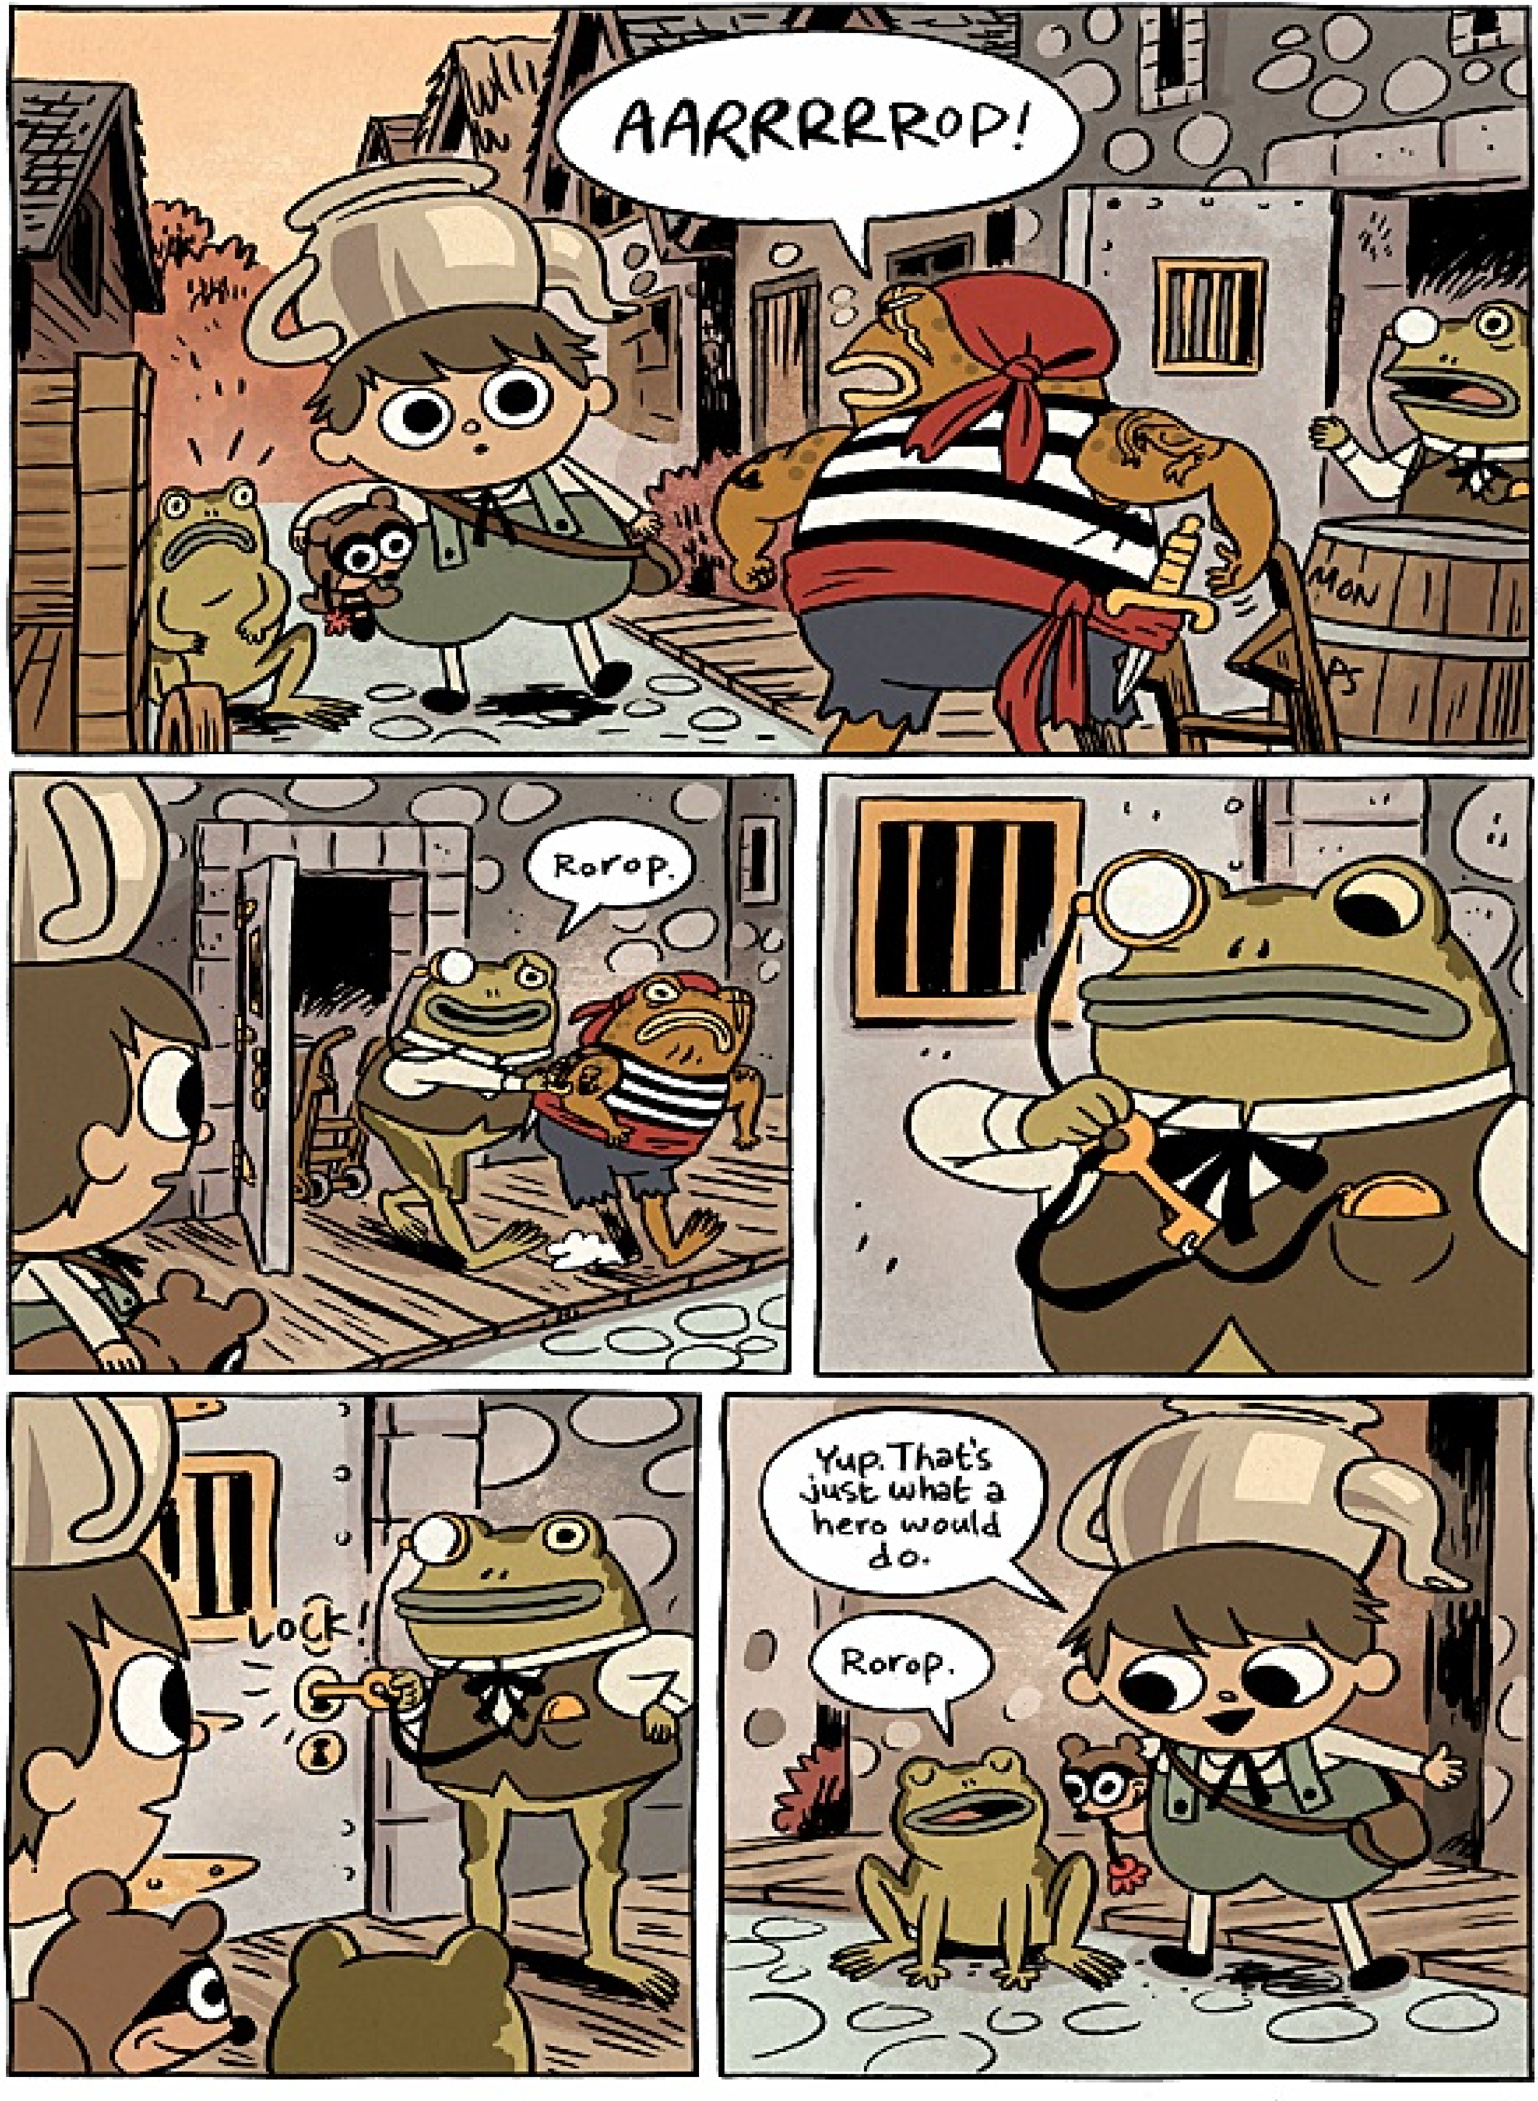
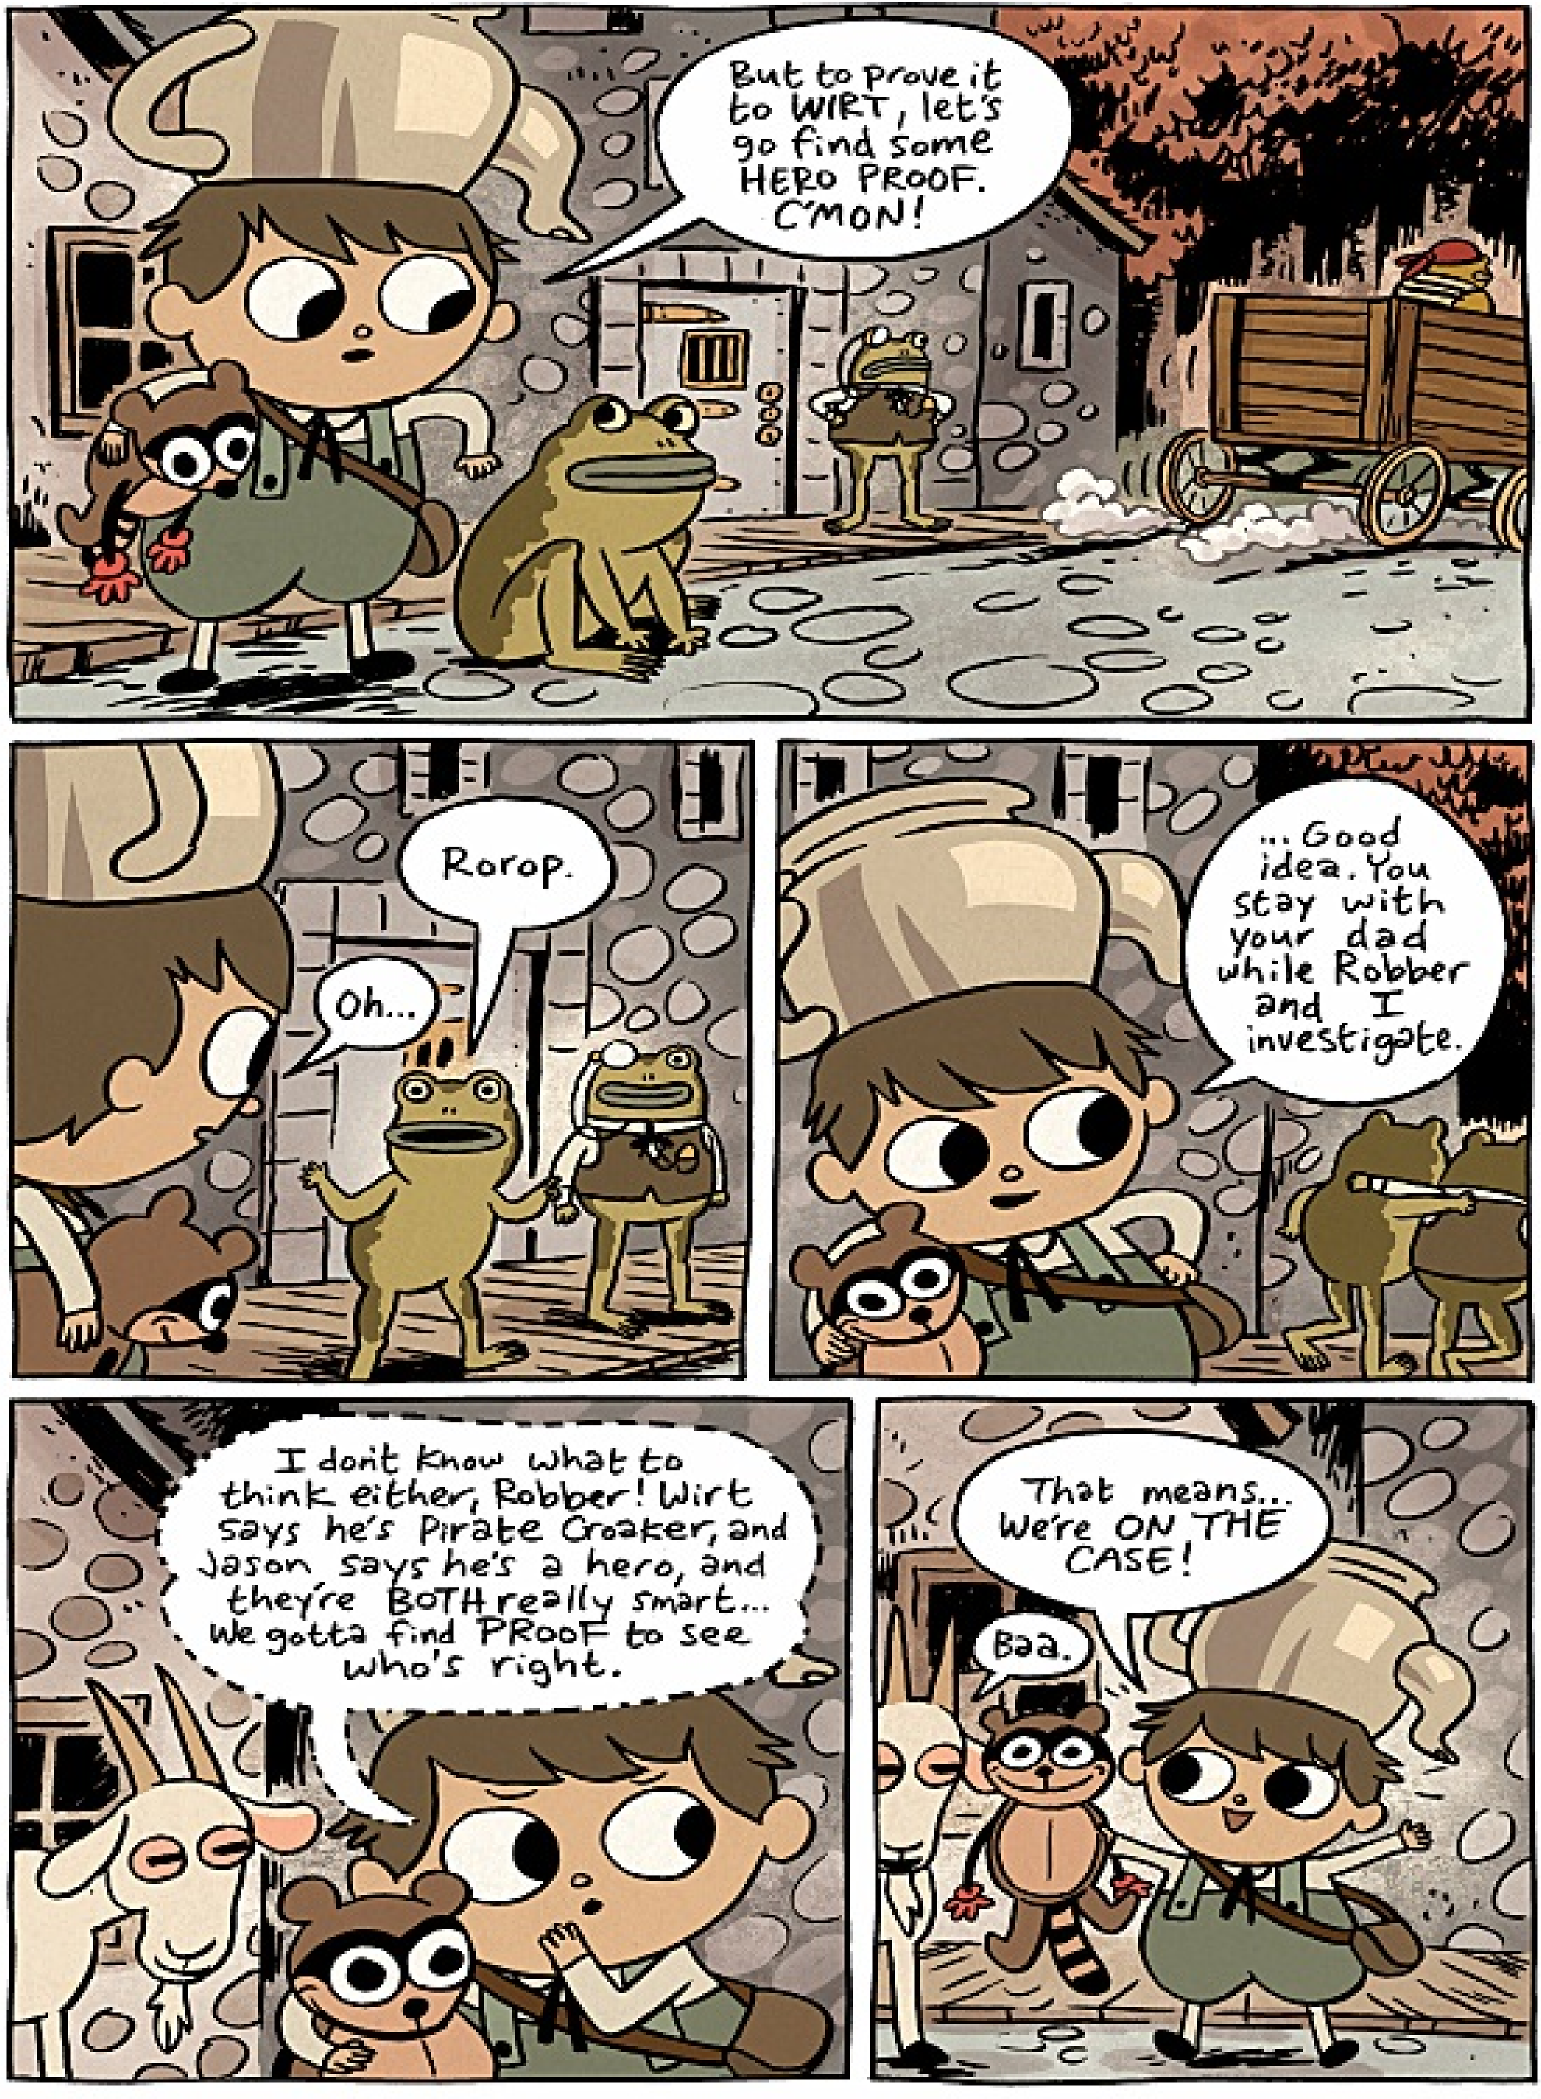
HUNT FOR HERO FROG



Wirt's the smartest, but my eyes can see just fine!
Hero Frog is a HERO, not a pirate!
Pirates are mean and yell and have scars all over...
Like THAT GUY!
LEMON DROPS



AARRRRROP!
MON
Rorop.
LOCK!
Yup. That's just what a hero would do.
Rorop.



But to prove it to WIRT, let's go find some HERO PROOF. C'MON!
Rorop.
Oh...
...Good idea. You stay with your dad while Robber and I investigate.
I don't know what to think either, Robber! Wirt says he's Pirate Croaker, and Jason says he's a hero, and they're BOTH really smart... We gotta find PROOF to see who's right.
That means... We're ON THE CASE!

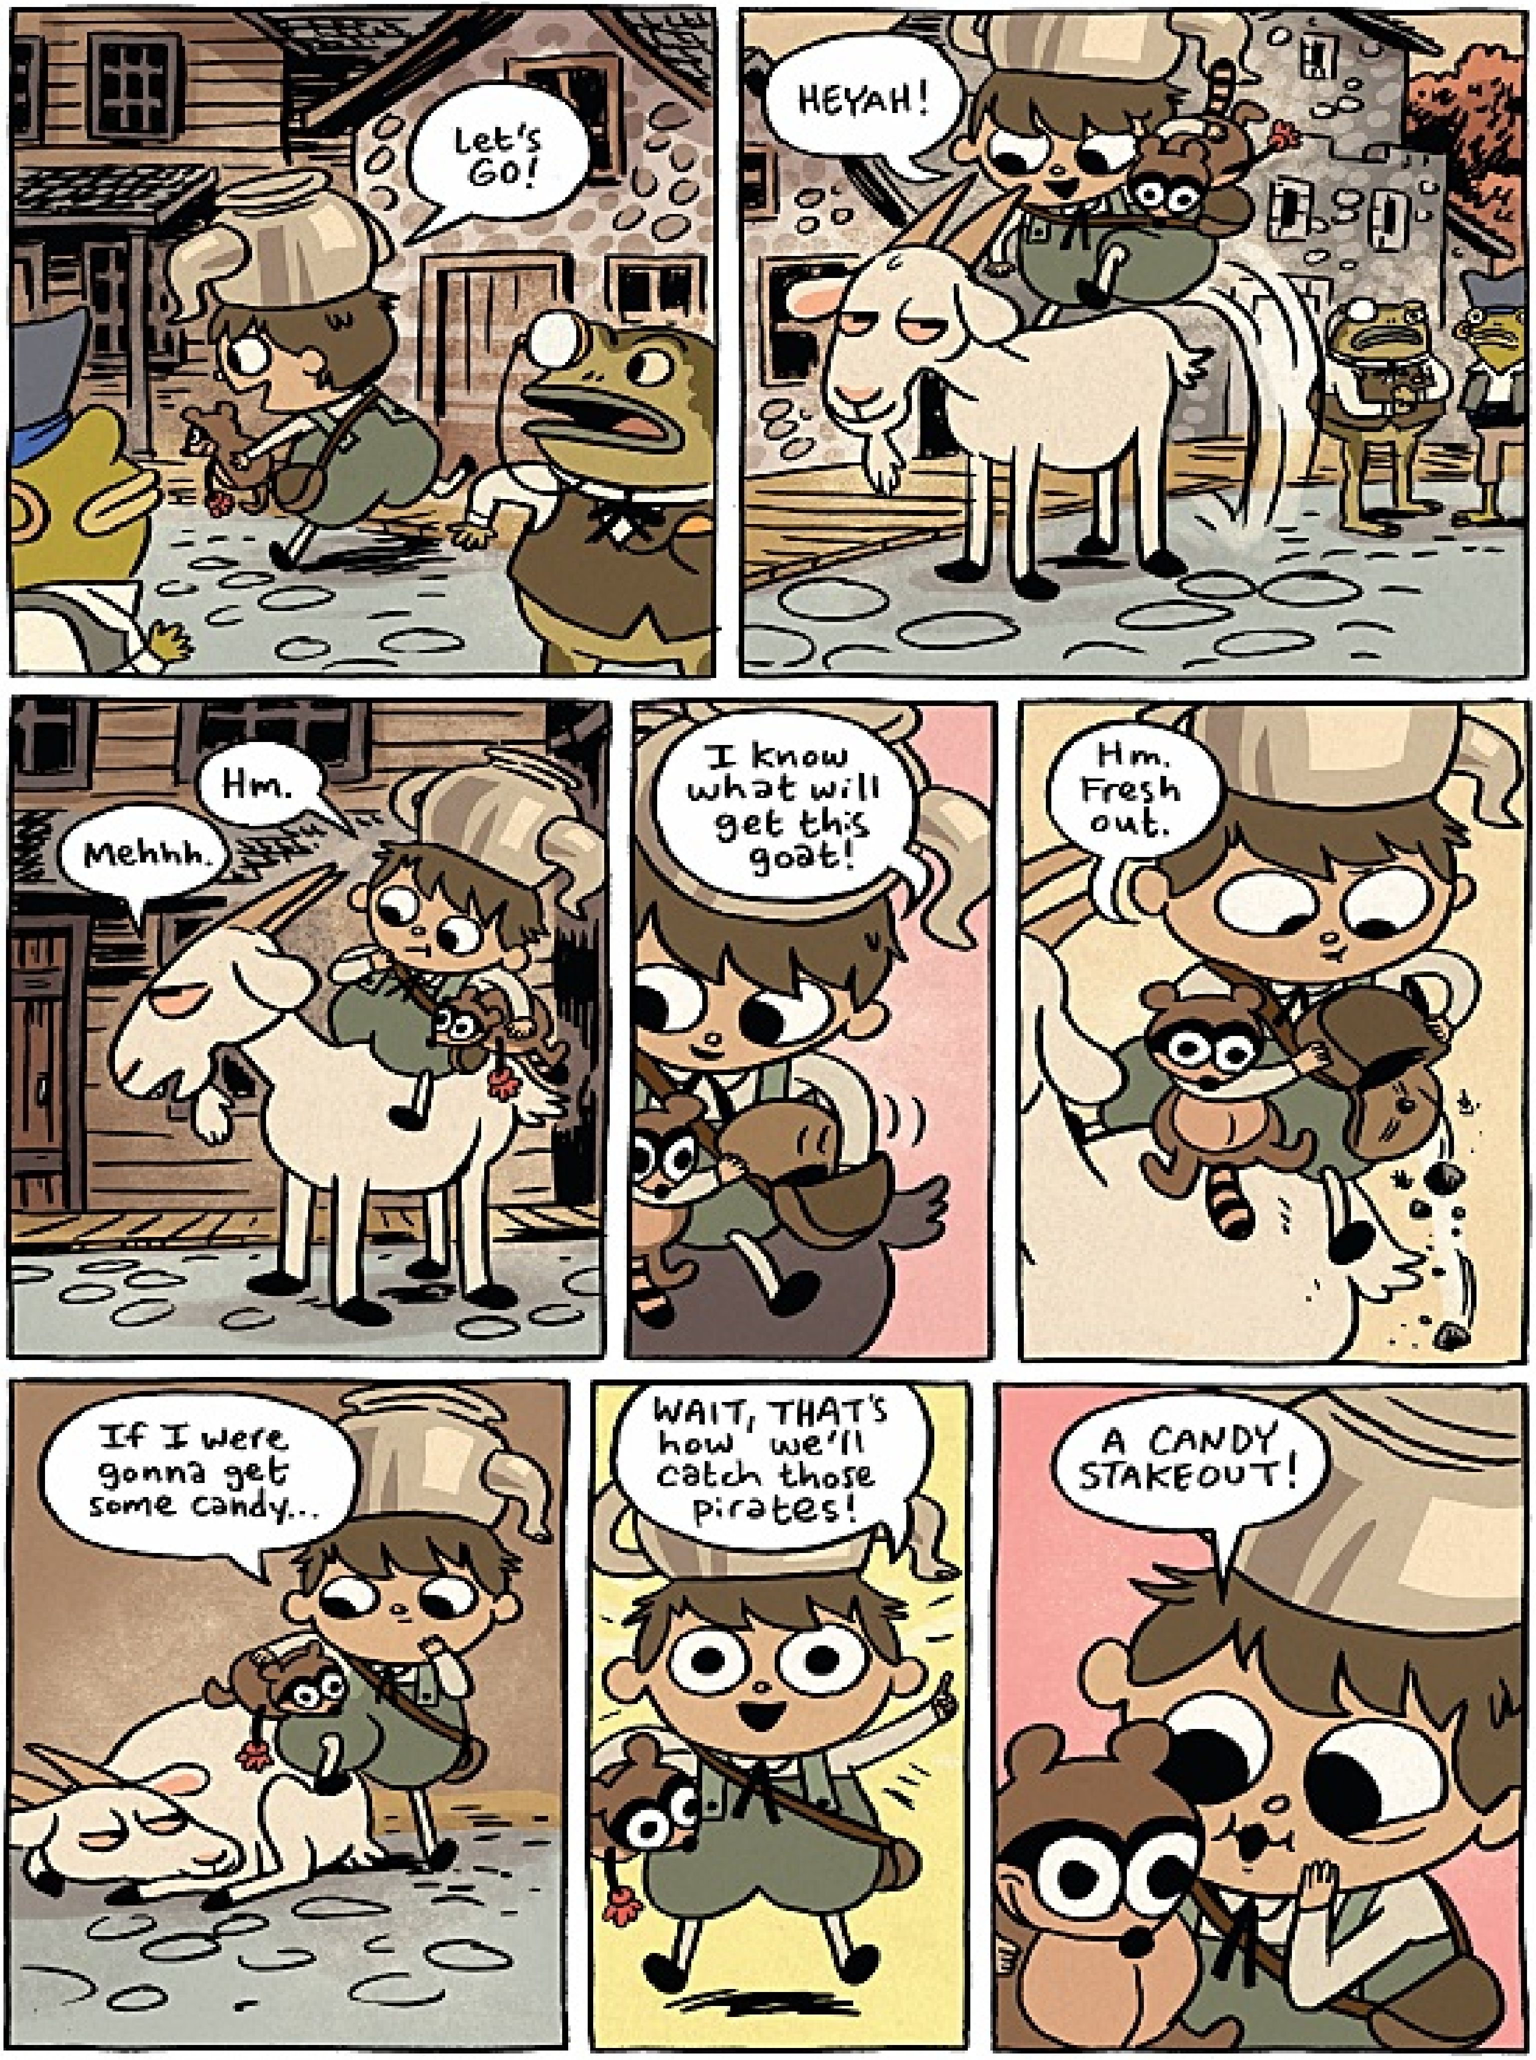
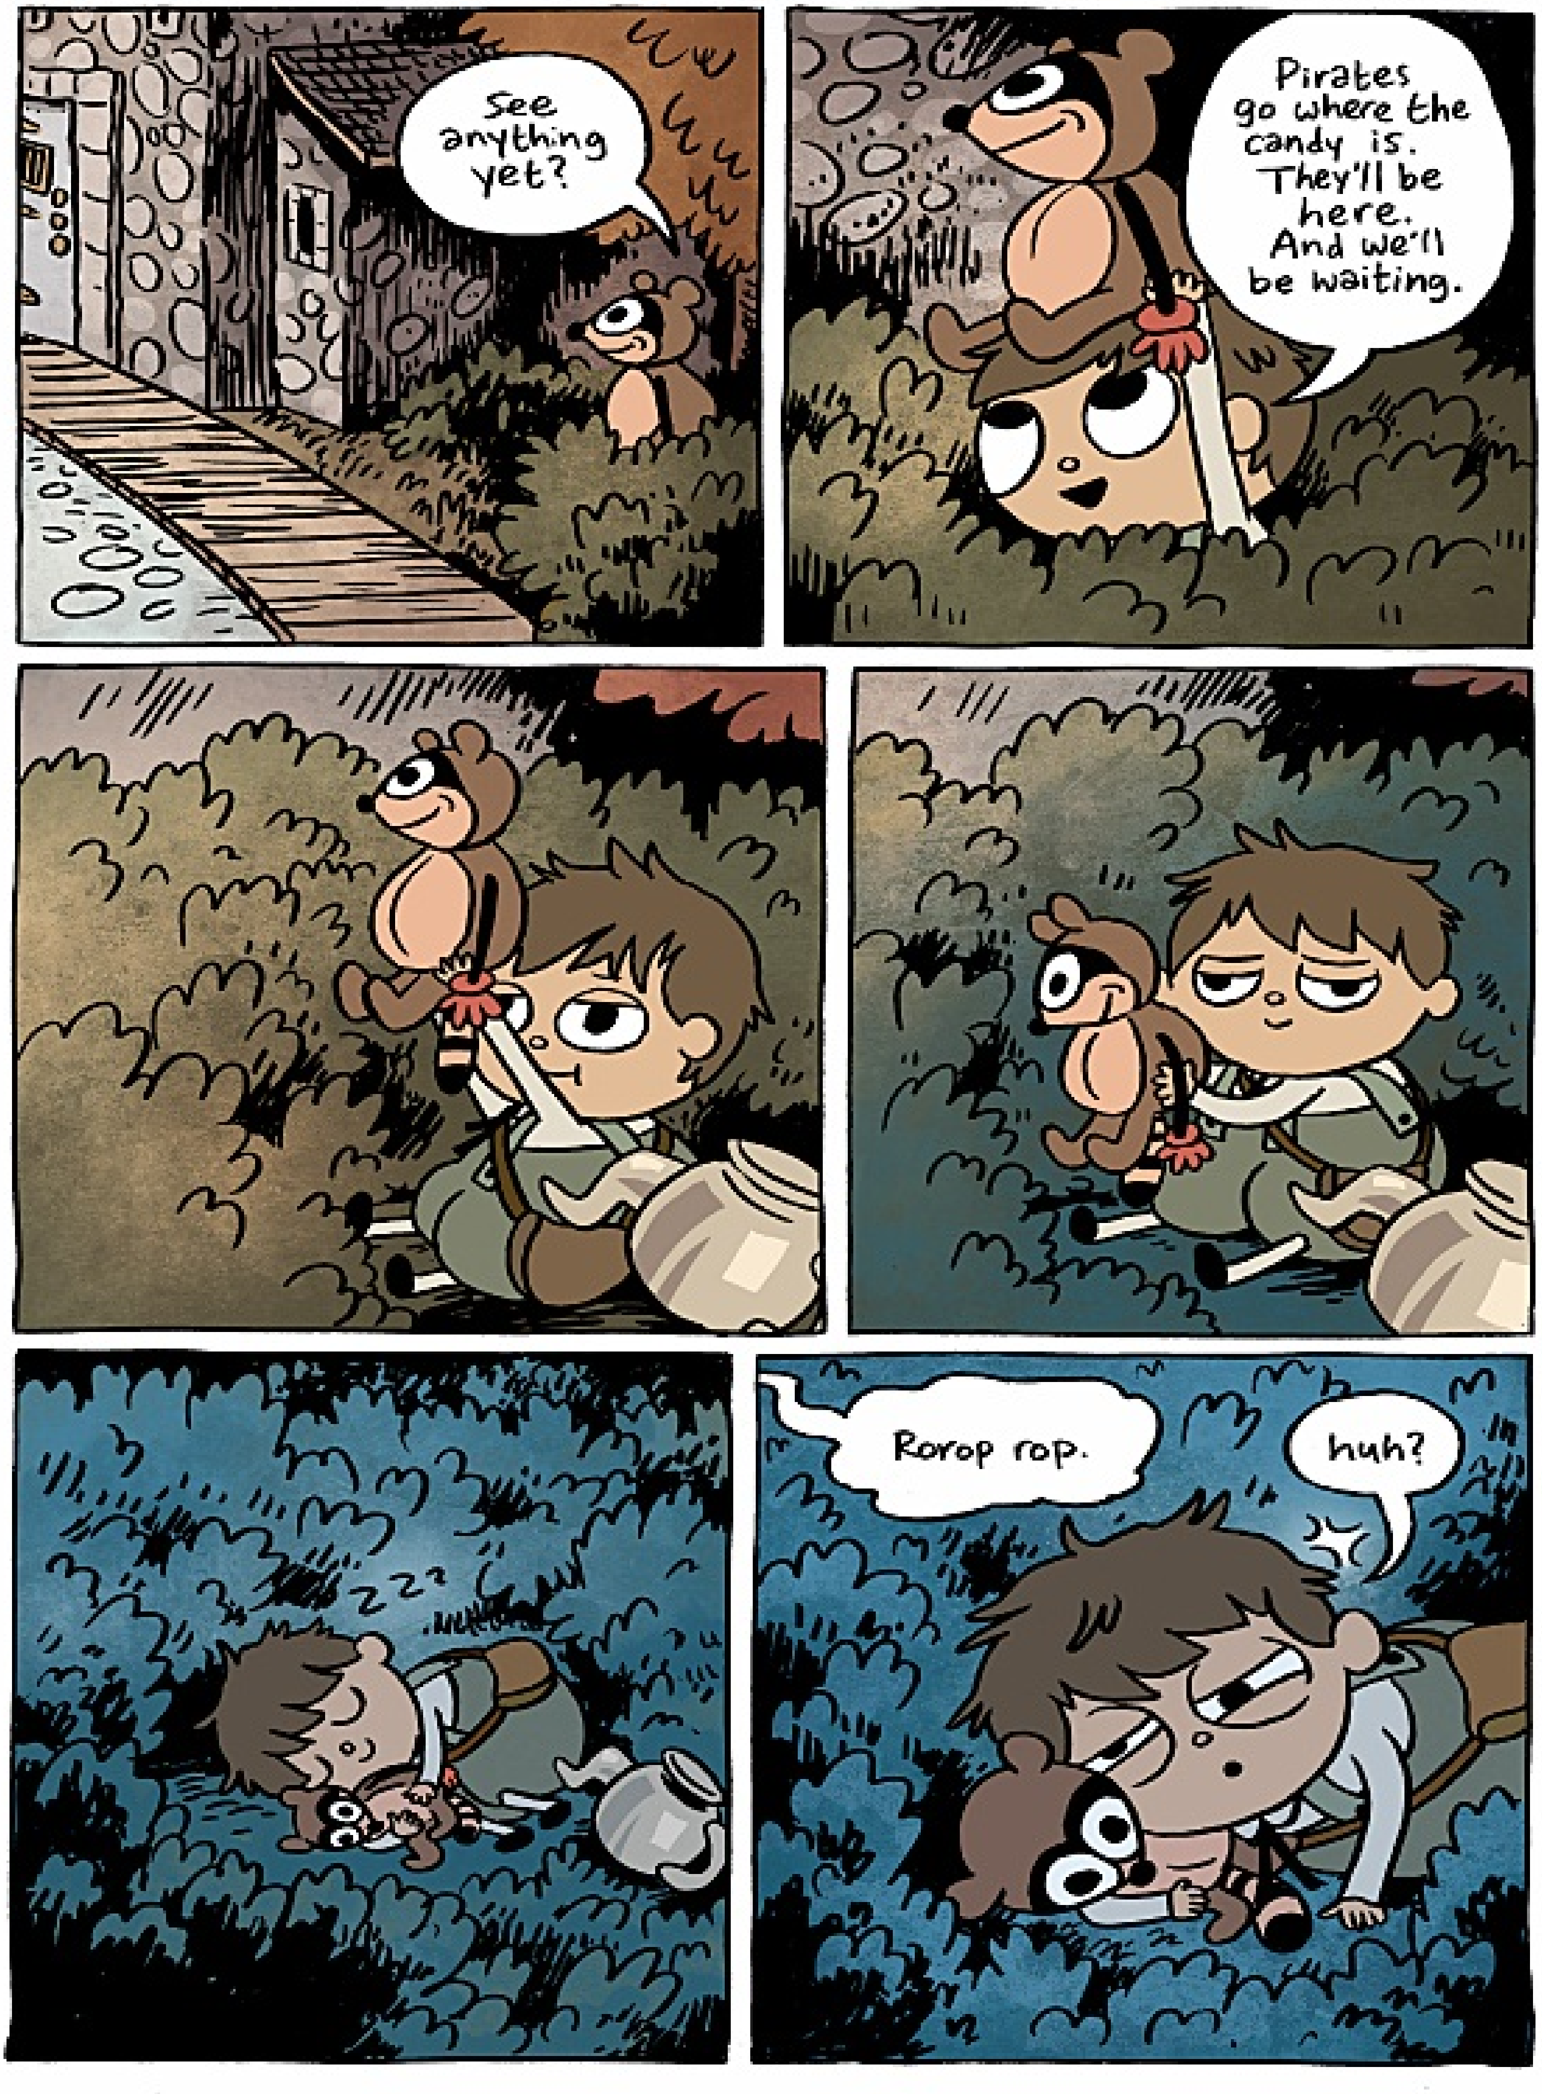
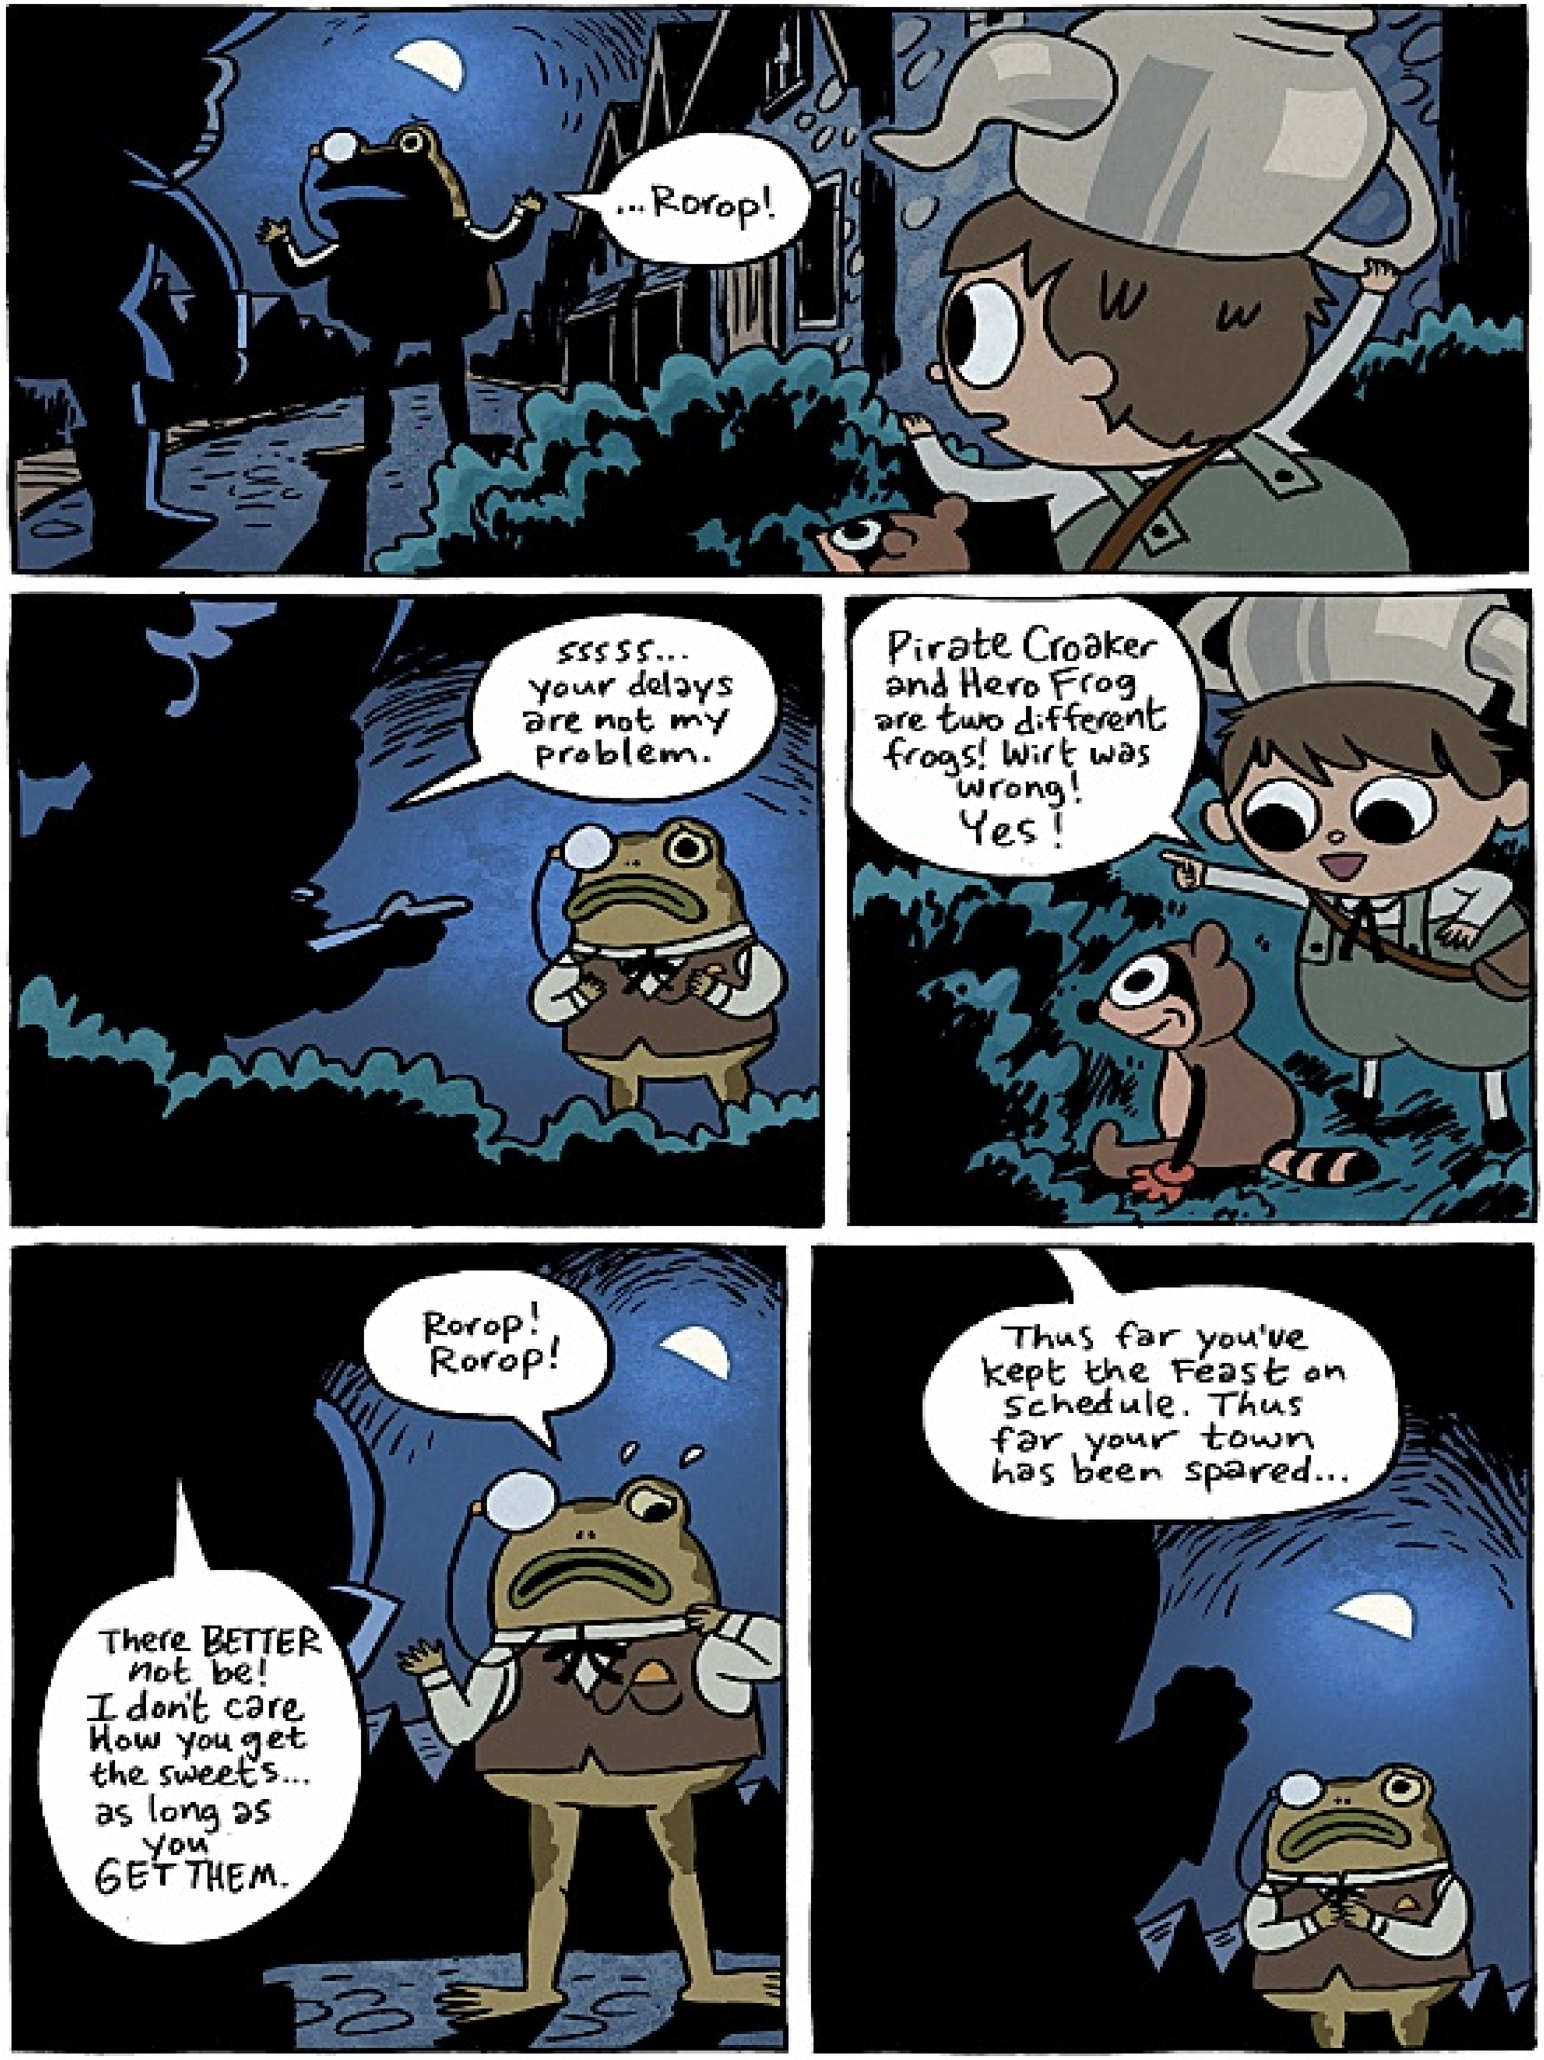
BUT WE DON'T KNOW WHAT THEY MEAN!
Rorop!
Whoa! They were pirated by pirates?
Rop! Rorop! Rop!
Rorop.
GASP!
That's the PROOFIEST PROOF!
Next time Pirate Croaker pirates these guys, we'll catch him red-handed, then hand him over to your dad! That'll show Wirt they're not the same!
SUGAR
Rorop.
Rop.
Don't you worry, sir! Me and sort-of-deputy Robber Raccoon are here to help!



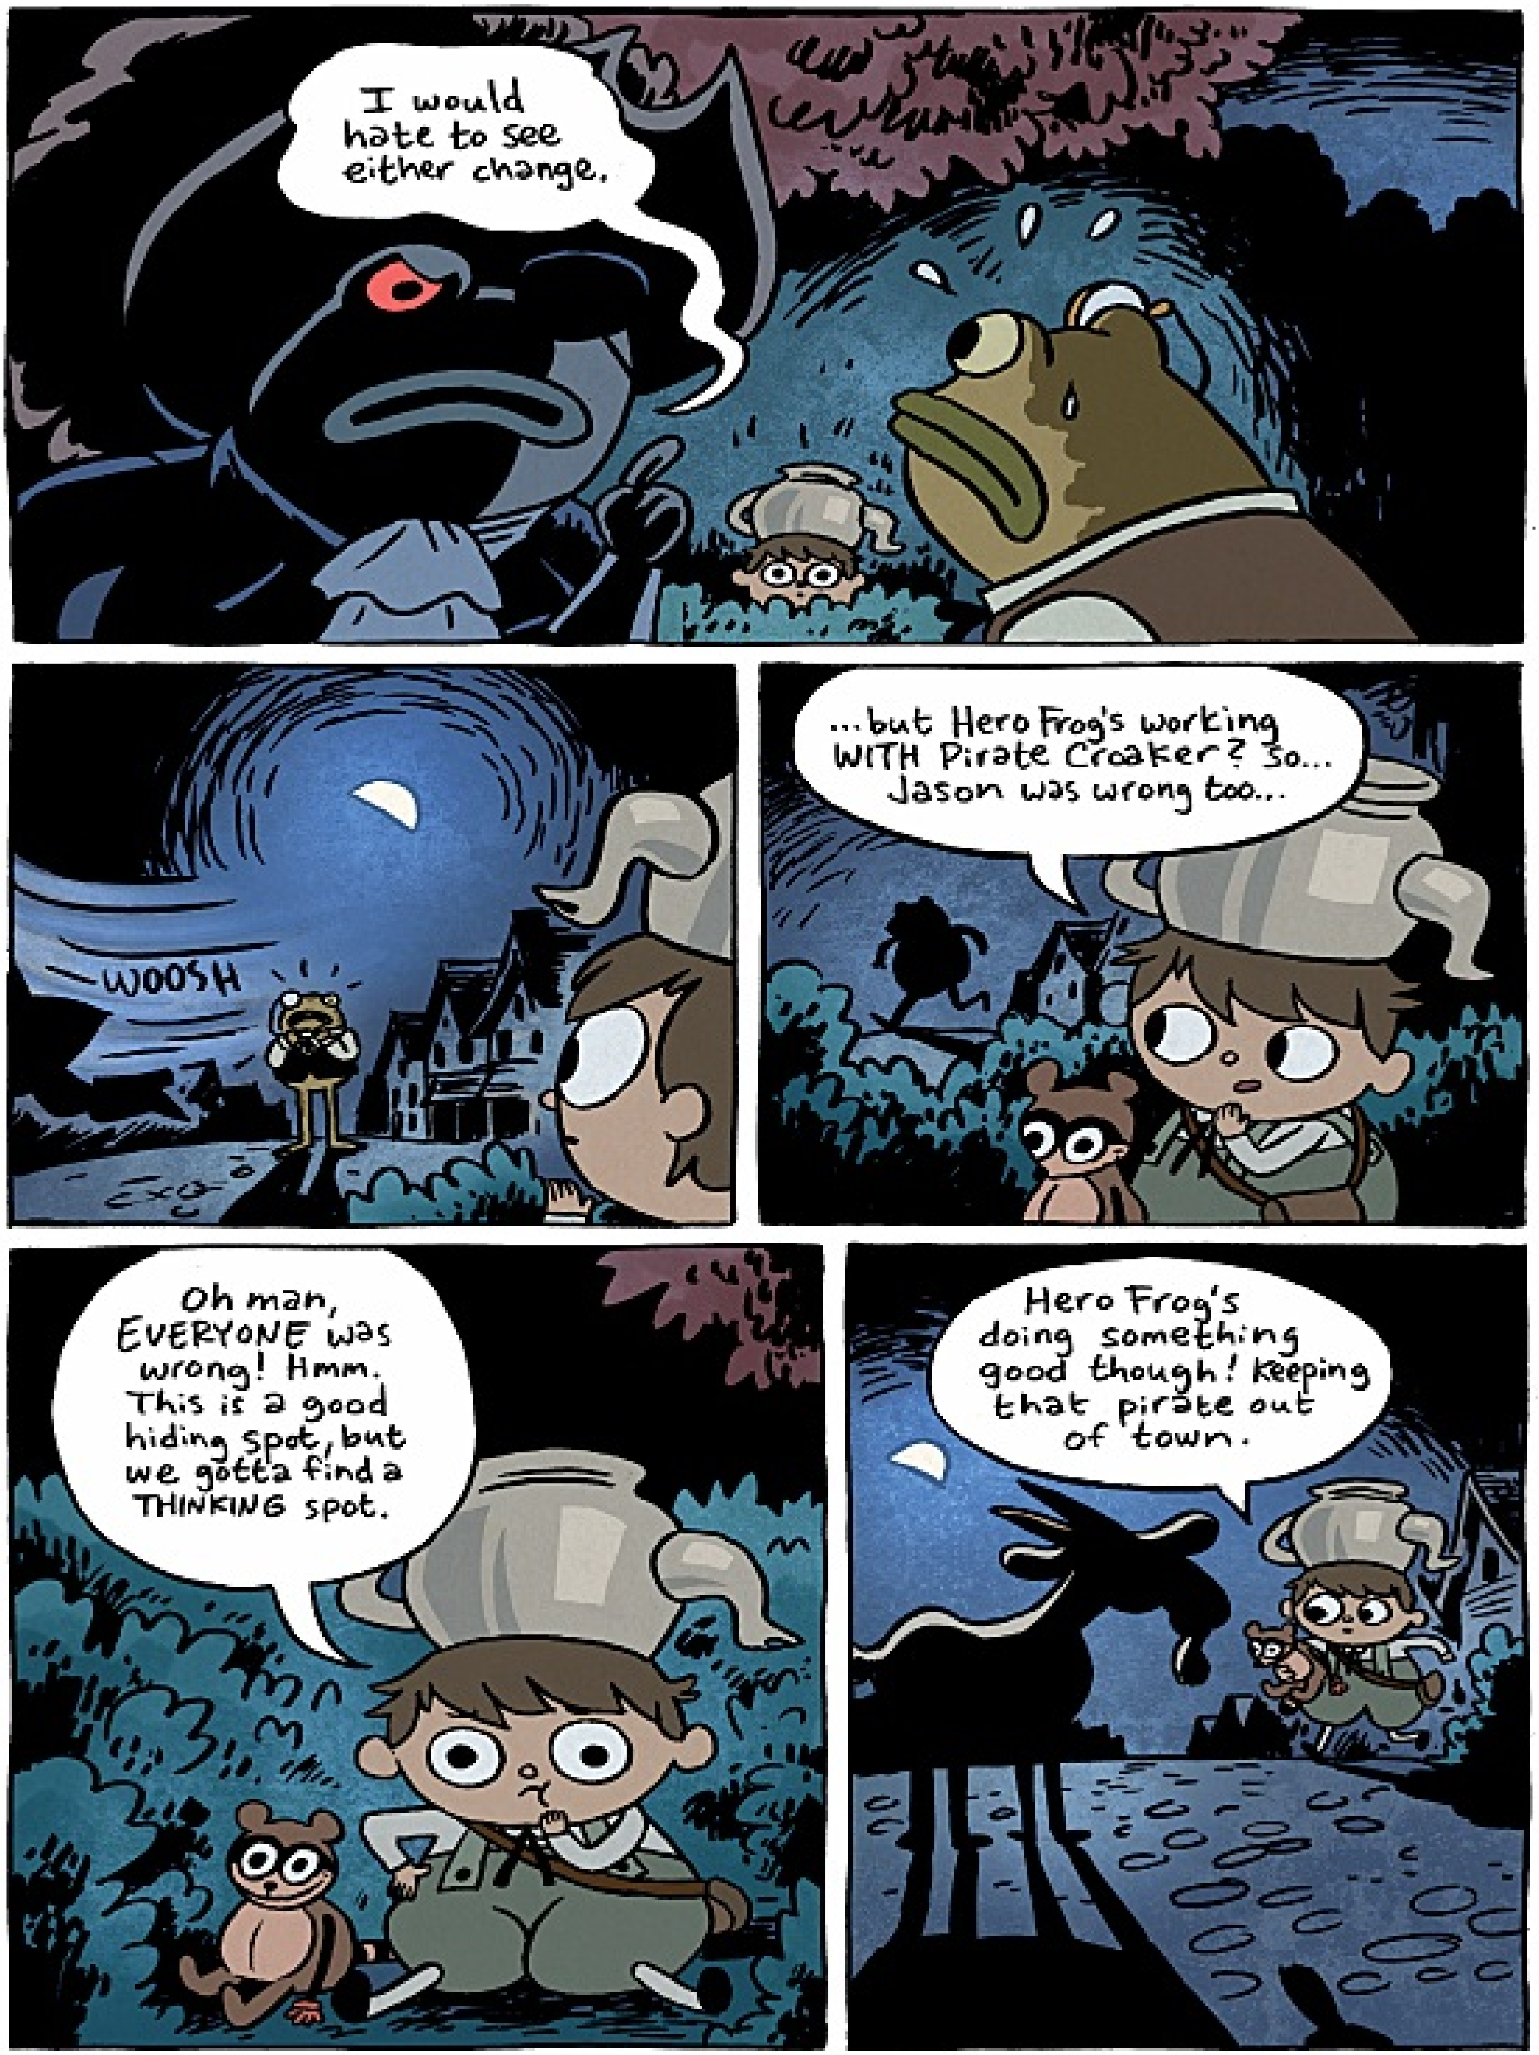
Let's GO!
HEYAH!
Hm.
Mehhh.
I know what will get this goat!
Hm. Fresh out.
If I were gonna get some candy...
WAIT, THAT'S how we'll catch those pirates!
A CANDY STAKEOUT!



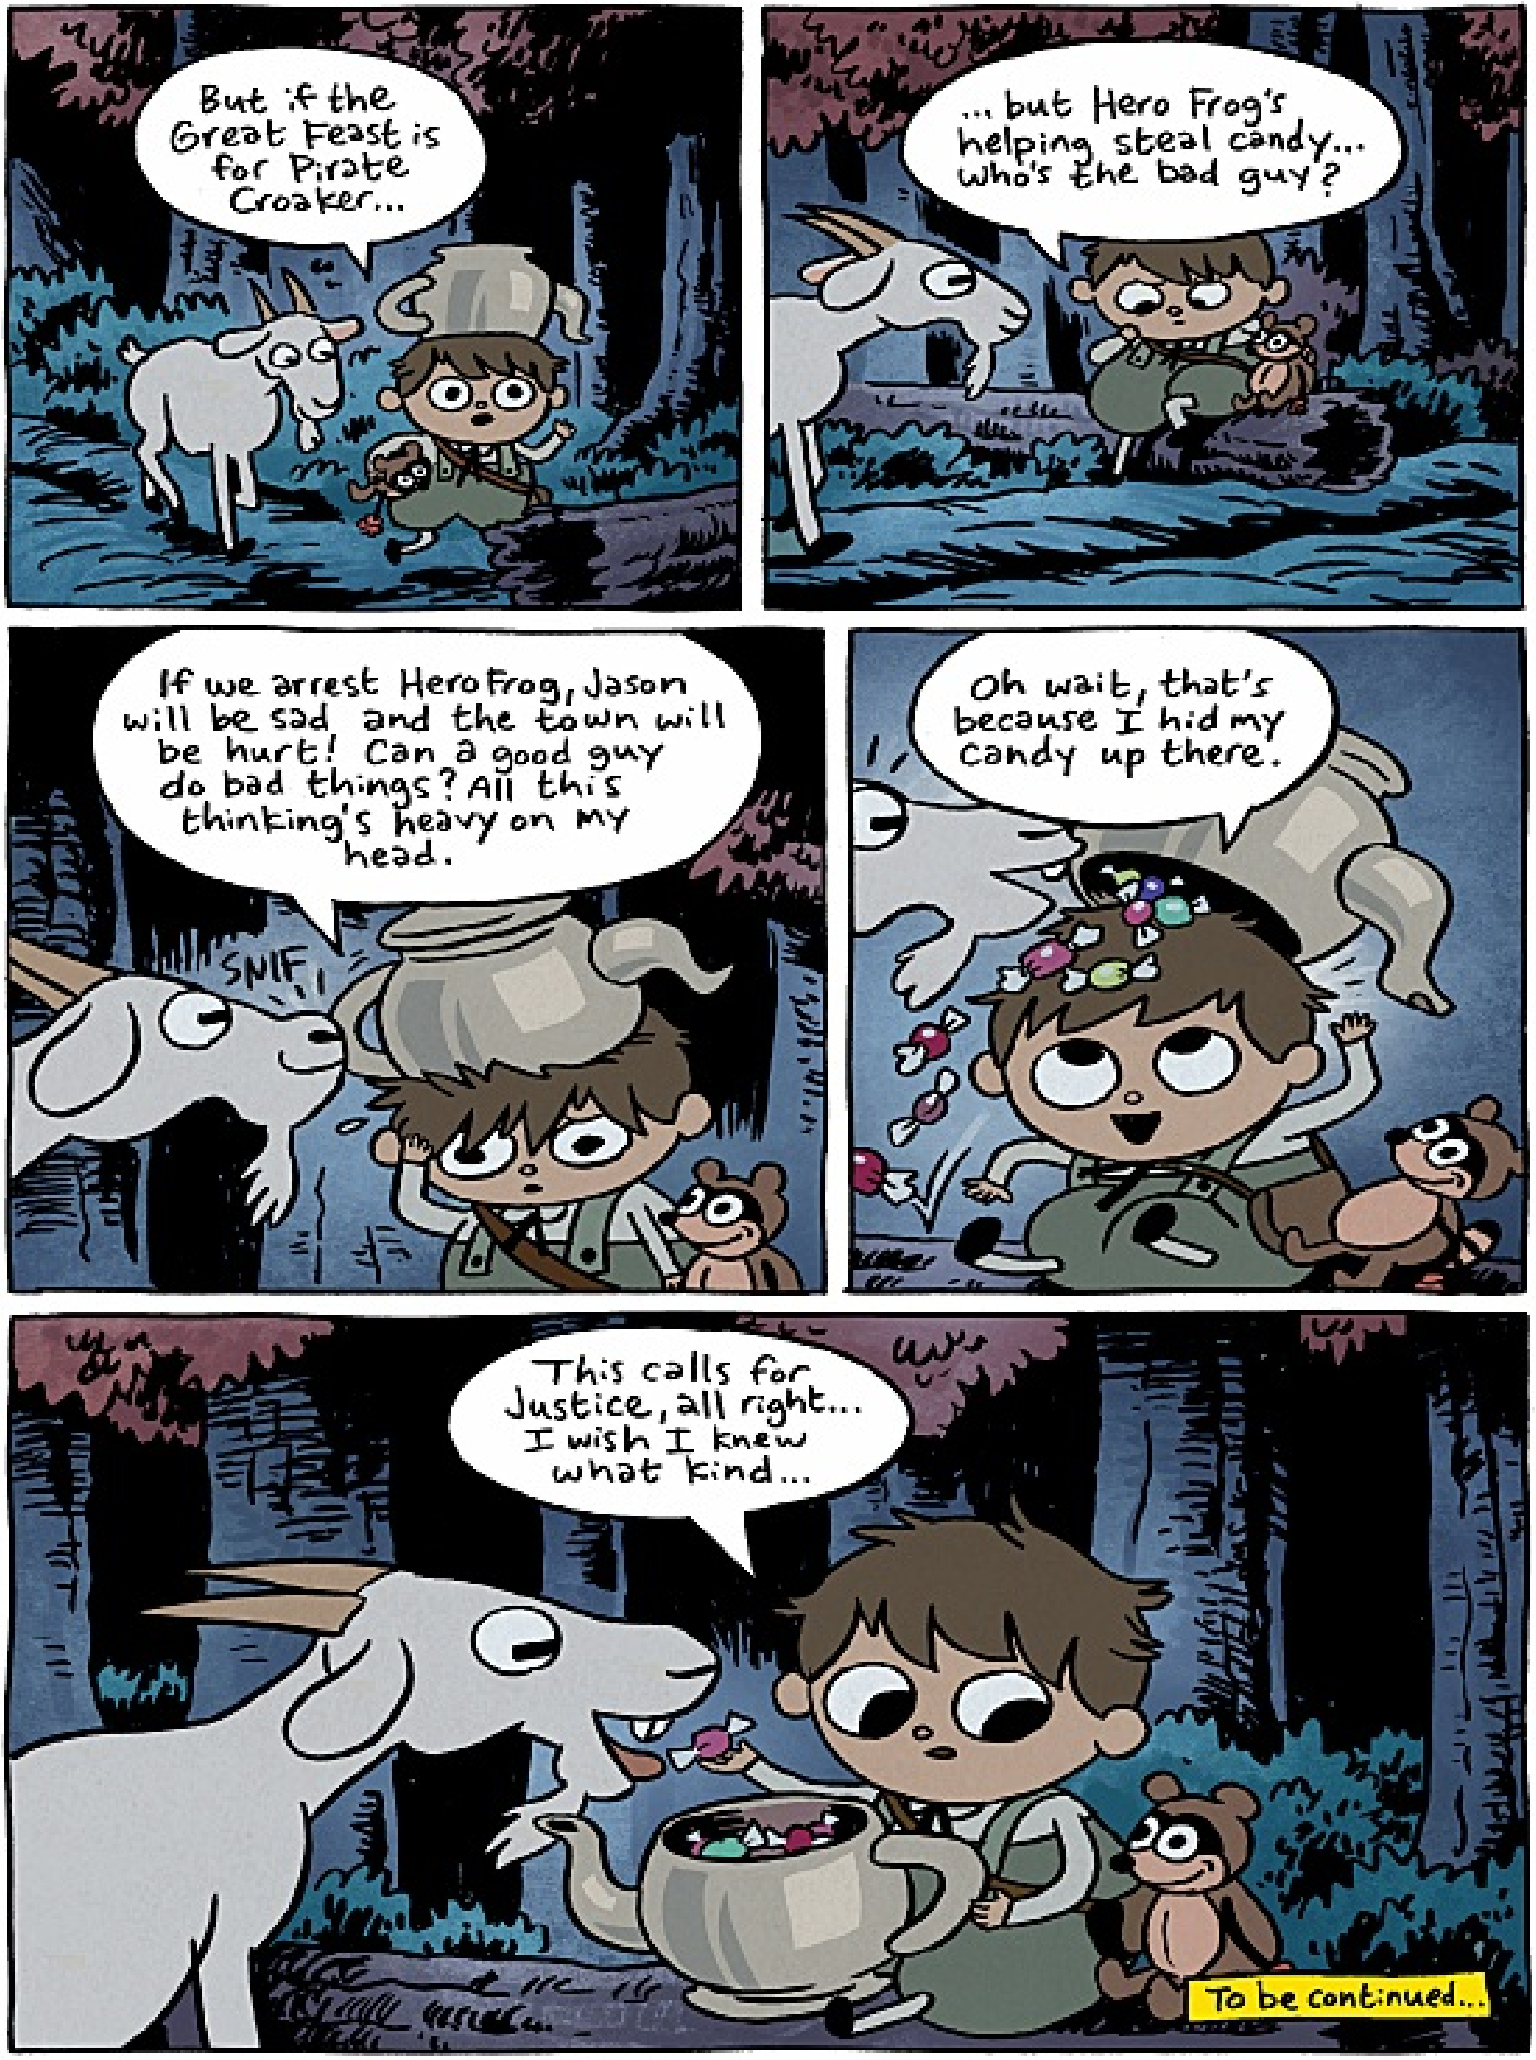
See anything yet?
Pirates go where the candy is. They'll be here. And we'll be waiting.
z z z
Rorop rop.
huh?



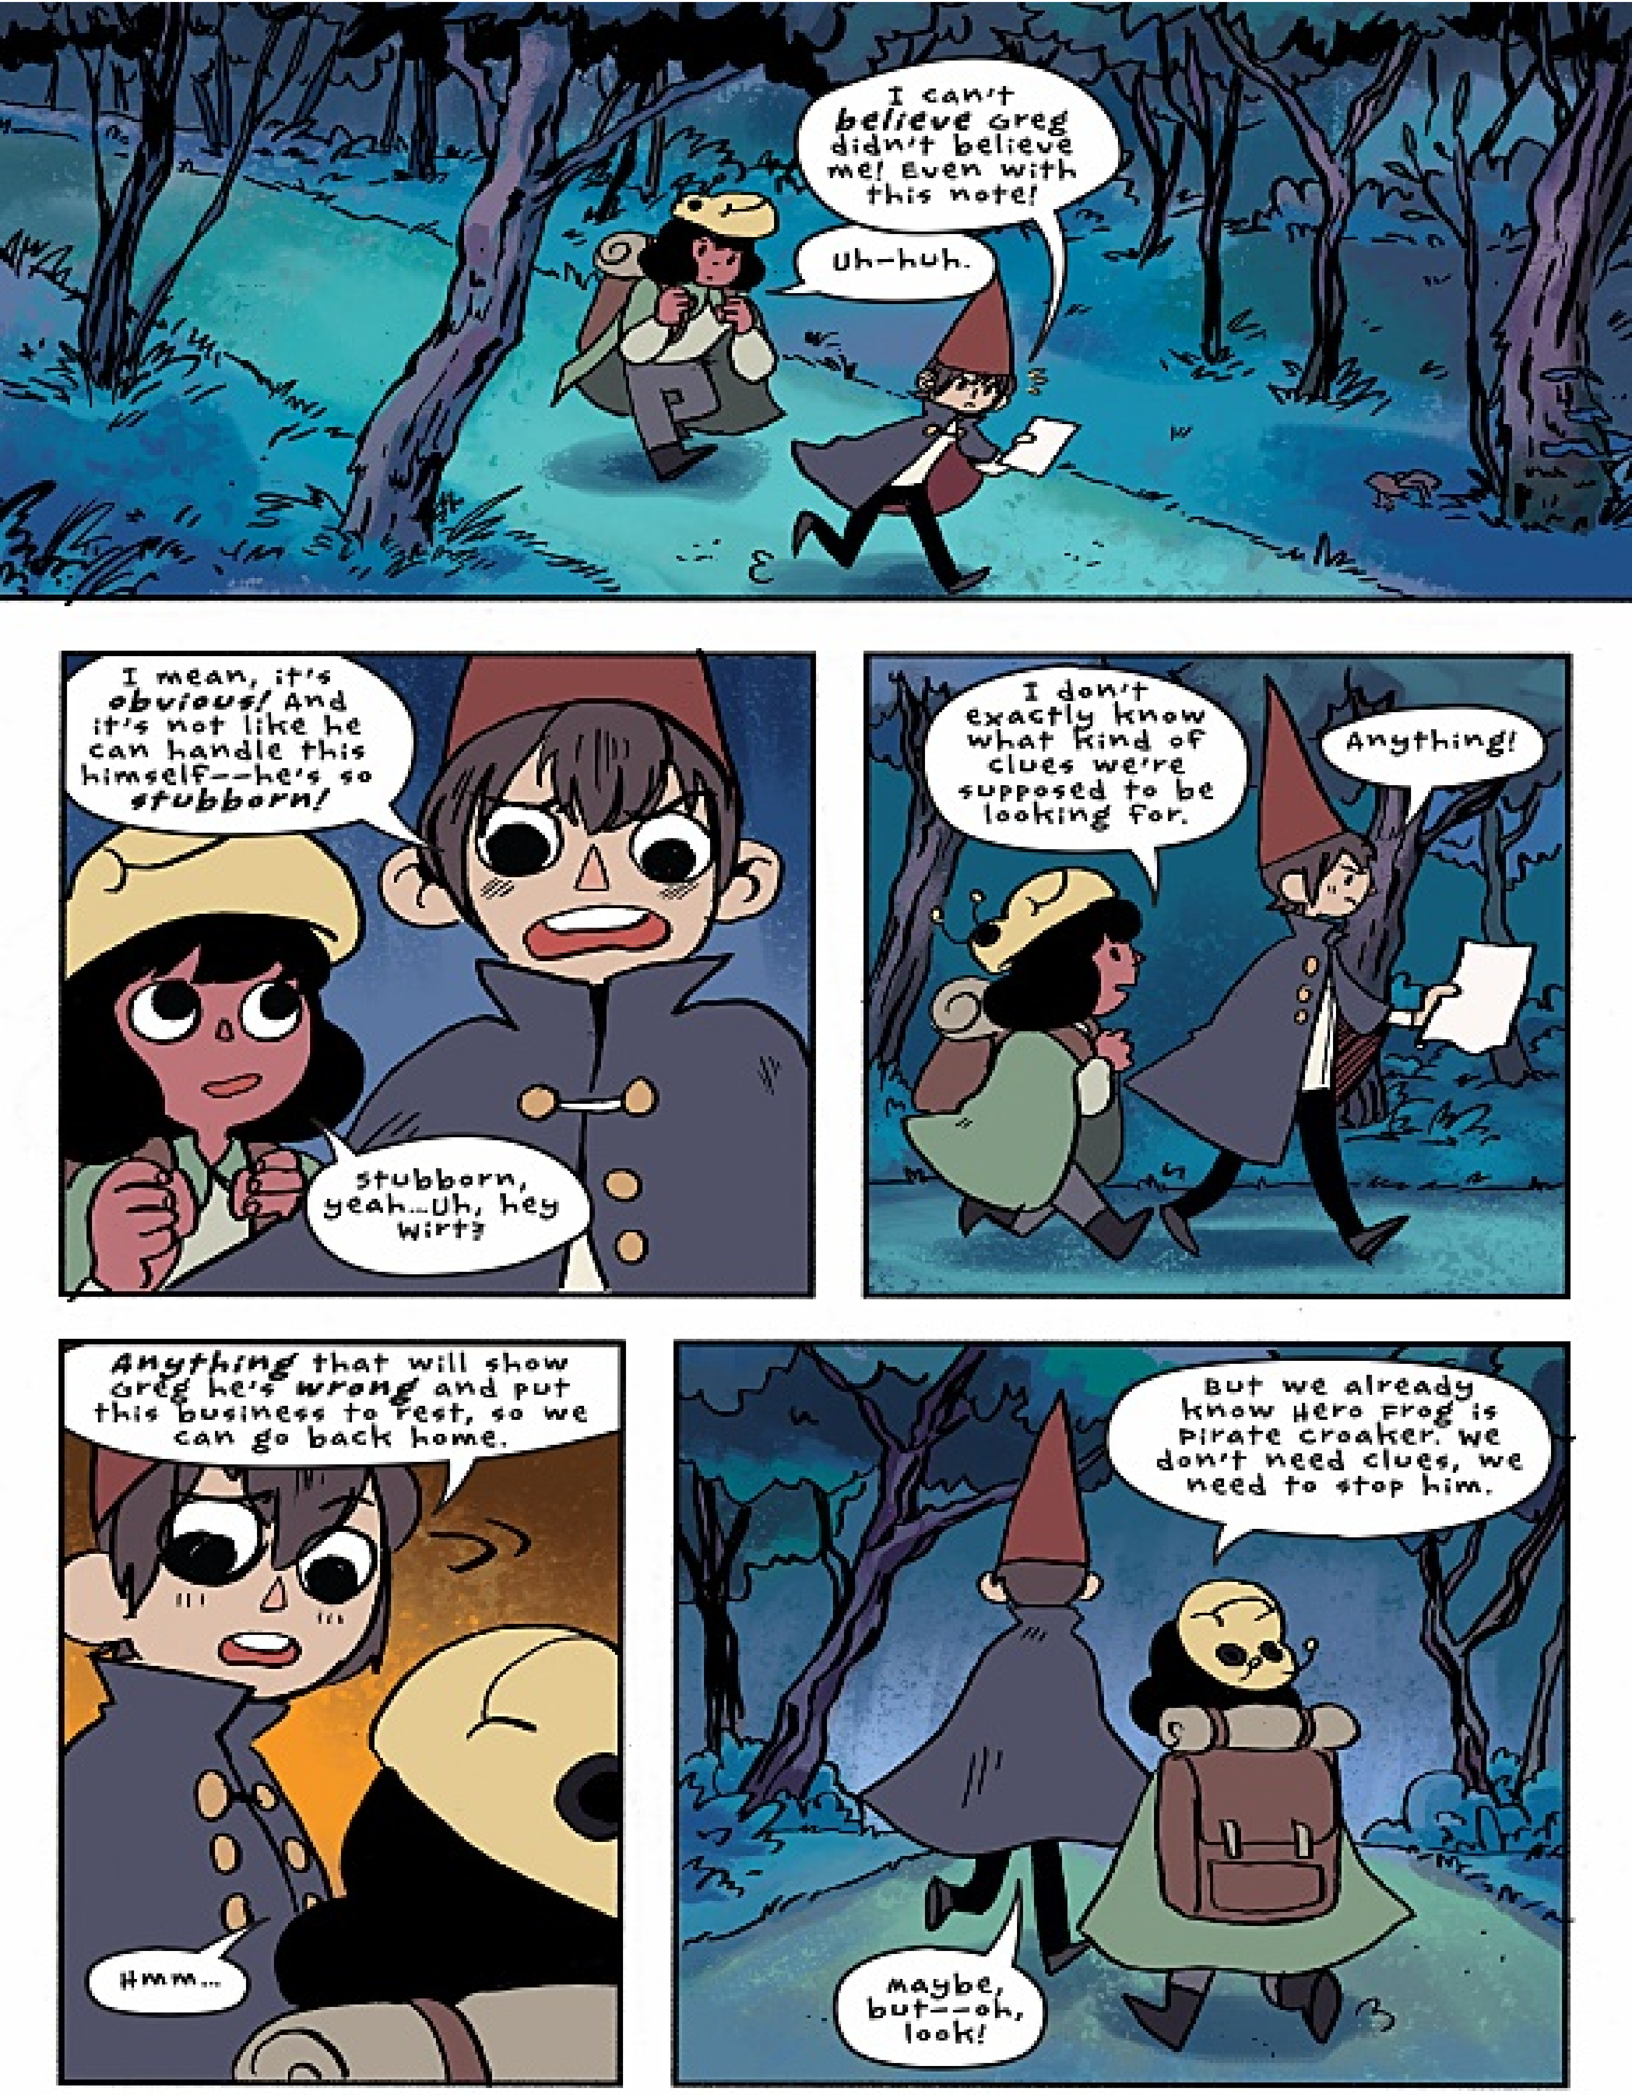
...Rorop!
sssss... your delays are not my problem.
Pirate Croaker and Hero Frog are two different frogs! Wirt was wrong! Yes!
Rorop! Rorop!
There BETTER not be! I don't care How you get the sweets... as long as you GET THEM.
Thus far you've kept the Feast on schedule. Thus far your town has been spared...



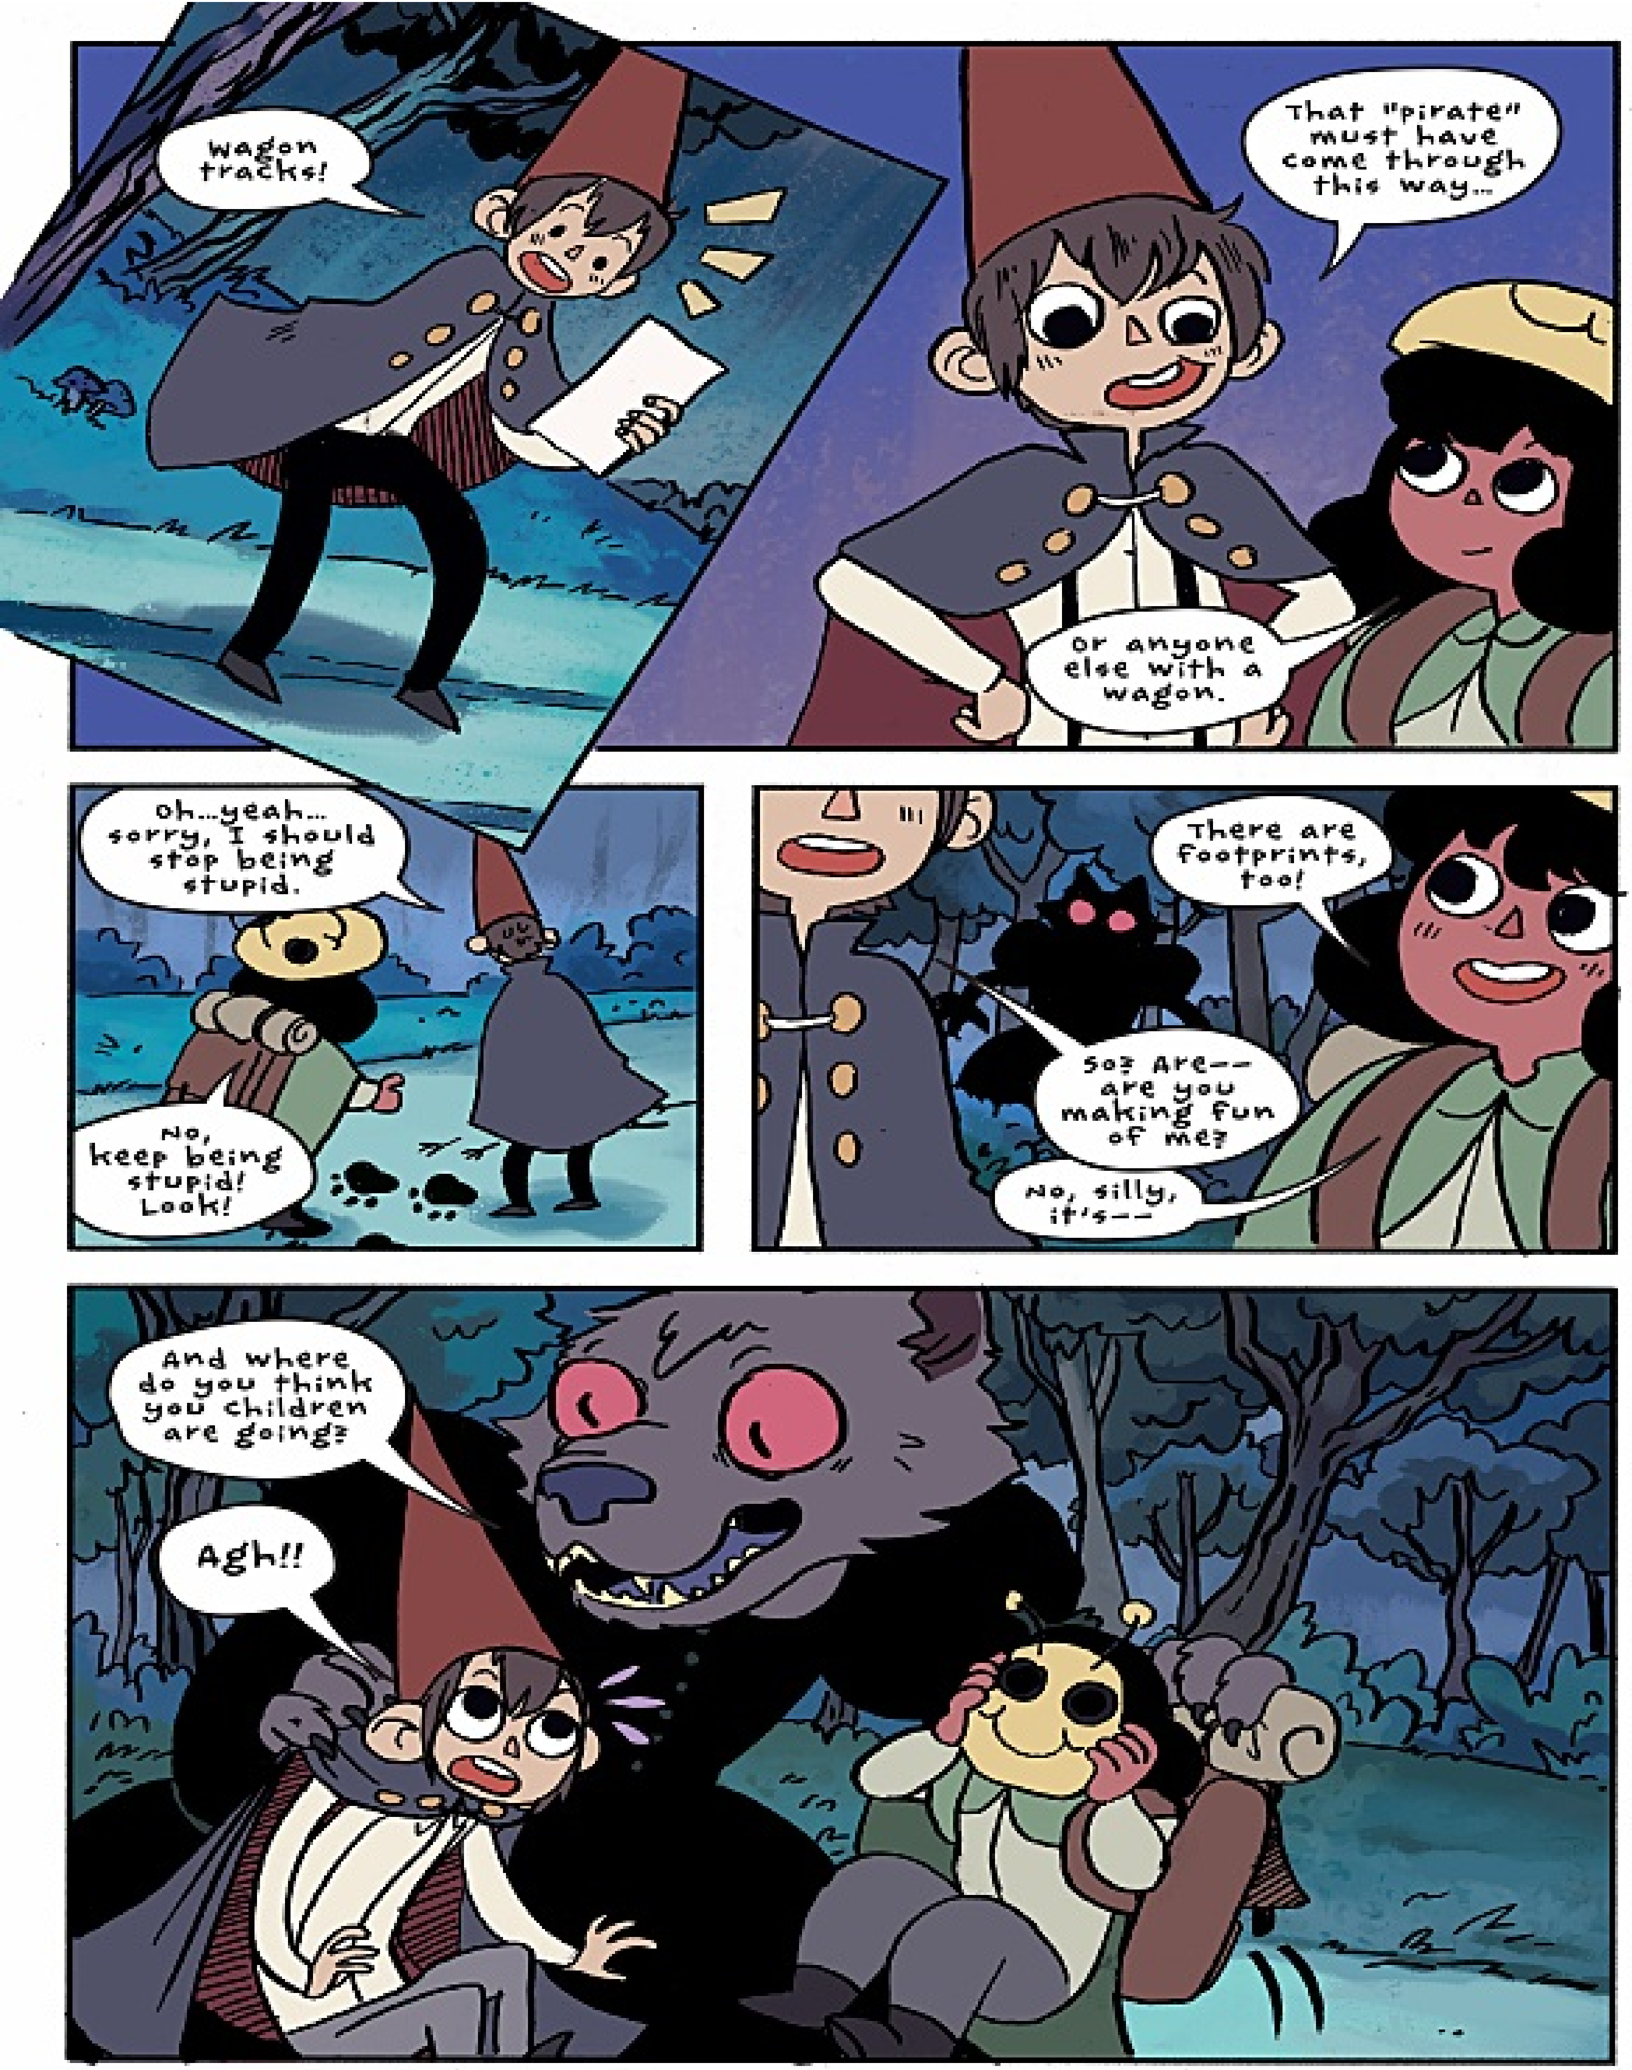
I would hate to see either change.
WOOSH
...but Hero Frog's working WITH Pirate Croaker? So... Jason was wrong too...
Oh man, EVERYONE was wrong! Hmm. This is a good hiding spot, but we gotta find a THINKING spot.
Hero Frog's doing something good though! Keeping that pirate out of town.



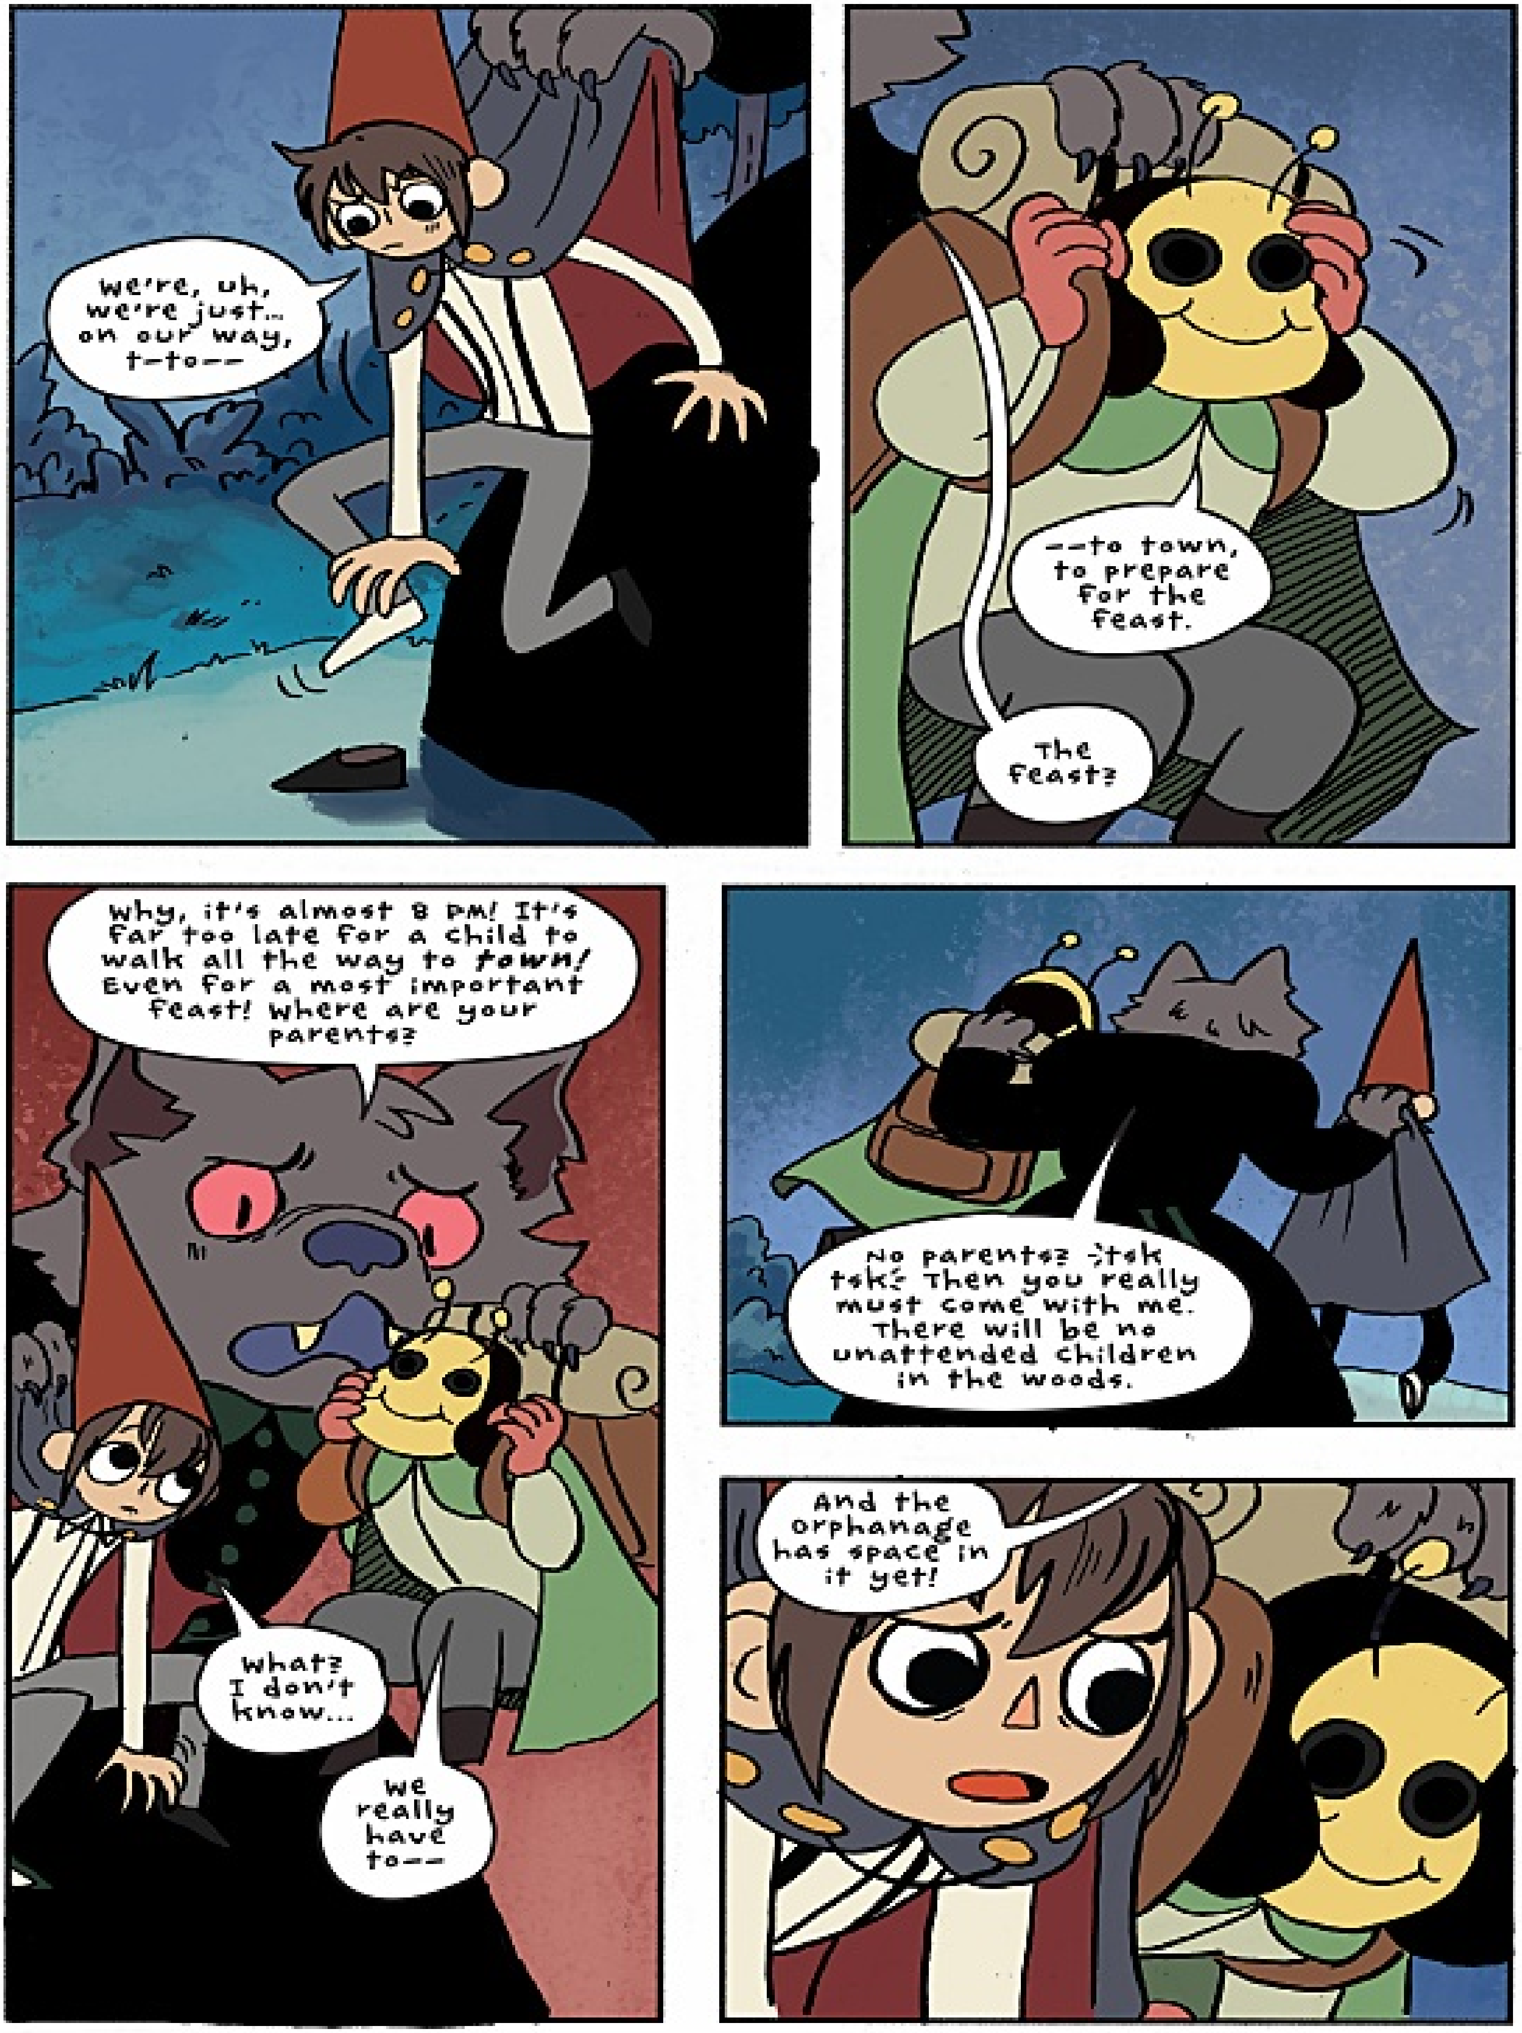
But if the Great Feast is for Pirate Croaker...
... but Hero Frog's helping steal candy... who's the bad guy?
If we arrest Hero Frog, Jason will be sad and the town will be hurt! Can a good guy do bad things? All this thinking's heavy on my head.
SNIF
Oh wait, that's because I hid my candy up there.
This calls for Justice, all right... I wish I knew what kind...
To be continued...



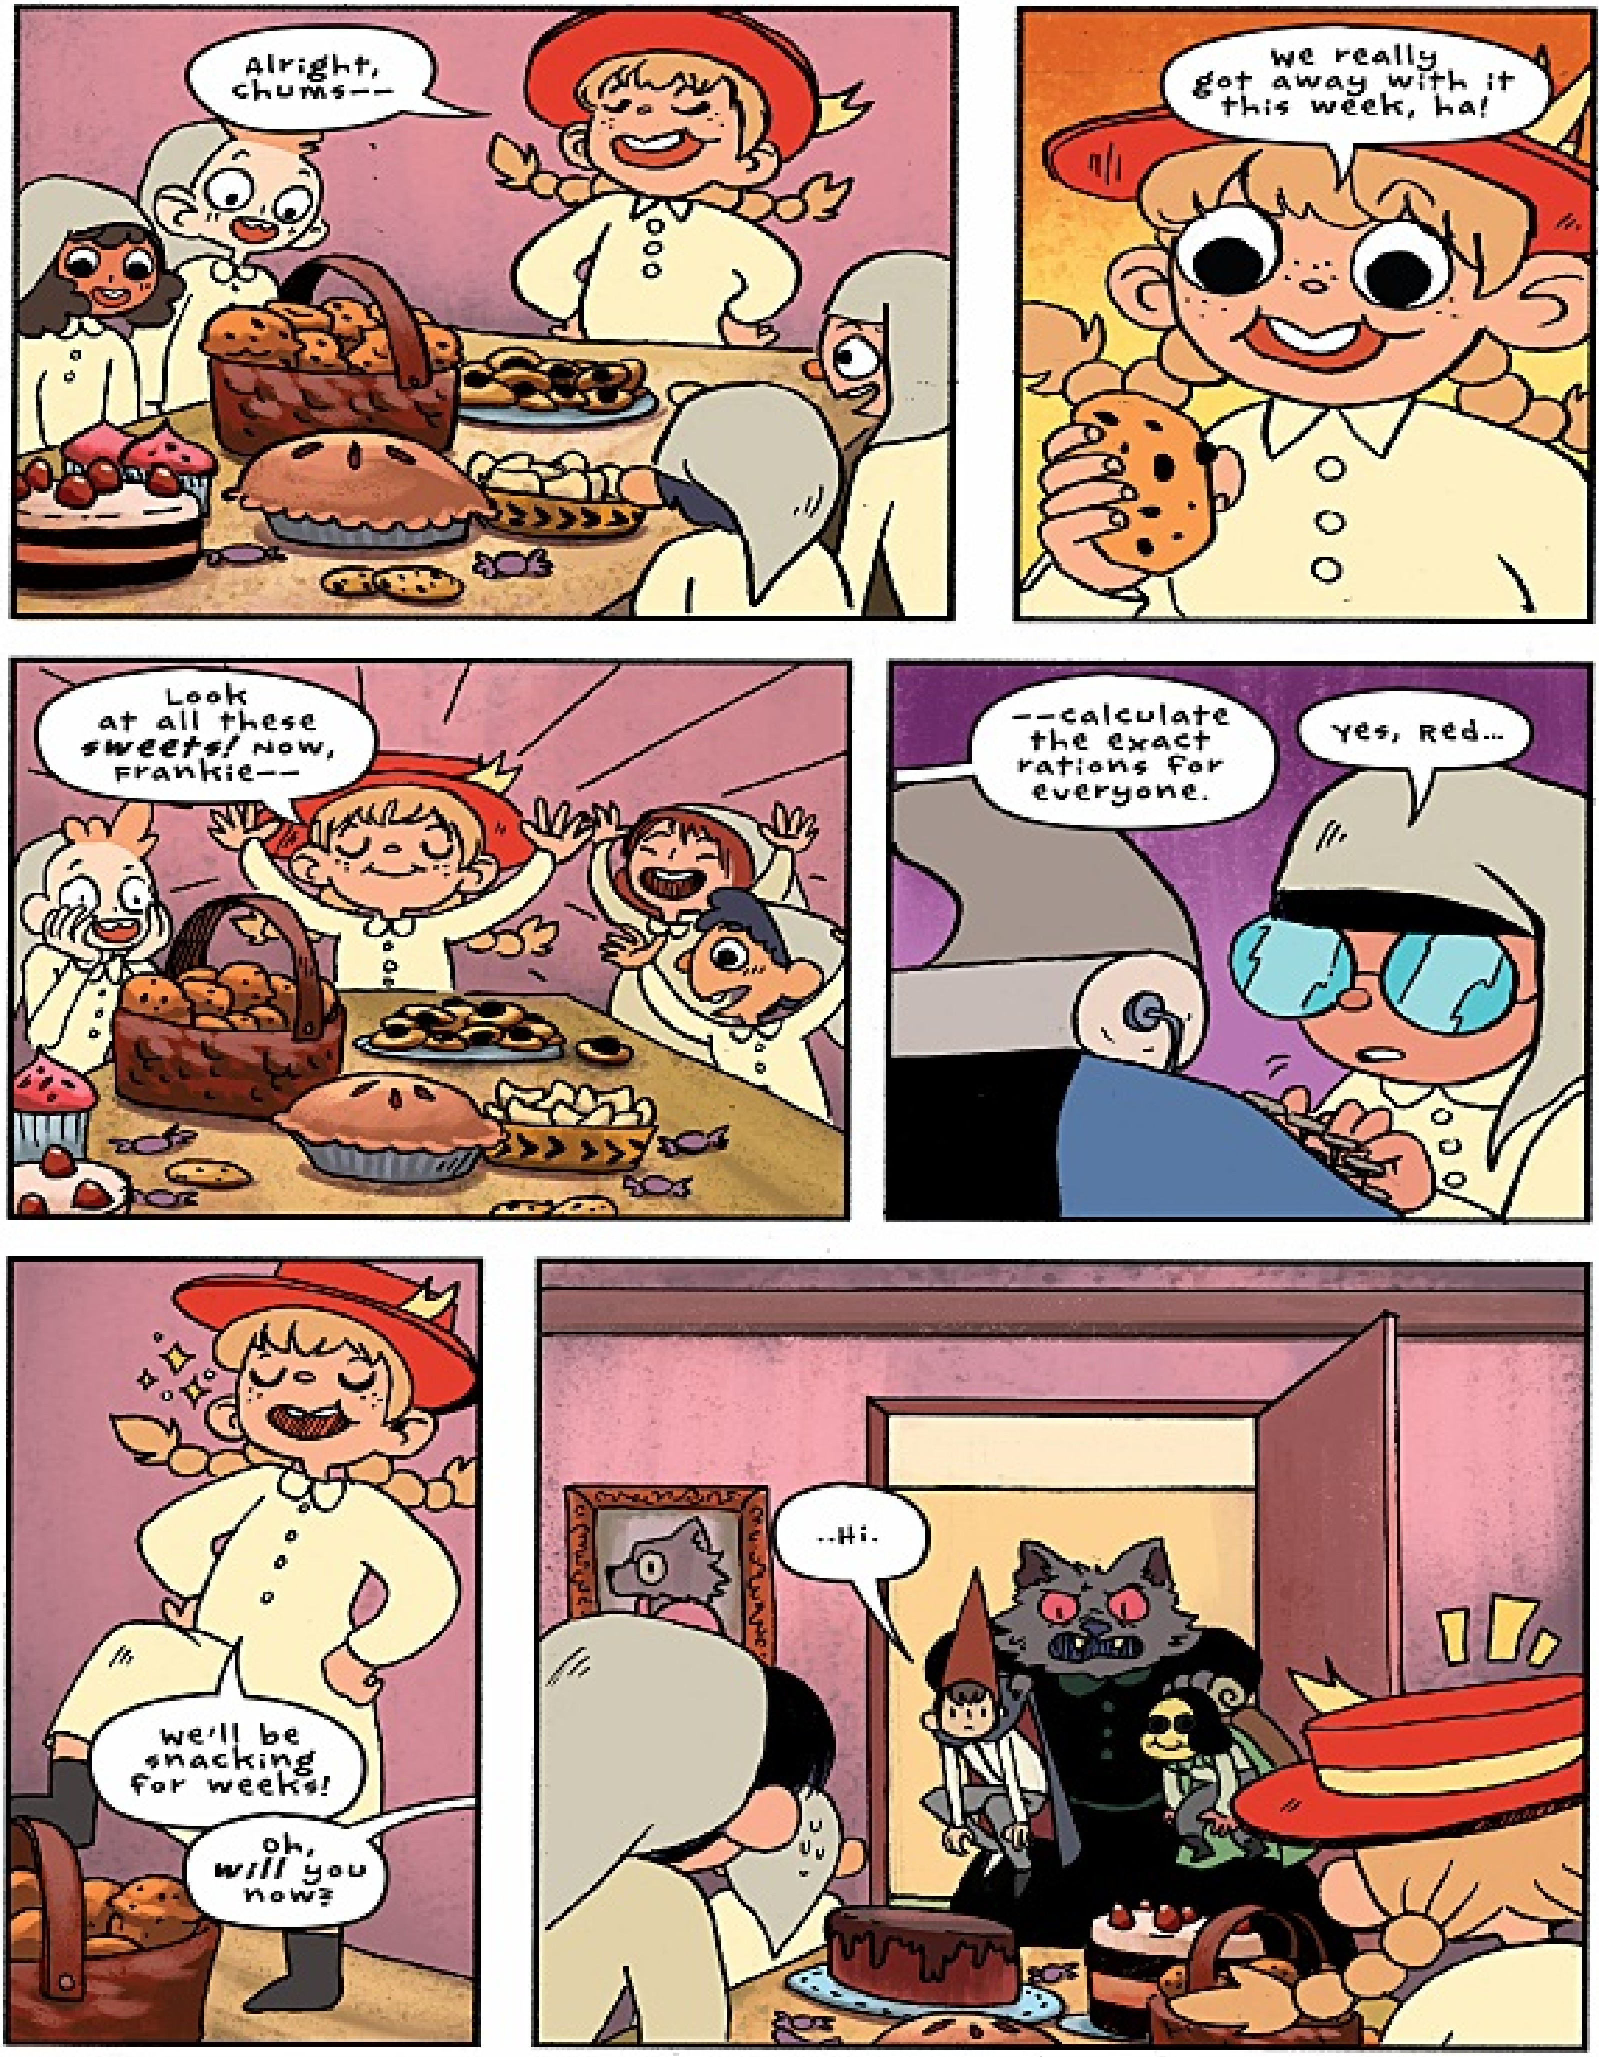
I can't believe Greg didn't believe me! Even with this note!
Uh-huh.
I mean, it's obvious! And it's not like he can handle this himself--he's so stubborn!
Stubborn, yeah...Uh, hey Wirt?
I don't exactly know what kind of clues we're supposed to be looking for.
Anything!
Anything that will show Greg he's wrong and put this business to rest, so we can go back home.
Hmm...
But we already know Hero Frog is Pirate Croaker. We don't need clues, we need to stop him.
Maybe, but--oh, look!



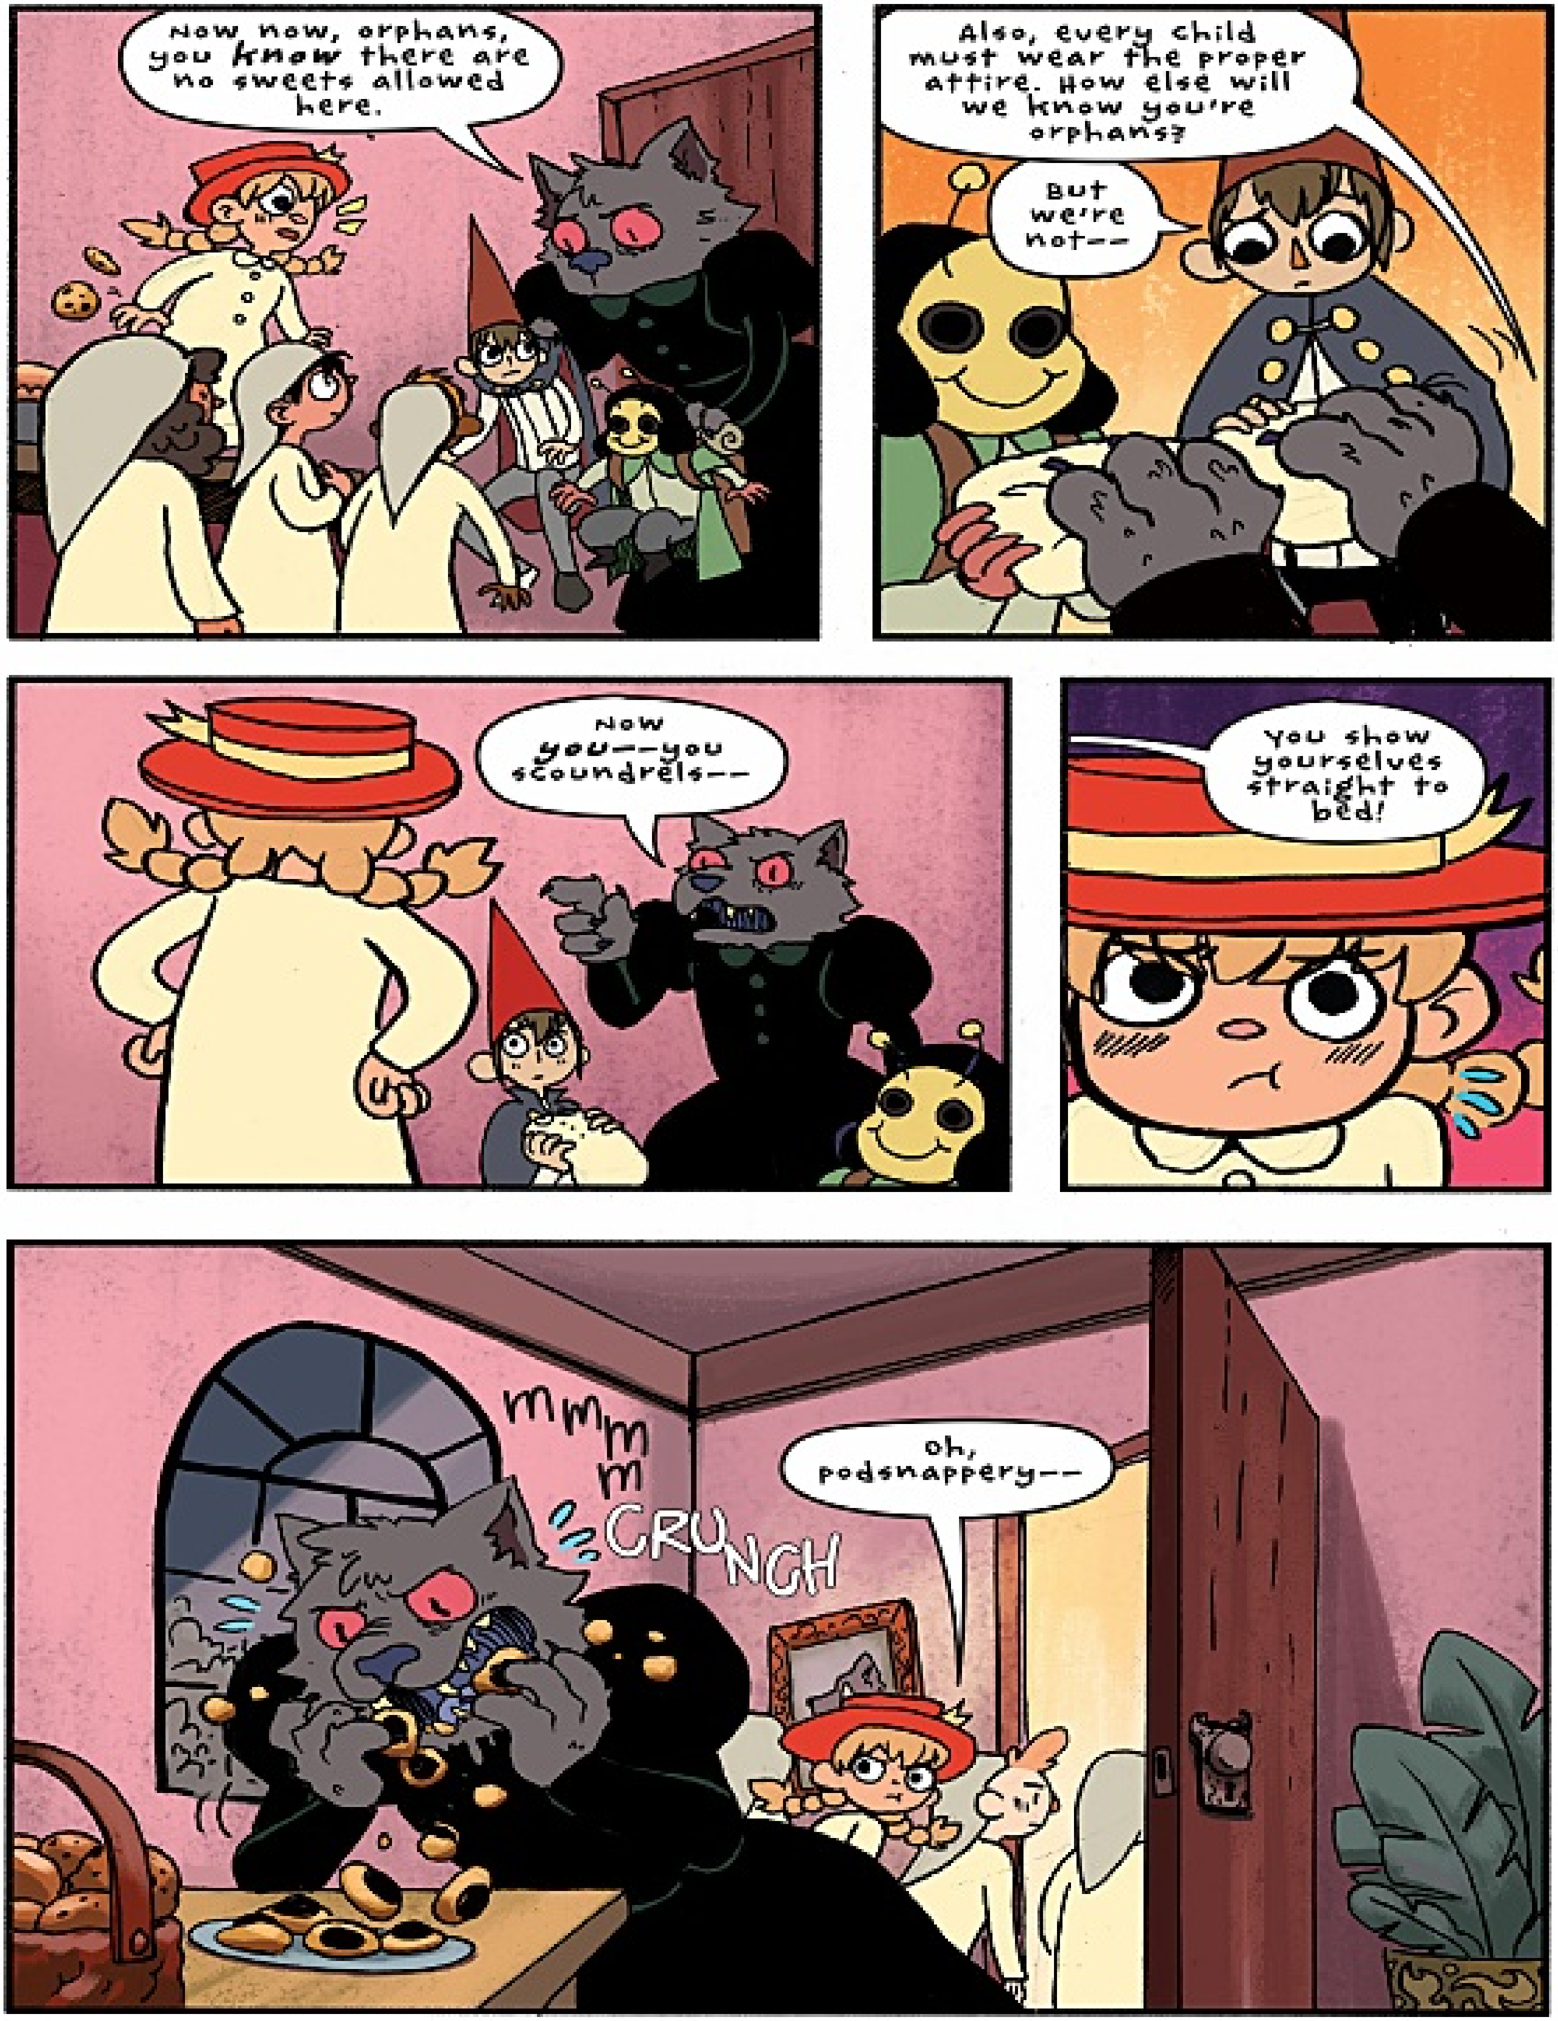
Wagon tracks!
That "pirate" must have come through this way...
Or anyone else with a wagon.
Oh...yeah... sorry, I should stop being stupid.
No, keep being stupid! Look!
There are footprints, too!
So? Are--are you making fun of me?
No, silly, it's--
And where do you think you children are going?
Agh!!



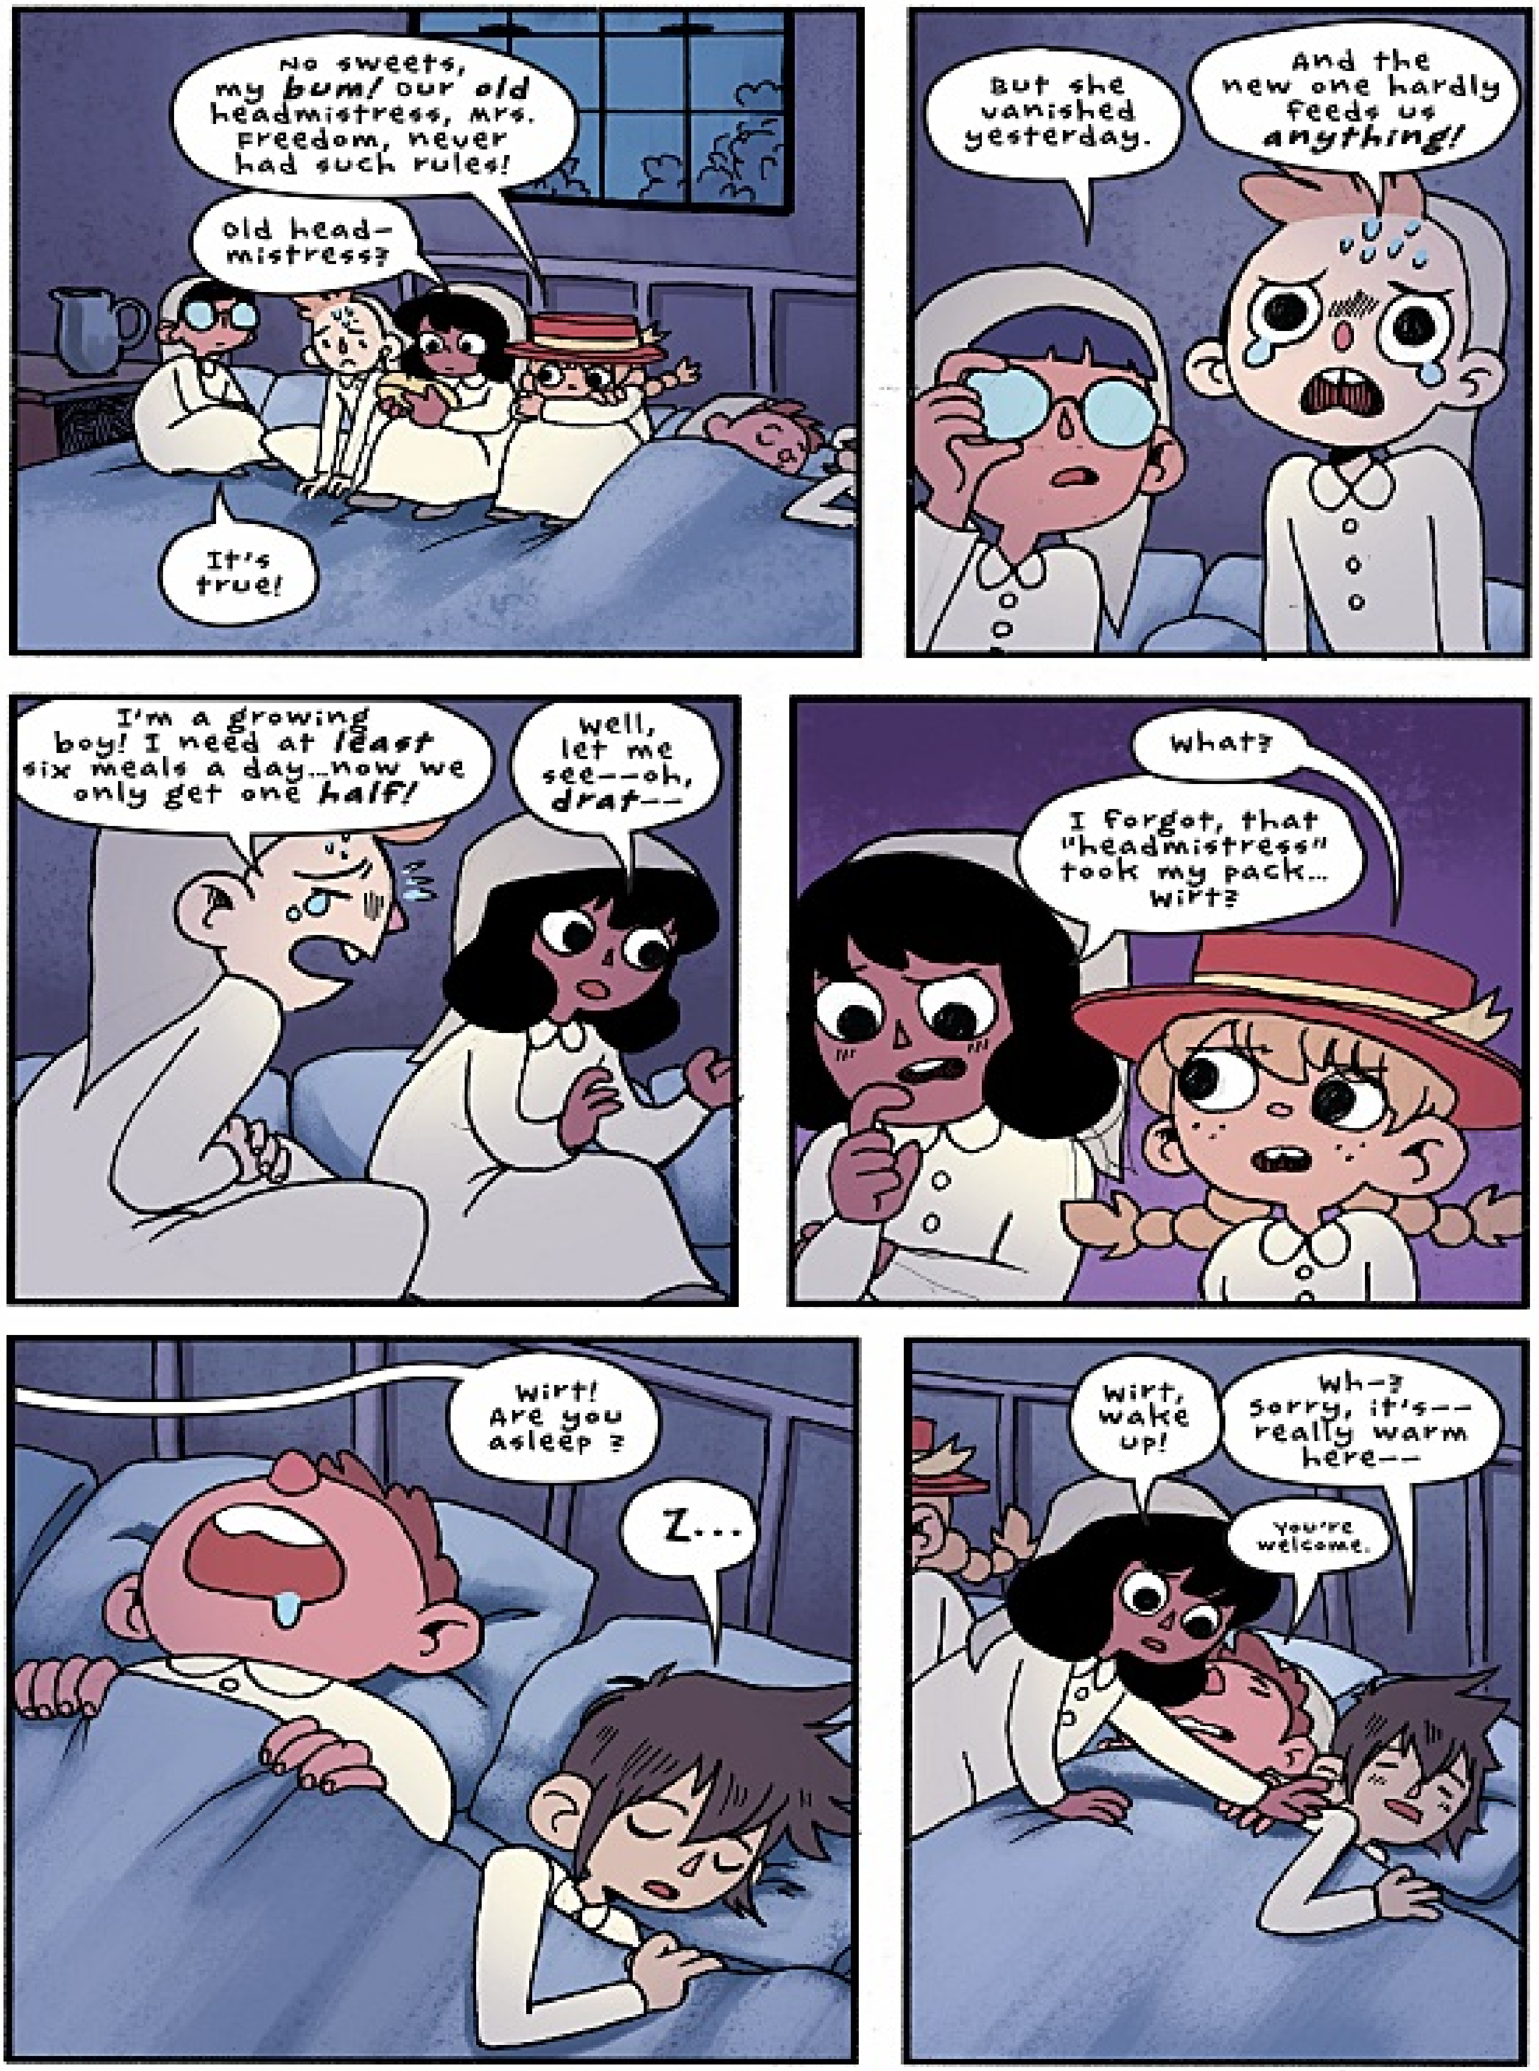
We're, uh, we're just… on our way, t-to--
--to town, to prepare for the feast.
The feast?
Why, it's almost 8 PM! It's far too late for a child to walk all the way to *town!* Even for a most important feast! Where are your parents?
What? I don't know...
We really have to--
No parents? ;tsk tsk; Then you really must come with me. There will be no unattended children in the woods.
And the orphanage has space in it yet!



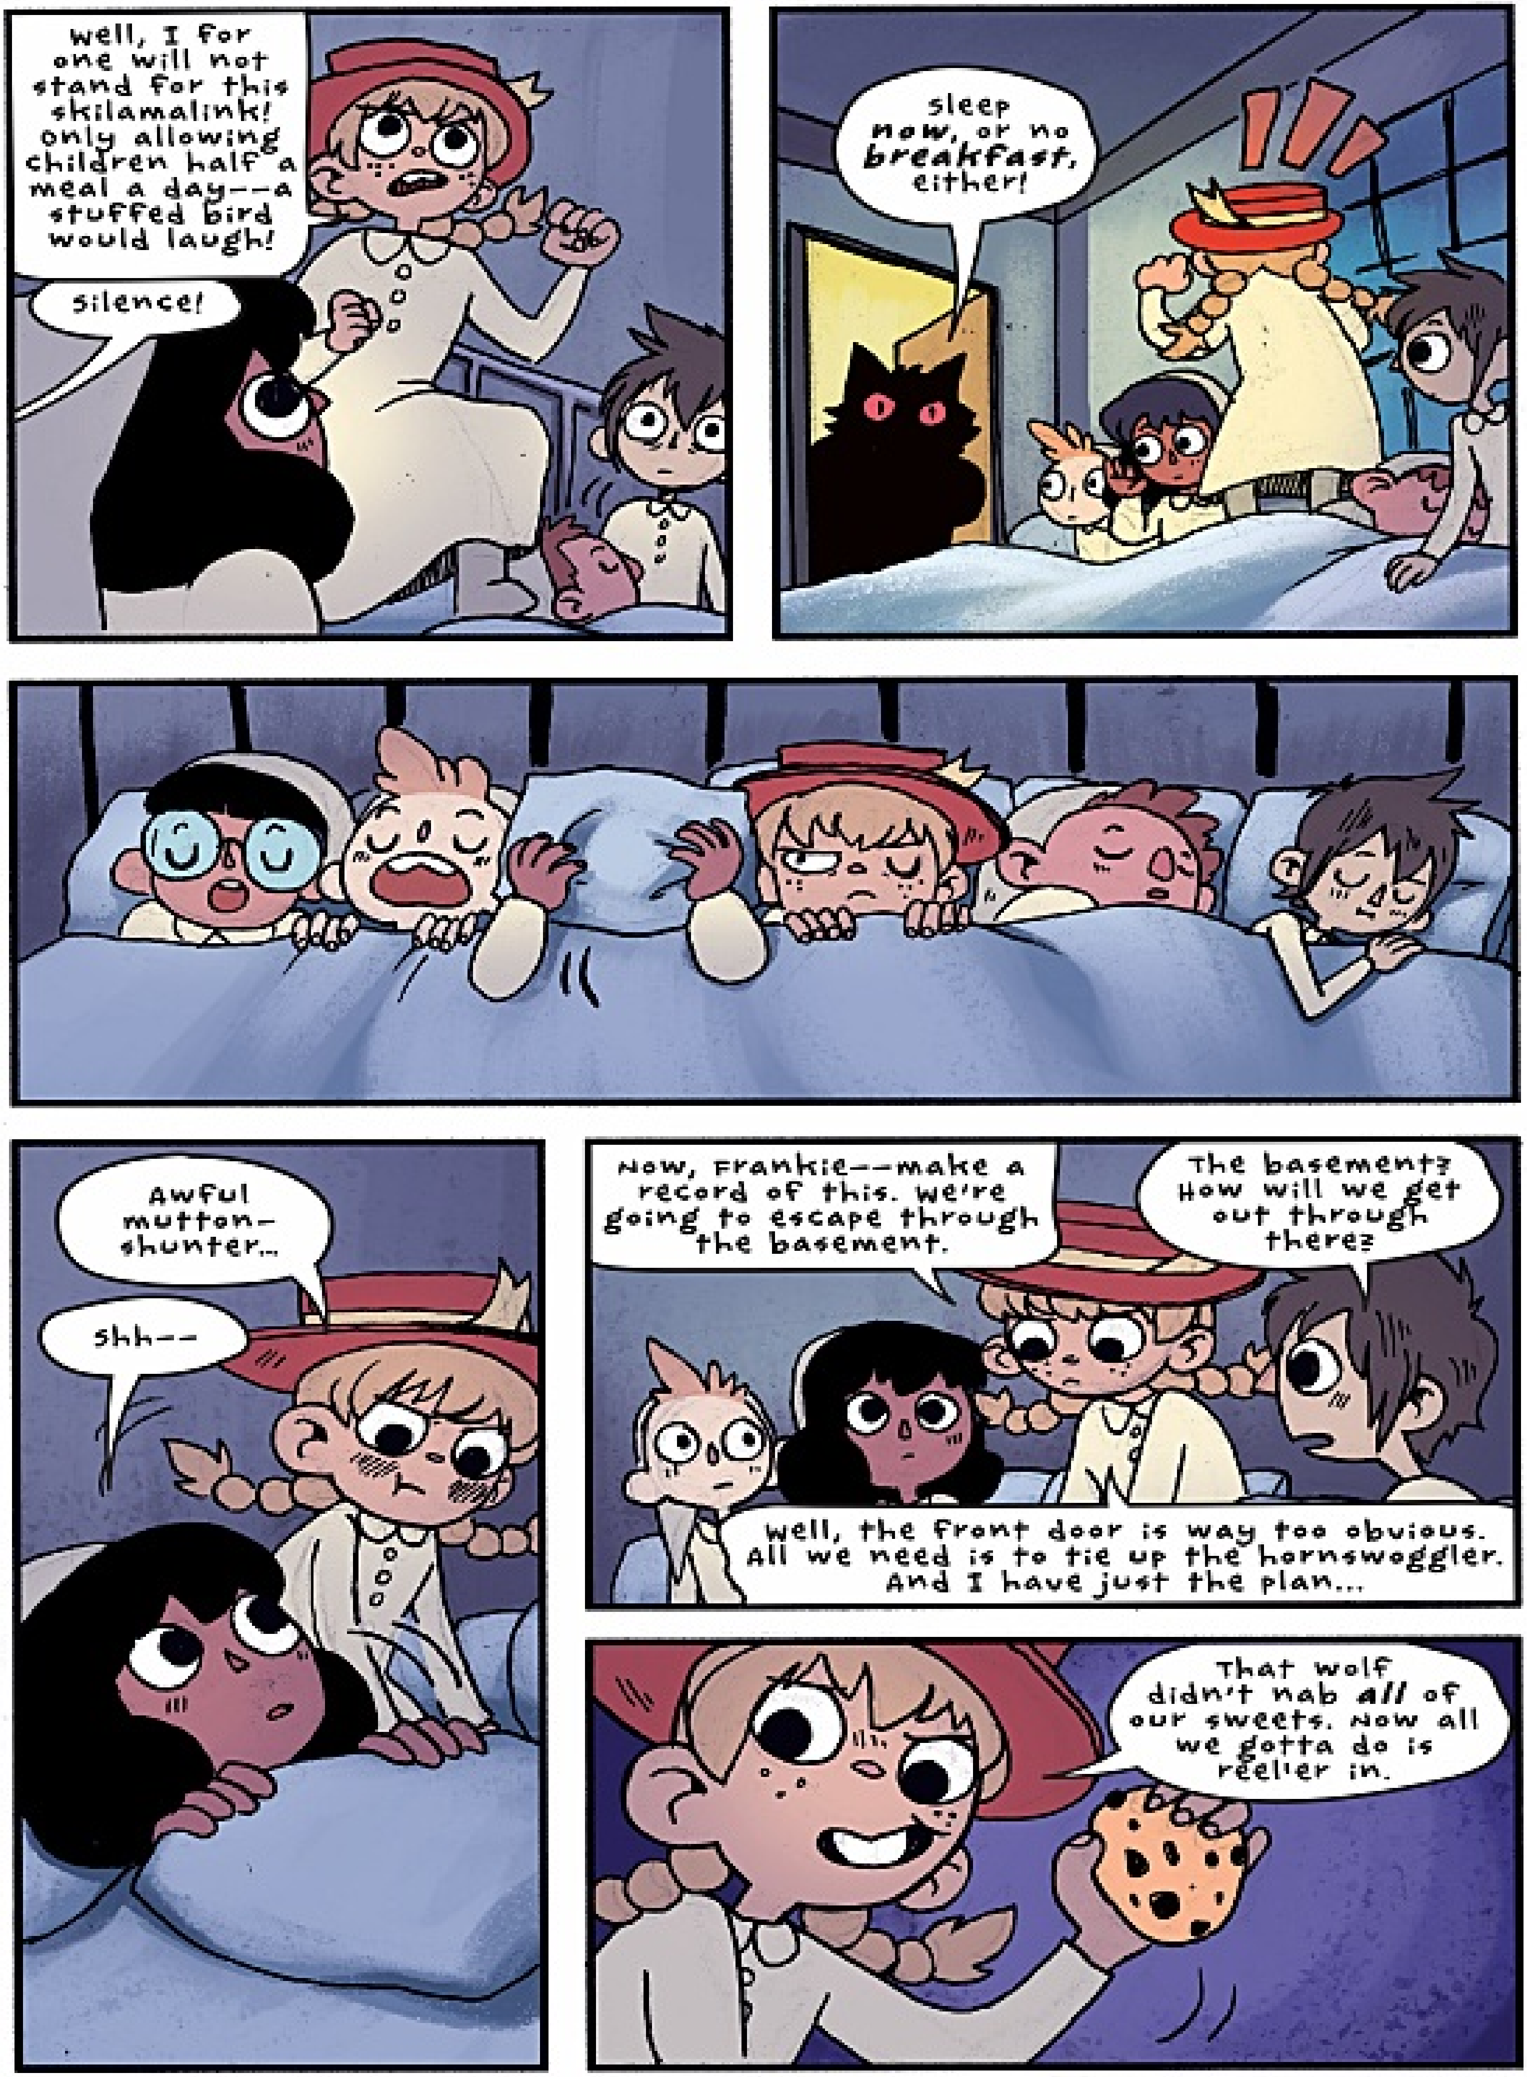
Alright, chums--
we really got away with it this week, ha!
Look at all these *sweets!* Now, Frankie--
--calculate the exact rations for everyone.
Yes, Red...
We'll be snacking for weeks!
Oh, *will* you now?
..Hi.



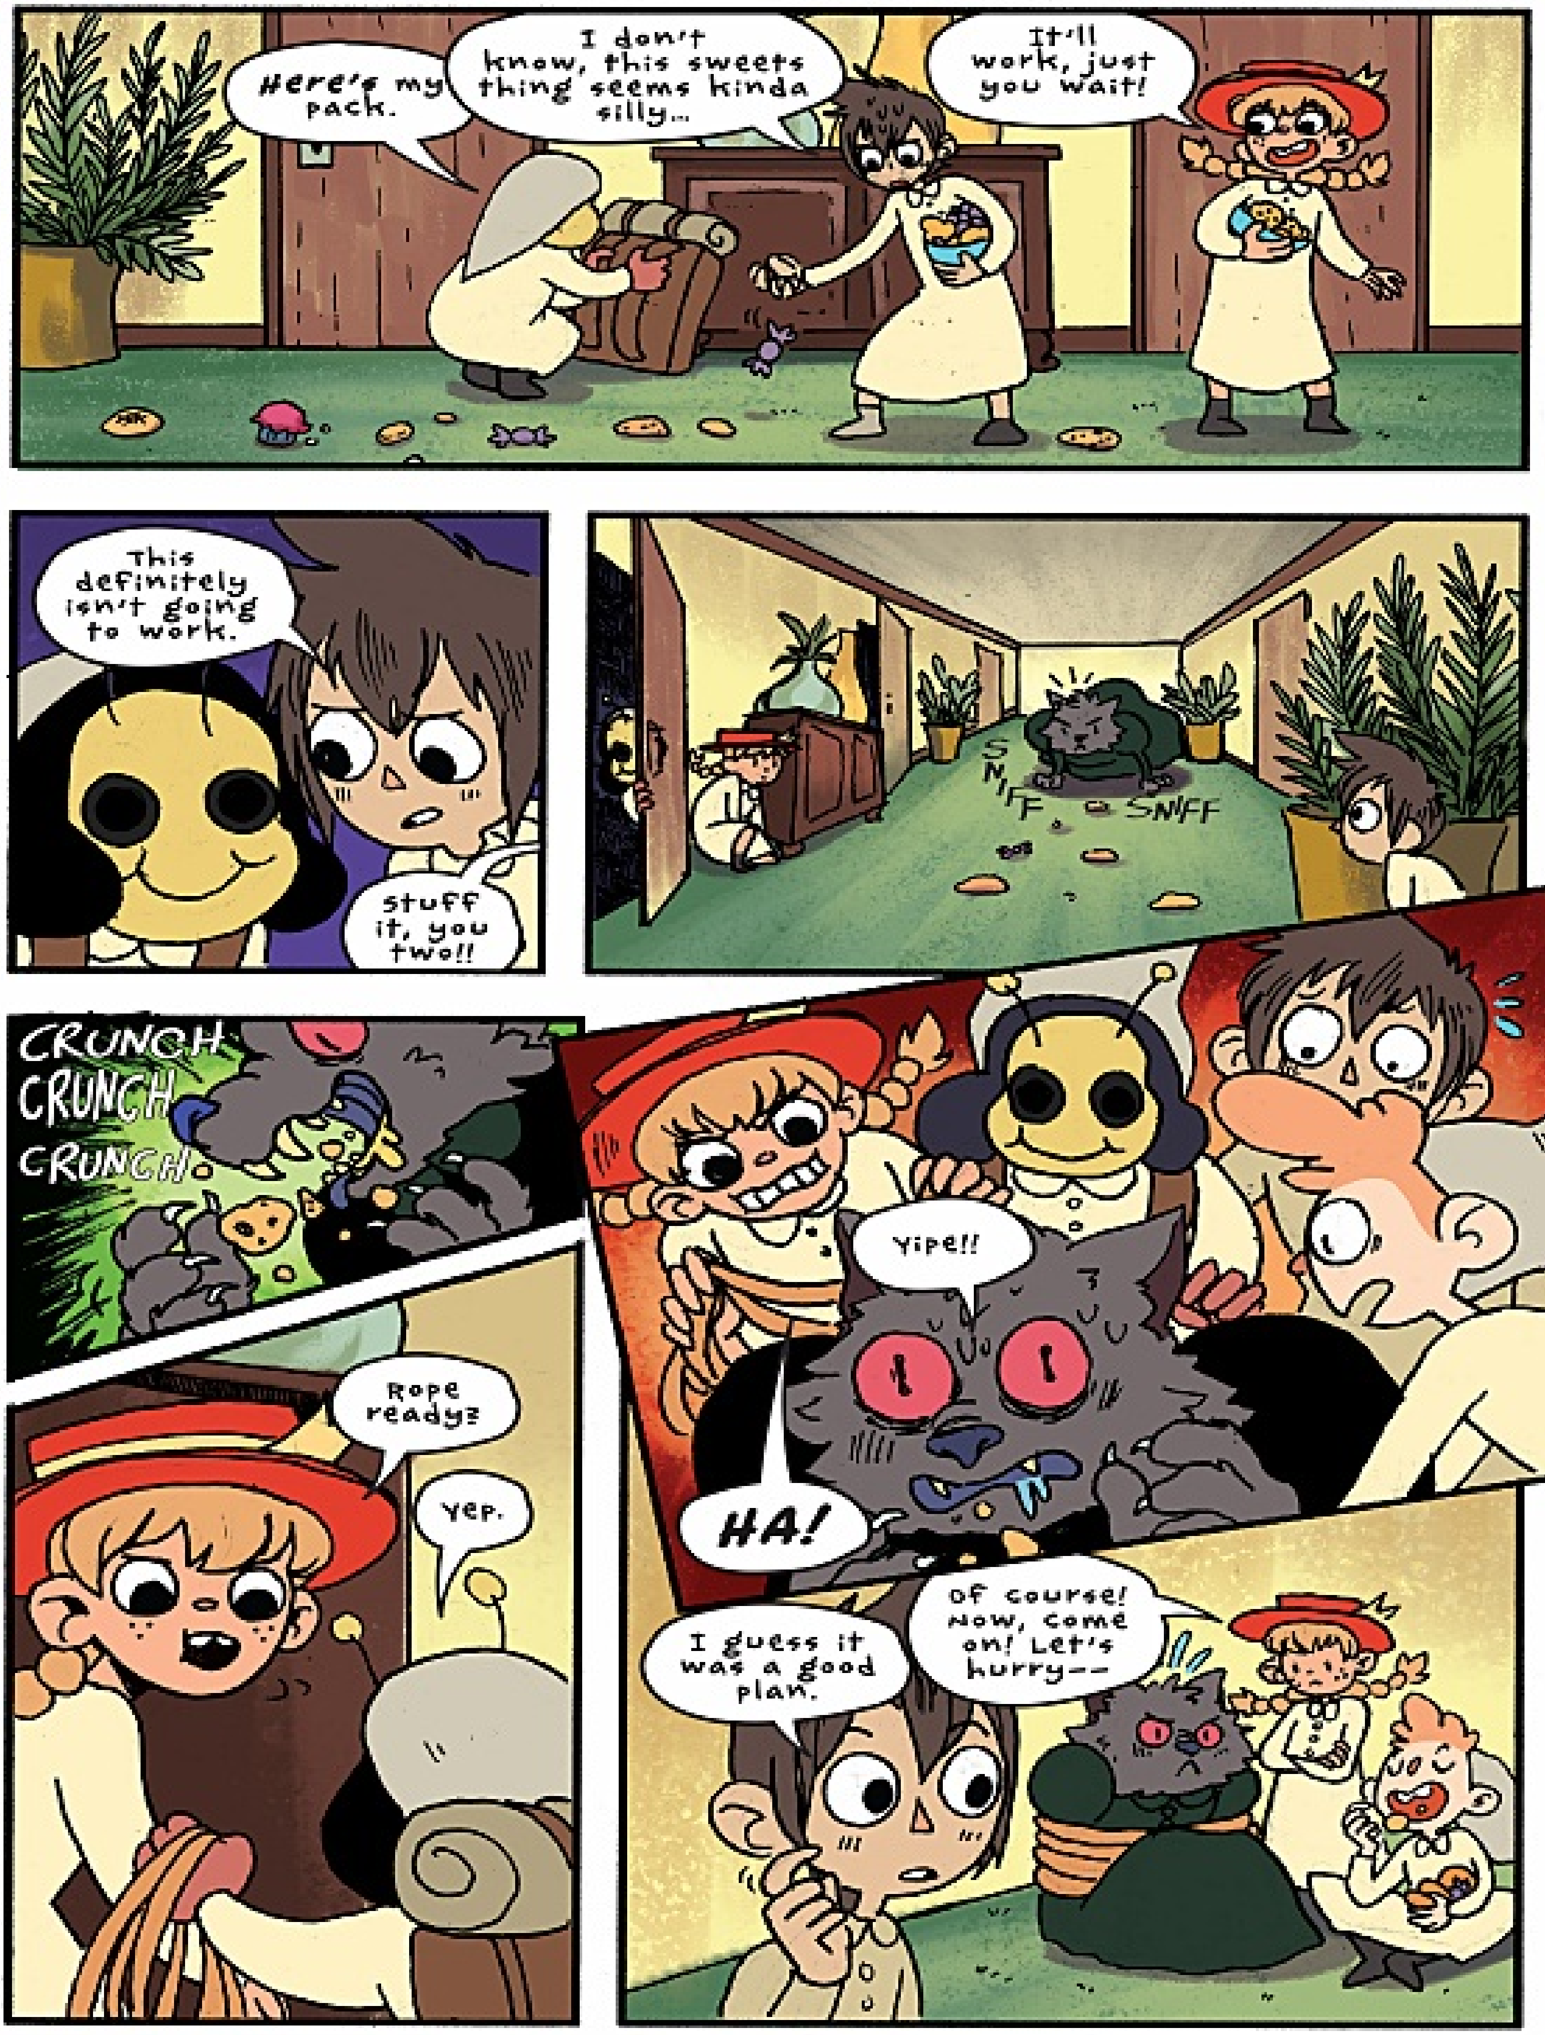
Now now, orphans, you *know* there are no sweets allowed here.
Also, every child must wear the proper attire. How else will we know you're orphans?
But we're not--
Now *you*--you scoundrels--
You show yourselves straight to bed!
mmmm
CRUNCH
oh, podsnappery--



No sweets, my *bum!* Our *old* headmistress, Mrs. Freedom, never had such rules!
Old head-mistress?
It's true!
But she vanished yesterday.
And the new one hardly feeds us *anything!*
I'm a growing boy! I need at *least* six meals a day...now we only get one *half!*
Well, let me see--oh, *drat*--
What?
I forgot, that "headmistress" took my pack... Wirt?
Wirt! Are you asleep?
Z...
Wirt, wake up!
Wh-? Sorry, it's--really warm here--
You're welcome.



Well, I for one will not stand for this skilamalink! Only allowing children half a meal a day––a stuffed bird would laugh!
Silence!
Sleep *now*, or no ***breakfast***, either!
Awful mutton-shunter...
Shh––
Now, Frankie––make a record of this. We're going to escape through the basement.
The basement? How will we get out through there?
Well, the front door is way too obvious. All we need is to tie up the hornswoggler. And I have just the plan...
That wolf didn't nab *all* of our sweets. Now all we gotta do is reel'er in.



Here's my pack.
I don't know, this sweets thing seems kinda silly...
It'll work, just you wait!
This definitely isn't going to work.
Stuff it, you two!!

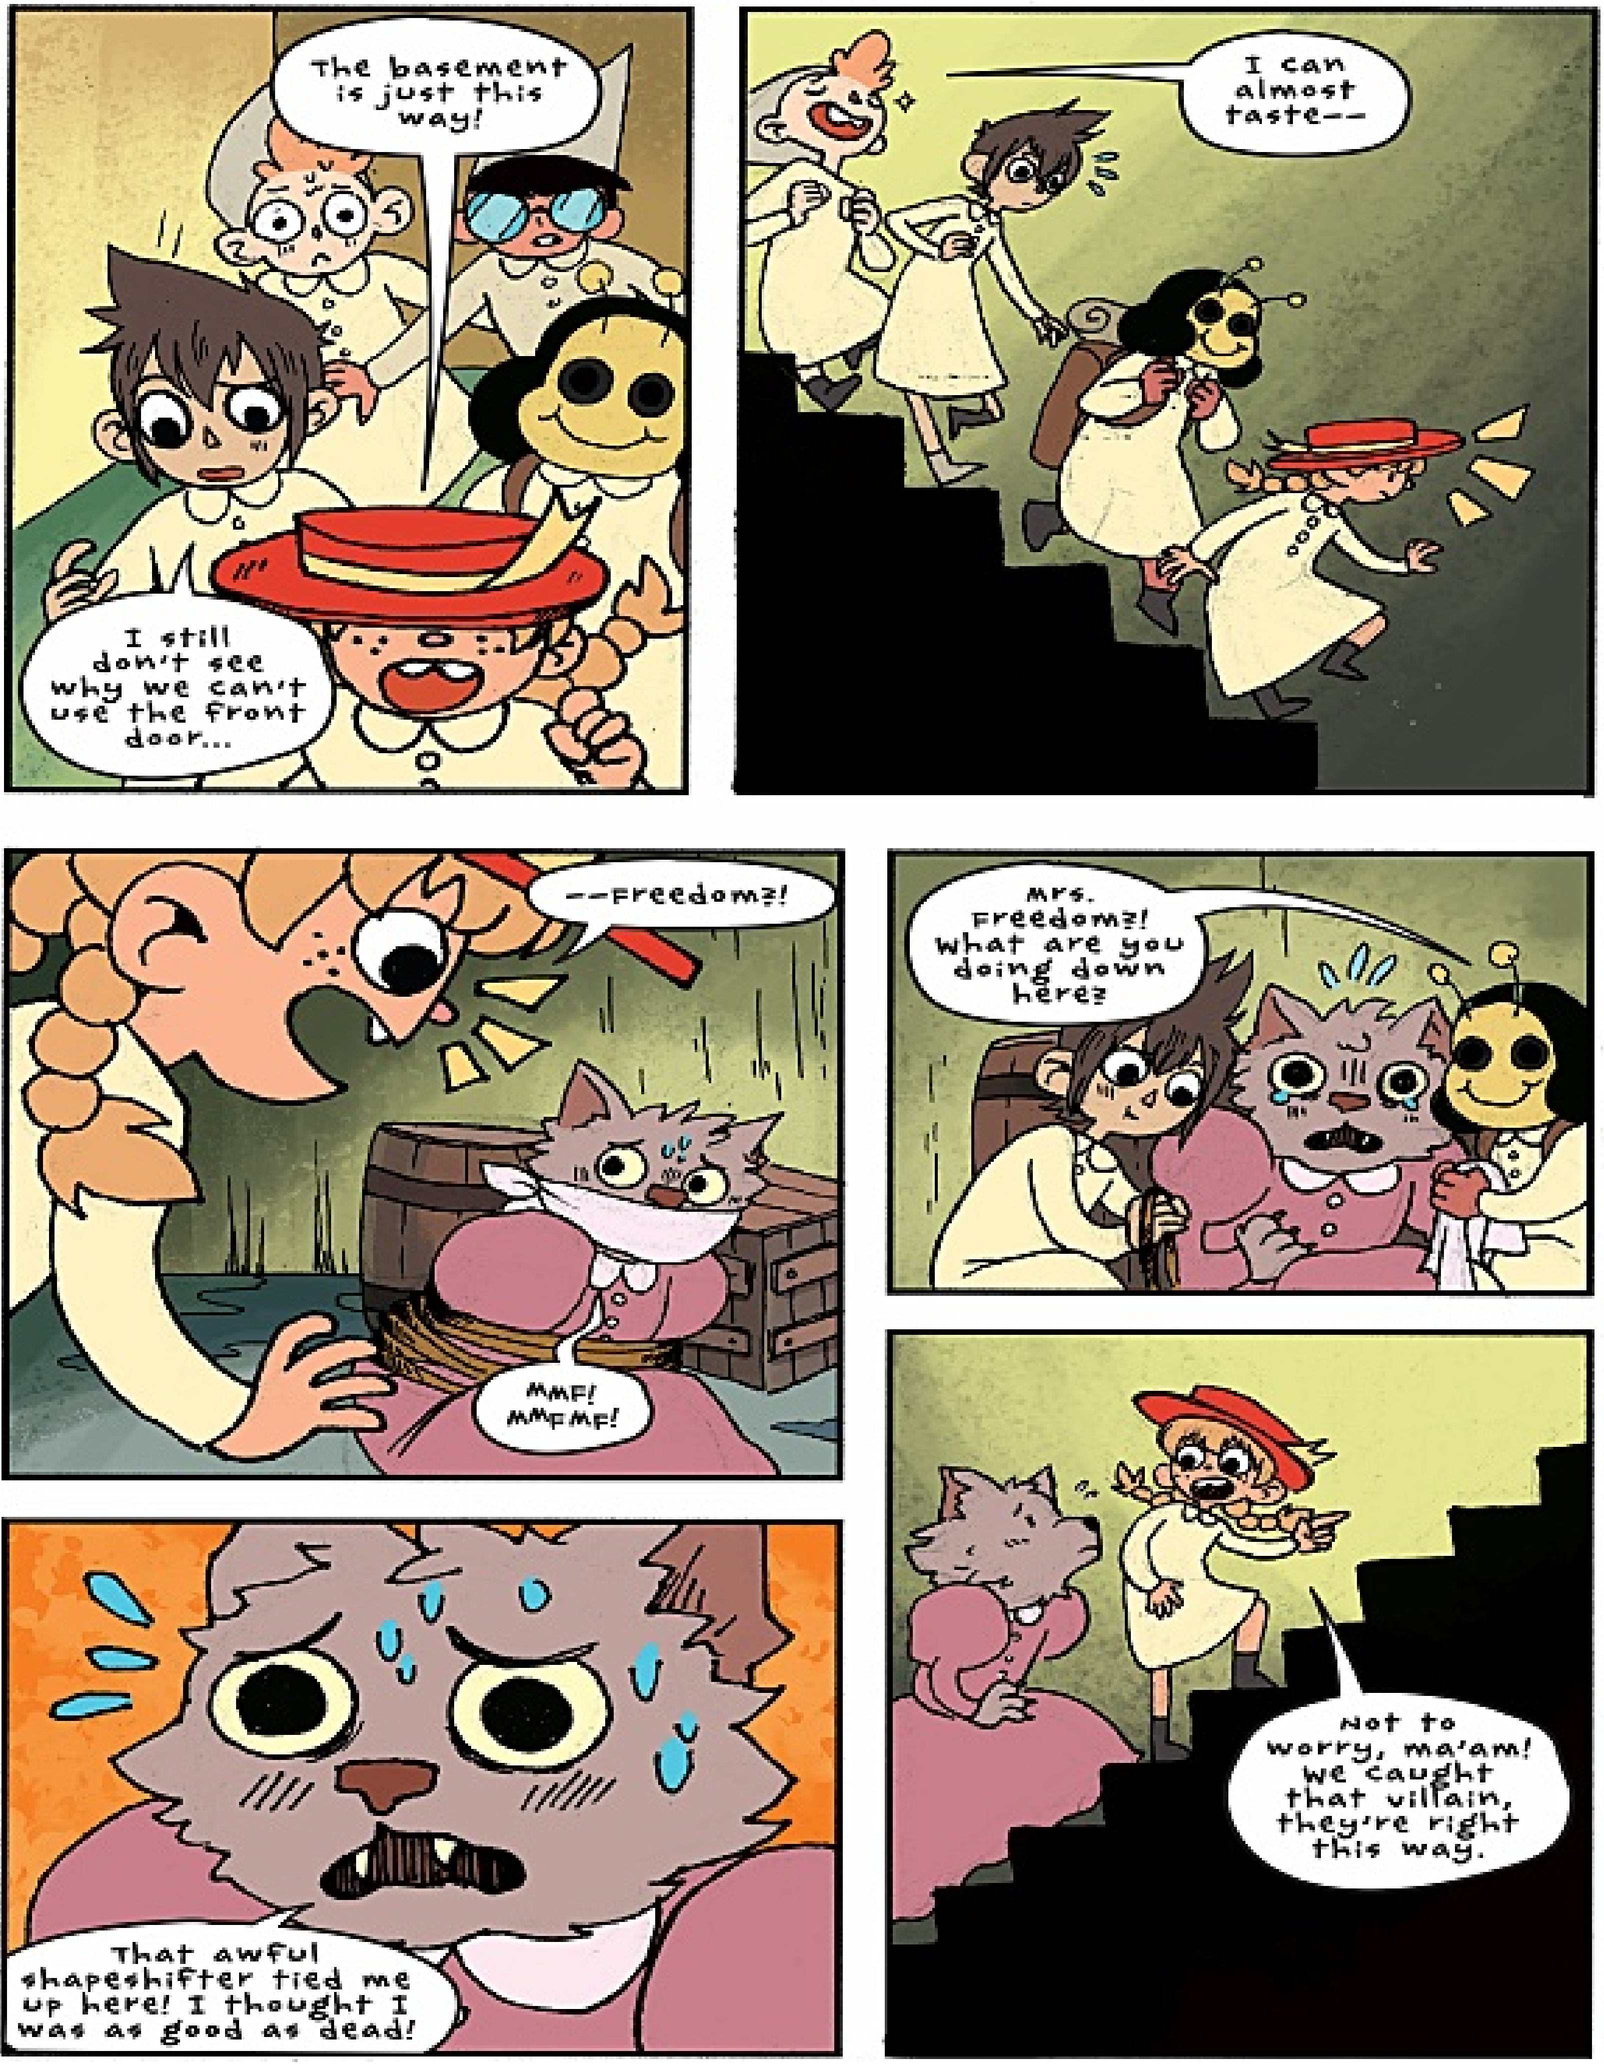
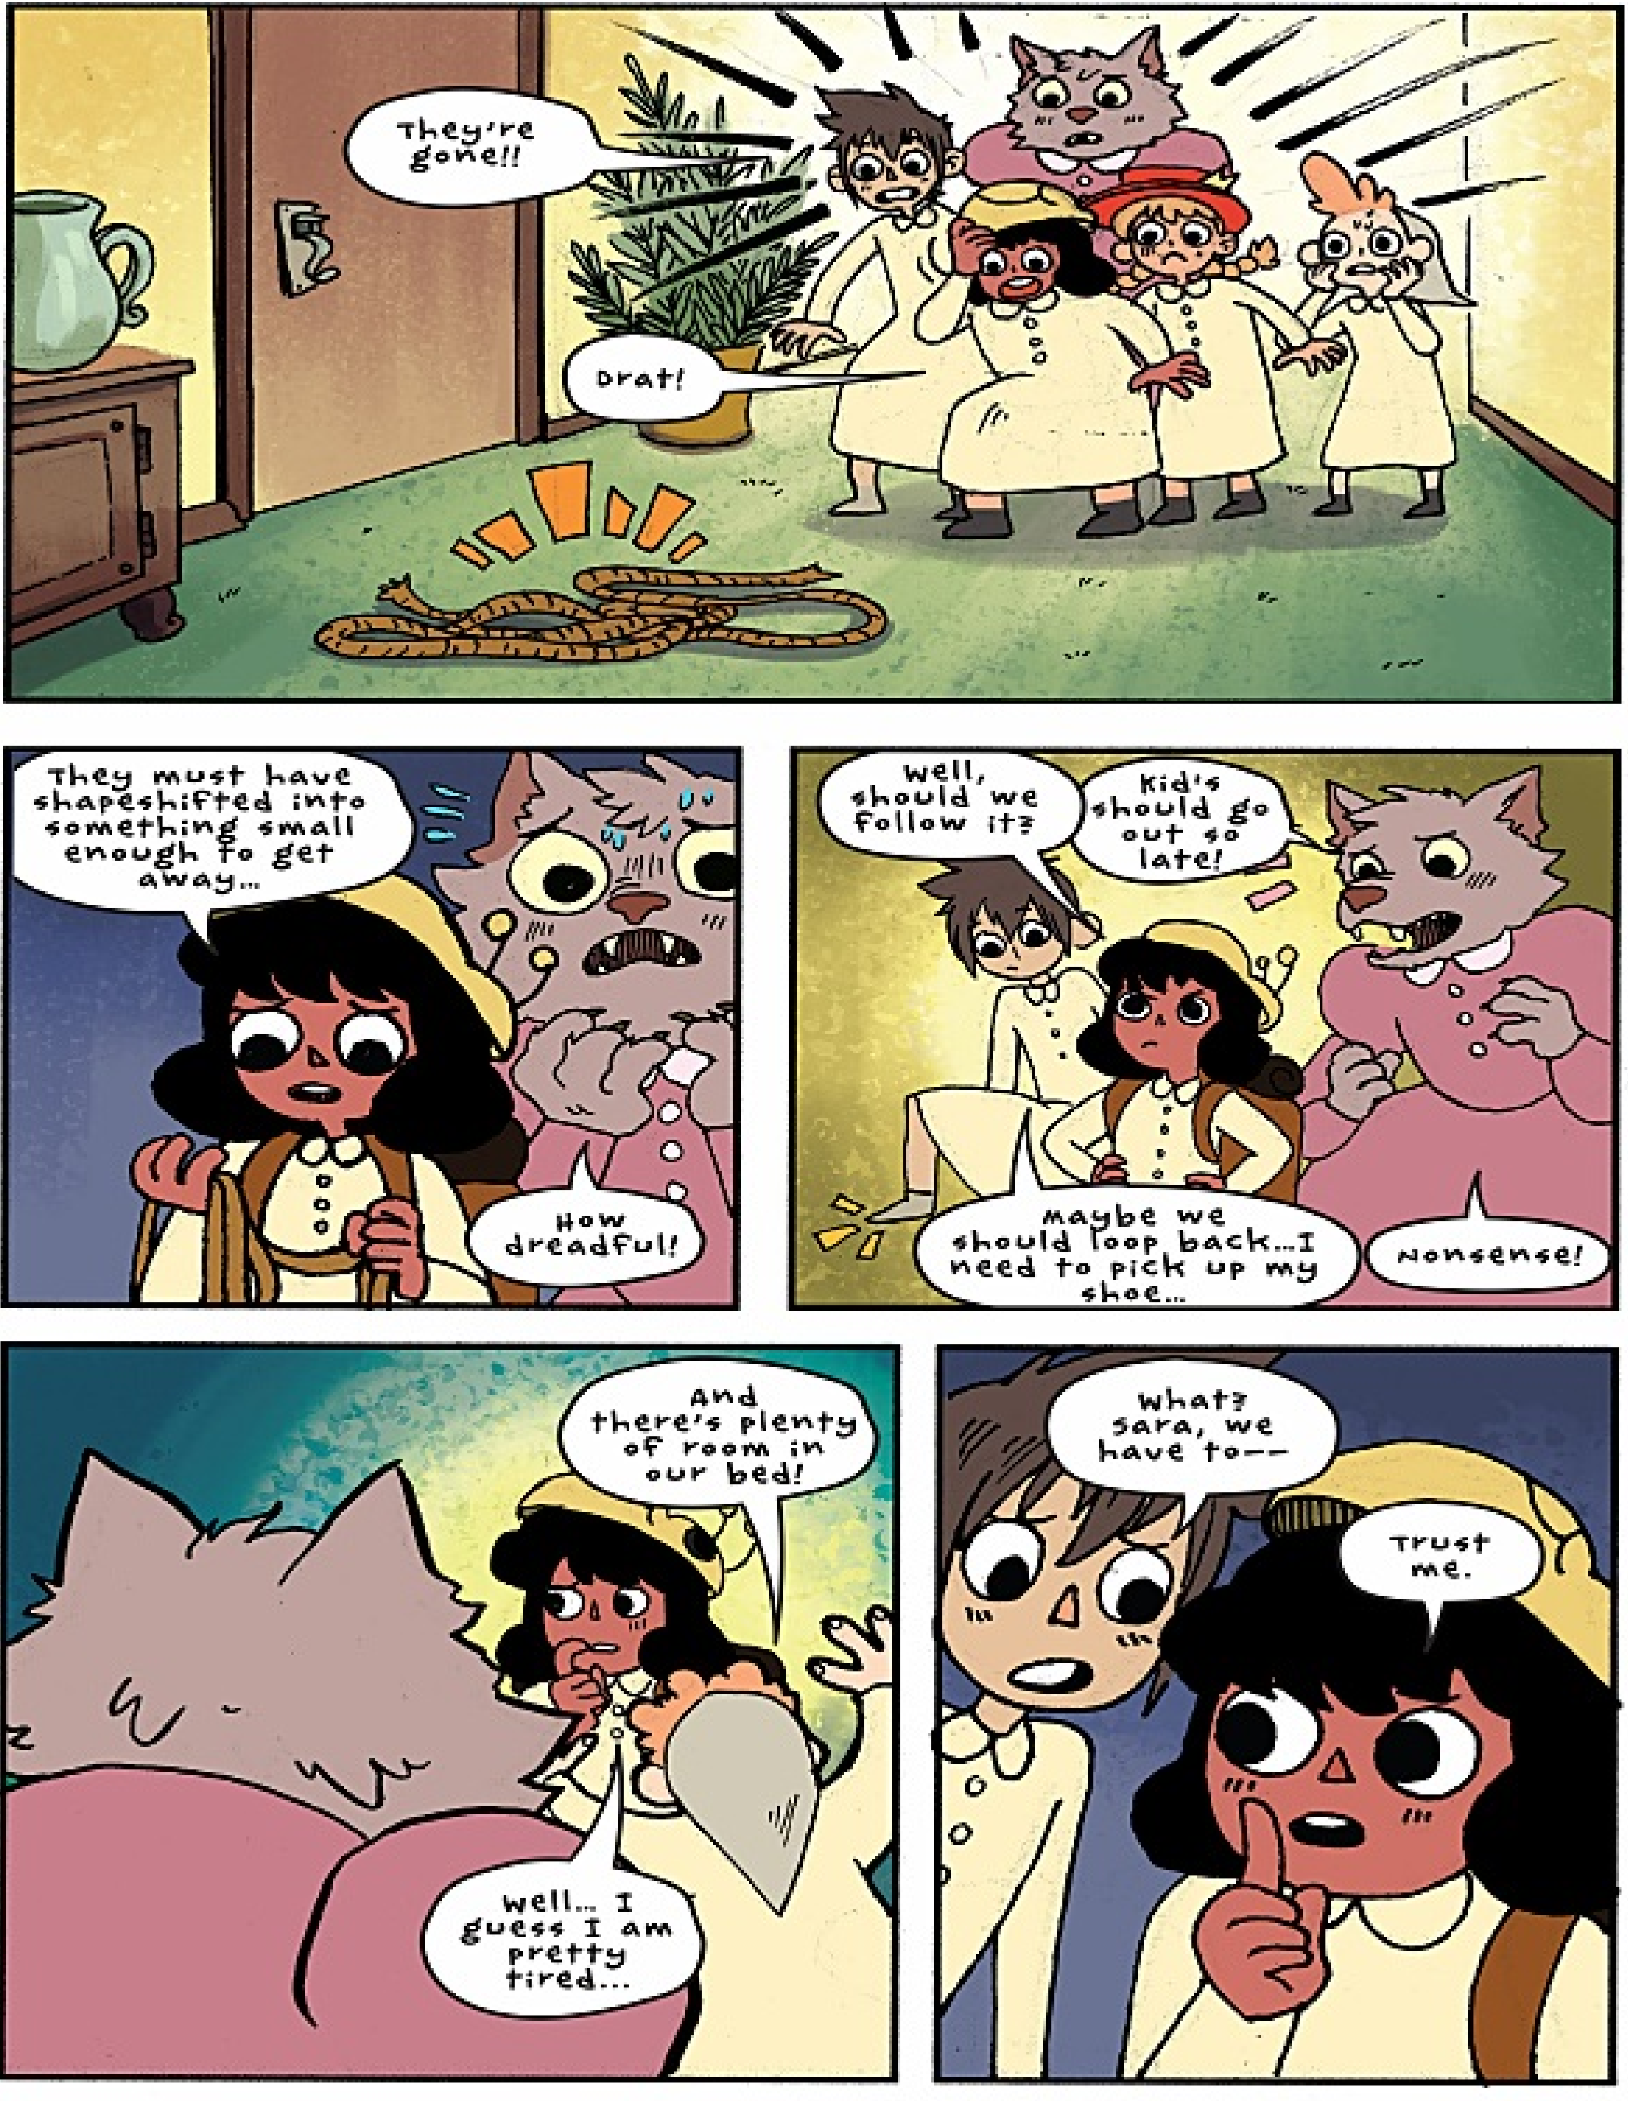
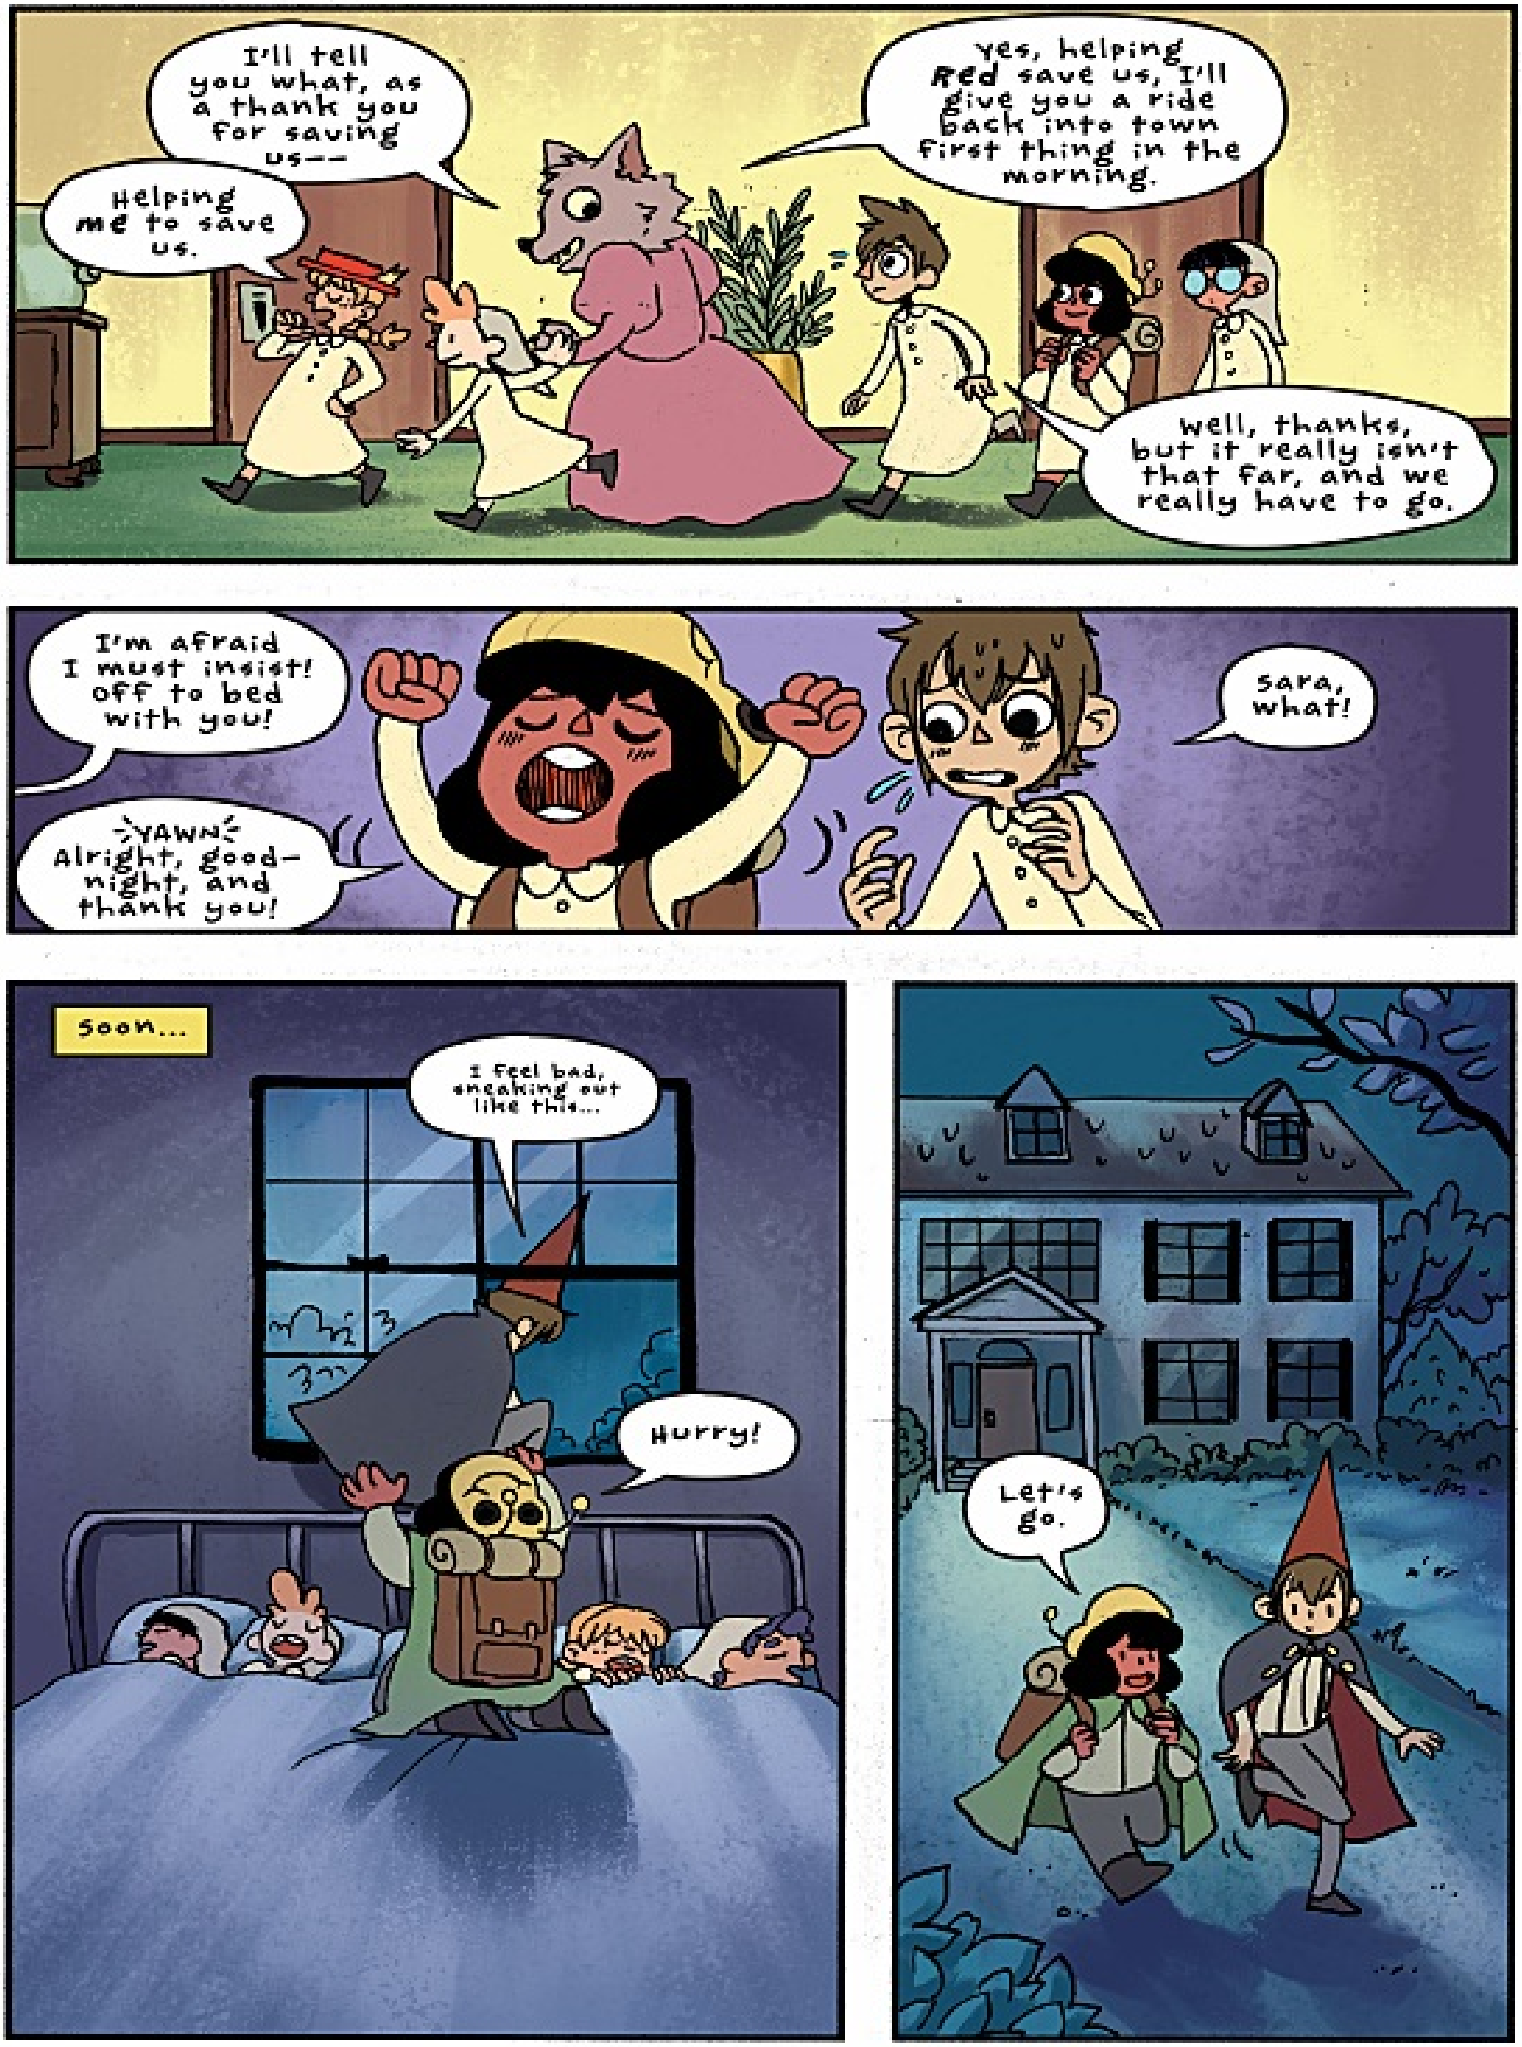
Yipe!!
HA!
I guess it was a good plan.
Of course! Now, come on! Let's hurry--



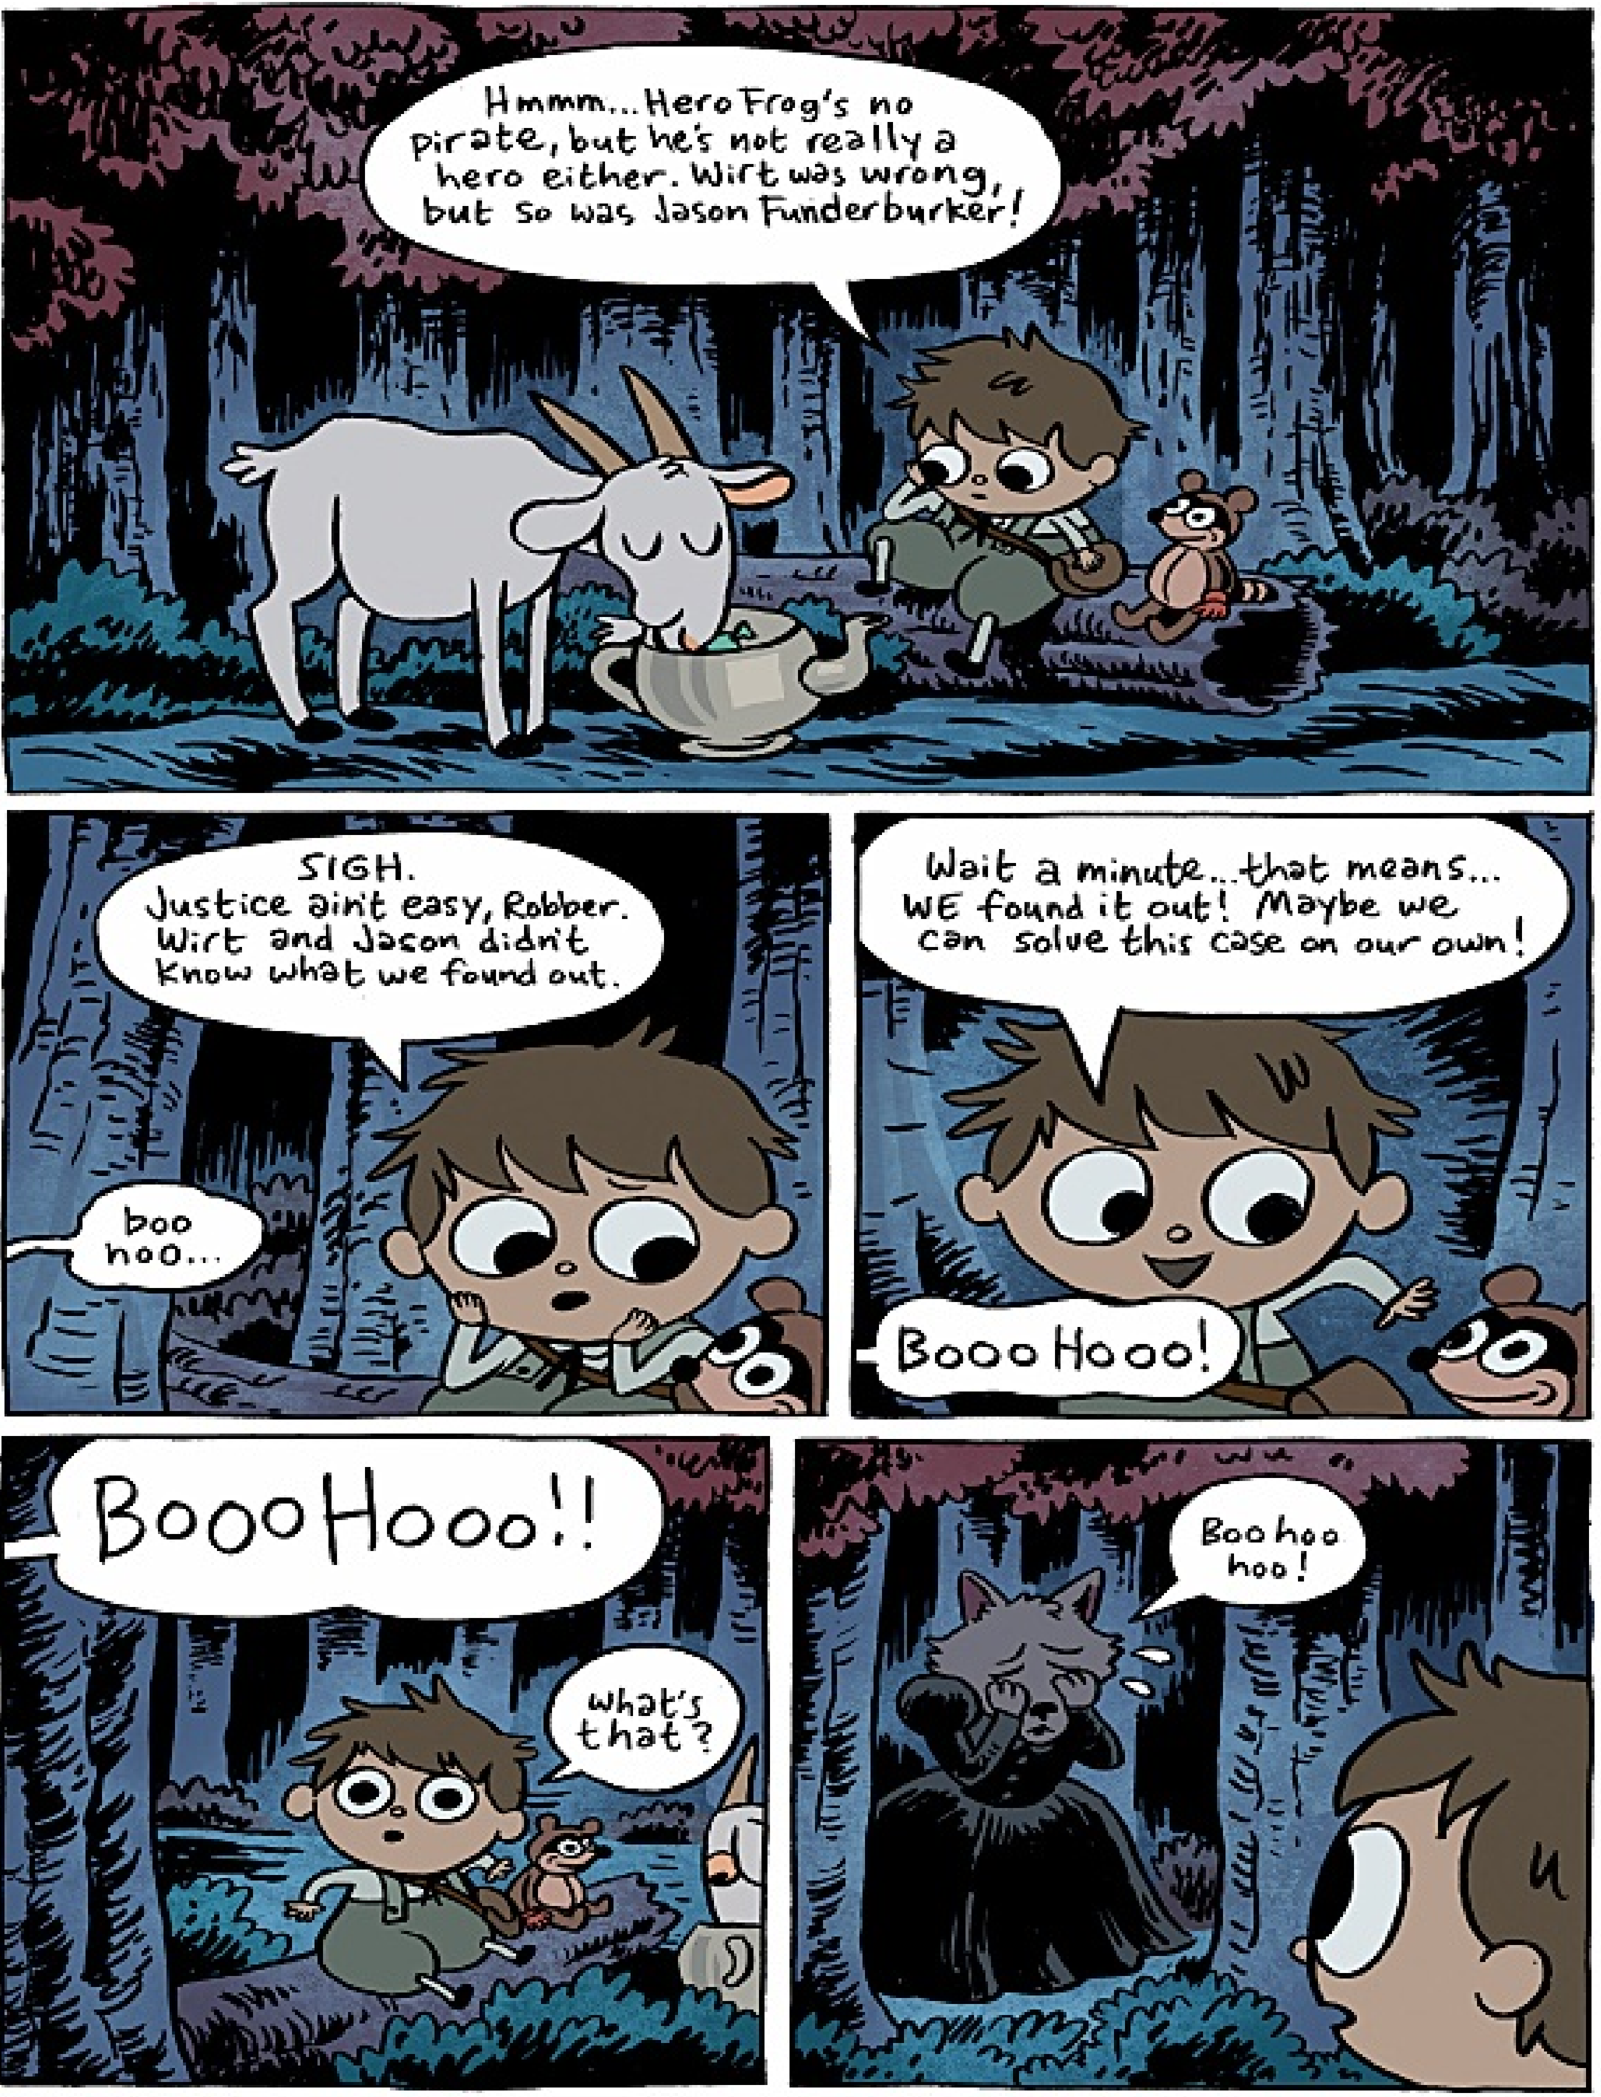
The basement is just this way!
I still don't see why we can't use the front door...
I can almost taste--
--Freedomz?!
MMF! MMFMF!
Mrs. Freedomz! What are you doing down here?
That awful shapeshifter tied me up here! I thought I was as good as dead!
Not to worry, ma'am! We caught that villain, they're right this way.



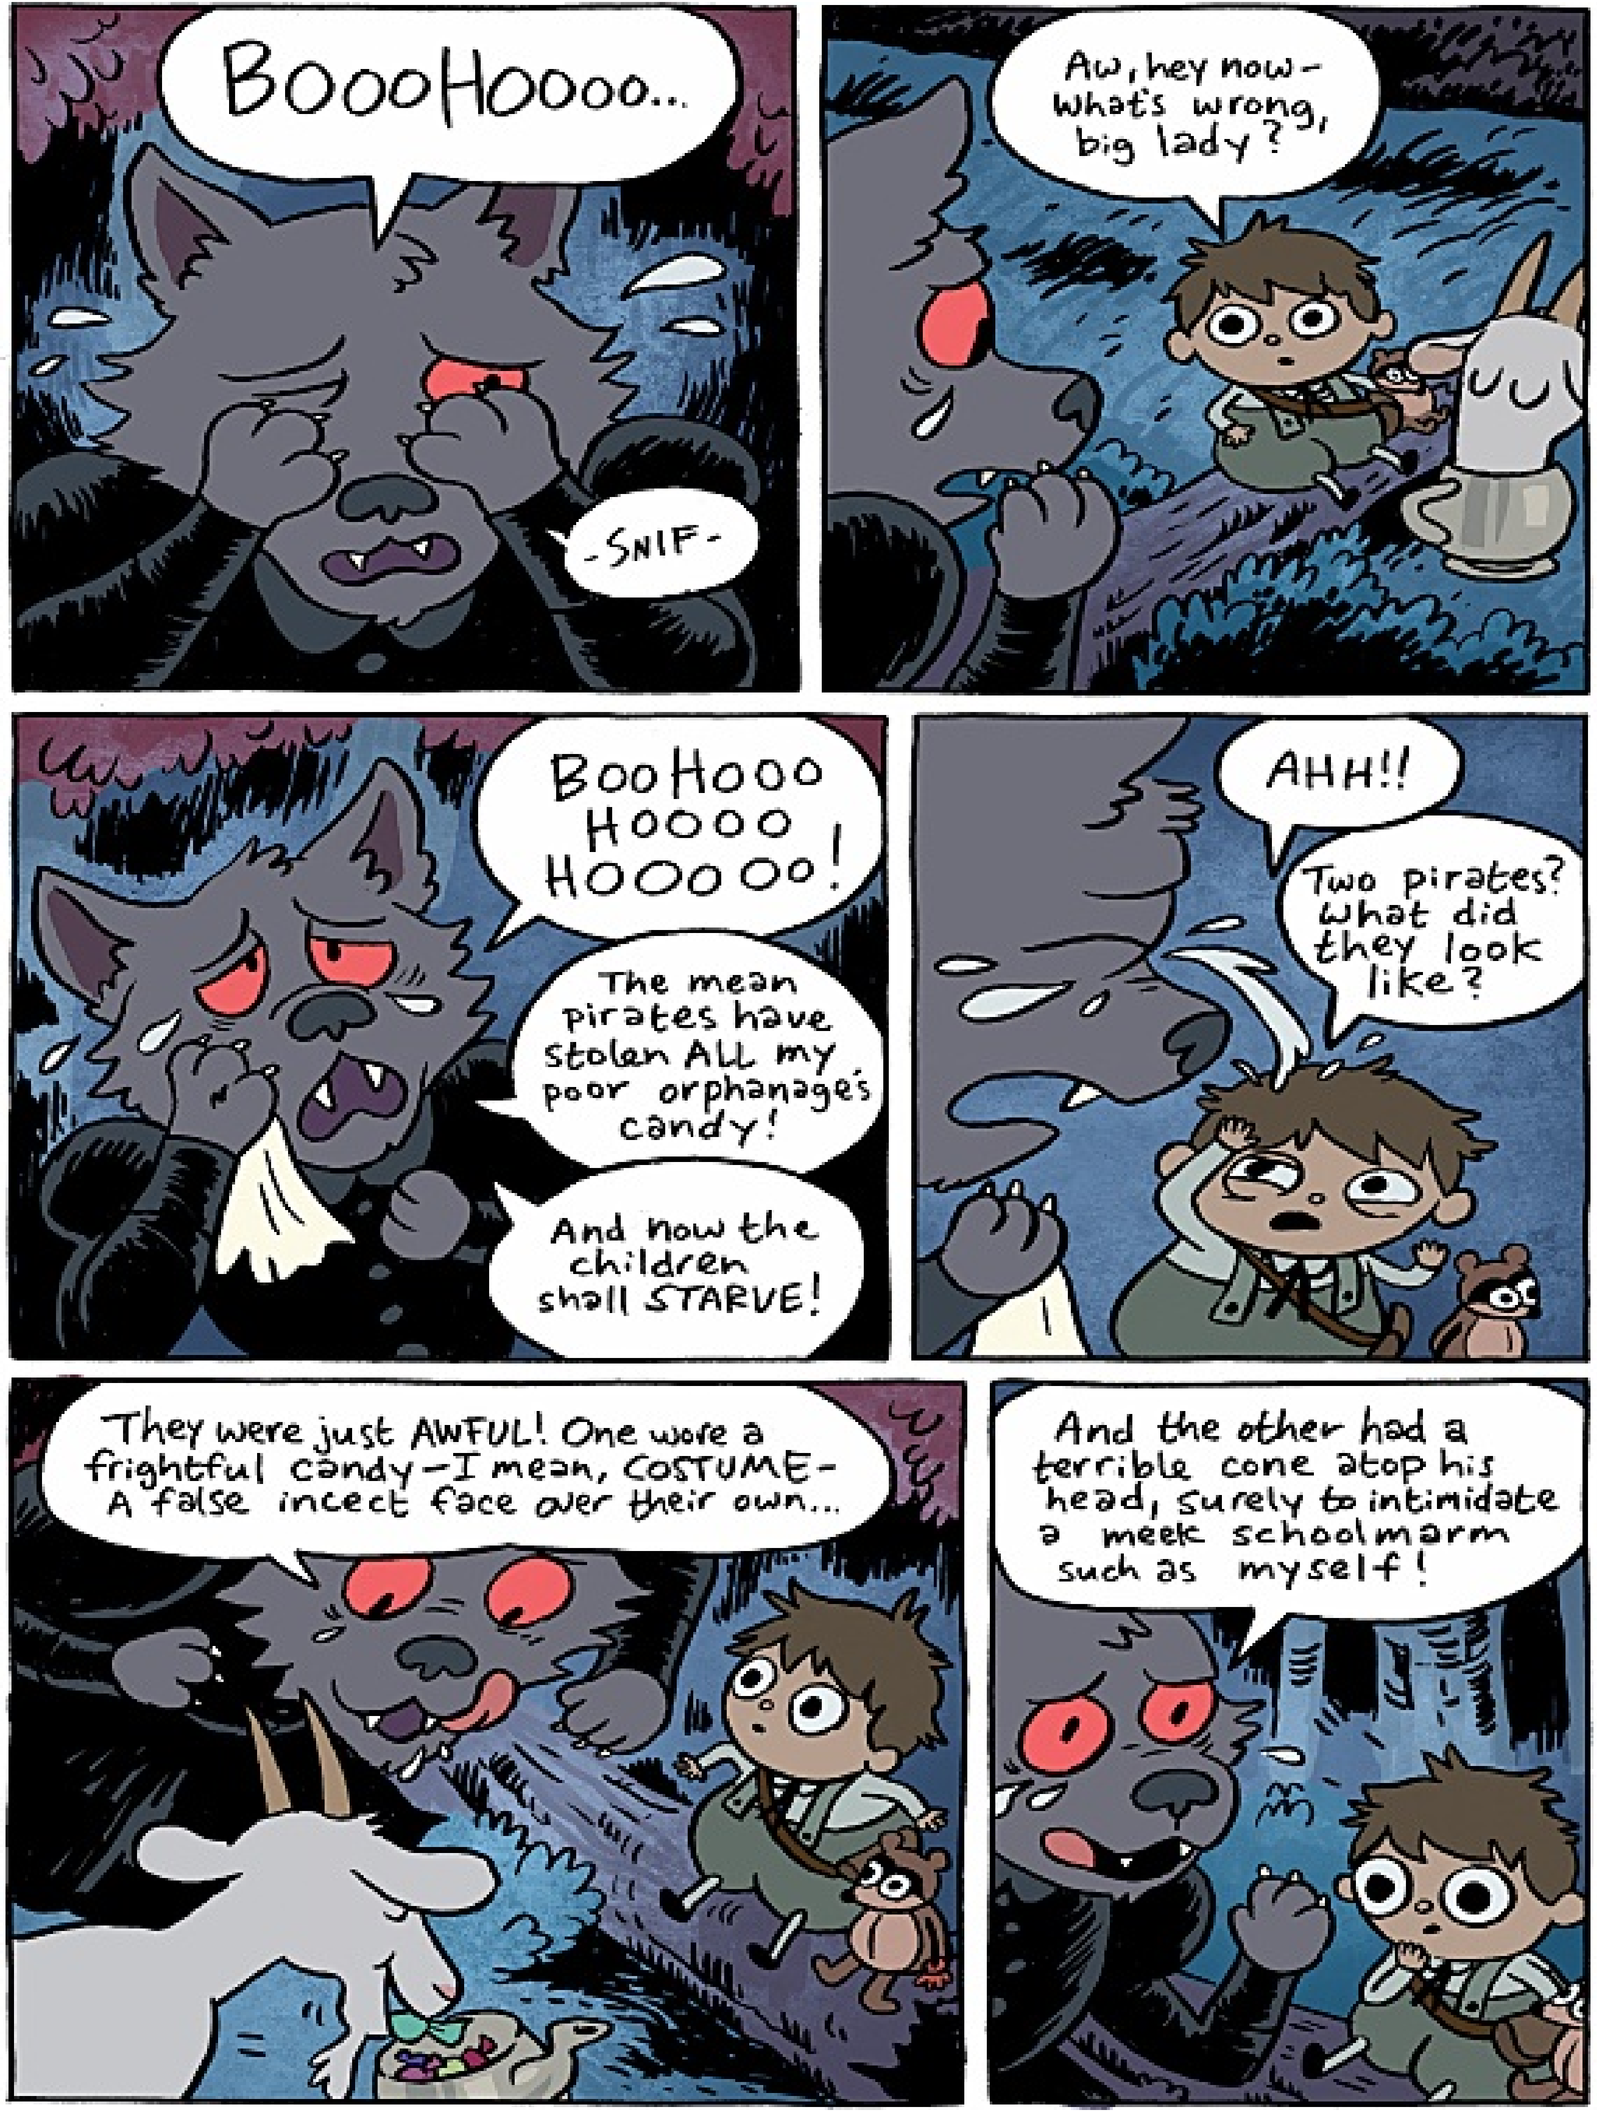
They're gone!!
Drat!
They must have shapeshifted into something small enough to get away...
How dreadful!
Well, should we follow it?
Kid's should go out so late!
Maybe we should loop back...I need to pick up my shoe...
Nonsense!
And there's plenty of room in our bed!
Well... I guess I am pretty tired...
What? Sara, we have to--
Trust me.



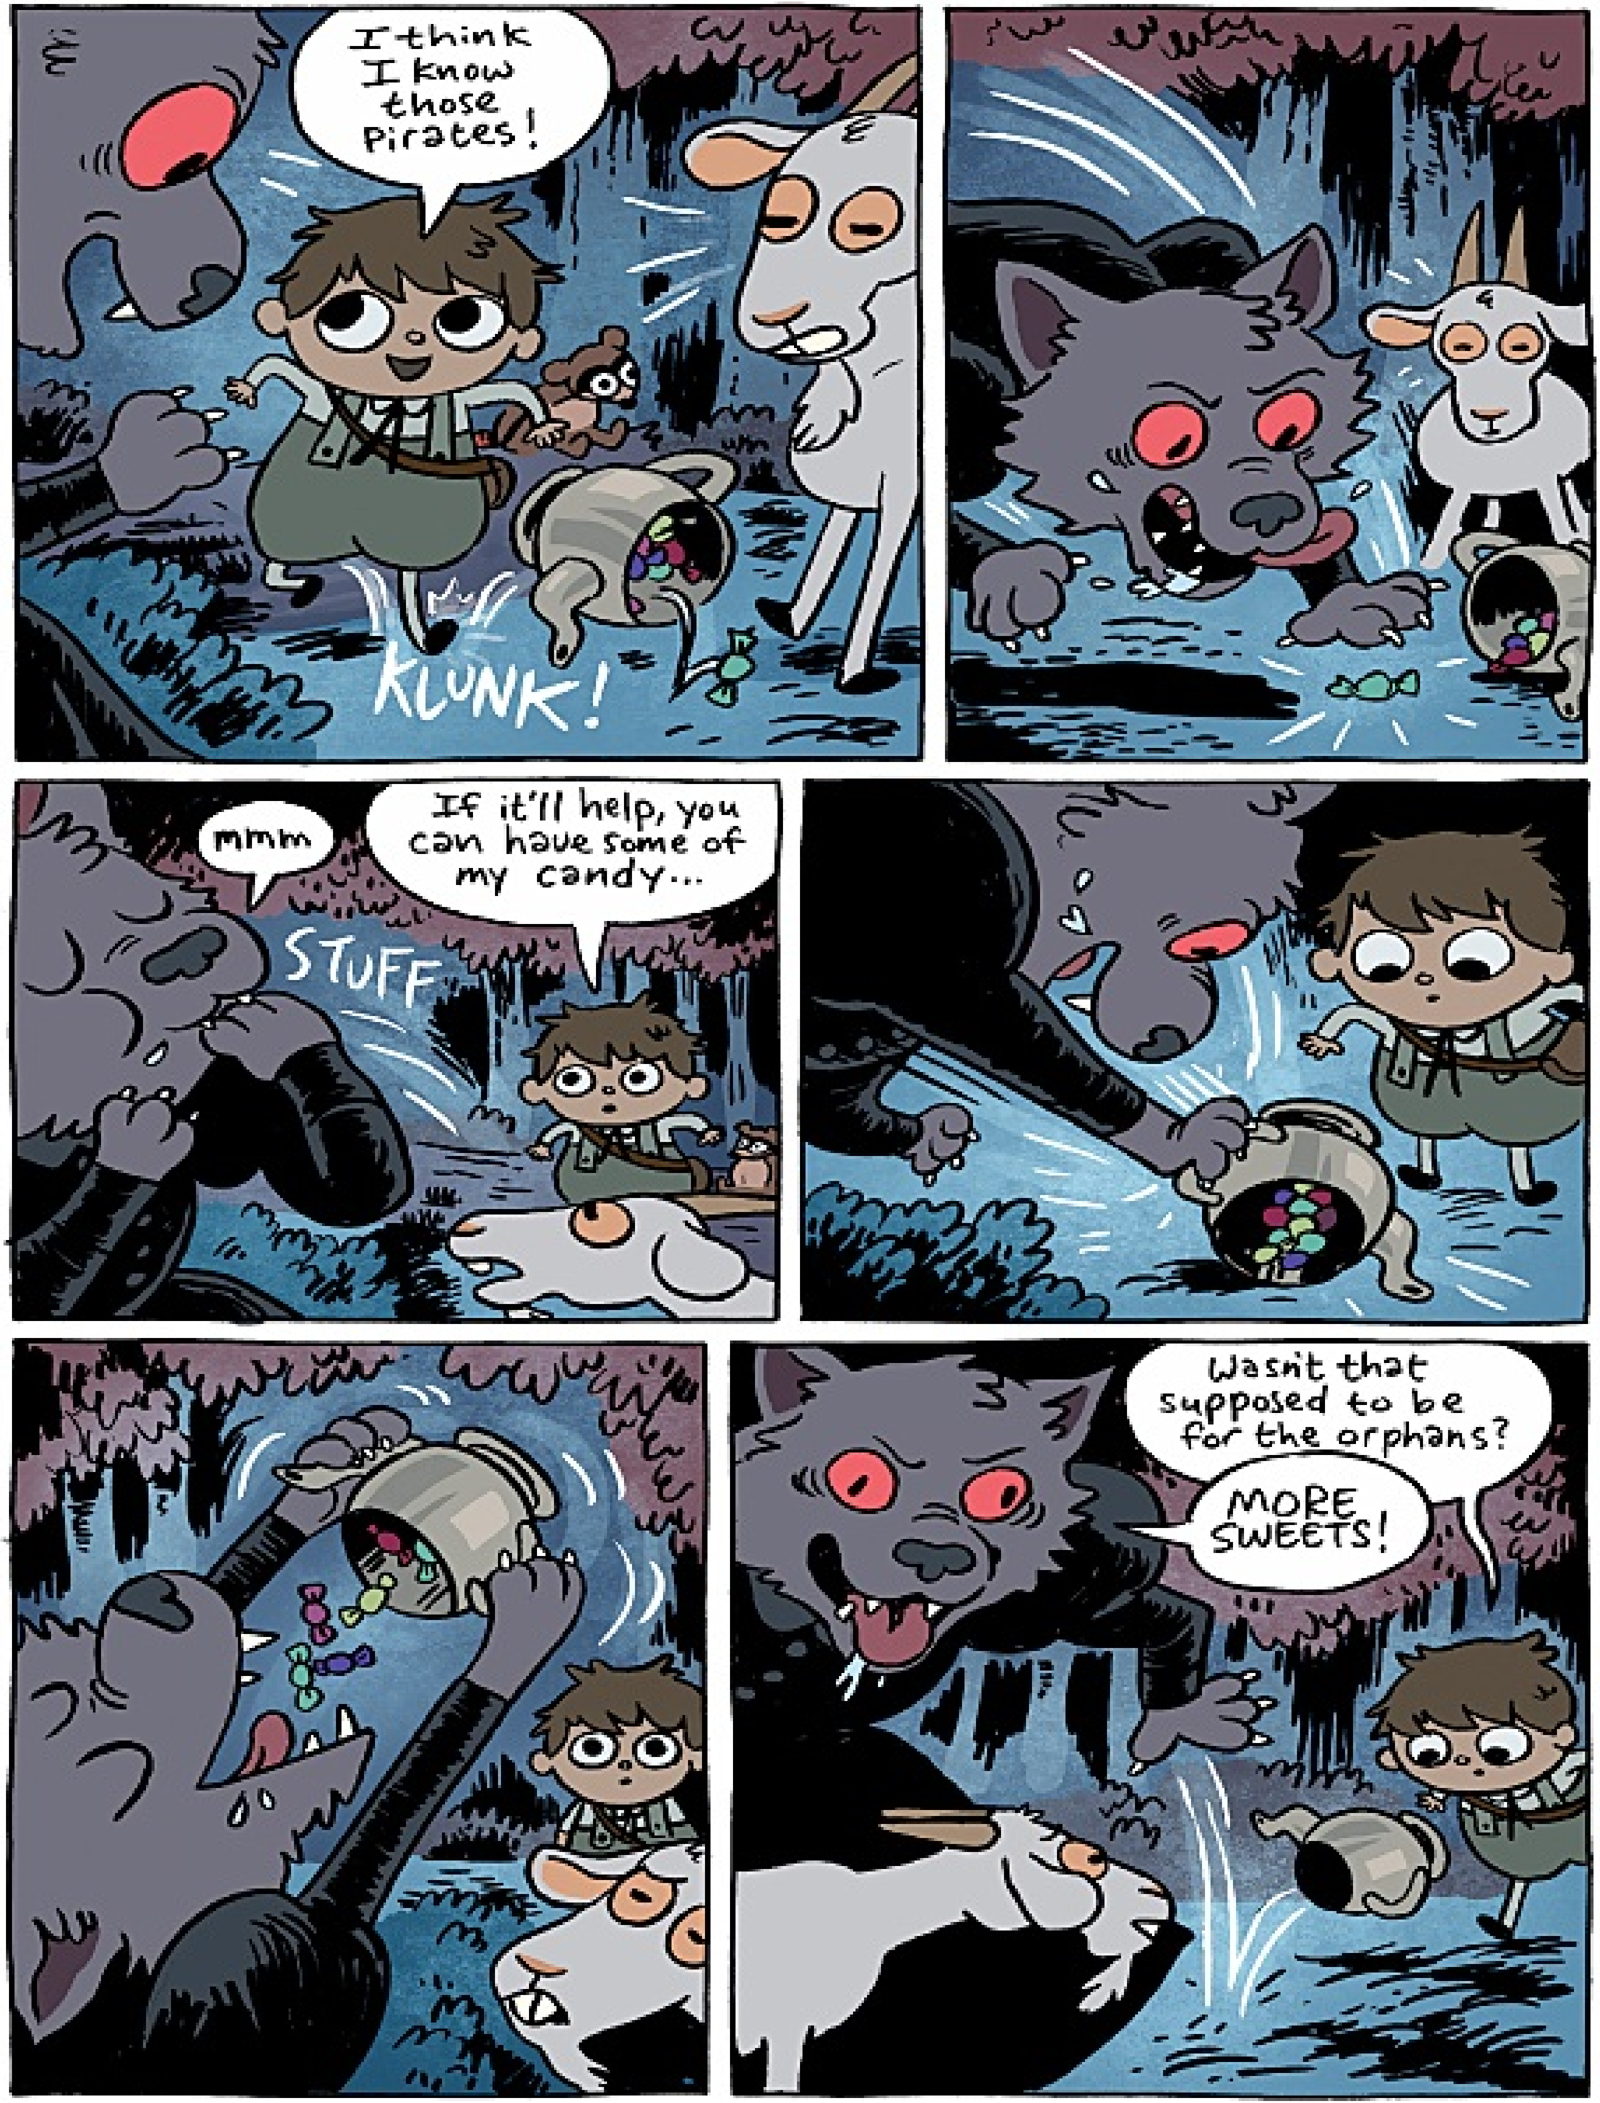
I'll tell you what, as a thank you for saving us--
Helping me to save us.
Yes, helping Red save us, I'll give you a ride back into town first thing in the morning.
Well, thanks, but it really isn't that far, and we really have to go.
I'm afraid I must insist! Off to bed with you!
Sara, what!
YAWN Alright, goodnight, and thank you!
Soon...
I feel bad, sneaking out like this...
Hurry!
Let's go.



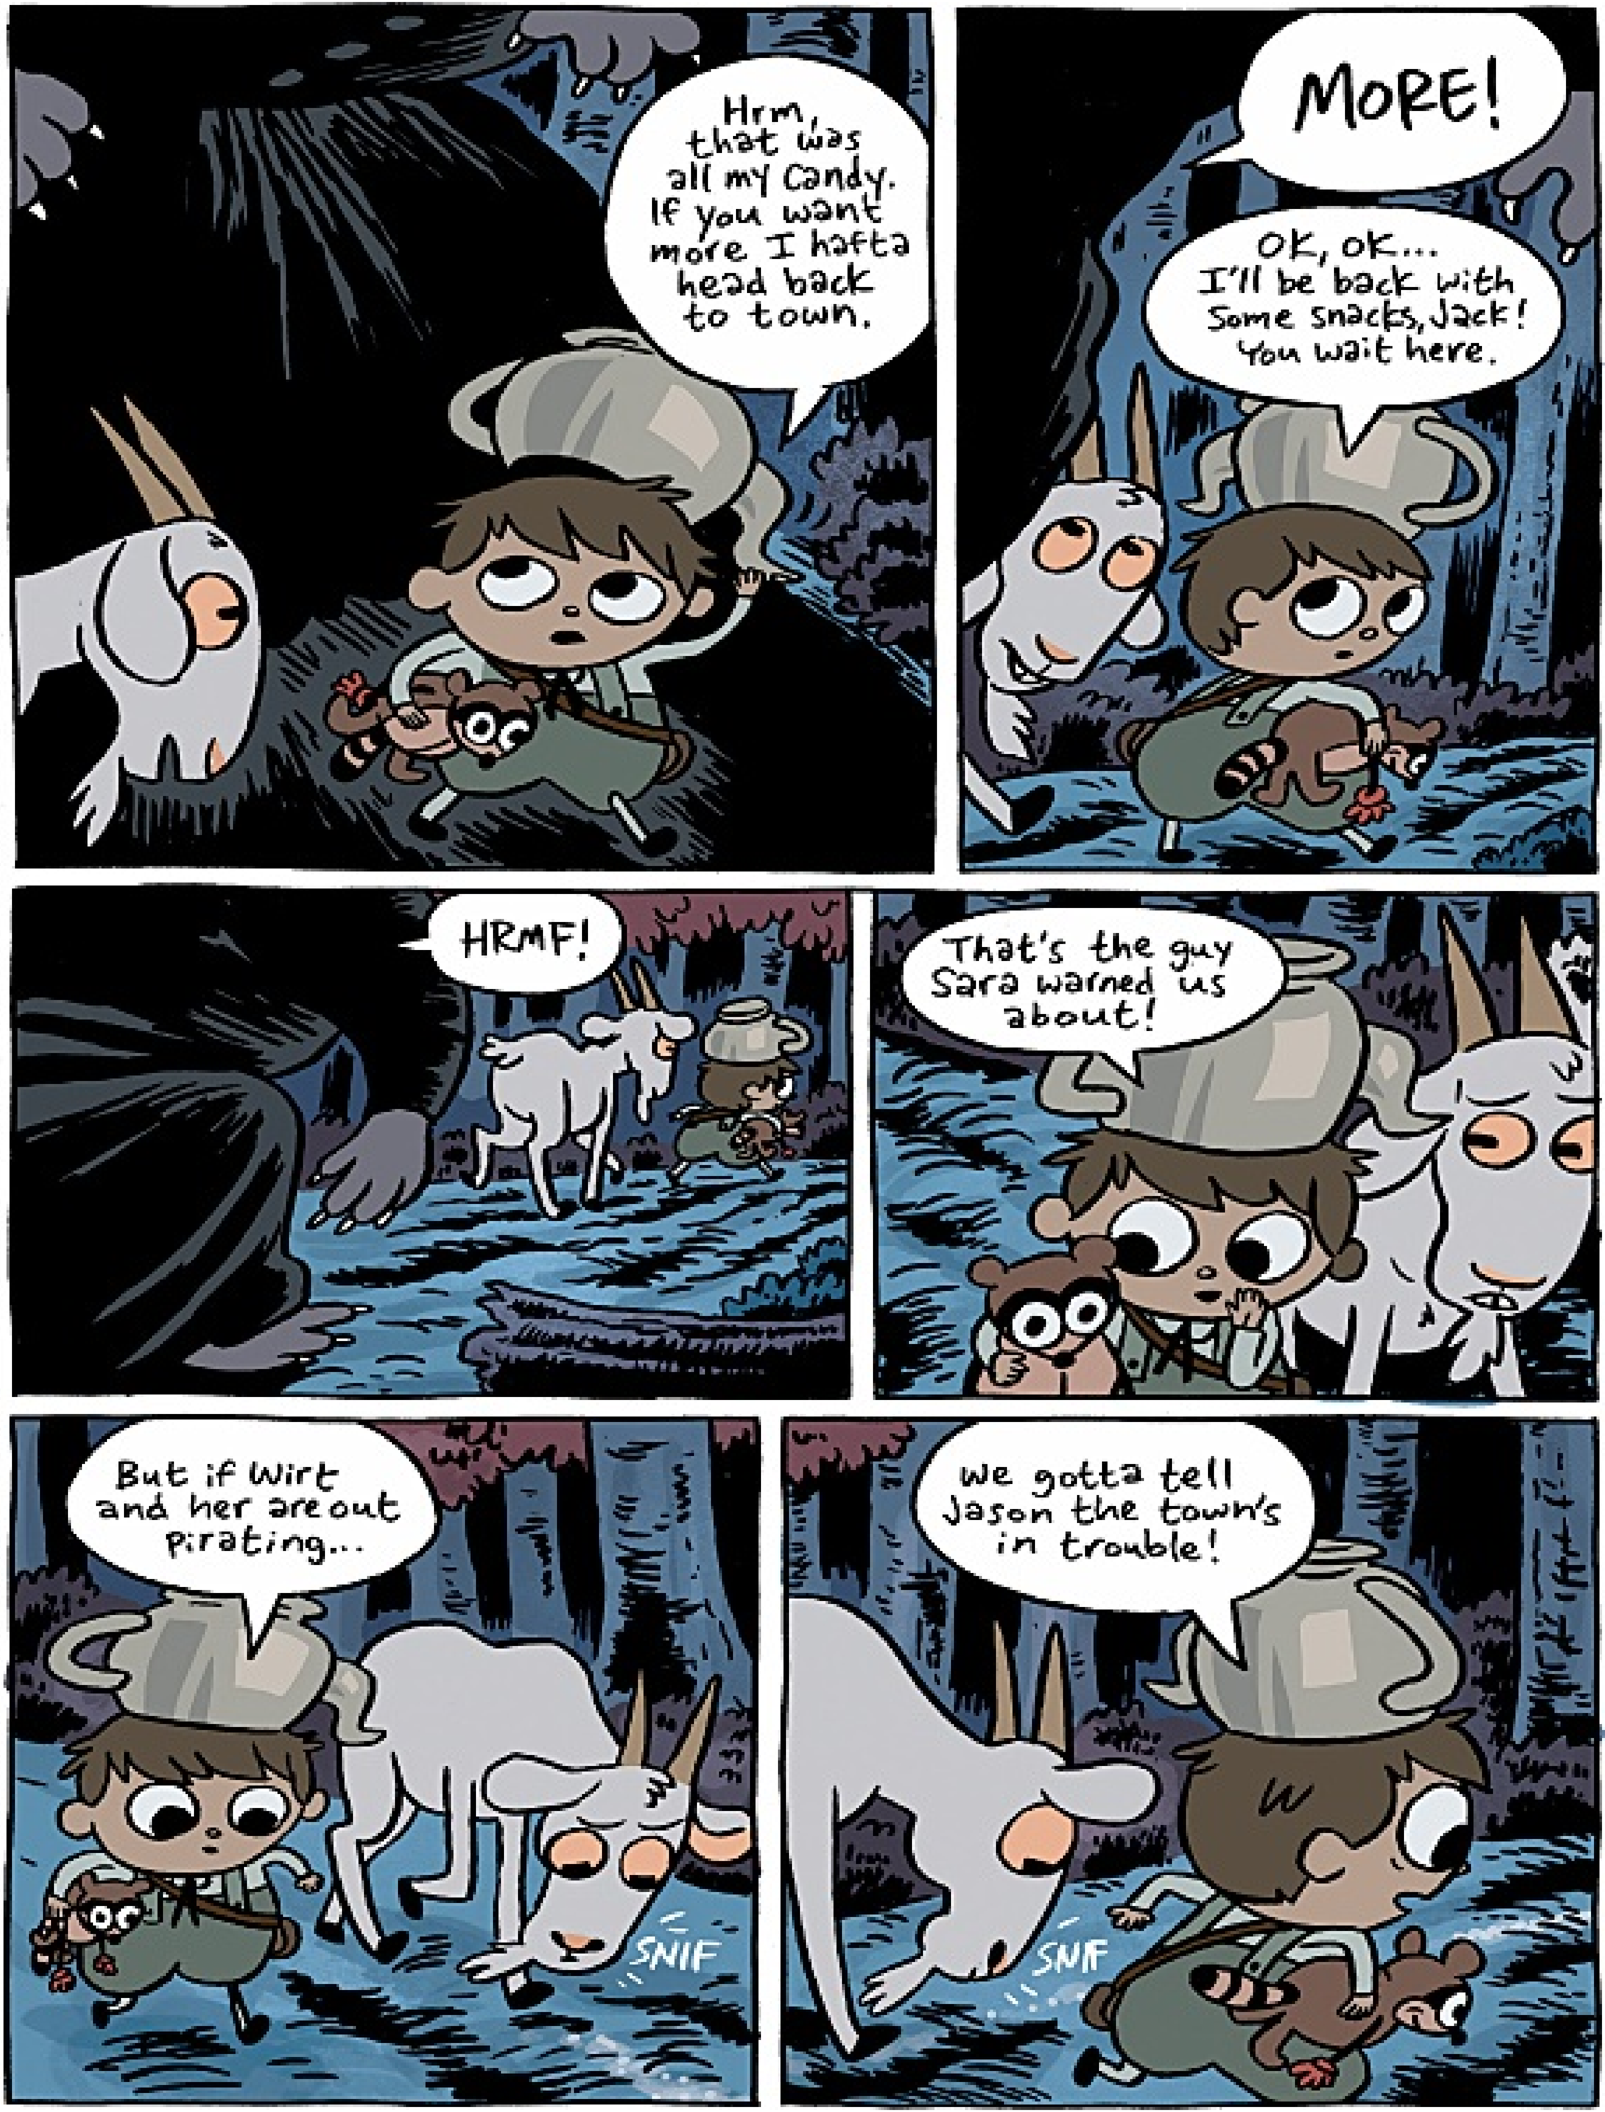
Hmmm... Hero Frog's no pirate, but he's not really a hero either. Wirt was wrong, but so was Jason Funderburker!
SIGH. Justice ain't easy, Robber. Wirt and Jason didn't know what we found out.
boo hoo...
Wait a minute... that means... WE found it out! Maybe we can solve this case on our own!
BoooHooo!
BoooHooo!!
what's that?
Boo hoo hoo!



BoooHoooo..
-SNIF-
Aw, hey now-what's wrong, big lady?
BooHooo Hoooo HOOOOo!
The mean pirates have stolen ALL my poor orphanage's candy!
And now the children shall STARVE!
AHH!!
Two pirates? What did they look like?
They were just AWFUL! One wore a frightful candy-I mean, COSTUME-A false incect face over their own...
And the other had a terrible cone atop his head, surely to intimidate a meek schoolmarm such as myself!



I think I know those Pirates!
KLUNK!
mmm
STUFF
If it'll help, you can have some of my candy...
Wasn't that supposed to be for the orphans?
MORE SWEETS!



Hrm, that was all my candy. If you want more I hafta head back to town.

OK, OK... I'll be back with some snacks, Jack! You wait here.

That's the guy Sara warned us about!
But if Wirt and her are out pirating...

COOKIES
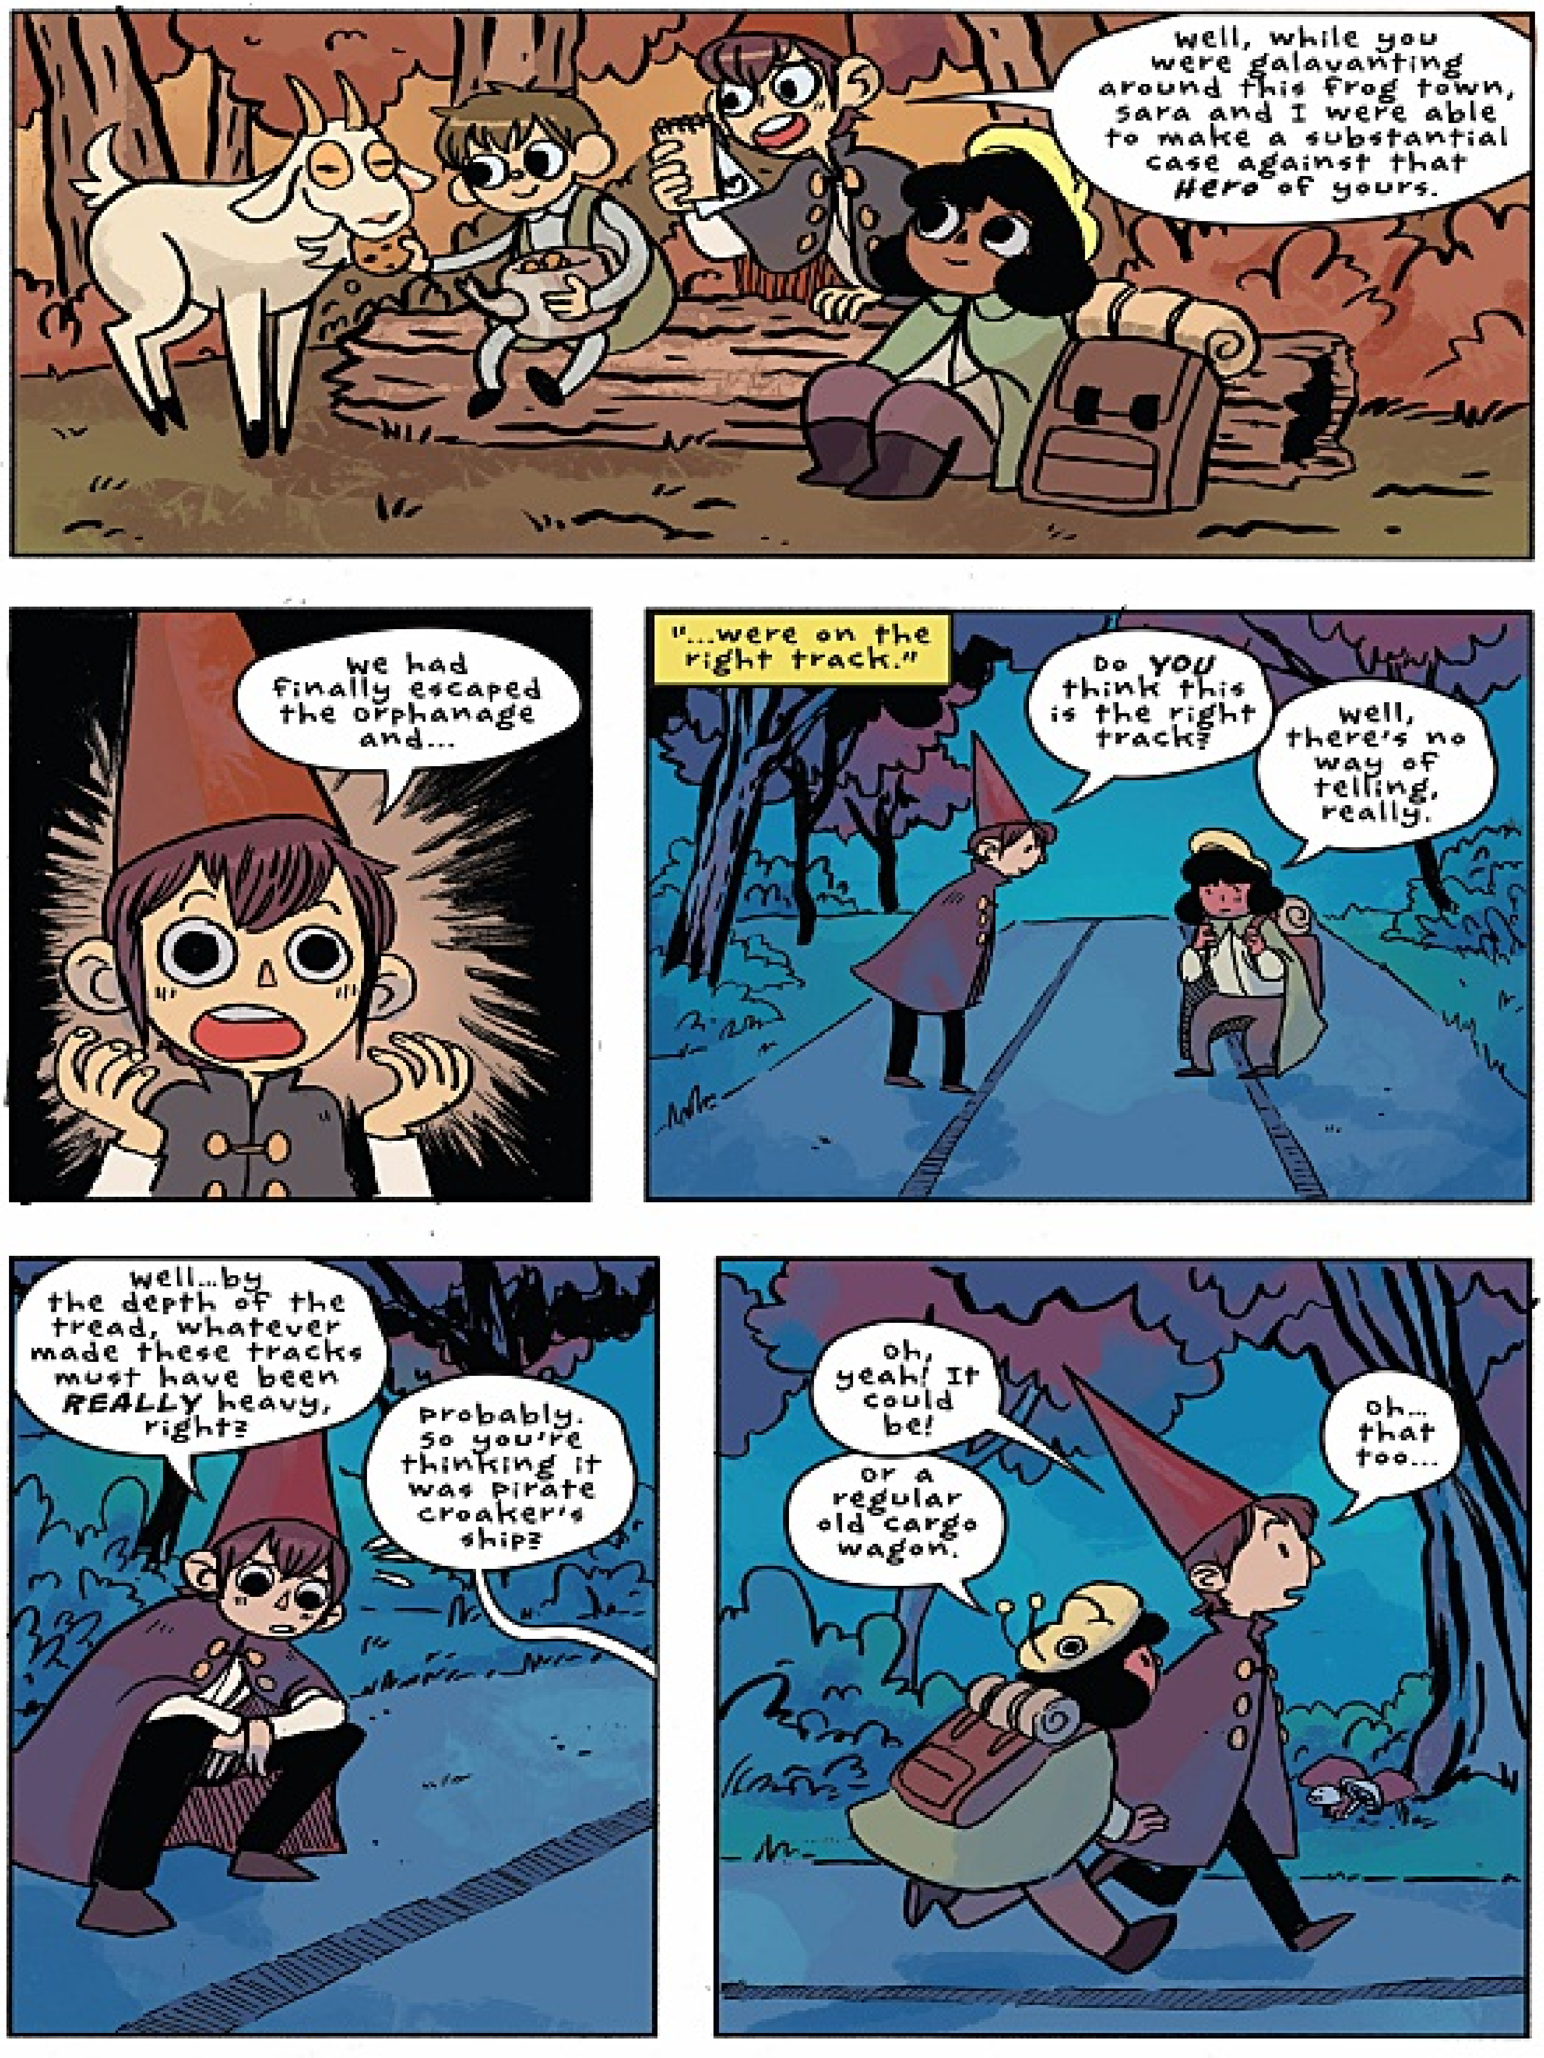
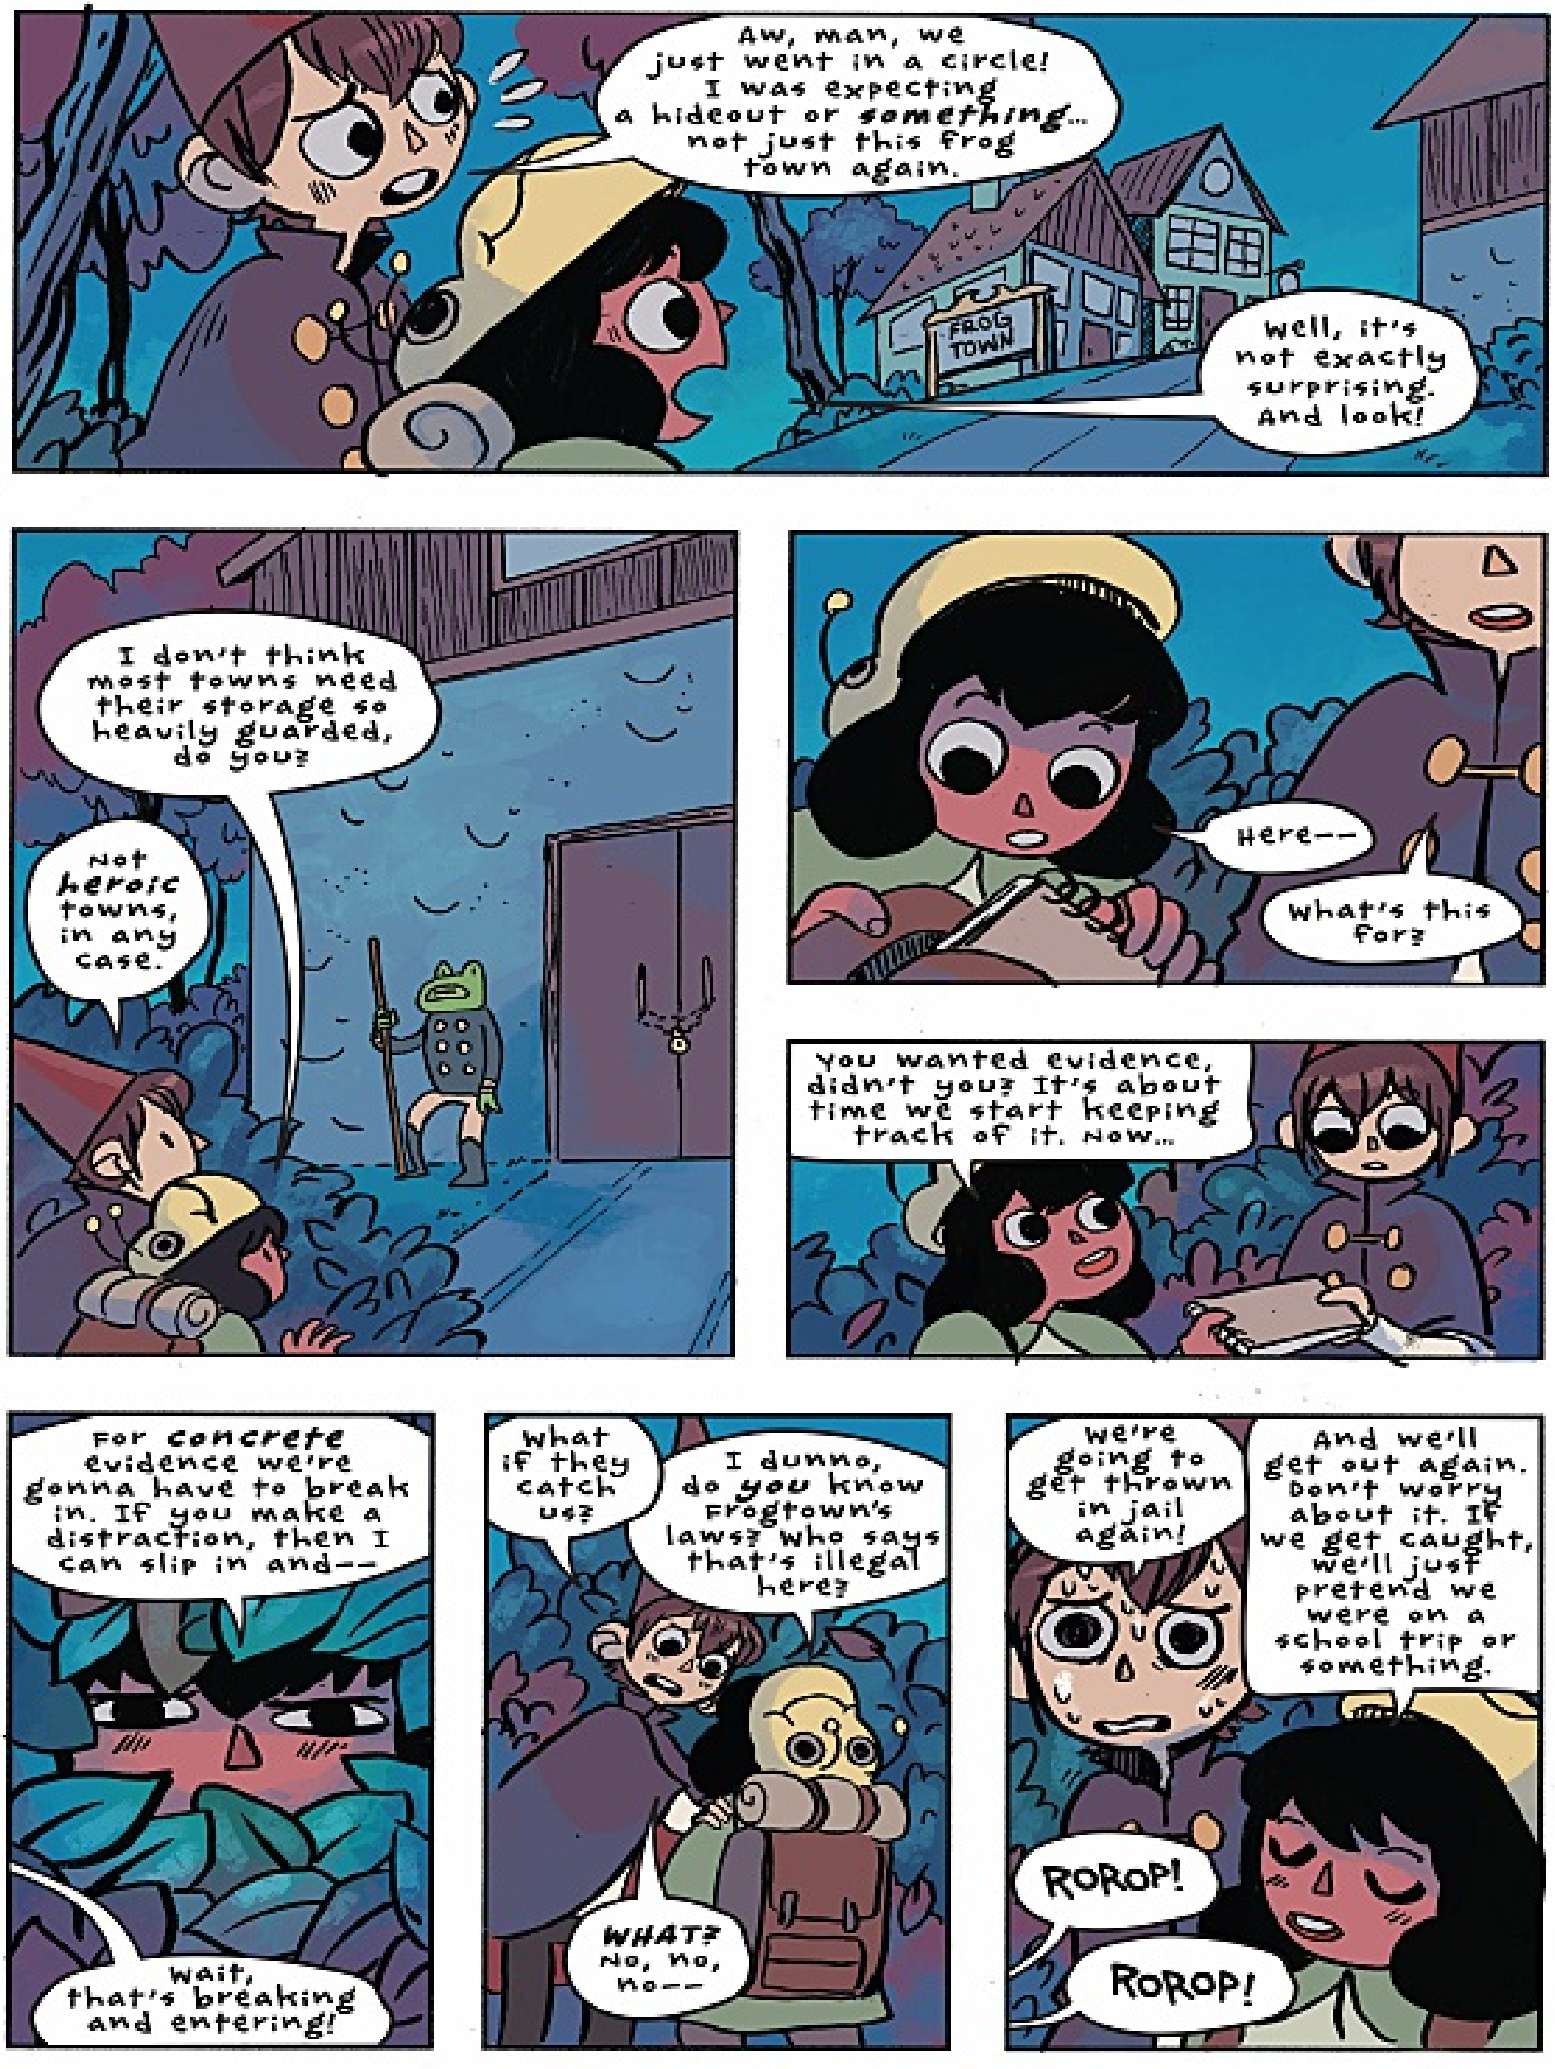
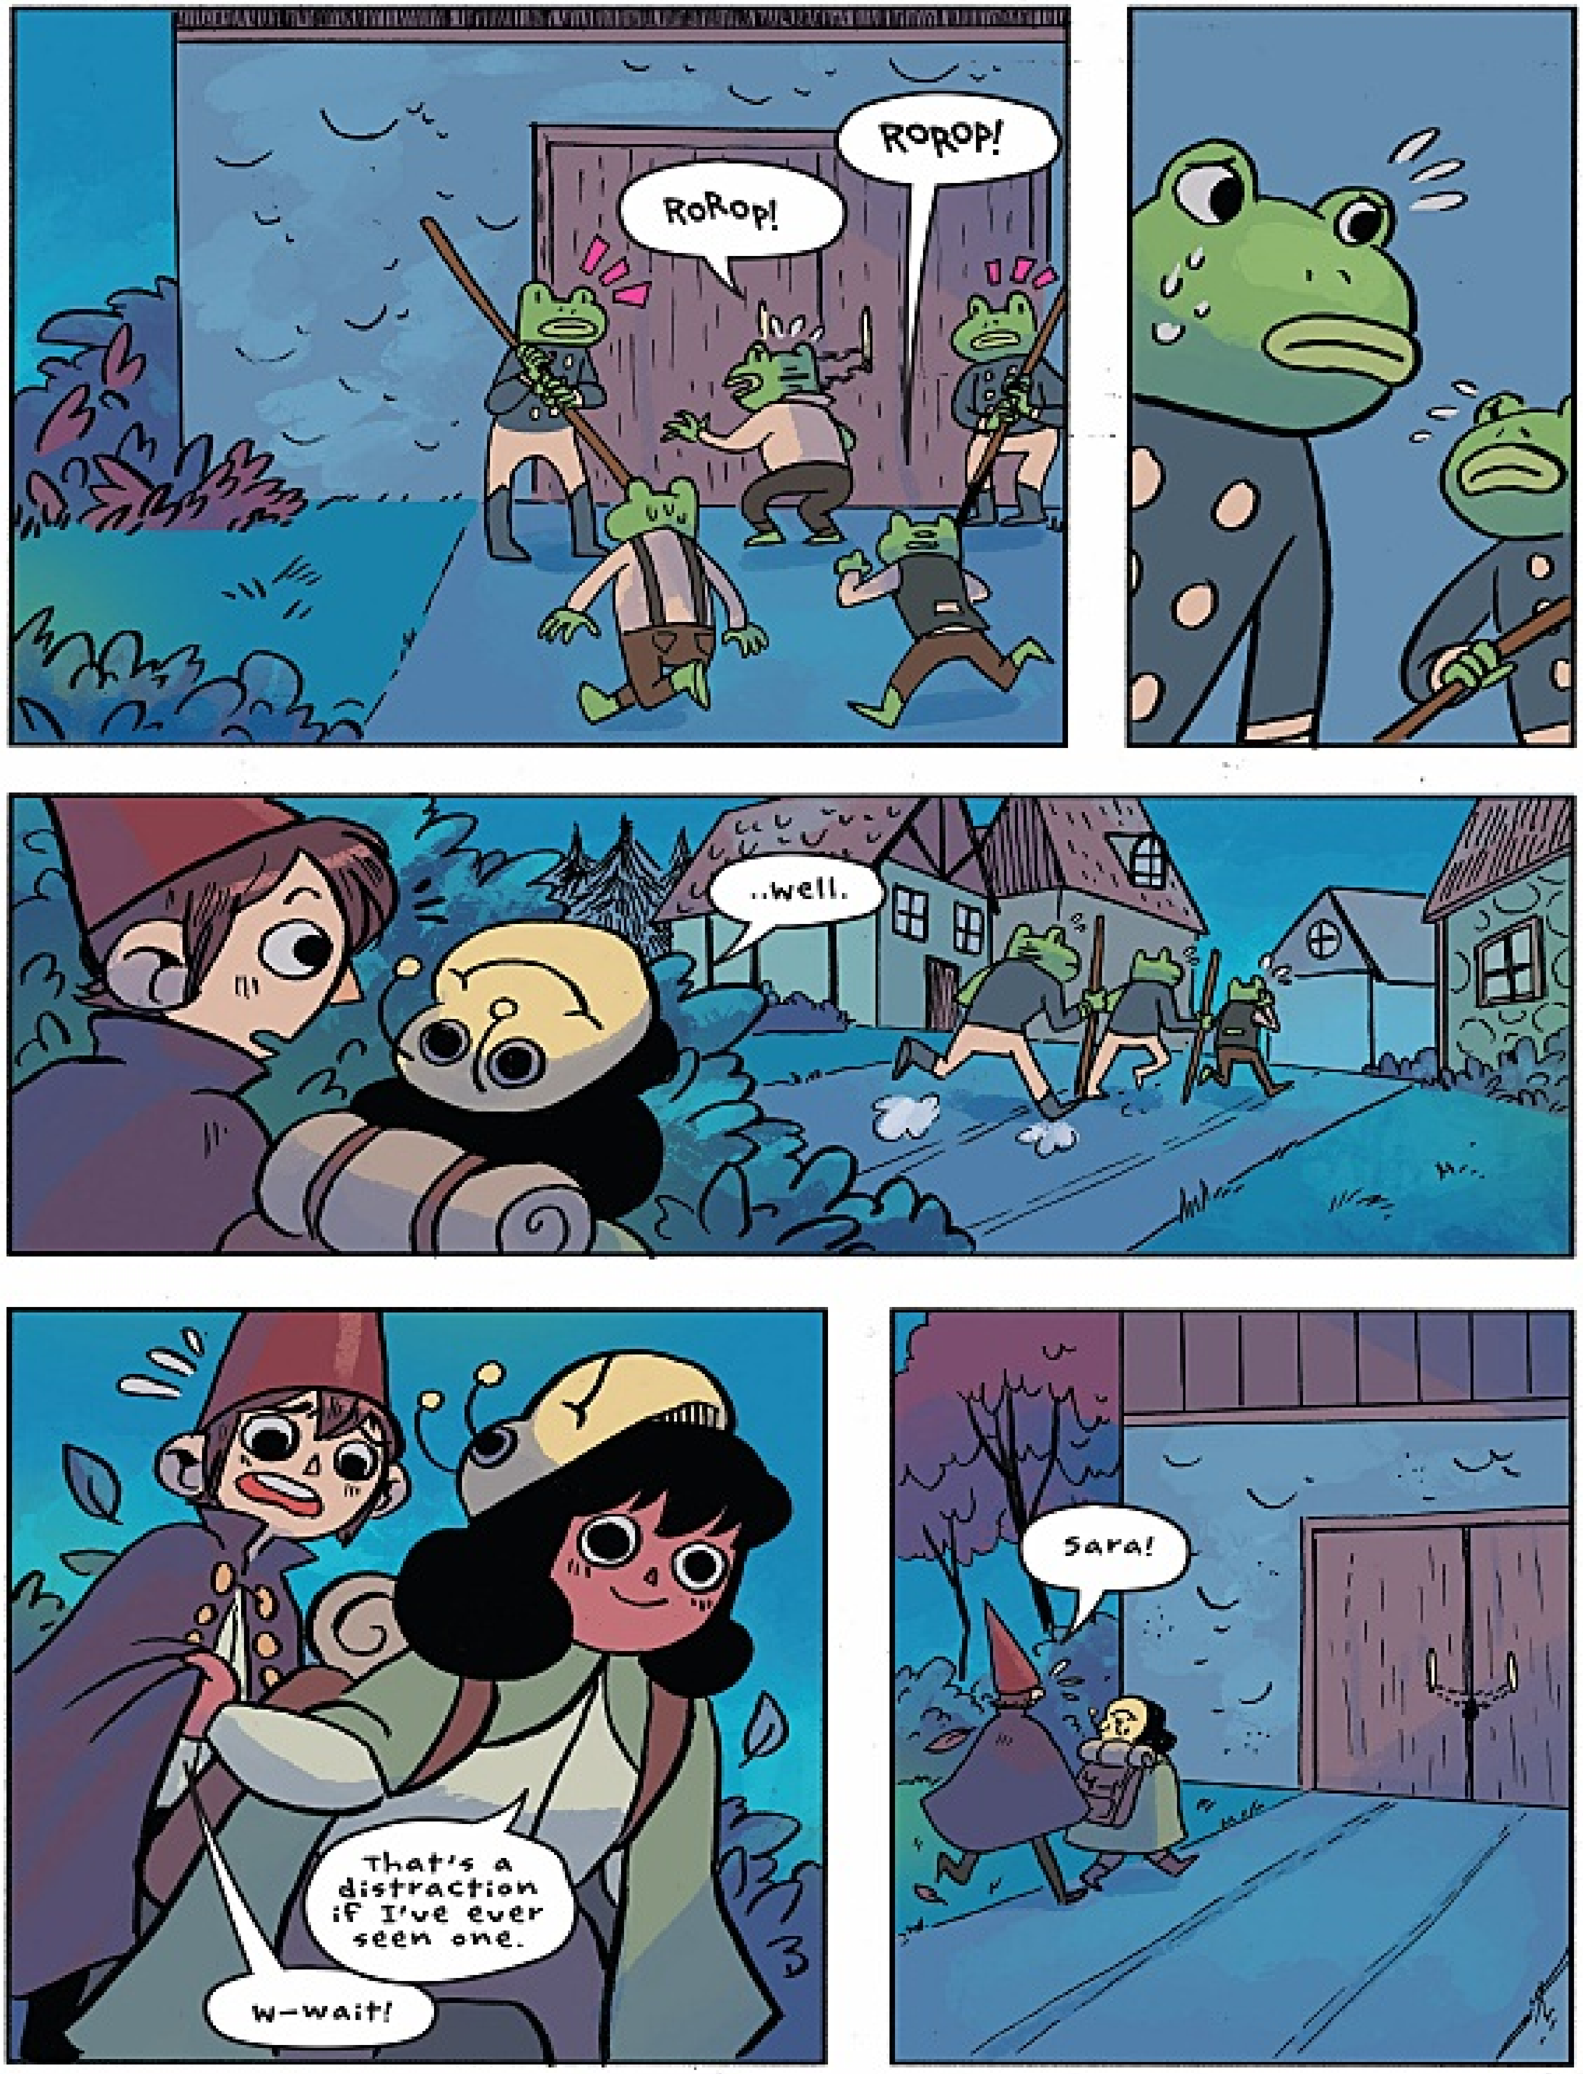
We've been ALL OVER! Fighting pirates and candy sneaking and getting all sorts of clues.
what did you guys do?



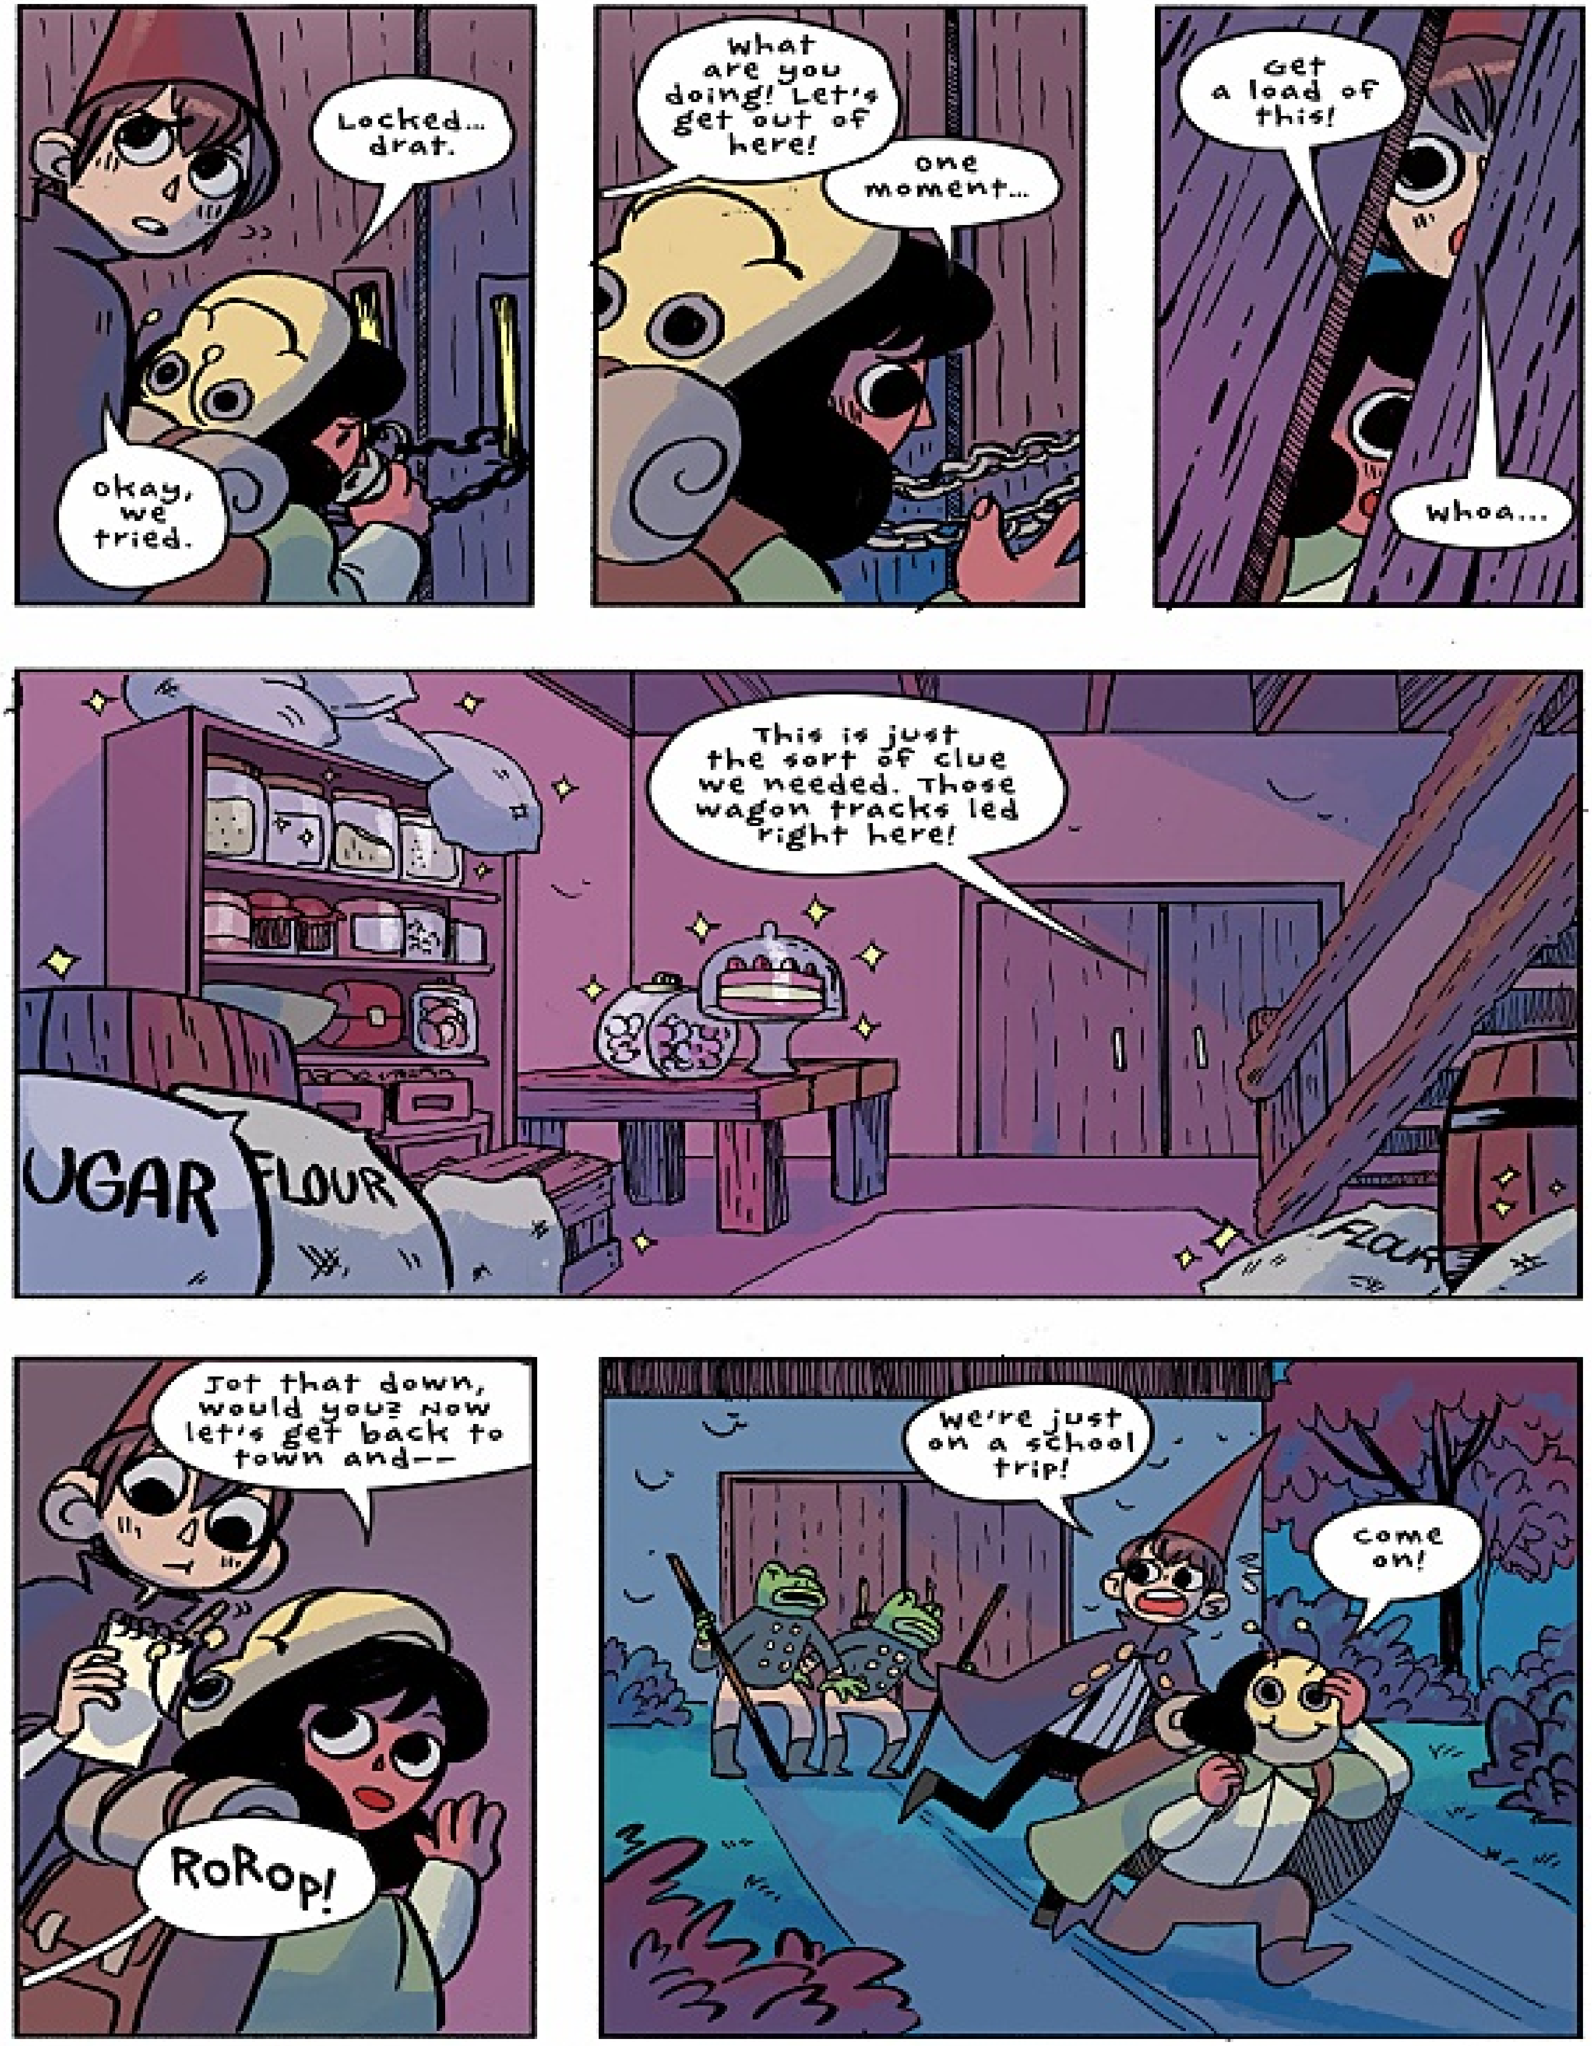
well, while you were galavanting around this frog town, sara and I were able to make a substantial case against that *Hero* of yours.
we had finally escaped the orphanage and...
"...were on the right track."
Do **YOU** think this is the right track?
well, there's no way of telling, really.
well...by the depth of the tread, whatever made these tracks must have been ***REALLY*** heavy, right?
probably. so you're thinking it was pirate croaker's ship?
oh, yeah! It could be!
or a regular old cargo wagon.
oh... that too...



Aw, man, we just went in a circle! I was expecting a hideout or *something*... not just this frog town again.
FROG TOWN
Well, it's not exactly surprising. And look!
I don't think most towns need their storage so heavily guarded, do you?
Not *heroic* towns, in any case.
Here--
What's this for?
You wanted evidence, didn't you? It's about time we start keeping track of it. Now...
For *concrete* evidence we're gonna have to break in. If you make a distraction, then I can slip in and--
Wait, that's breaking and entering!
What if they catch us?
I dunno, do *you* know Frogtown's laws? Who says that's illegal here?
WHAT? No, no, no--
We're going to get thrown in jail again!
And we'll get out again. Don't worry about it. If we get caught, we'll just pretend we were on a school trip or something.
ROROP!
ROROP!



RoRop!
ROROP!
..well.
That's a distraction if I've ever seen one.
W-wait!
Sara!



Locked... drat.
okay, we tried.
What are you doing! Let's get out of here!

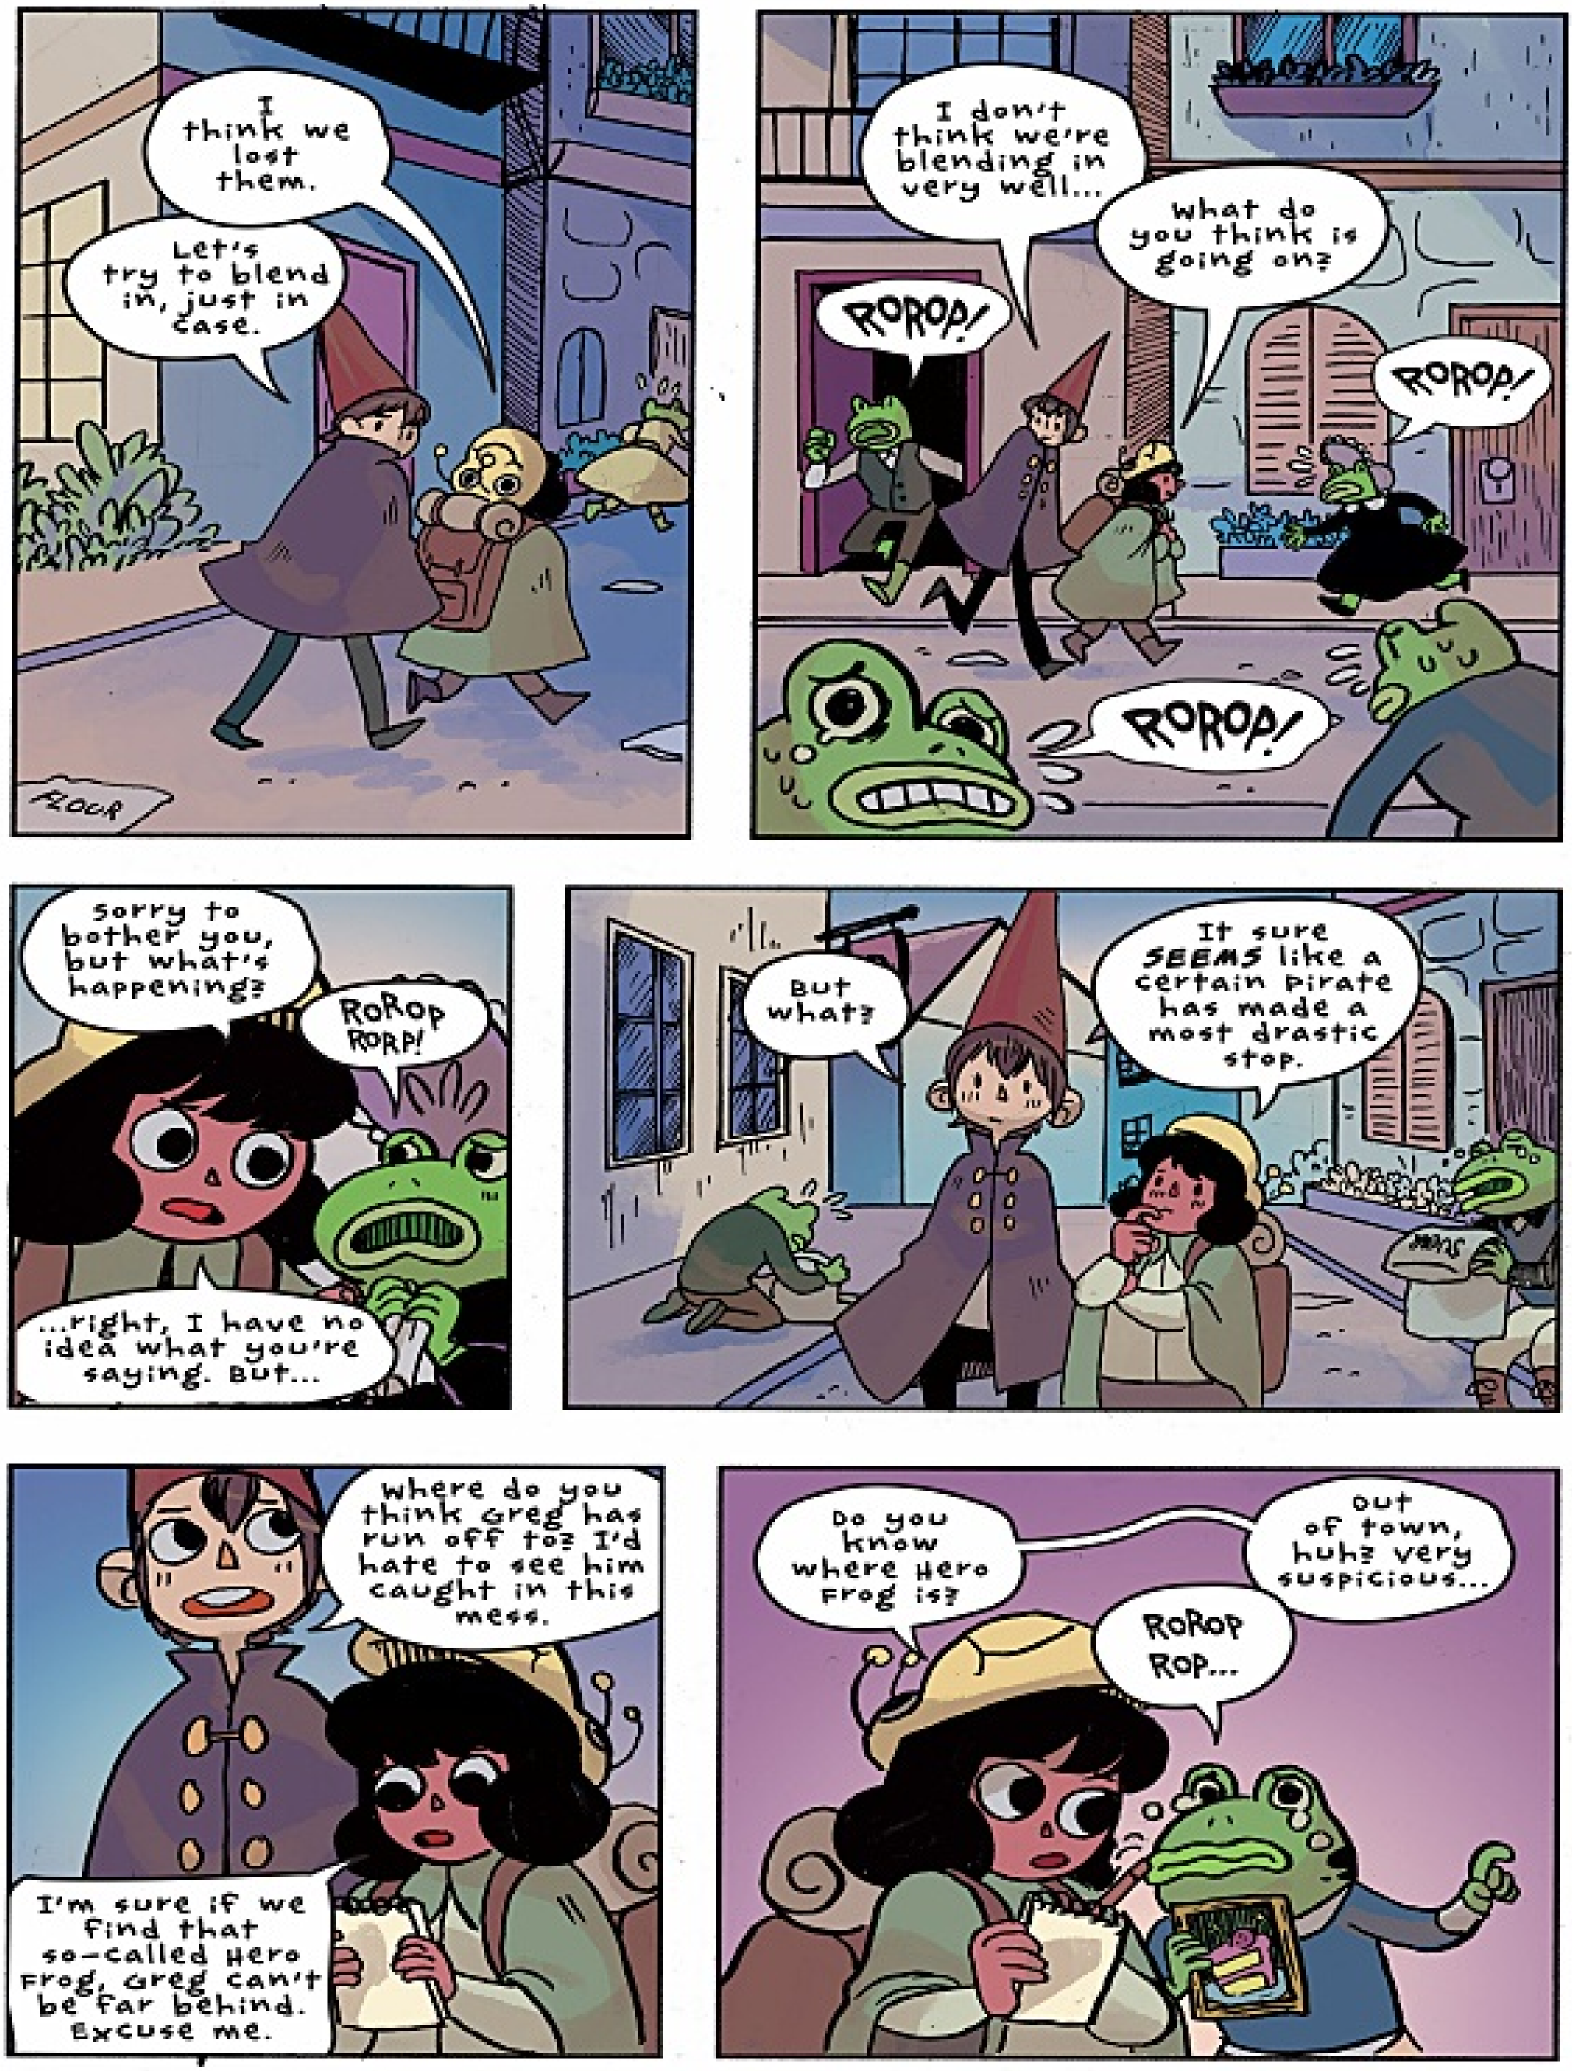
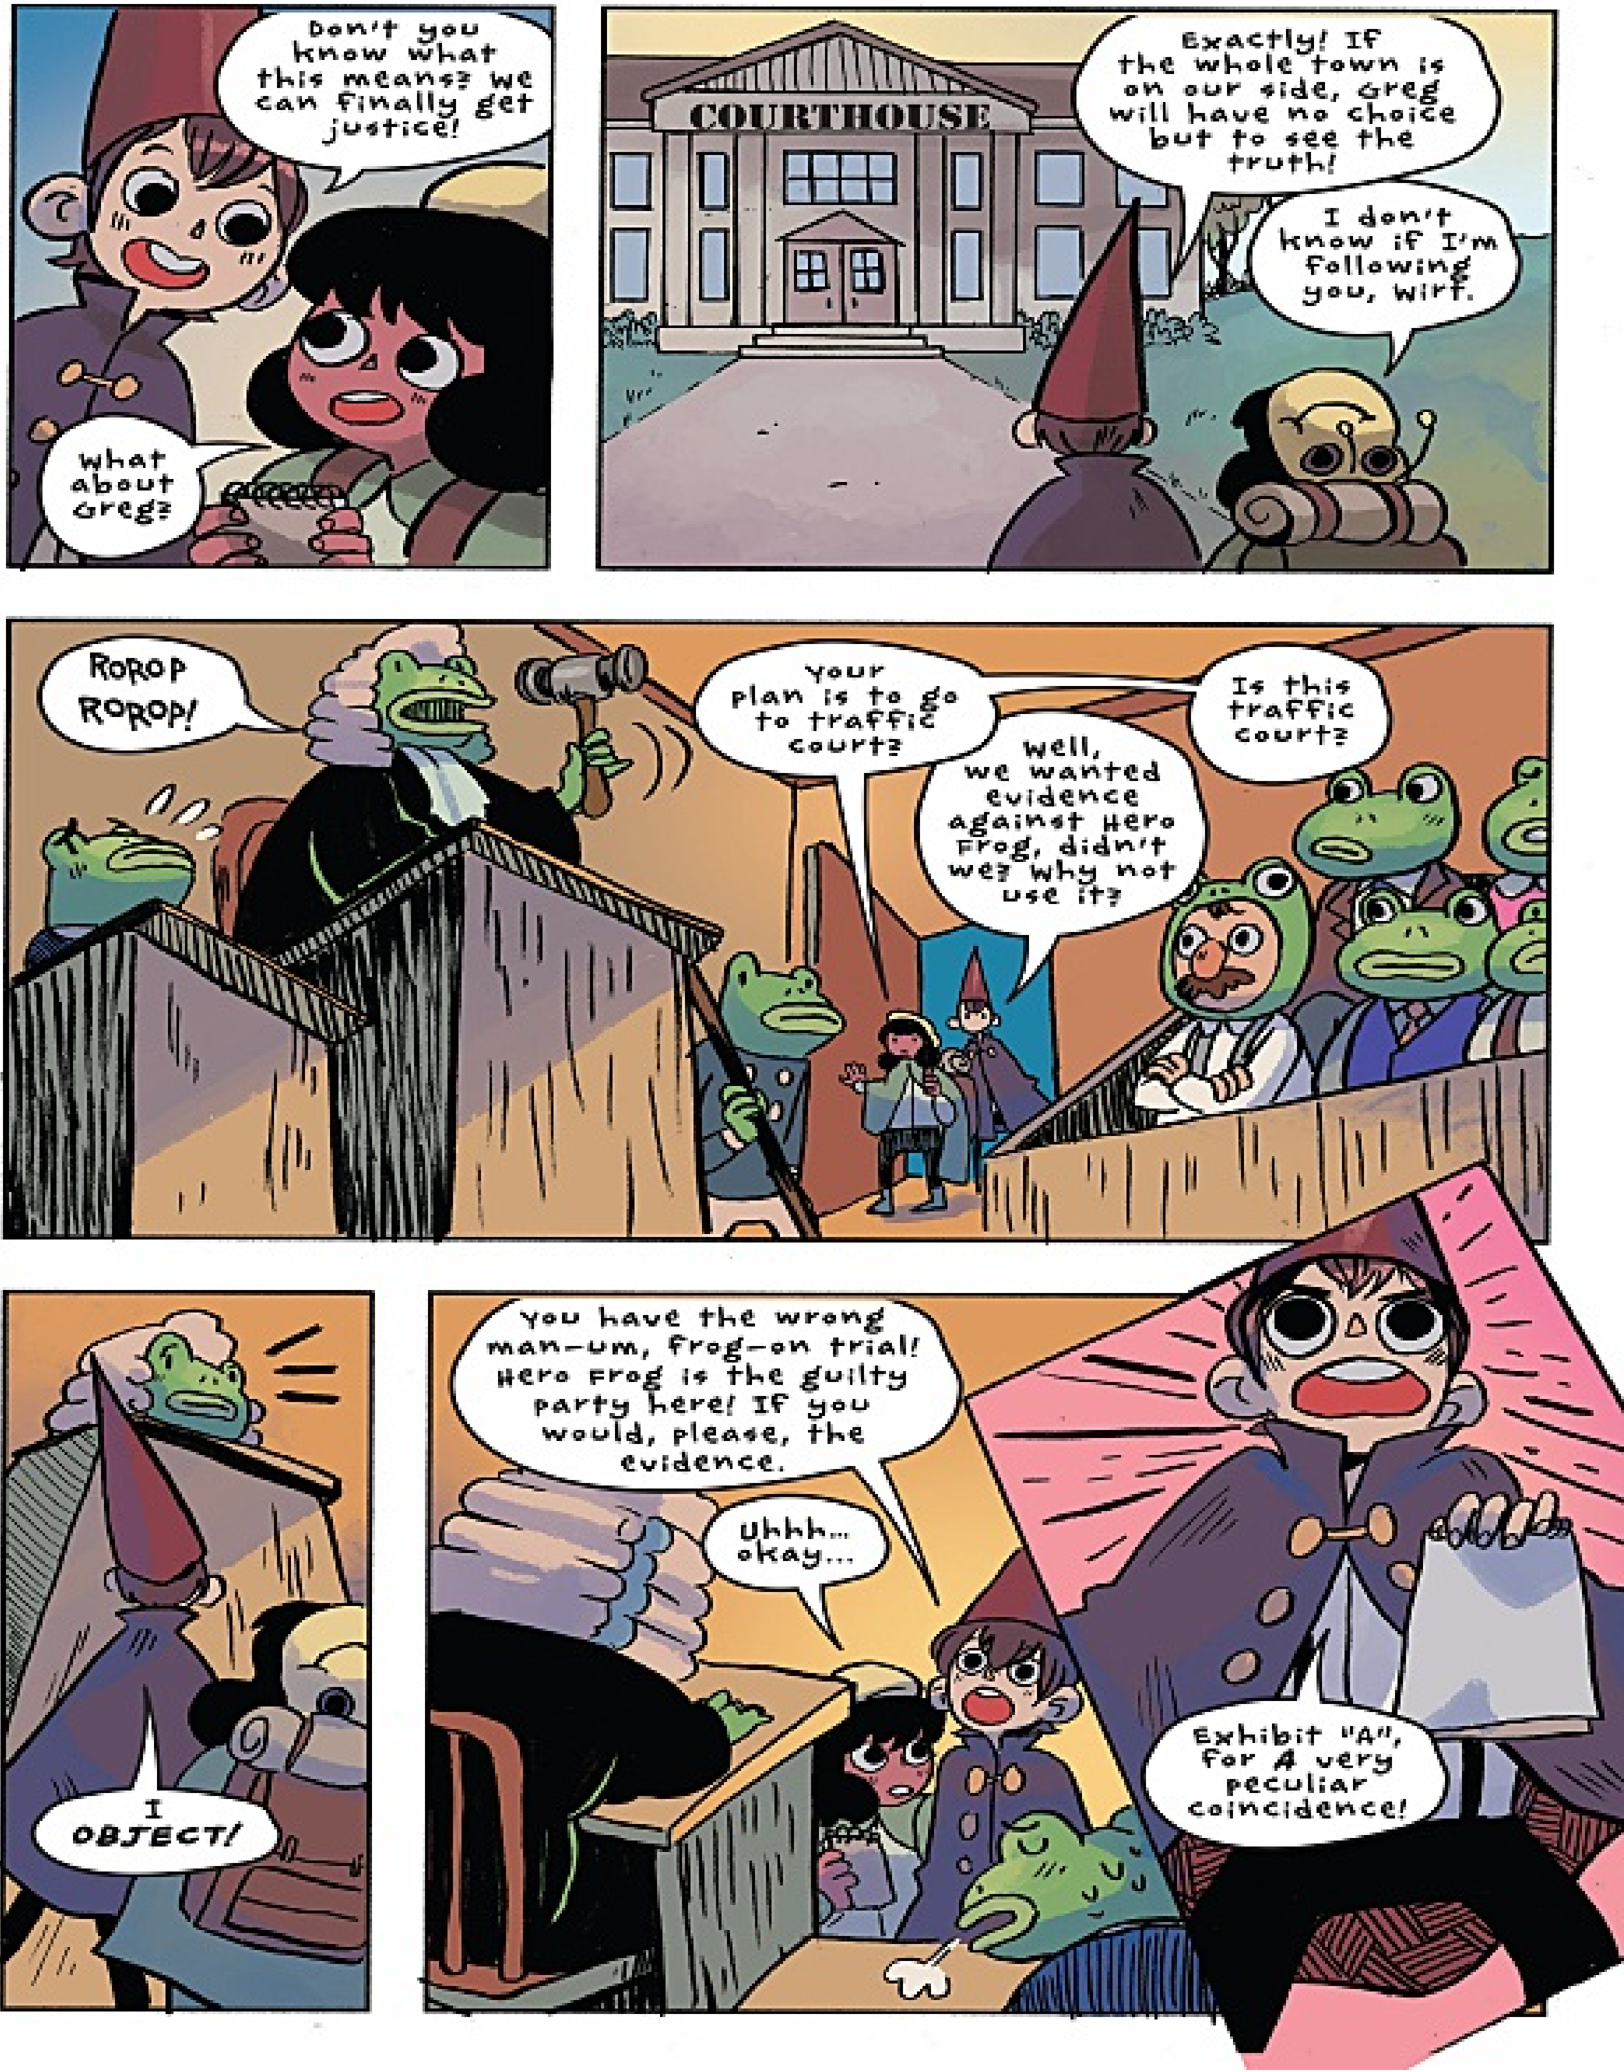
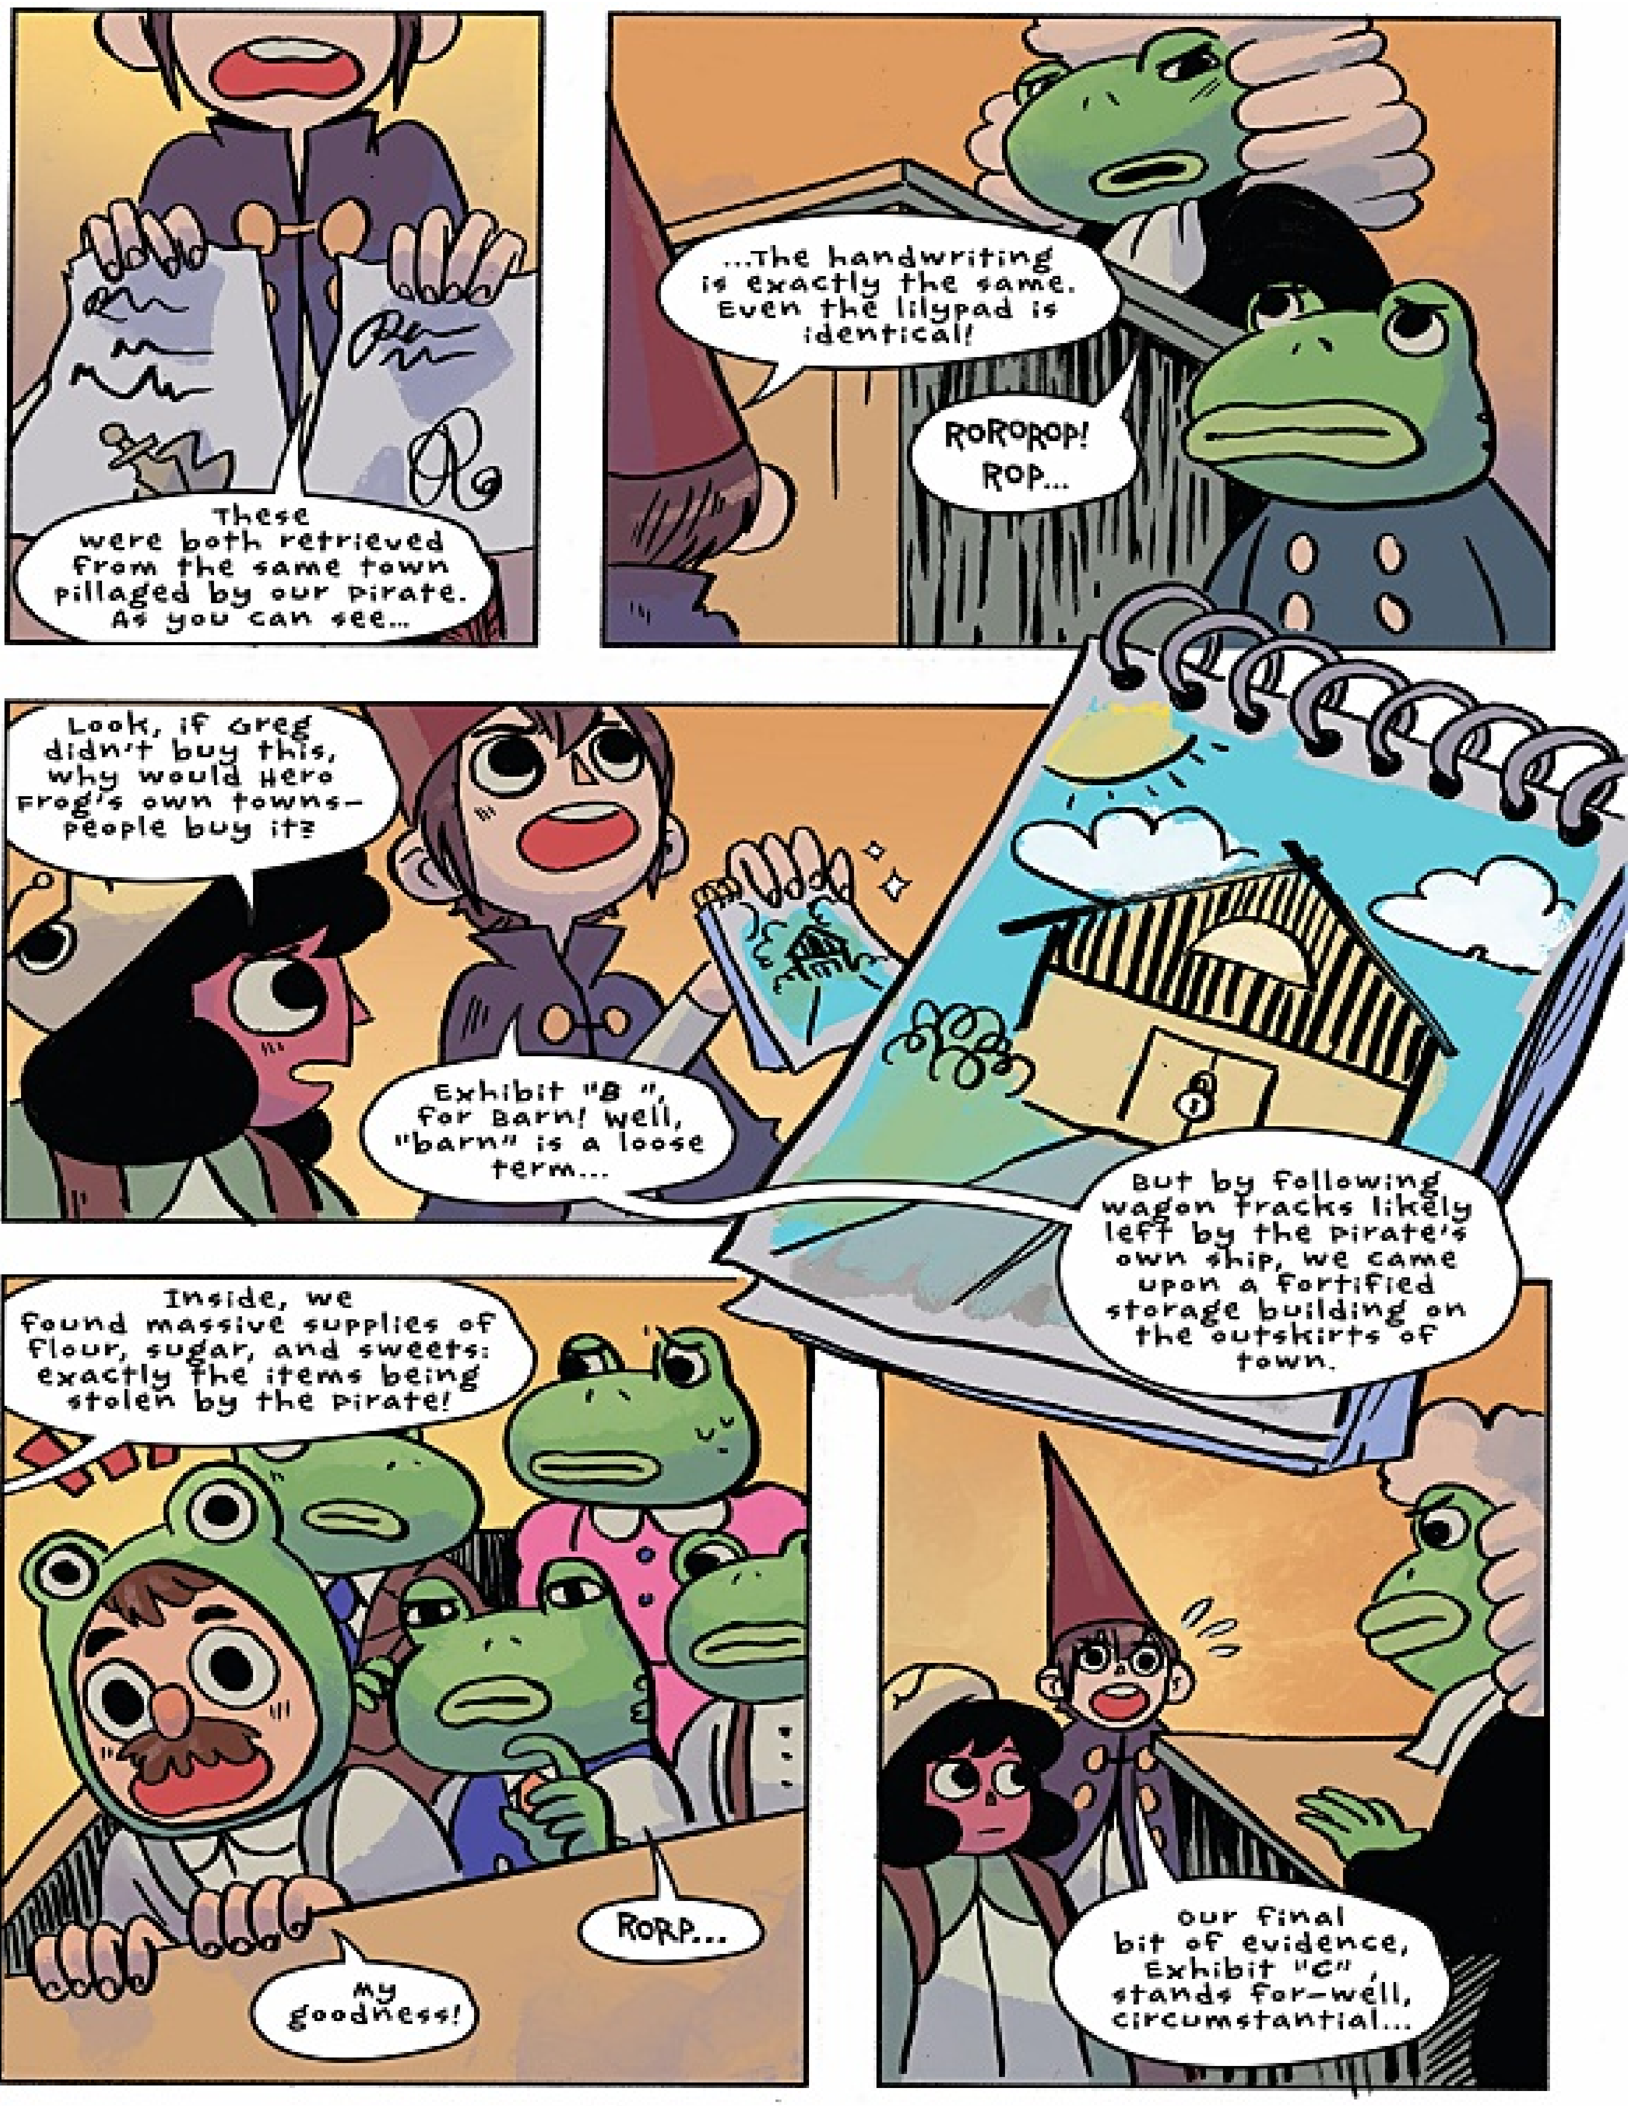
Get a load of this!
Whoa...
This is just the sort of clue we needed. Those wagon tracks led right here!
UGAR
FLOUR
FLOUR
Jot that down, would you? Now let's get back to town and--
RoRop!
We're just on a school trip!
Come on!



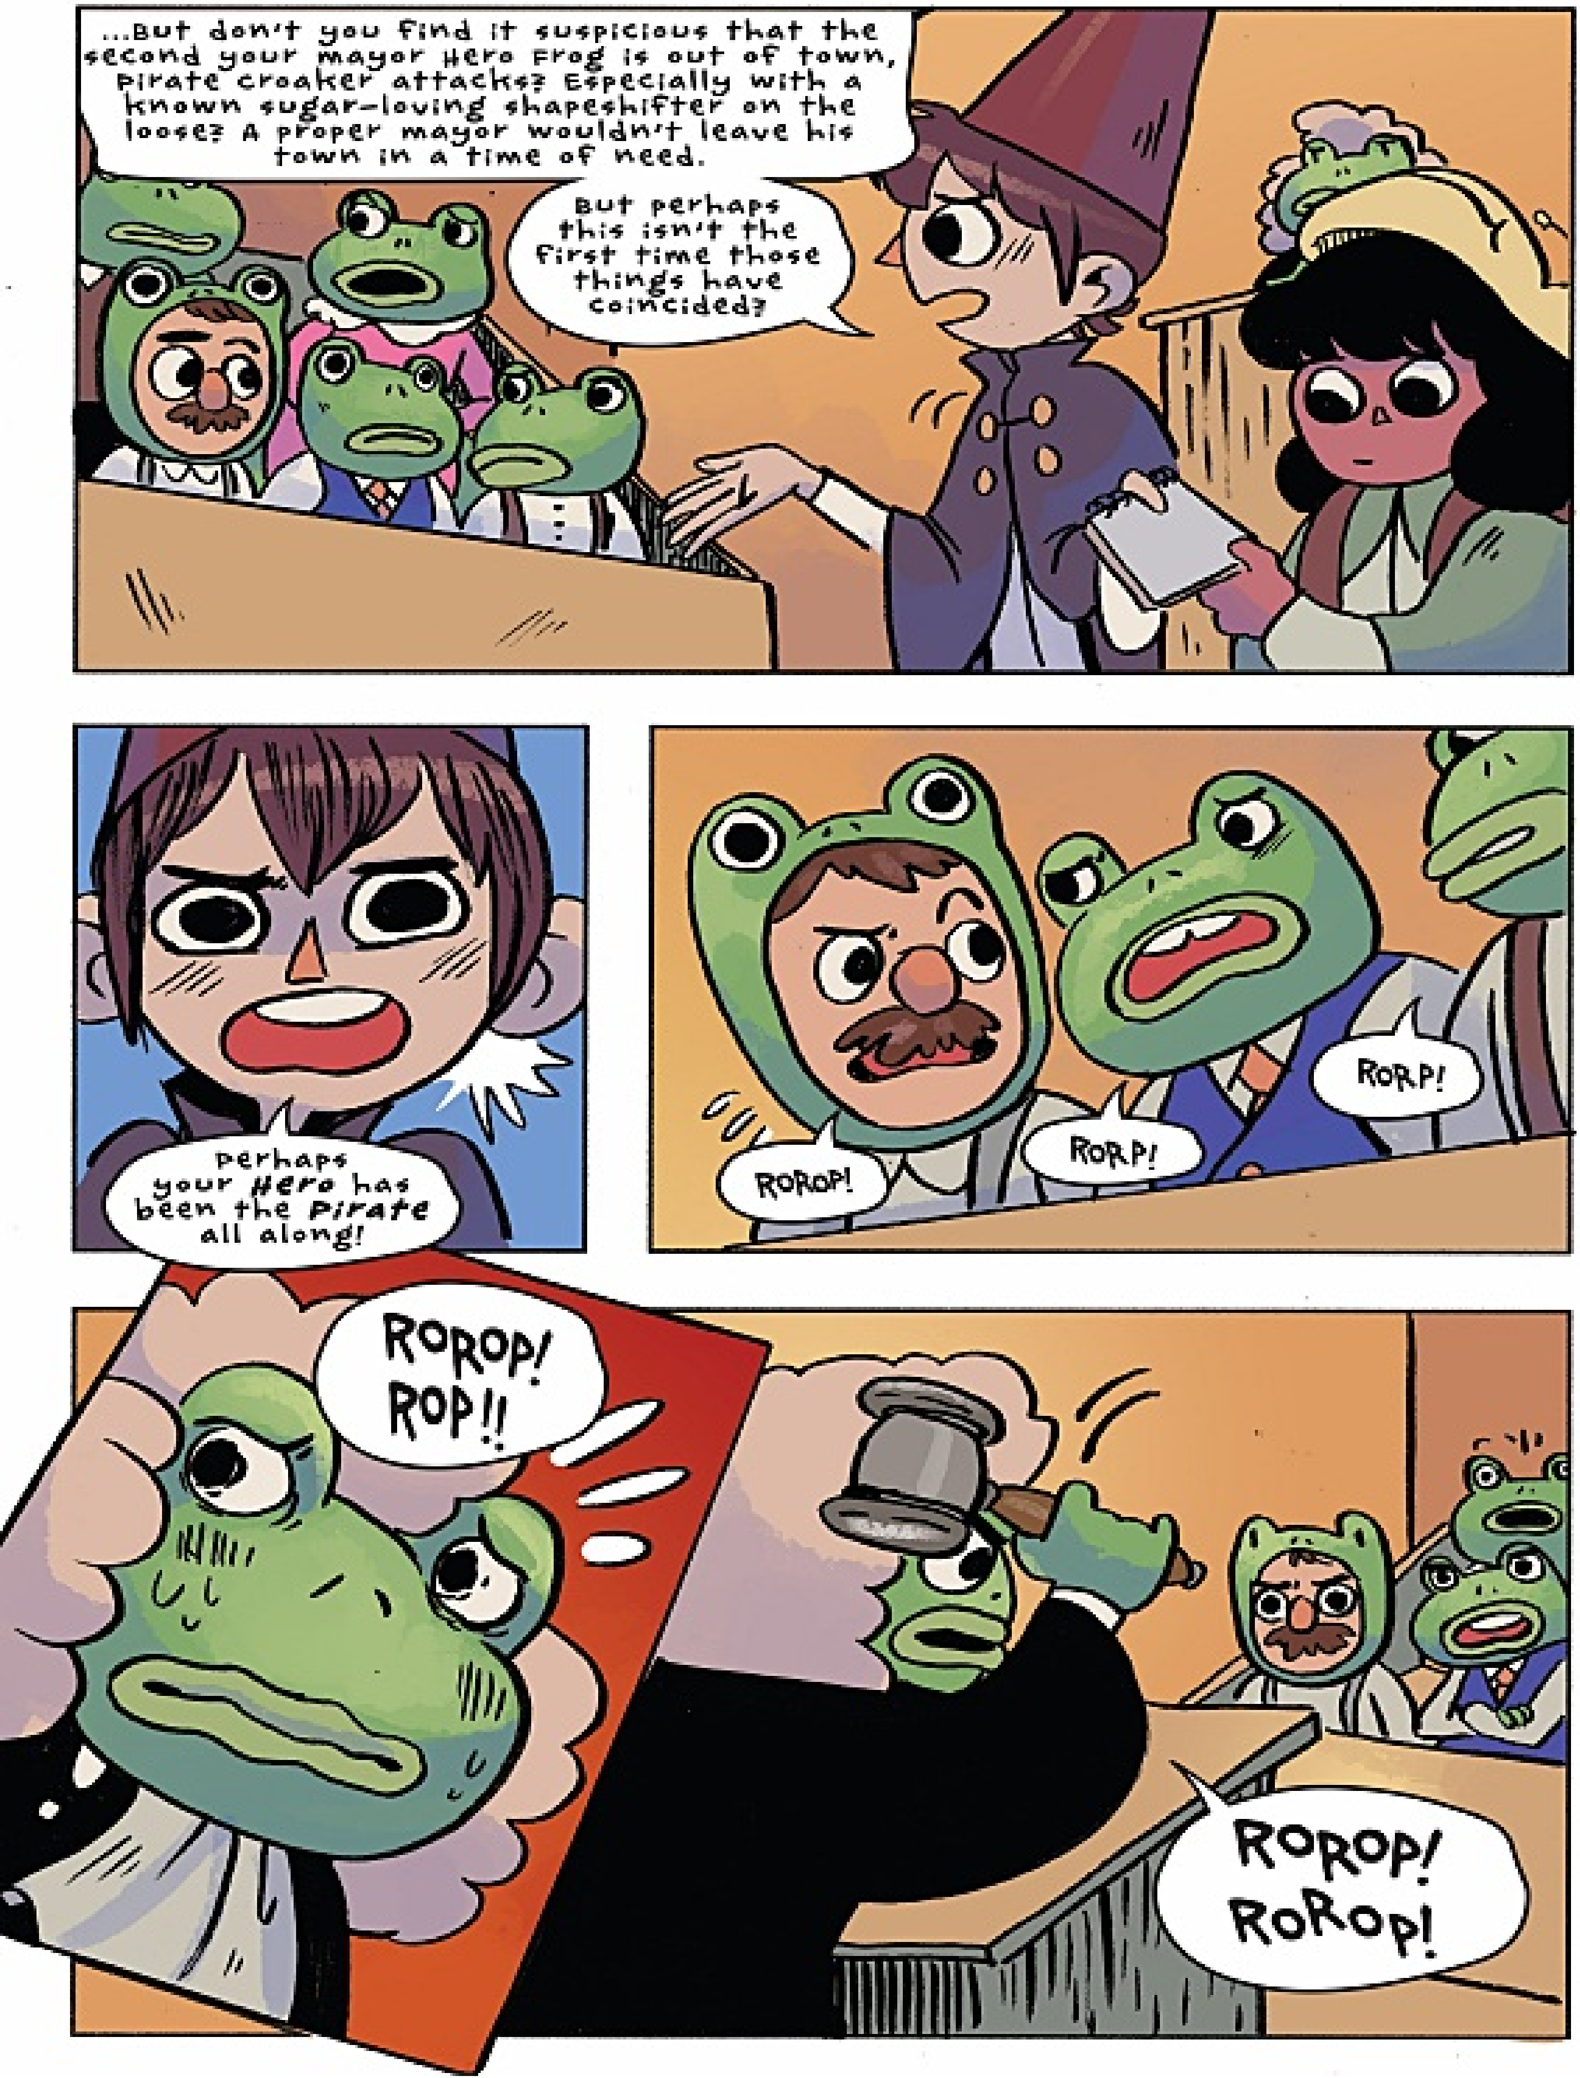
I think we lost them.
Let's try to blend in, just in case.
FLOUR
I don't think we're blending in very well...
What do you think is going on?
ROROP!
ROROP!
ROROP!
Sorry to bother you, but what's happening?
RoRop RORP!
...right, I have no idea what you're saying. But...
But what?
It sure SEEMS like a certain pirate has made a most drastic stop.
Where do you think Greg has run off to? I'd hate to see him caught in this mess.
I'm sure if we find that so-called Hero Frog, Greg can't be far behind. Excuse me.
Do you know where Hero Frog is?
RoRop Rop...
Out of town, huh? Very suspicious...



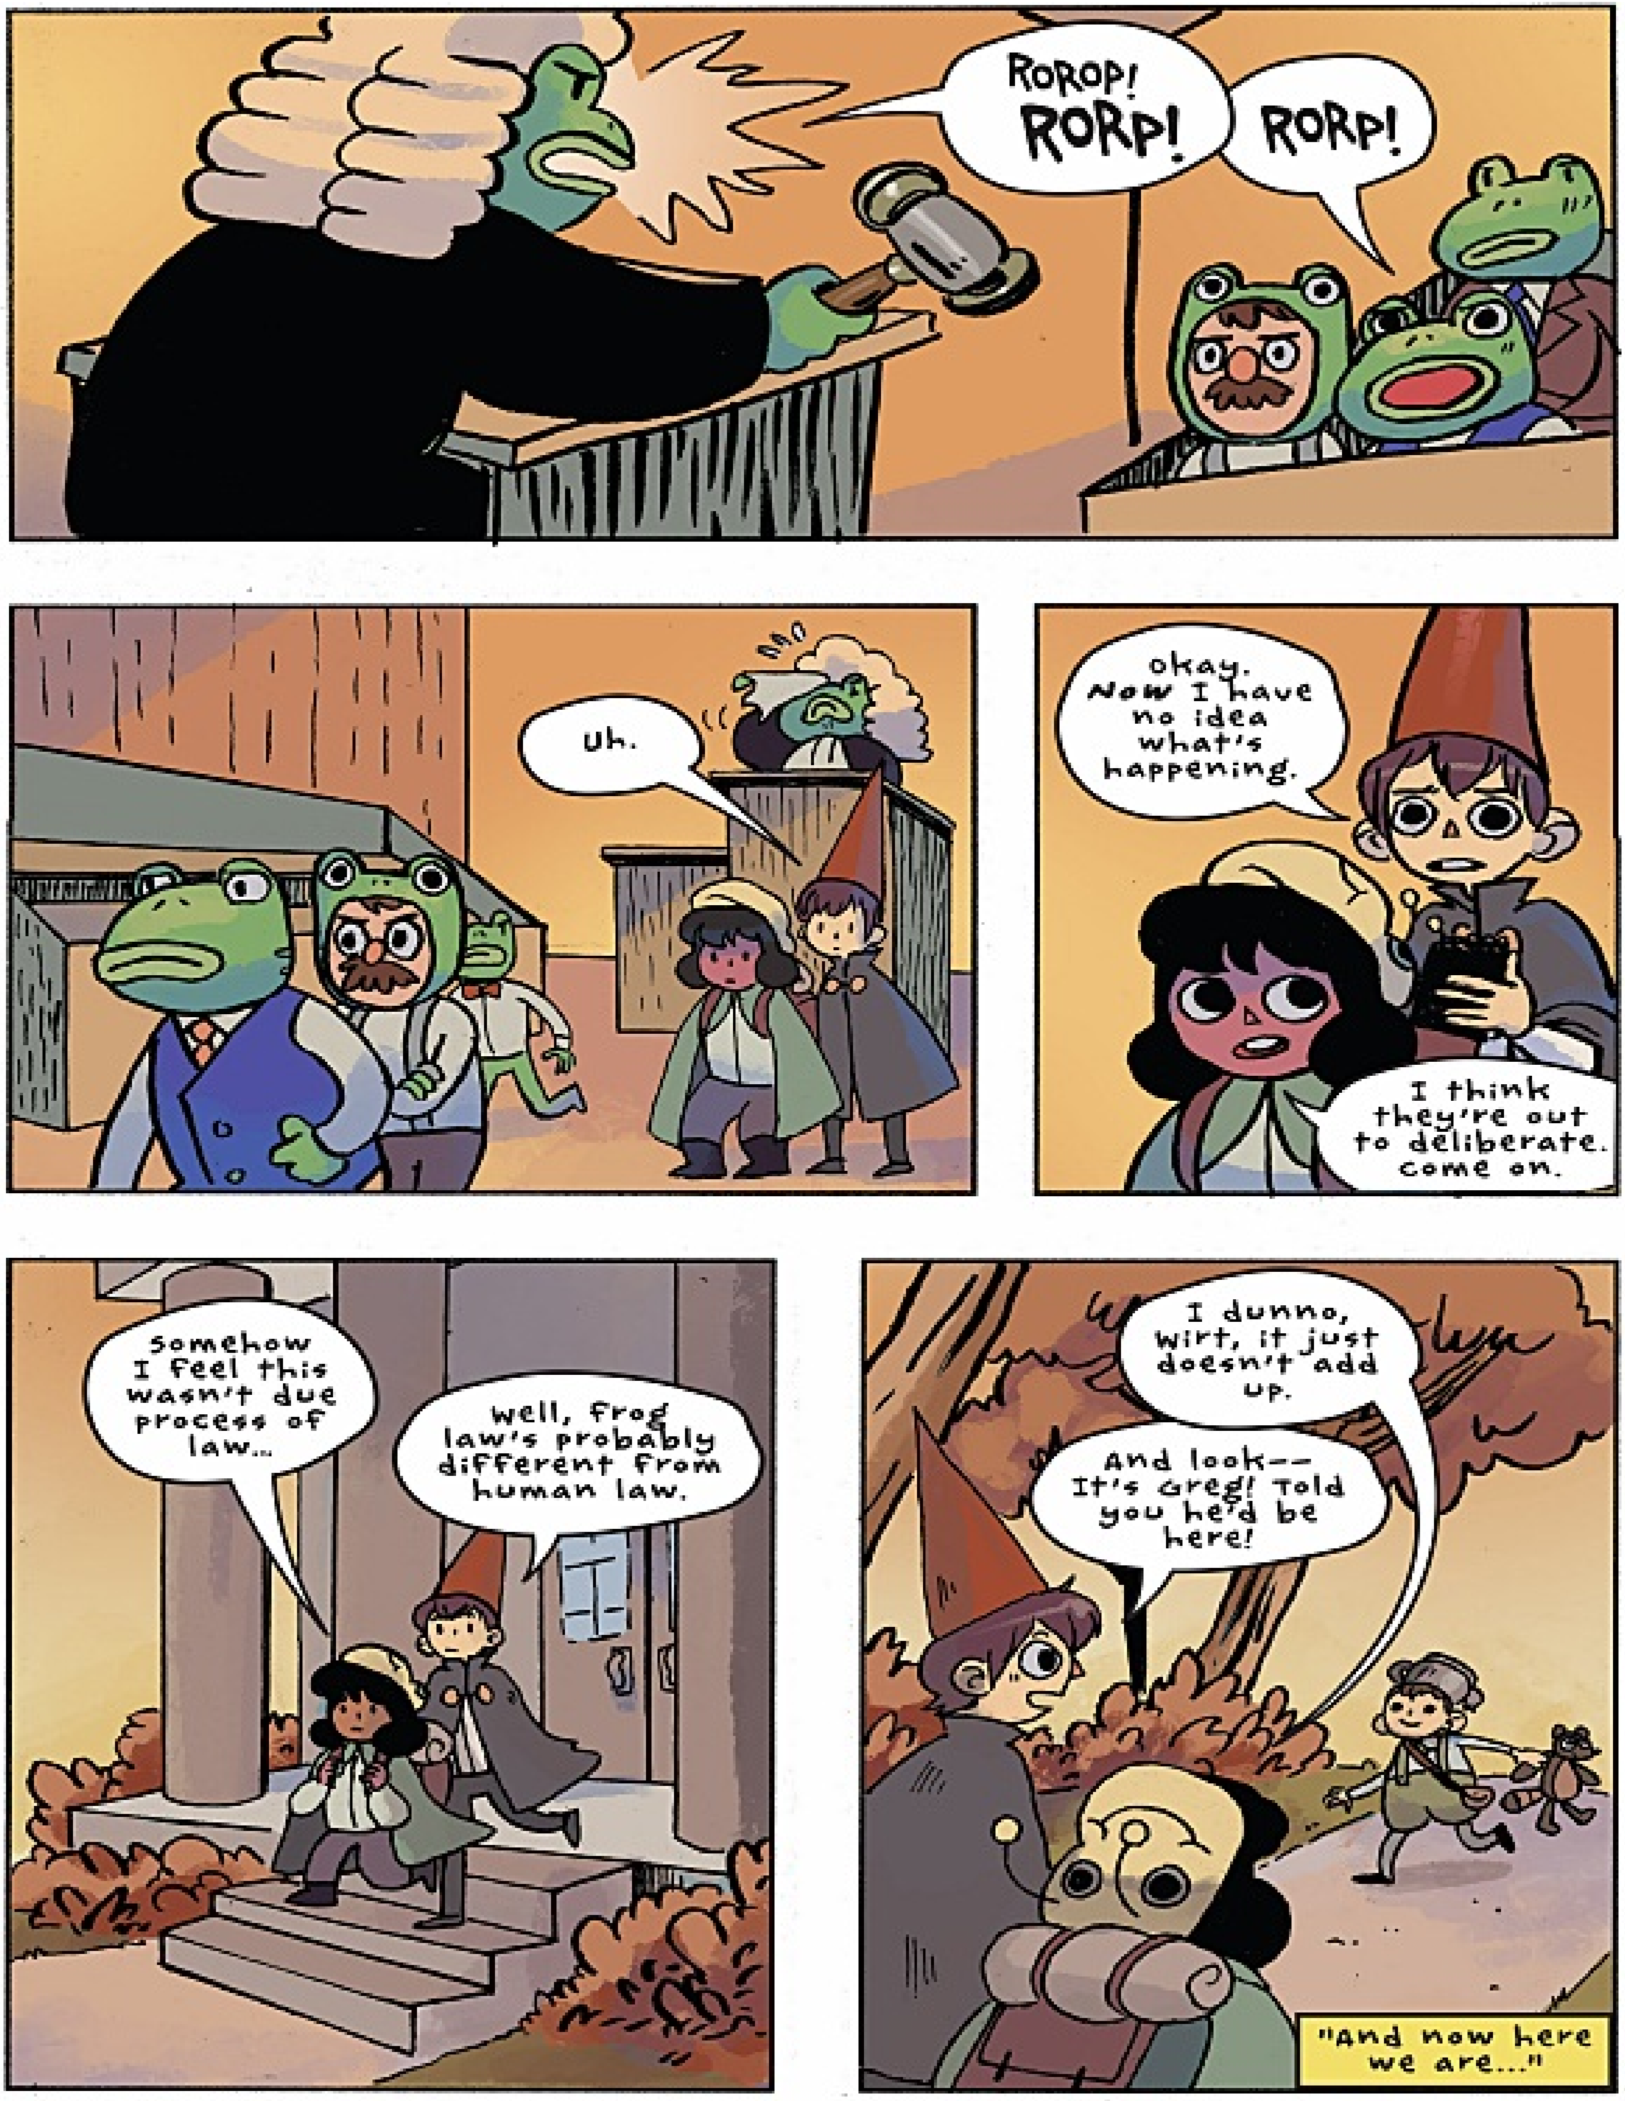
Don't you know what this means? We can finally get justice!
What about Greg?
COURTHOUSE
Exactly! If the whole town is on our side, Greg will have no choice but to see the truth!
I don't know if I'm following you, Wirt.
ROROP ROROP!
Your plan is to go to traffic court?
Is this traffic court?
Well, we wanted evidence against Hero Frog, didn't we? Why not use it?
I OBJECT!
You have the wrong man—um, frog—on trial! Hero Frog is the guilty party here! If you would, please, the evidence.
Uhhh... okay...
Exhibit "A", for a very peculiar coincidence!



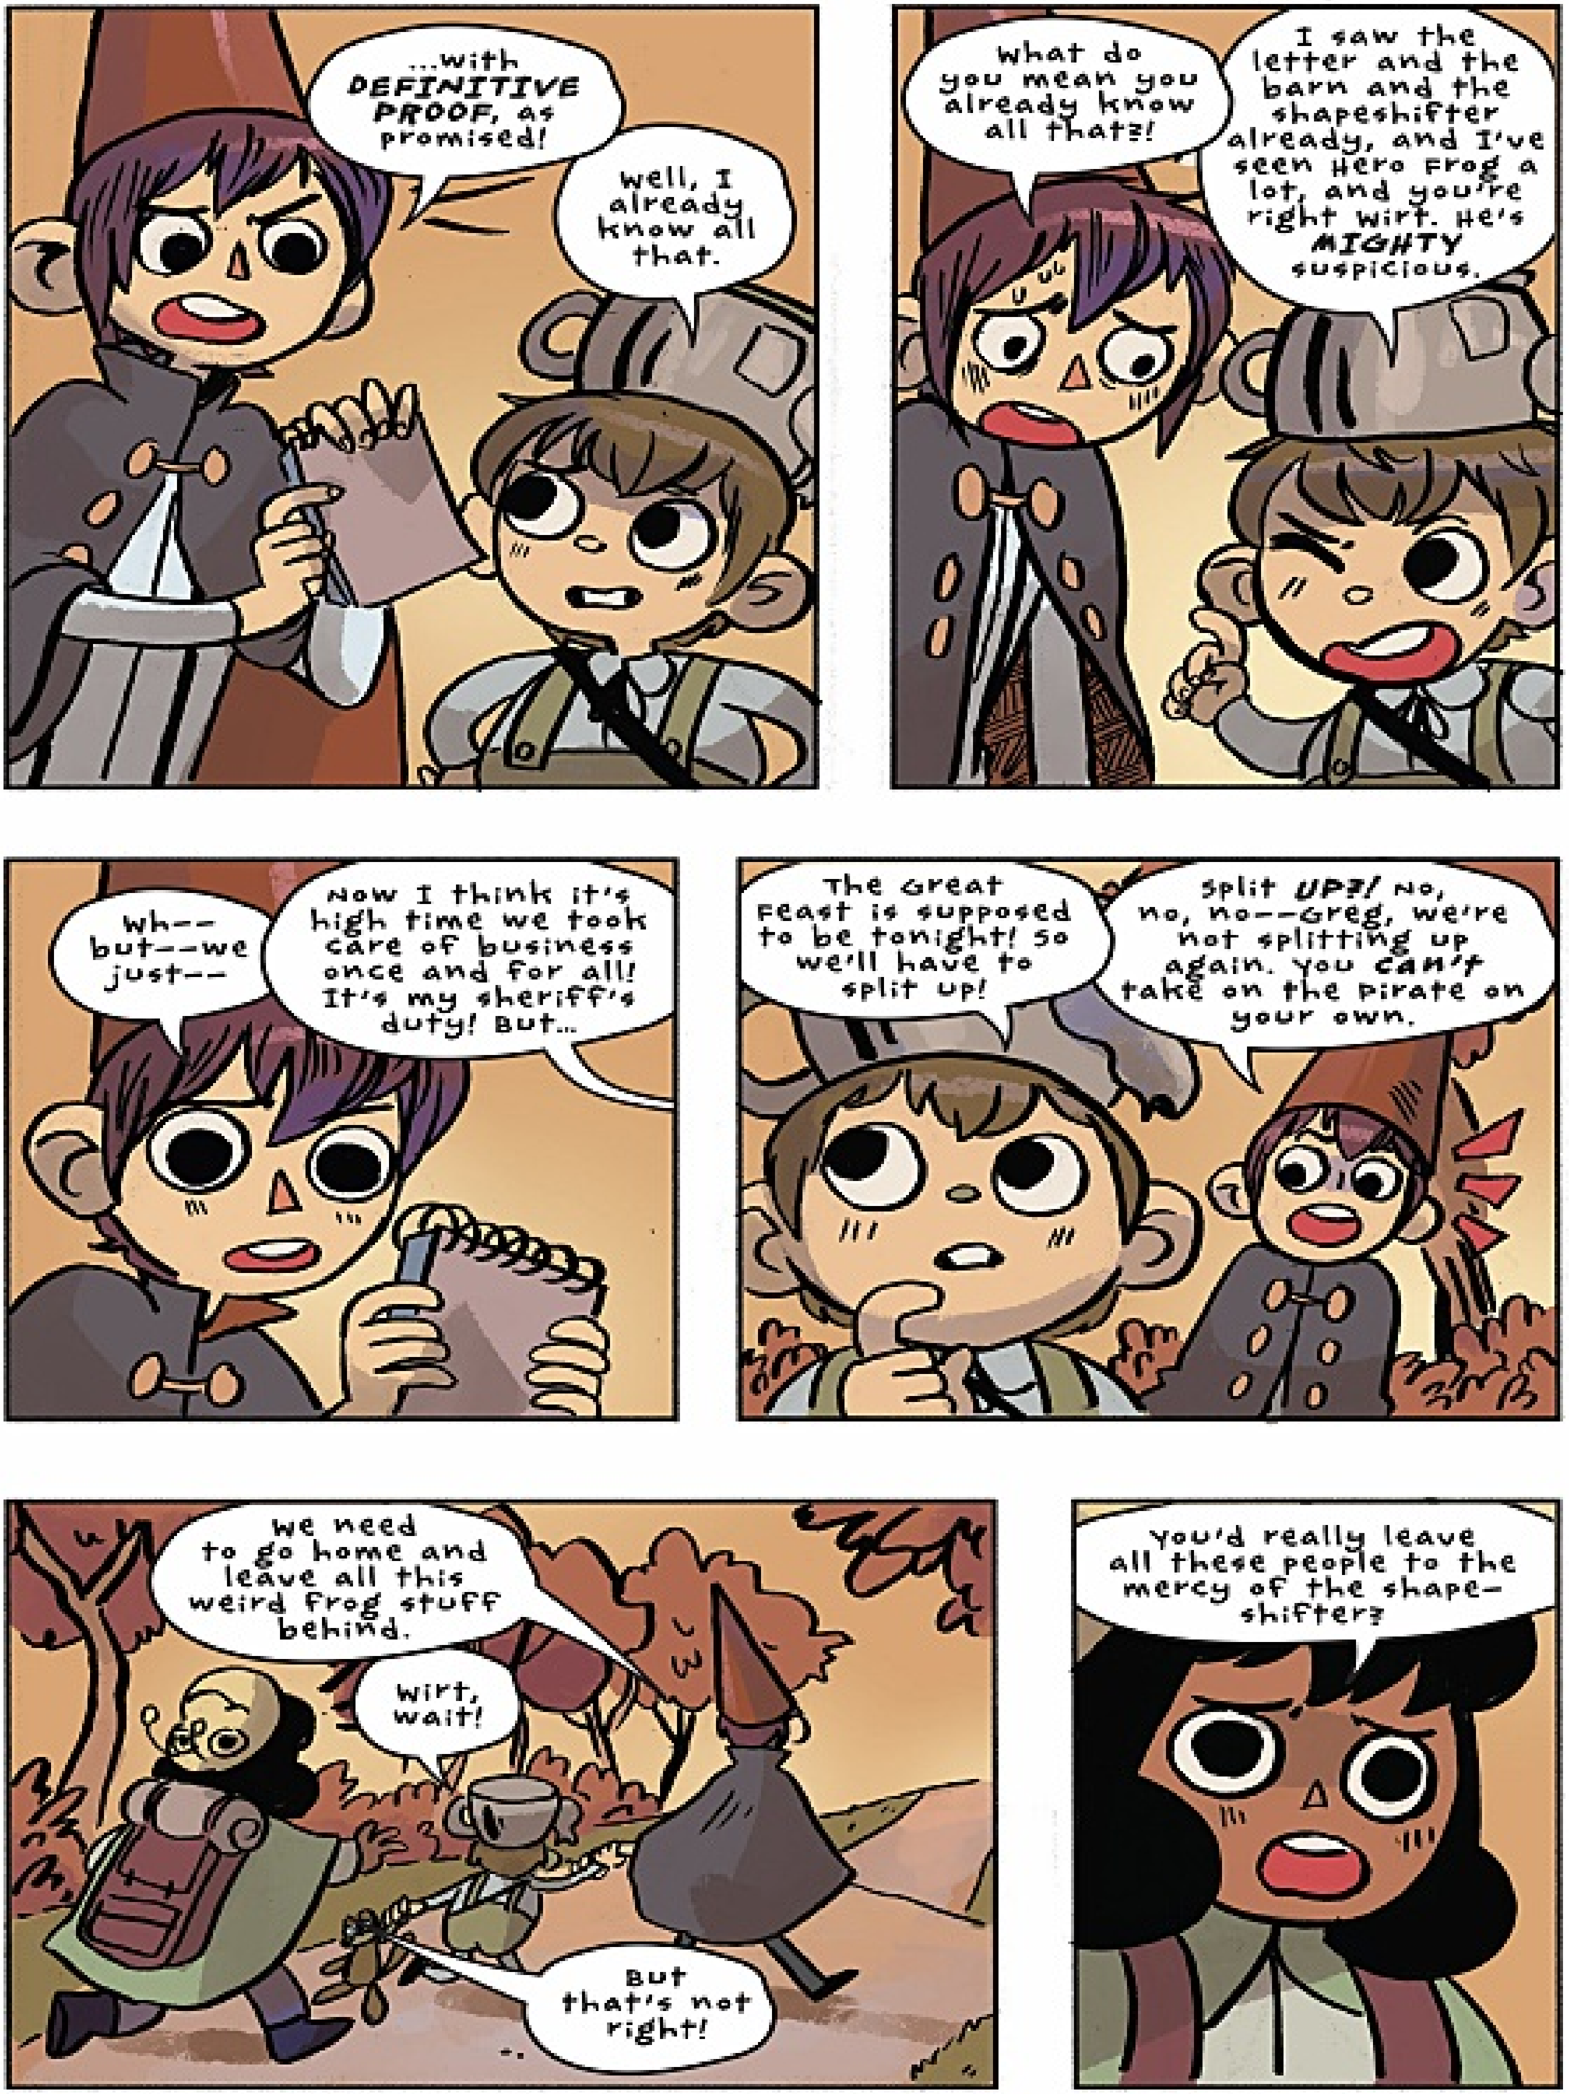
These were both retrieved from the same town pillaged by our pirate. As you can see...
...The handwriting is exactly the same. Even the lilypad is identical!
ROROROP! ROP...
Look, if Greg didn't buy this, why would Hero Frog's own towns-people buy it?
Exhibit "B", for Barn! Well, "barn" is a loose term...
But by following wagon tracks likely left by the pirate's own ship, we came upon a fortified storage building on the outskirts of town.
Inside, we found massive supplies of flour, sugar, and sweets: exactly the items being stolen by the pirate!
My goodness!
RORP...
Our final bit of evidence, Exhibit "C", stands for—well, circumstantial...



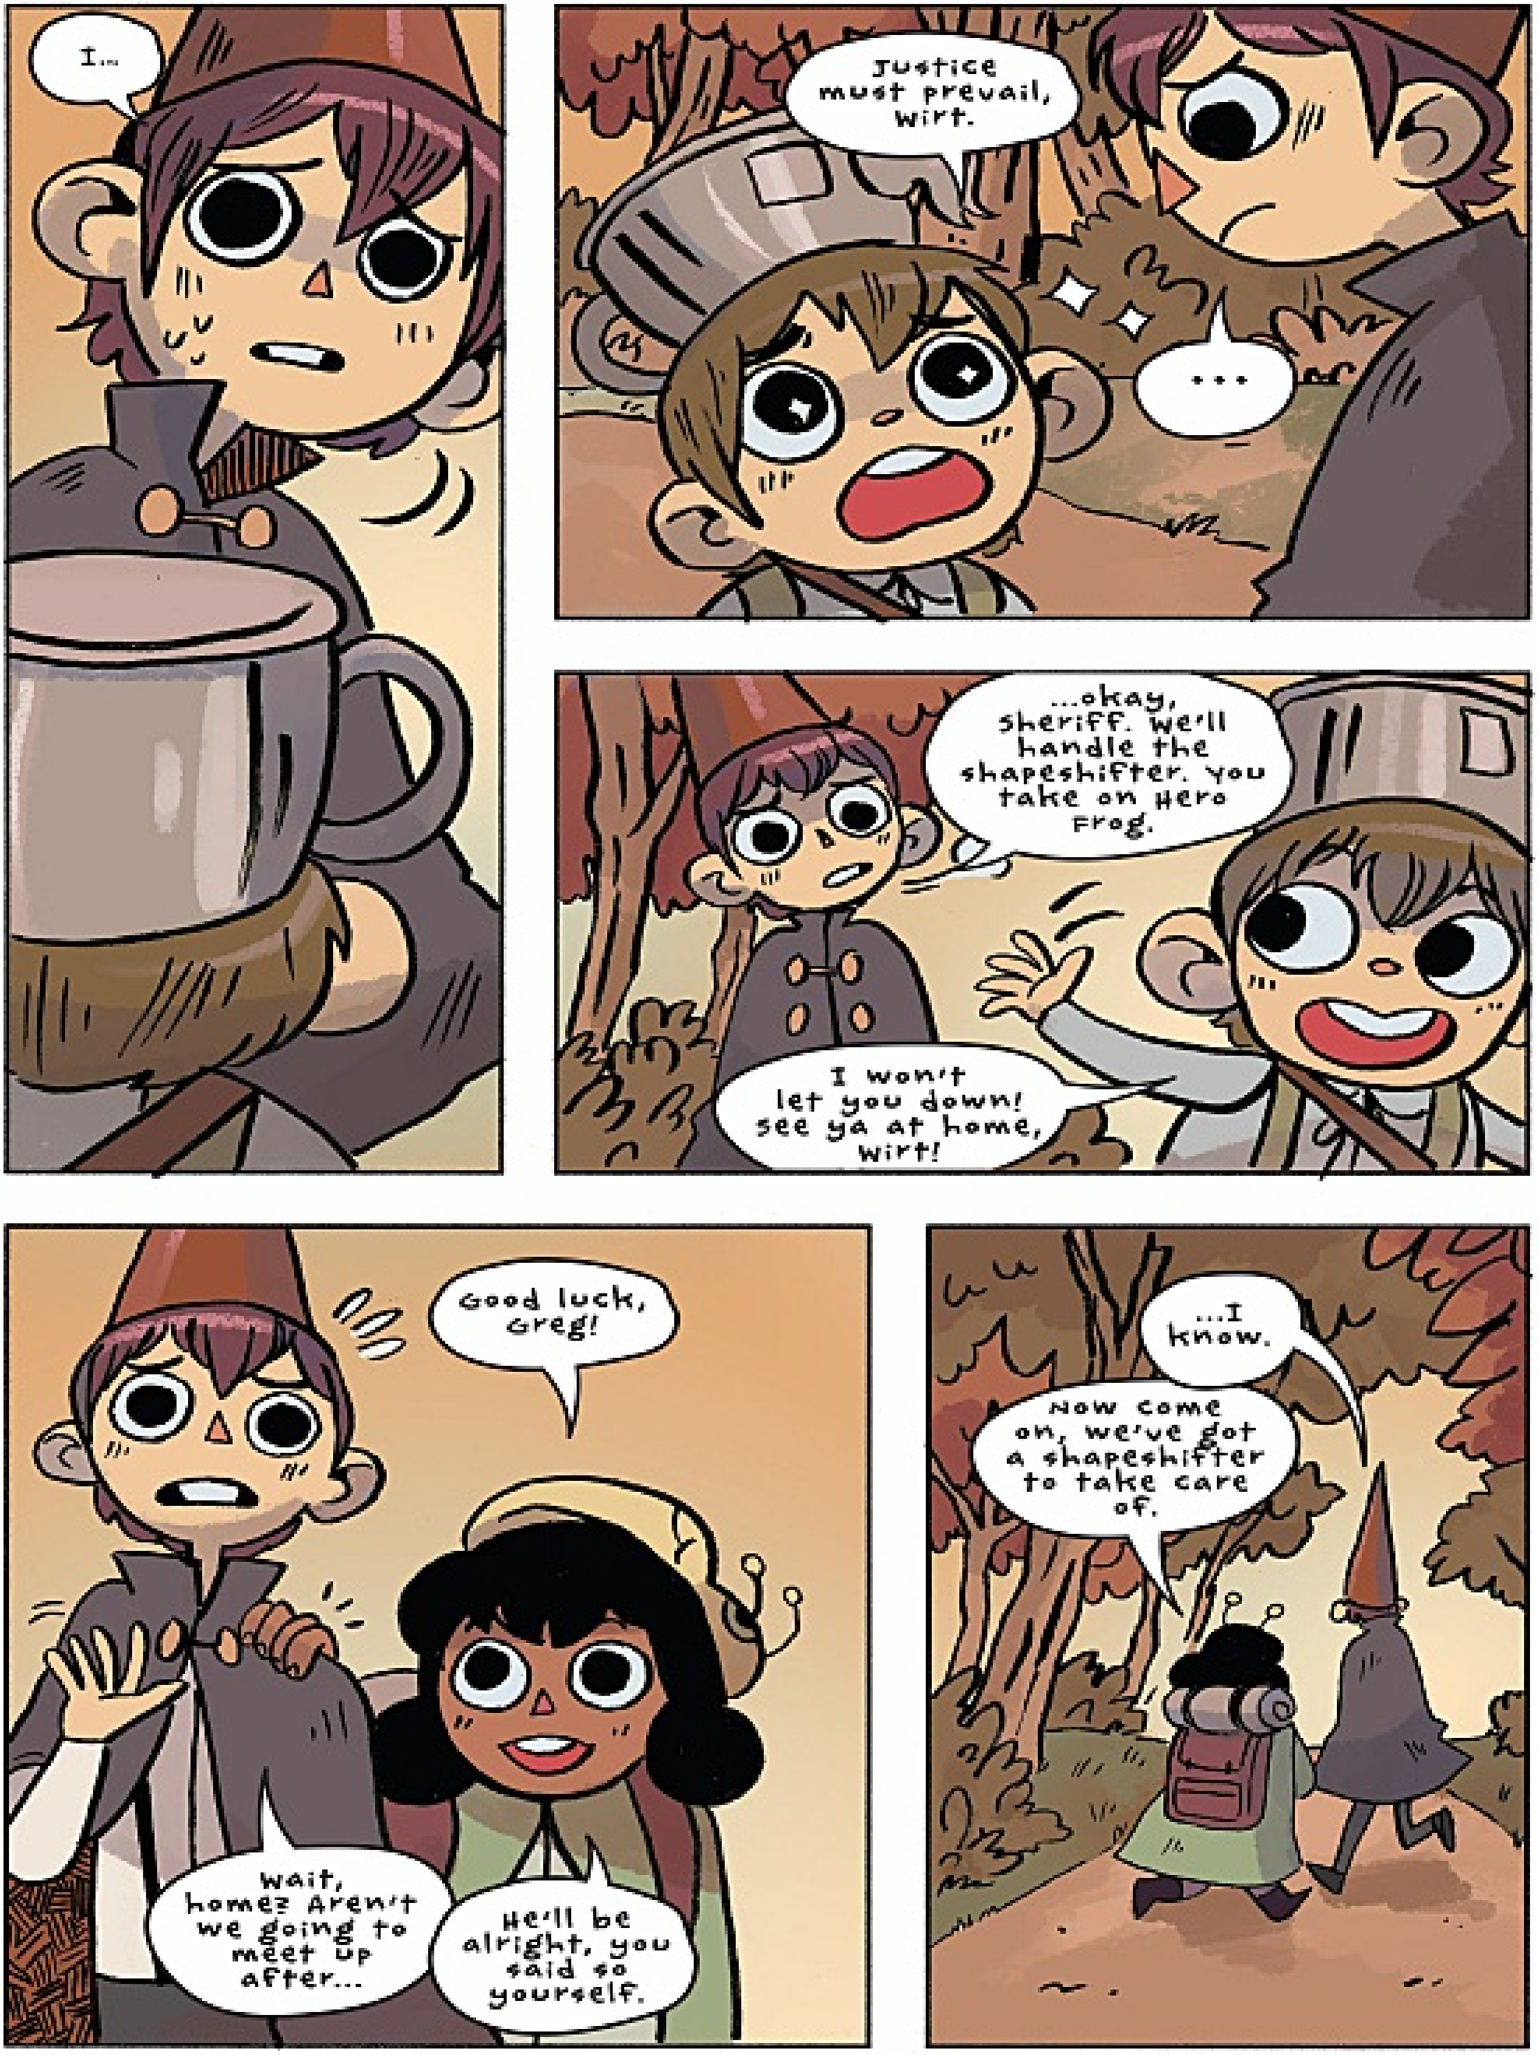
...But don't you find it suspicious that the second your mayor Hero Frog is out of town, Pirate Croaker attacks? Especially with a known sugar-loving shapeshifter on the loose? A proper mayor wouldn't leave his town in a time of need.
But perhaps this isn't the first time those things have coincided?
Perhaps your *Hero* has been the *Pirate* all along!
ROROP!
RORP!
RORP!
ROROP! ROP!!
ROROP! ROROP!



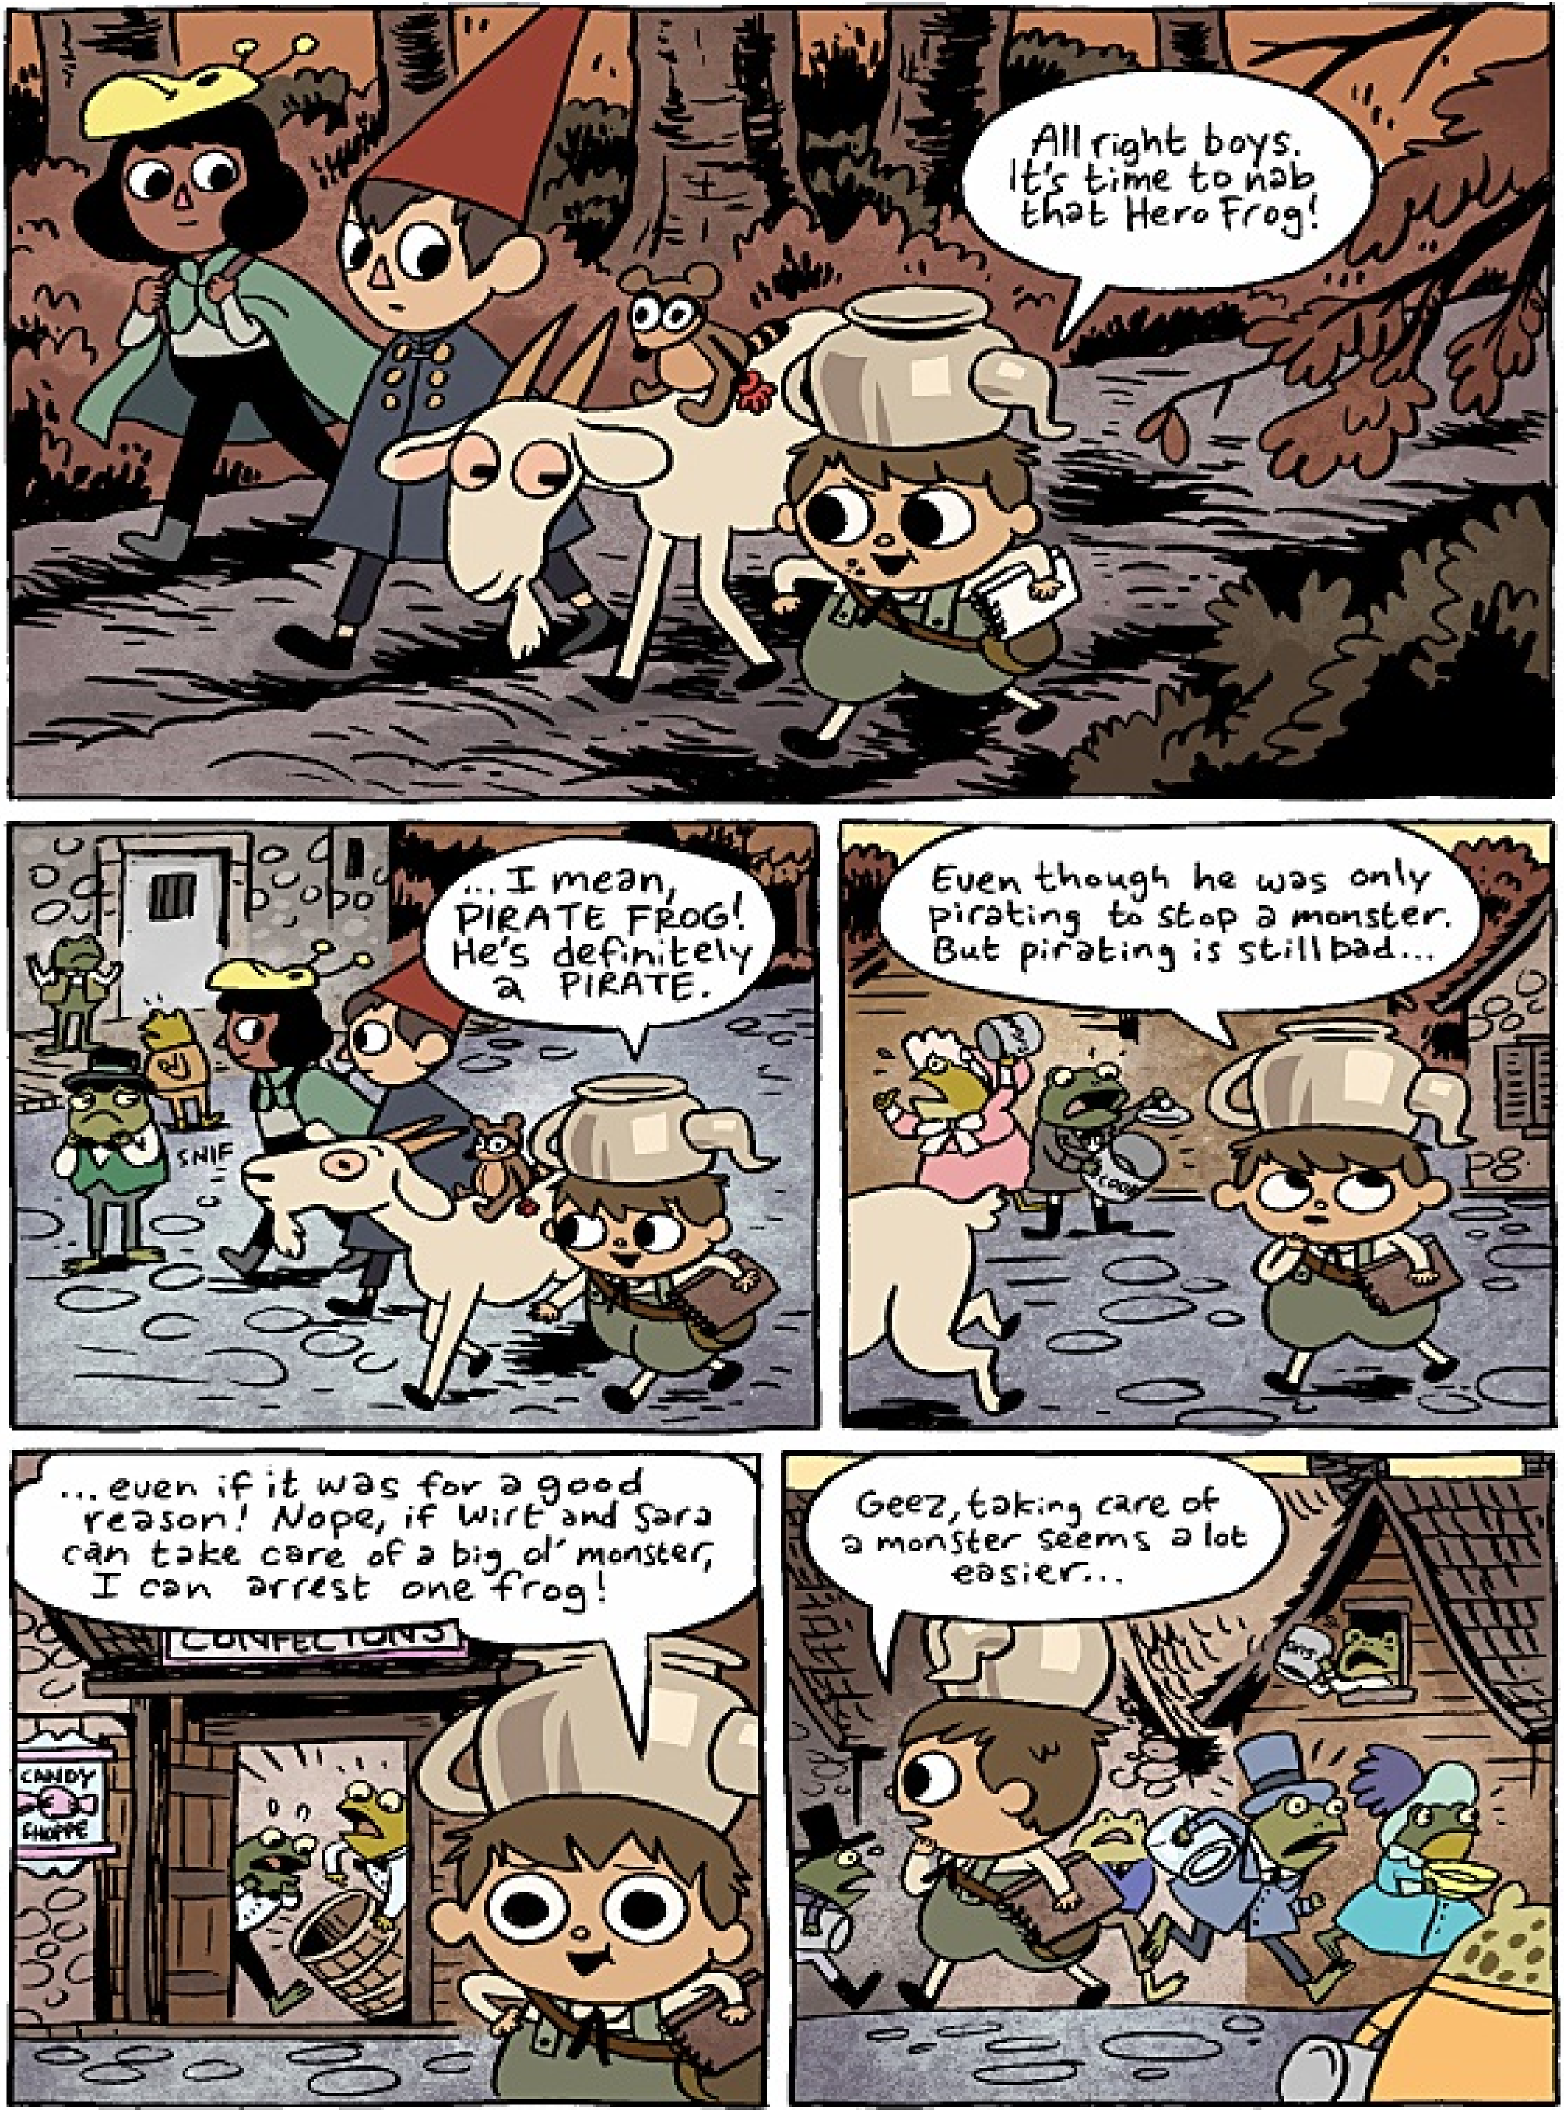
ROROP! RORP!
RORP!
Uh.
Okay. Now I have no idea what's happening.
I think they're out to deliberate. Come on.
Somehow I feel this wasn't due process of law...
Well, frog law's probably different from human law.
I dunno, Wirt, it just doesn't add up.
And look-- It's Greg! Told you he'd be here!
"And now here we are..."



...with DEFINITIVE PROOF, as promised!
Well, I already know all that.
What do you mean you already know all that?!
I saw the letter and the barn and the shapeshifter already, and I've seen Hero Frog a lot, and you're right Wirt. He's MIGHTY suspicious.
Wh-- but--we just--
Now I think it's high time we took care of business once and for all! It's my sheriff's duty! But...
The Great Feast is supposed to be tonight! So we'll have to split up!
Split UP?! No, no, no--Greg, we're not splitting up again. You CAN'T take on the pirate on your own.
We need to go home and leave all this weird frog stuff behind.
Wirt, wait!
But that's not right!
You'd really leave all these people to the mercy of the shape-shifter?



I...
Justice must prevail, Wirt.
...
...okay, sheriff. We'll handle the shapeshifter. You take on Hero Frog.
I won't let you down! See ya at home, Wirt!
Good luck, Greg!
Wait, home? Aren't we going to meet up after...
He'll be alright, you said so yourself.
...I know.
Now come on, we've got a shapeshifter to take care of.



All right boys. It's time to nab that Hero Frog!
...I mean, PIRATE FROG! He's definitely a PIRATE.
SNIF
Even though he was only pirating to stop a monster. But pirating is still bad...
...even if it was for a good reason! Nope, if Wirt and Sara can take care of a big ol' monster, I can arrest one frog!
CONFECTIONS
CANDY SHOPPE
Geez, taking care of a monster seems a lot easier...

But Wirt and Sara are taking care of the shape-scaper right now, so you don't have to pirate any more!

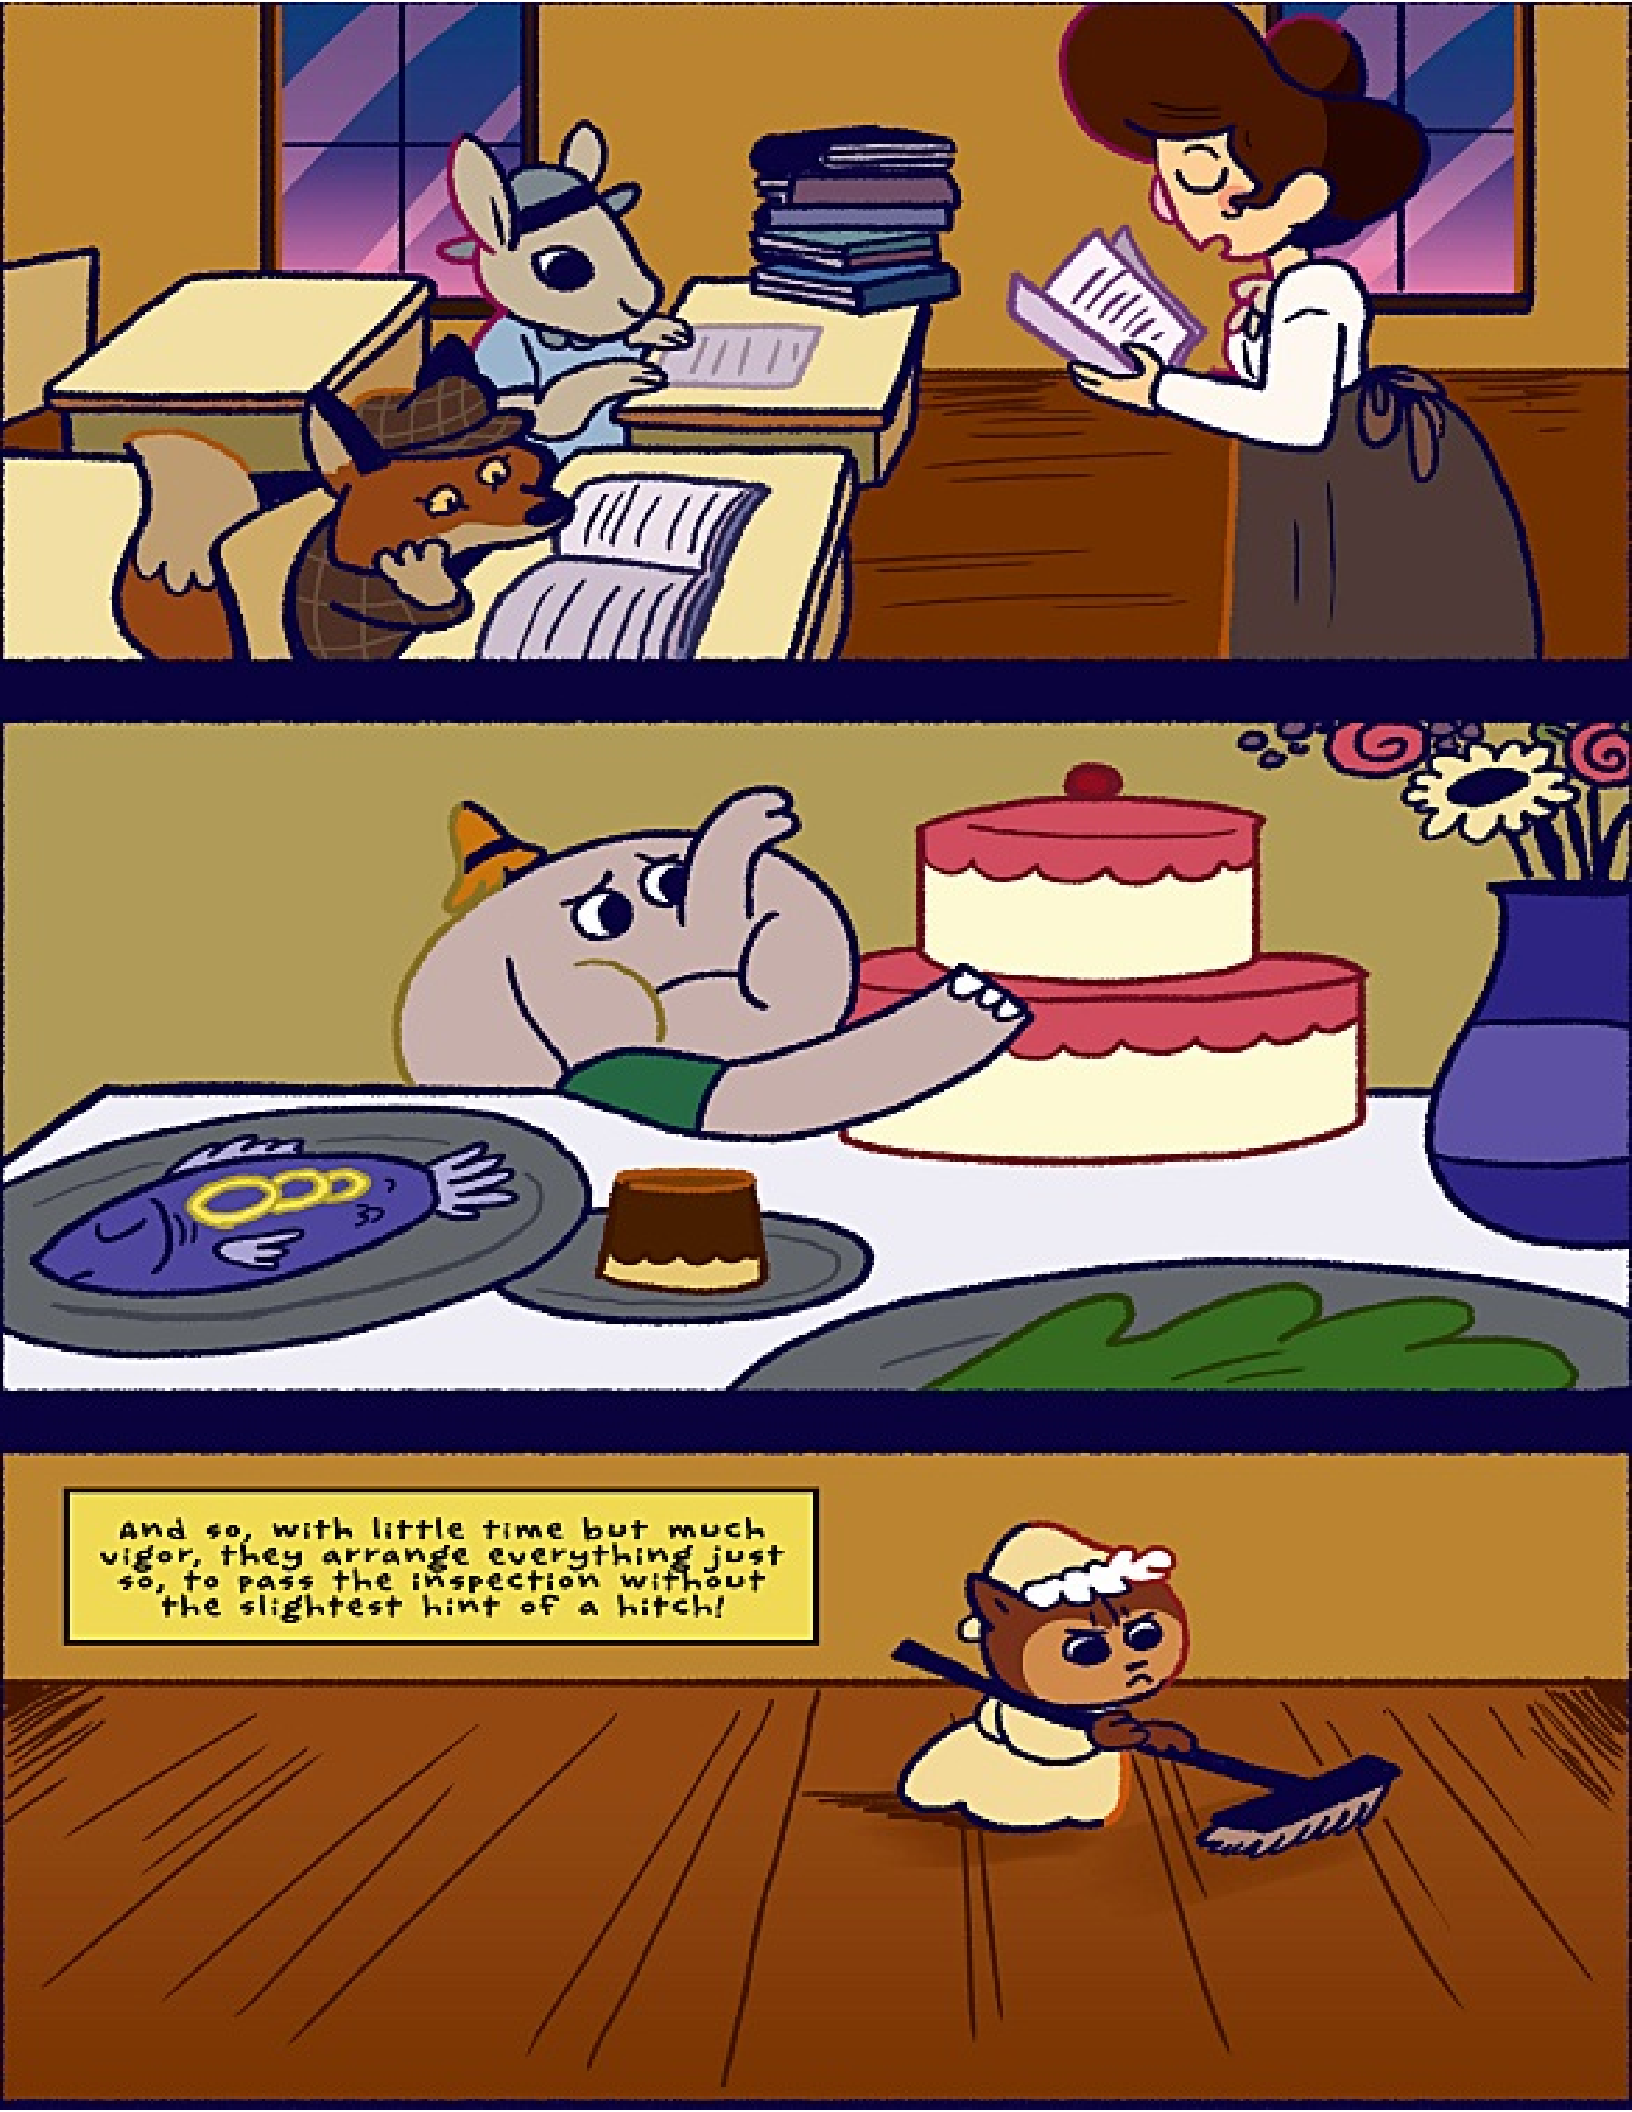
So, kids, here's my plan: Kowtow them from the start. Wine and dine them to mollify them. Get all the lessons word-perfect!
You look after the tidying up!
You learn all the lessons by heart! Everything from cover to cover!
You should prepare the finest food!
TOOT
And you, sir, try to be as quiet as the lamb!
Baa!



And so, with little time but much vigor, they arrange everything just so, to pass the inspection without the slightest hint of a hitch!

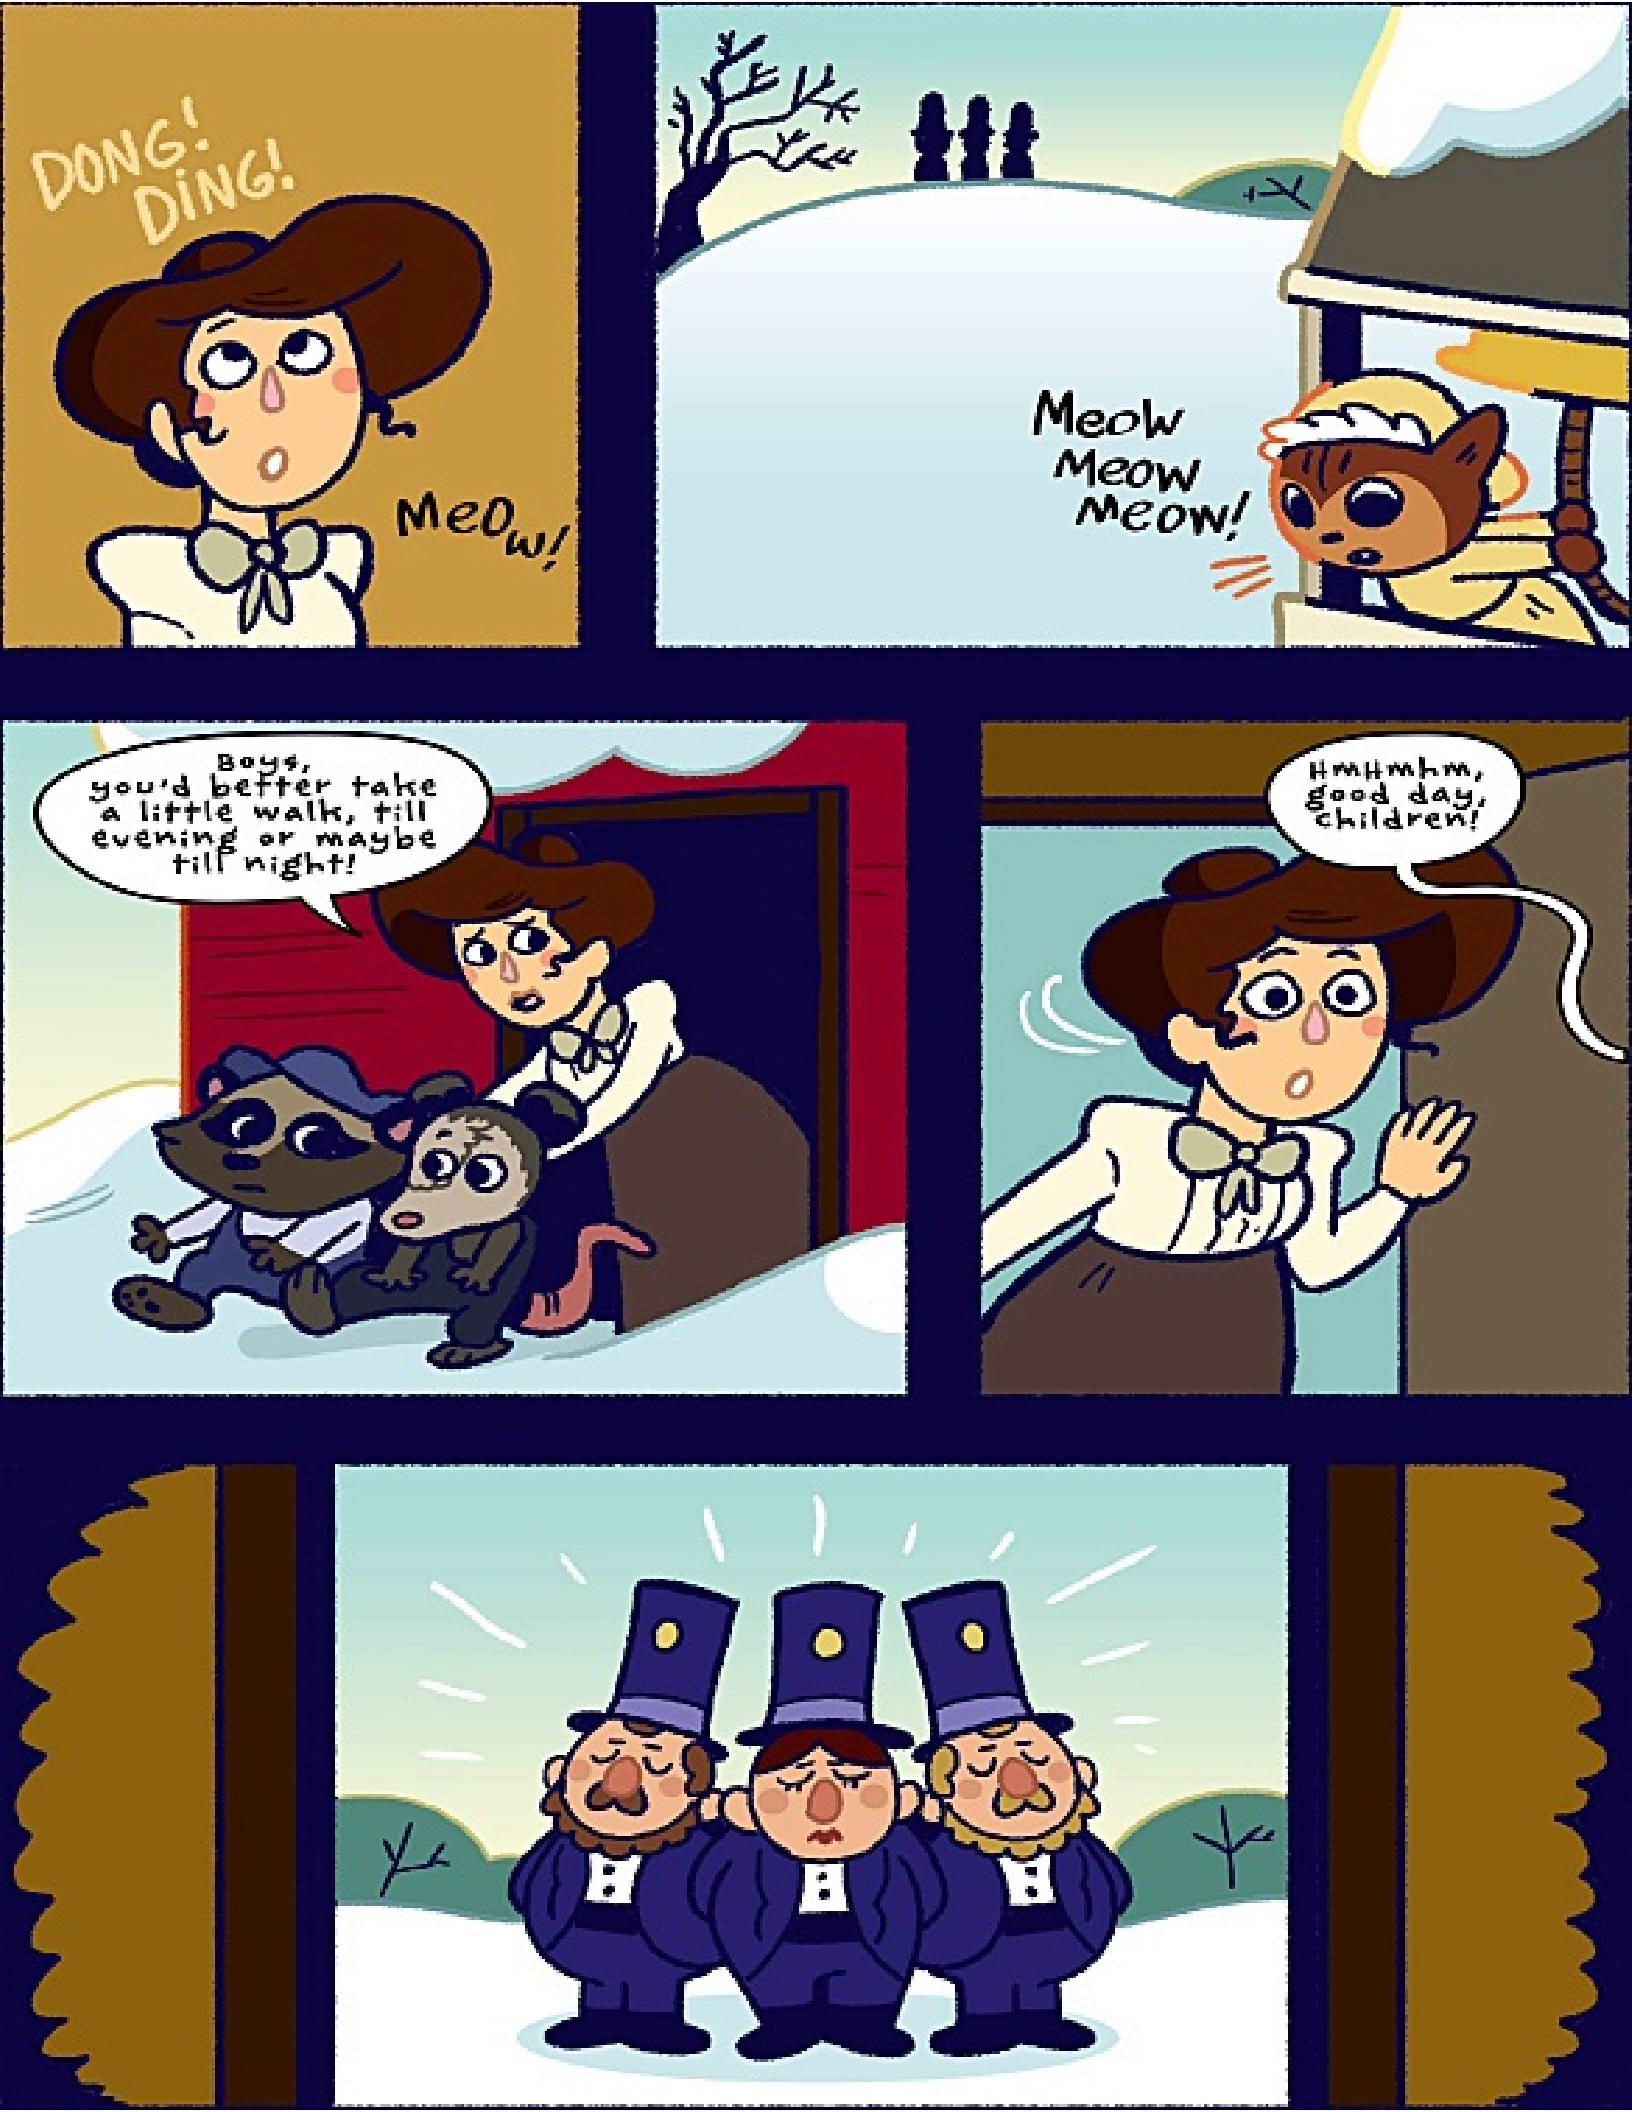
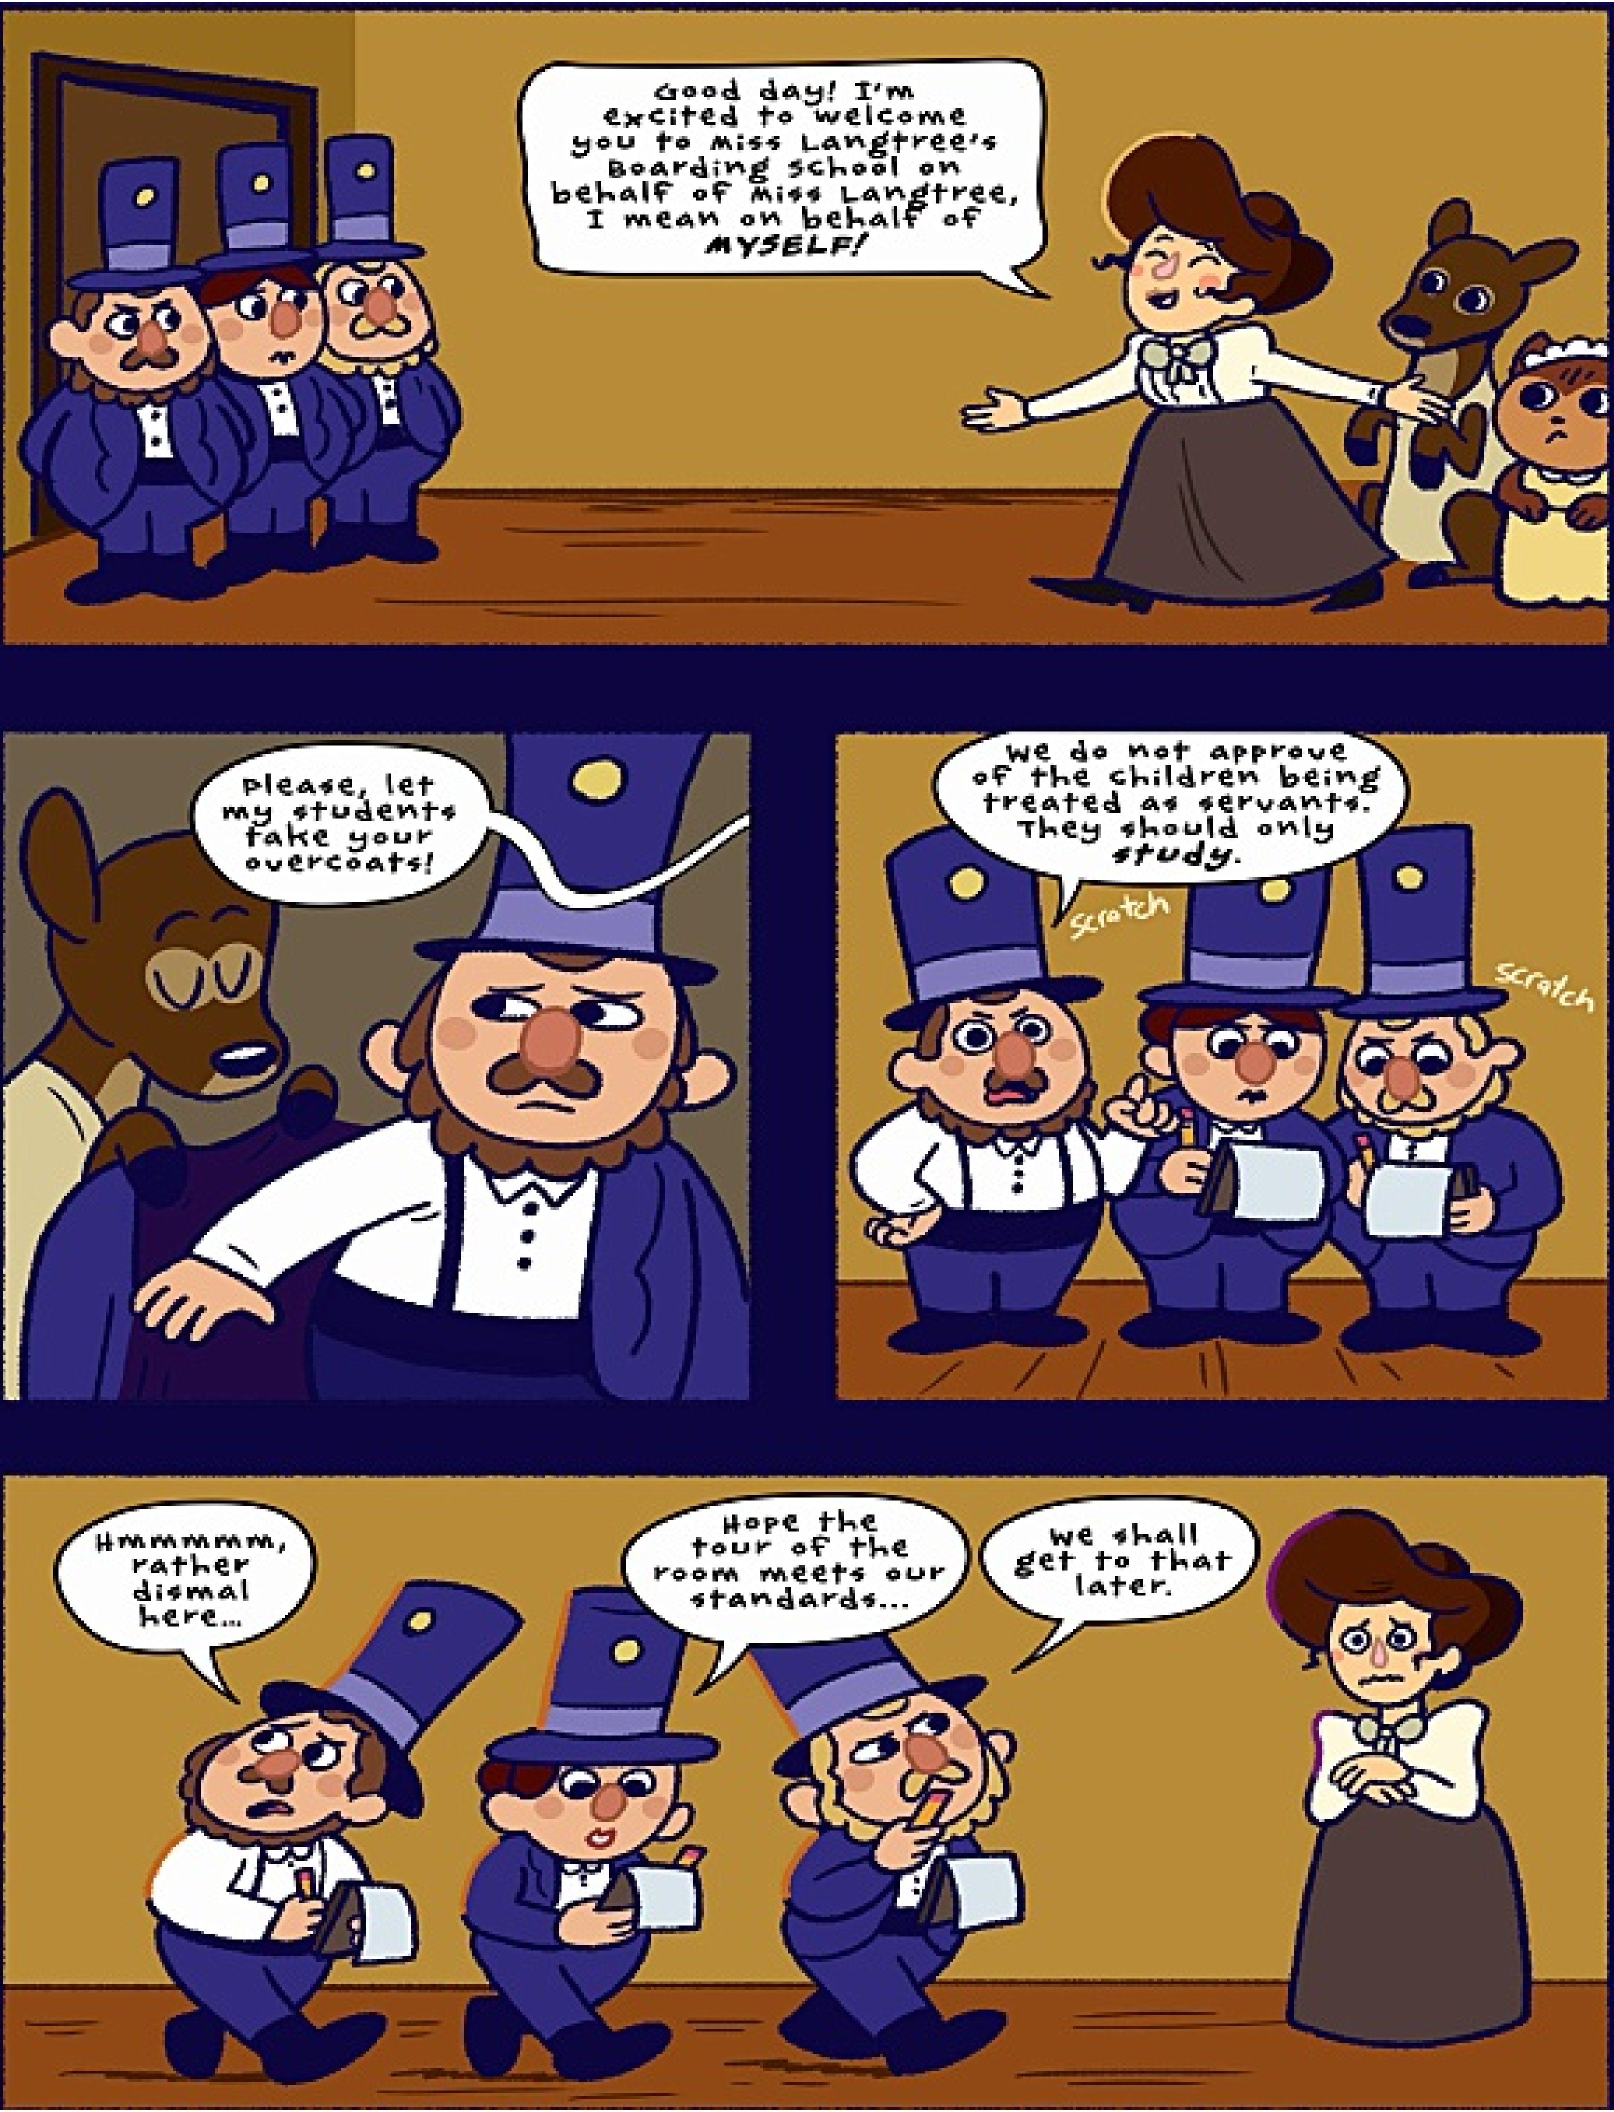
clean as a new pin! just like it was on its first day!
same goes for you, my dear children!



DONG! DING!
Meow!
Meow Meow Meow!
Boys, you'd better take a little walk, till evening or maybe till night!
HmHmhm, good day, children!



Good day! I'm excited to welcome you to Miss Langtree's Boarding School on behalf of Miss Langtree, I mean on behalf of MYSELF!
Please, let my students take your overcoats!
We do not approve of the children being treated as servants. They should only *study*.

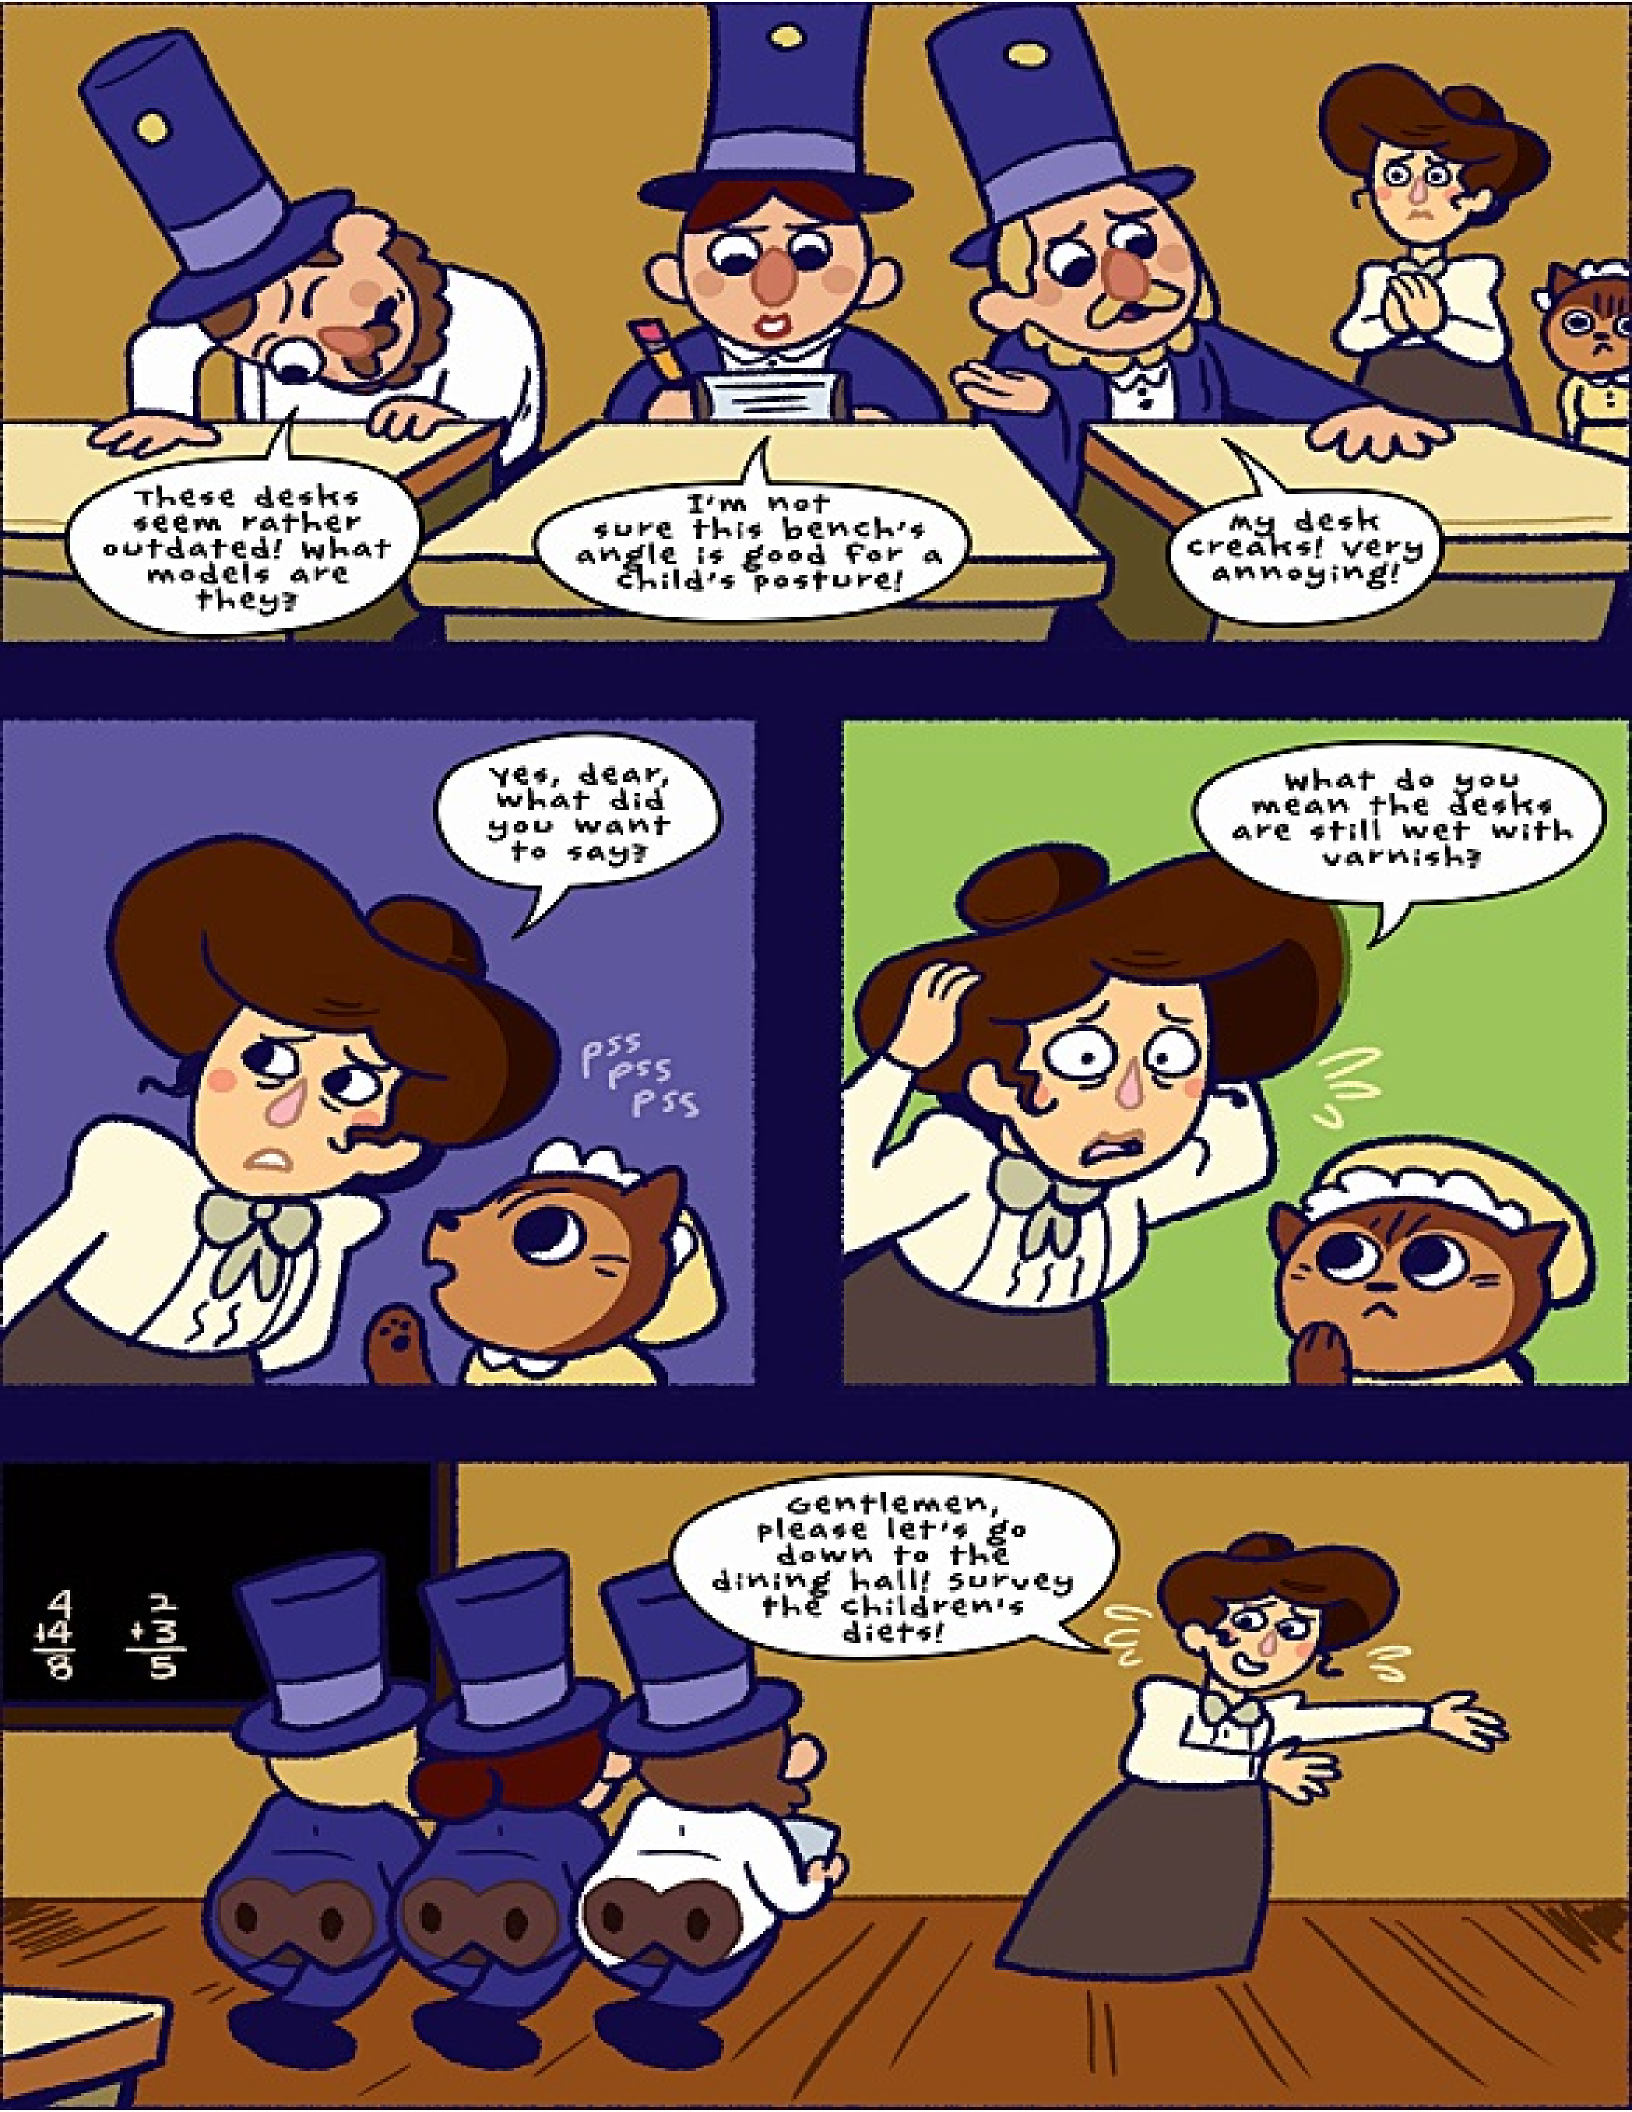
Hmmmmm, rather dismal here...
Hope the tour of the room meets our standards...
We shall get to that later.



These desks seem rather outdated! What models are they?
I'm not sure this bench's angle is good for a child's posture!
My desk creaks! Very annoying!
Yes, dear, what did you want to say?
pss pss pss
What do you mean the desks are still wet with varnish?

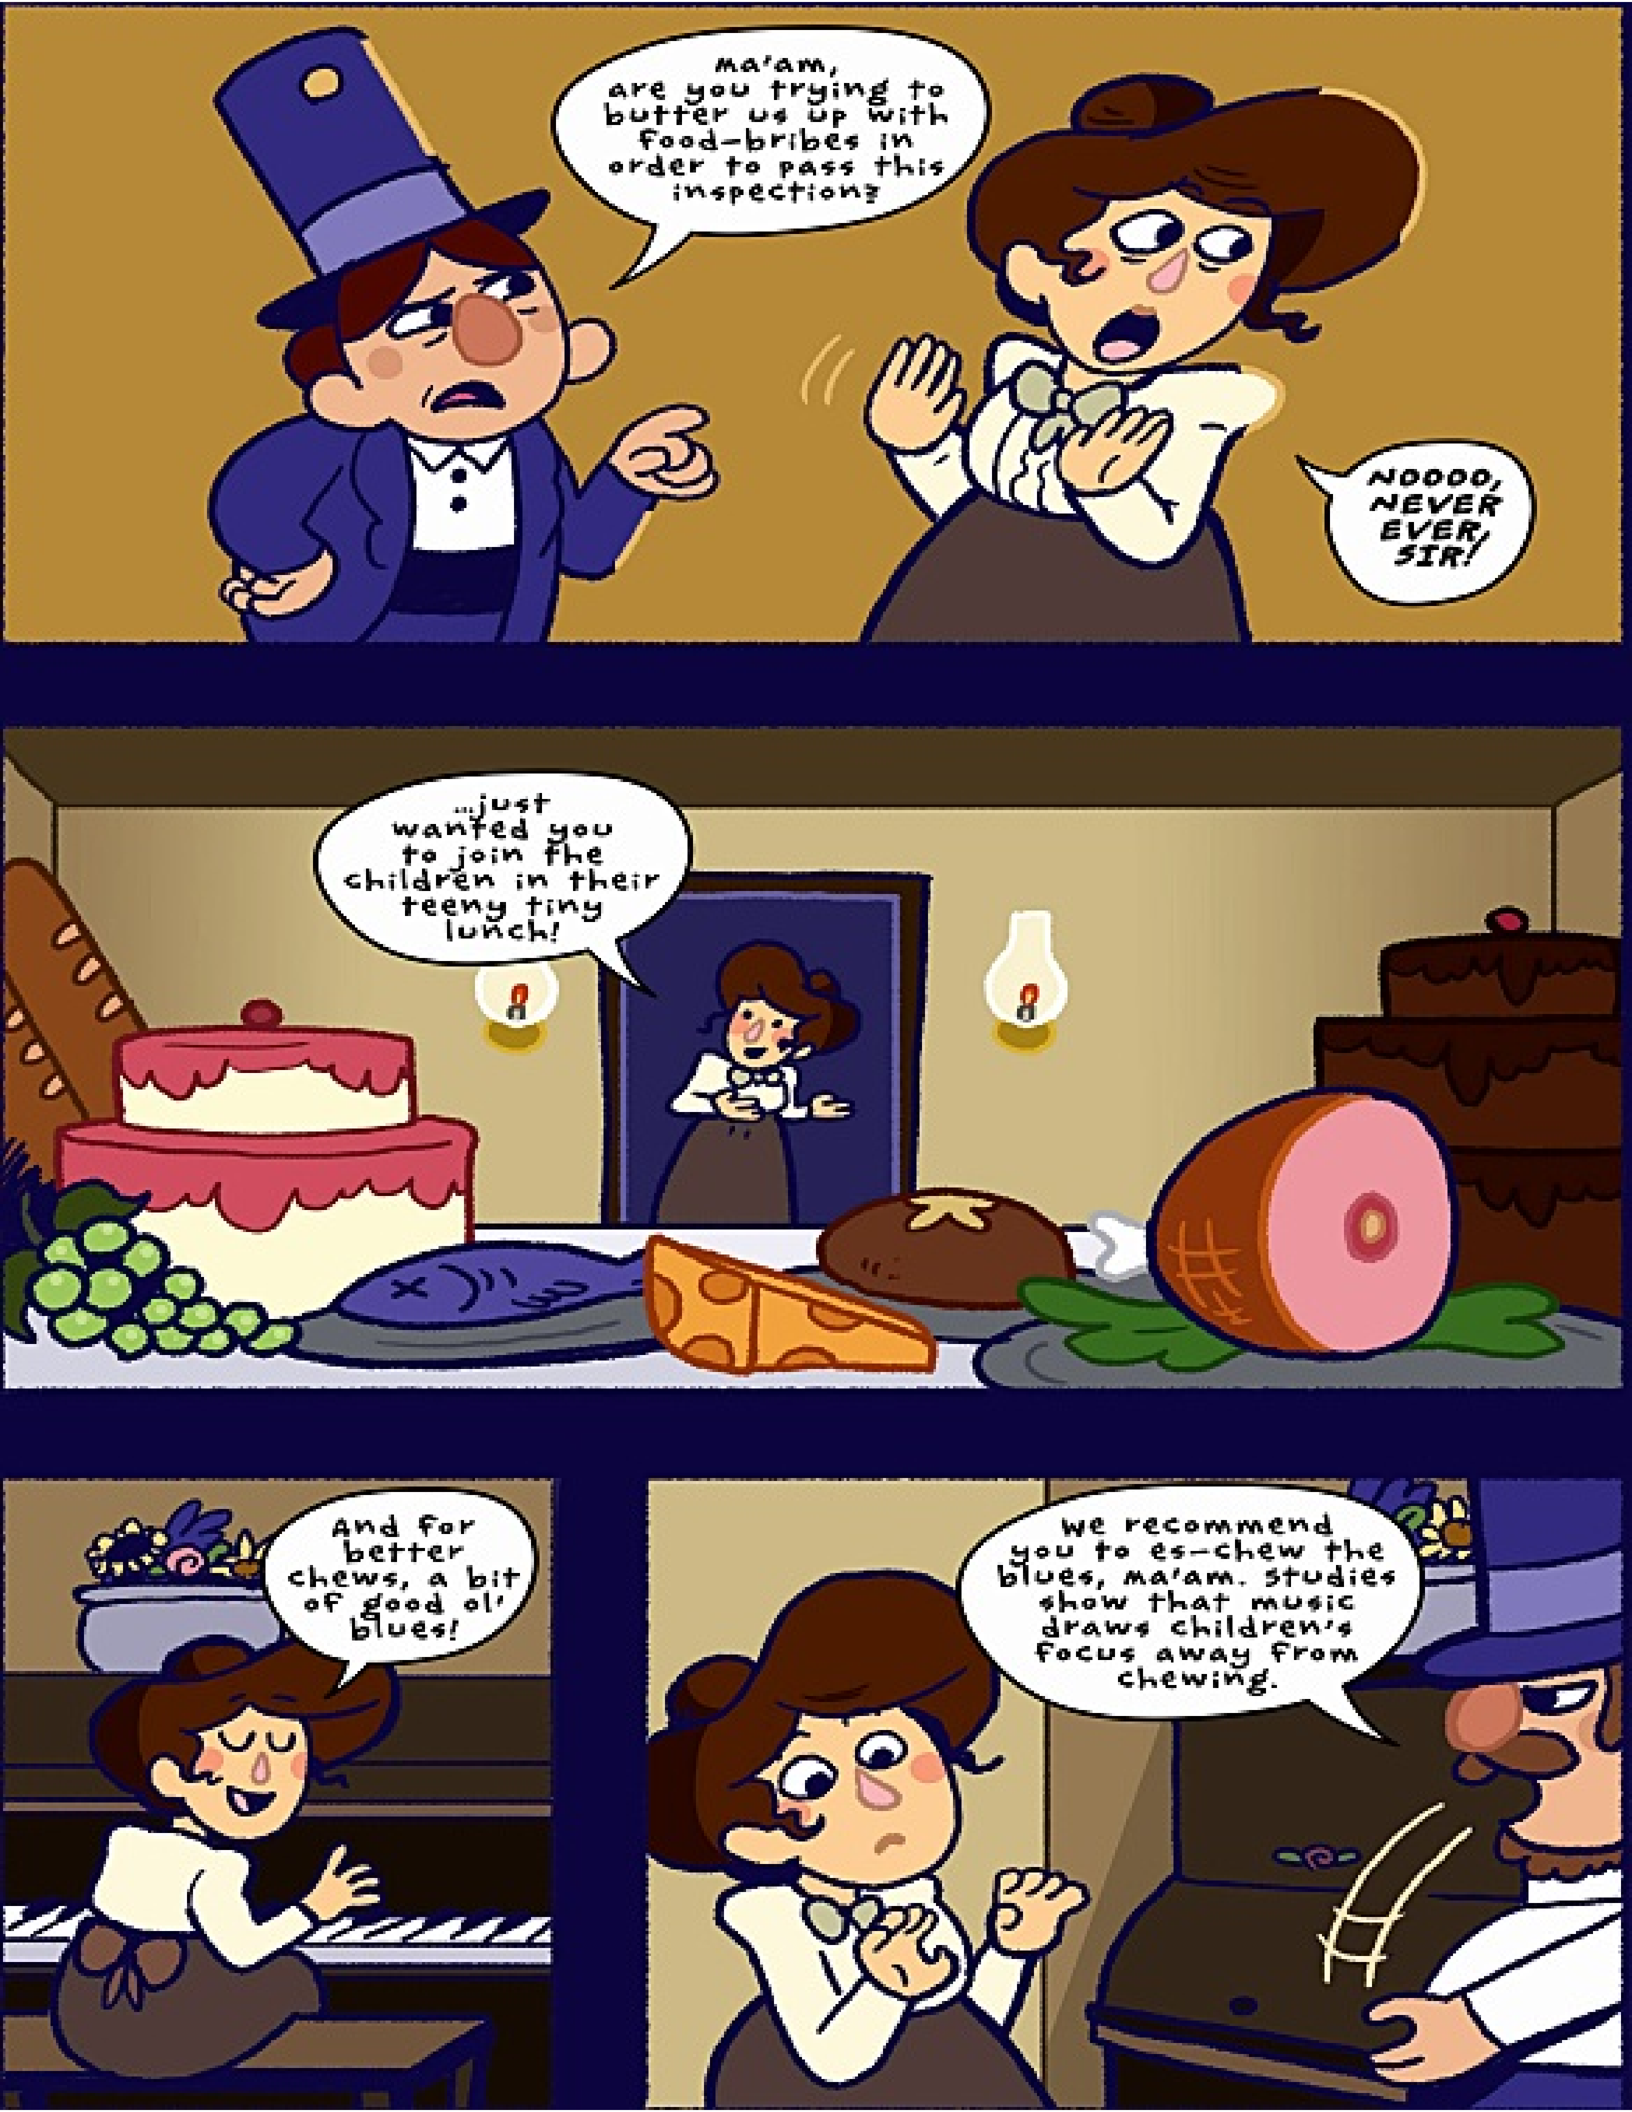
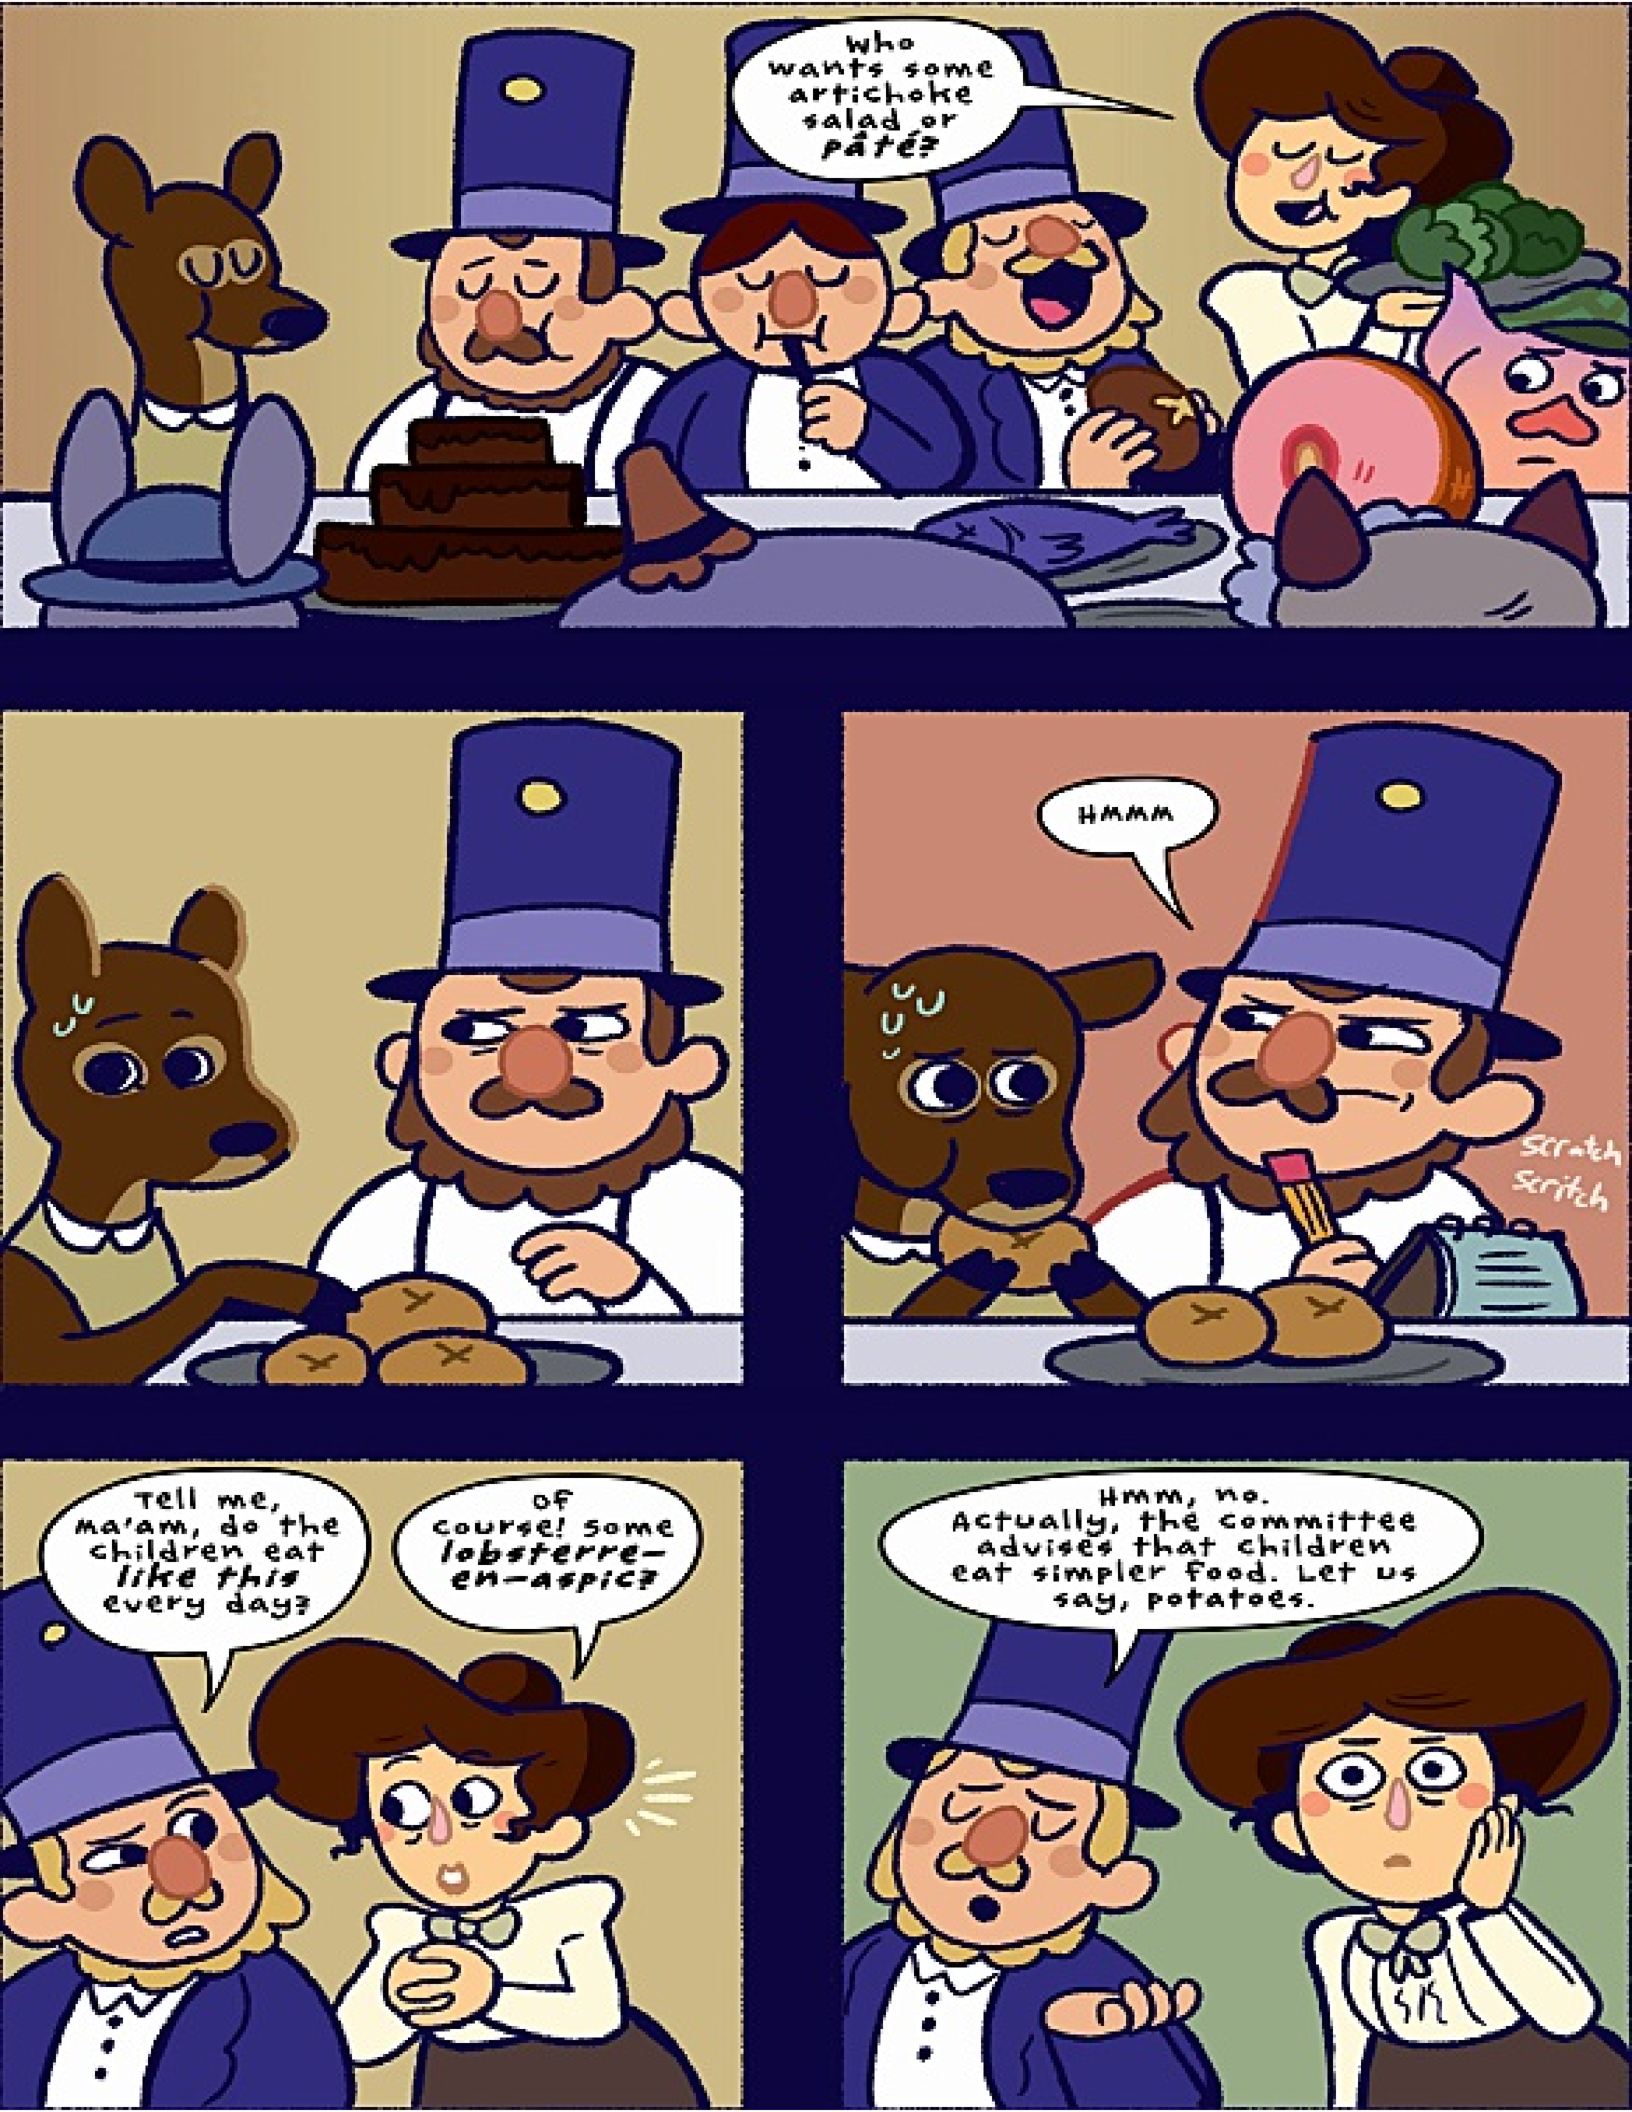
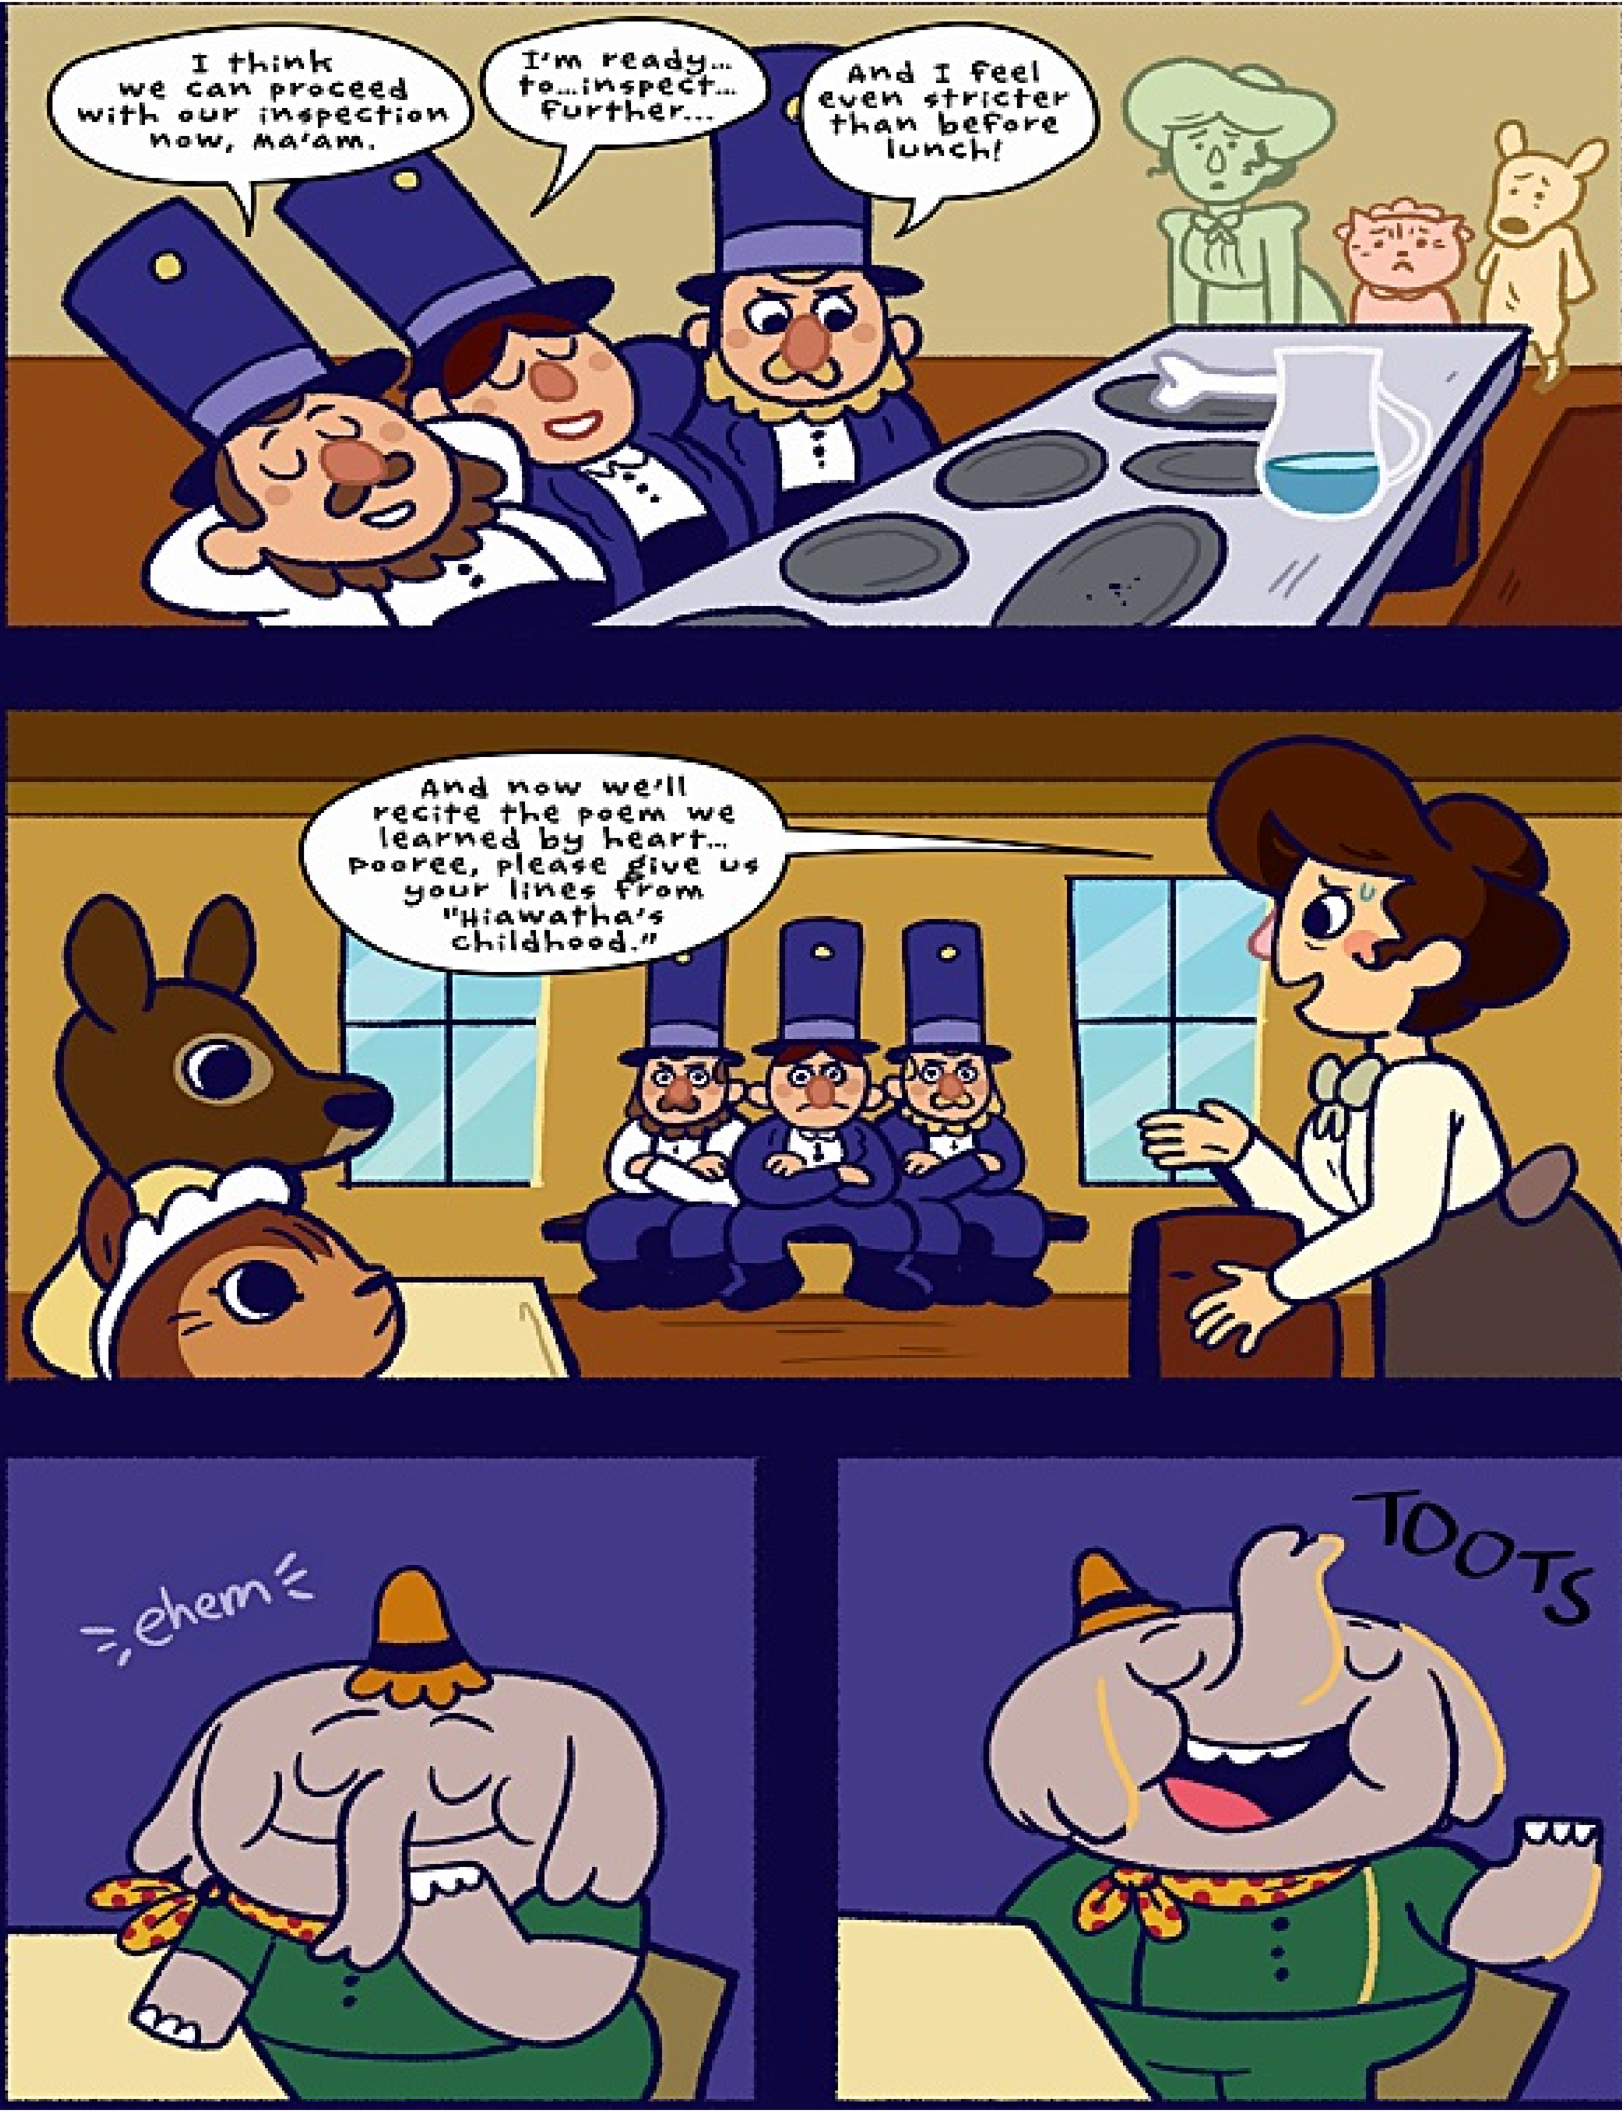
Gentlemen, please let's go down to the dining hall! Survey the children's diets!



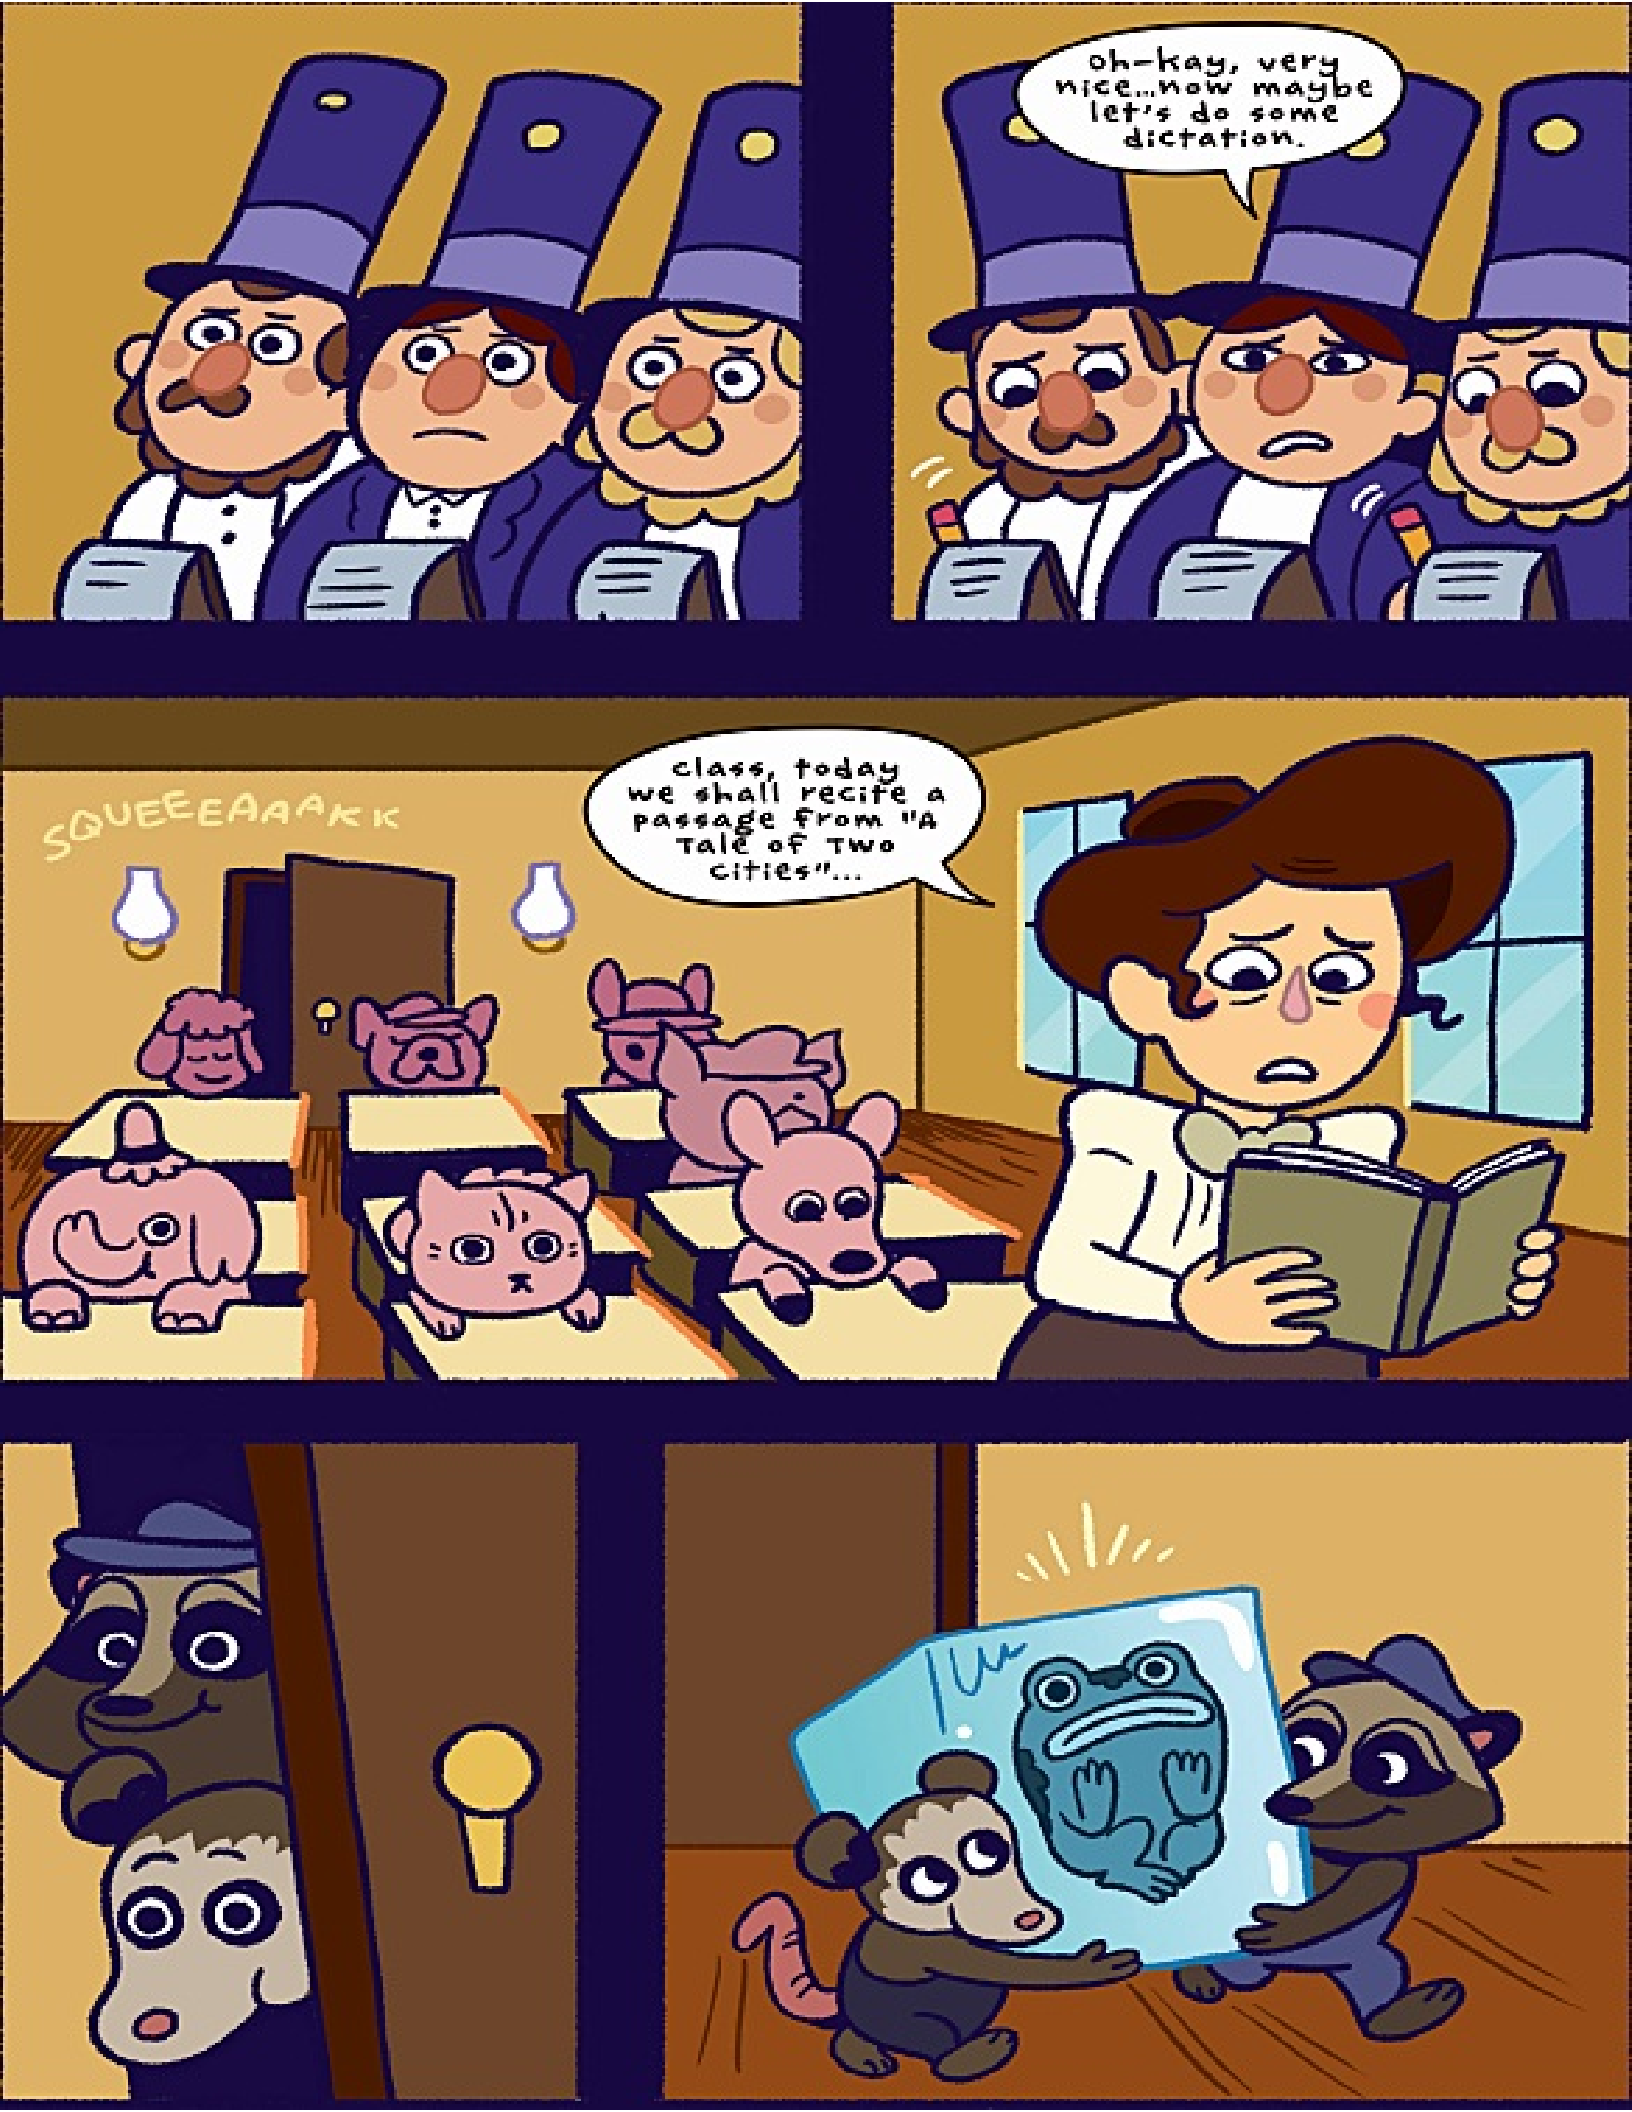
ma'am, are you trying to butter us up with food-bribes in order to pass this inspection?
NOOOO, NEVER EVER, SIR!
...just wanted you to join the children in their teeny tiny lunch!
And for better chews, a bit of good ol' blues!
we recommend you to es-chew the blues, ma'am. studies show that music draws children's focus away from chewing.



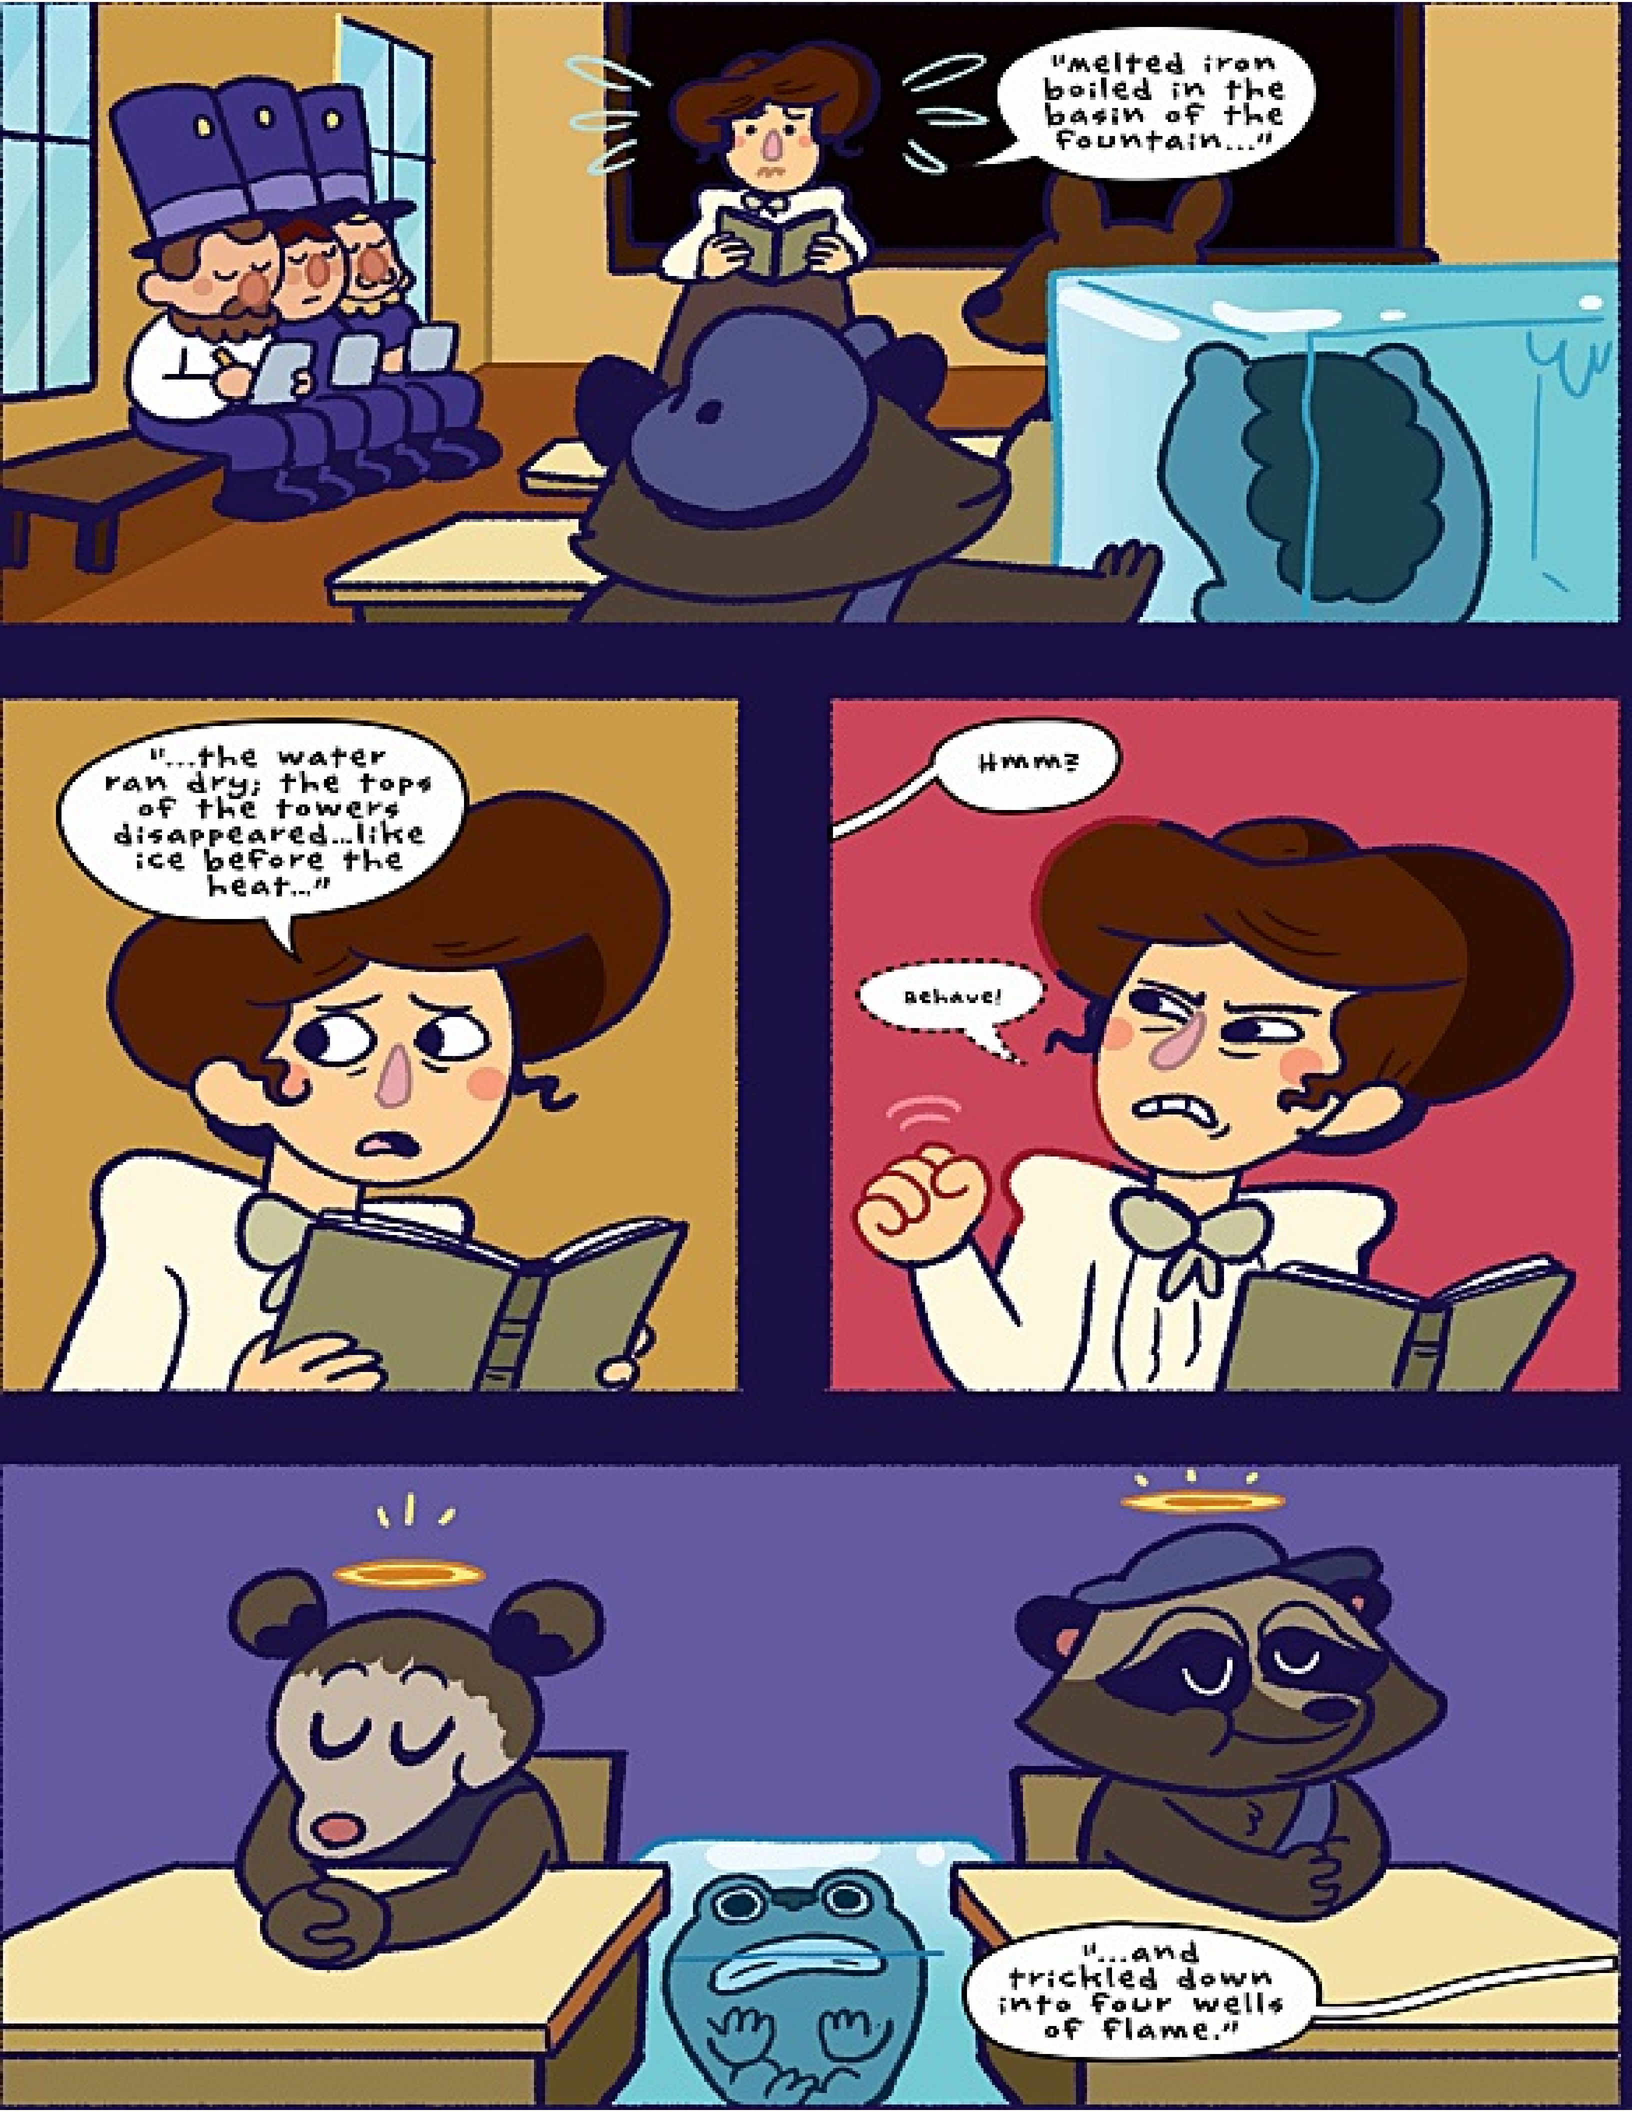
Who wants some artichoke salad or *pâté?*
HMMM
scratch scritch
Tell me, ma'am, do the children eat *like this* every day?
Of course! Some *lobsterre-en-aspic?*
Hmm, no. Actually, the committee advises that children eat simpler food. Let us say, potatoes.



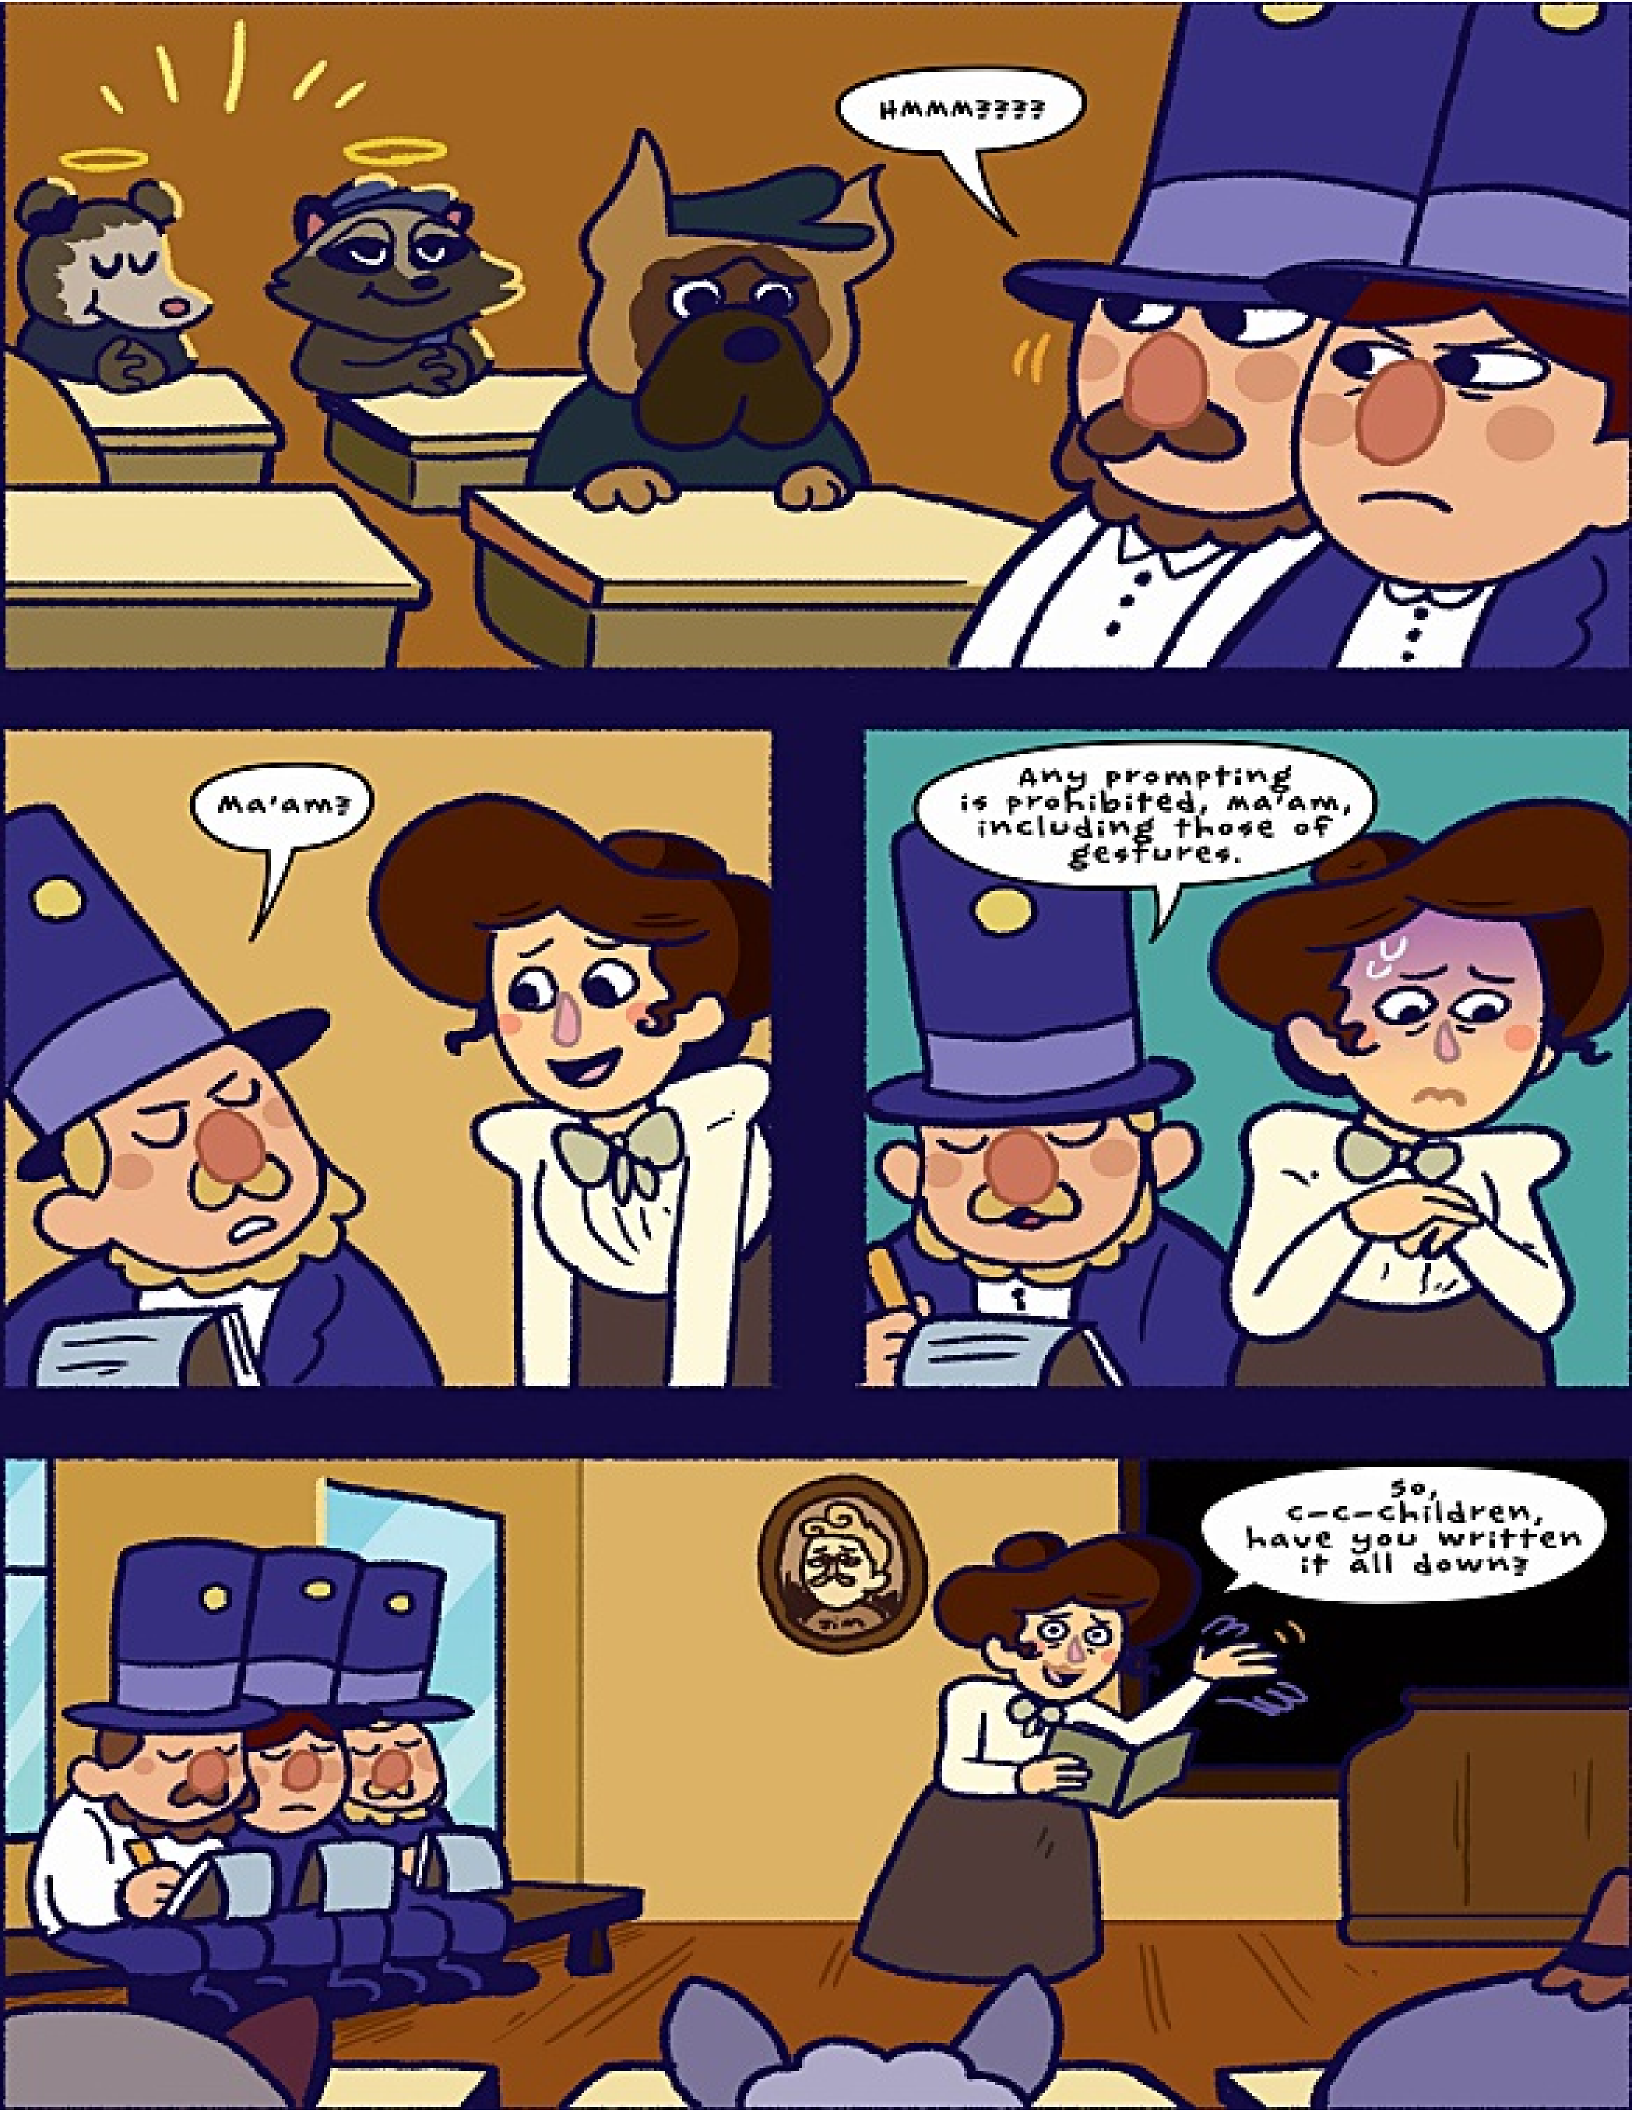
I think we can proceed with our inspection now, ma'am.
I'm ready... to...inspect... further...
And I feel even stricter than before lunch!
And now we'll recite the poem we learned by heart... Pooree, please give us your lines from "Hiawatha's childhood."
ehem
TOOTS



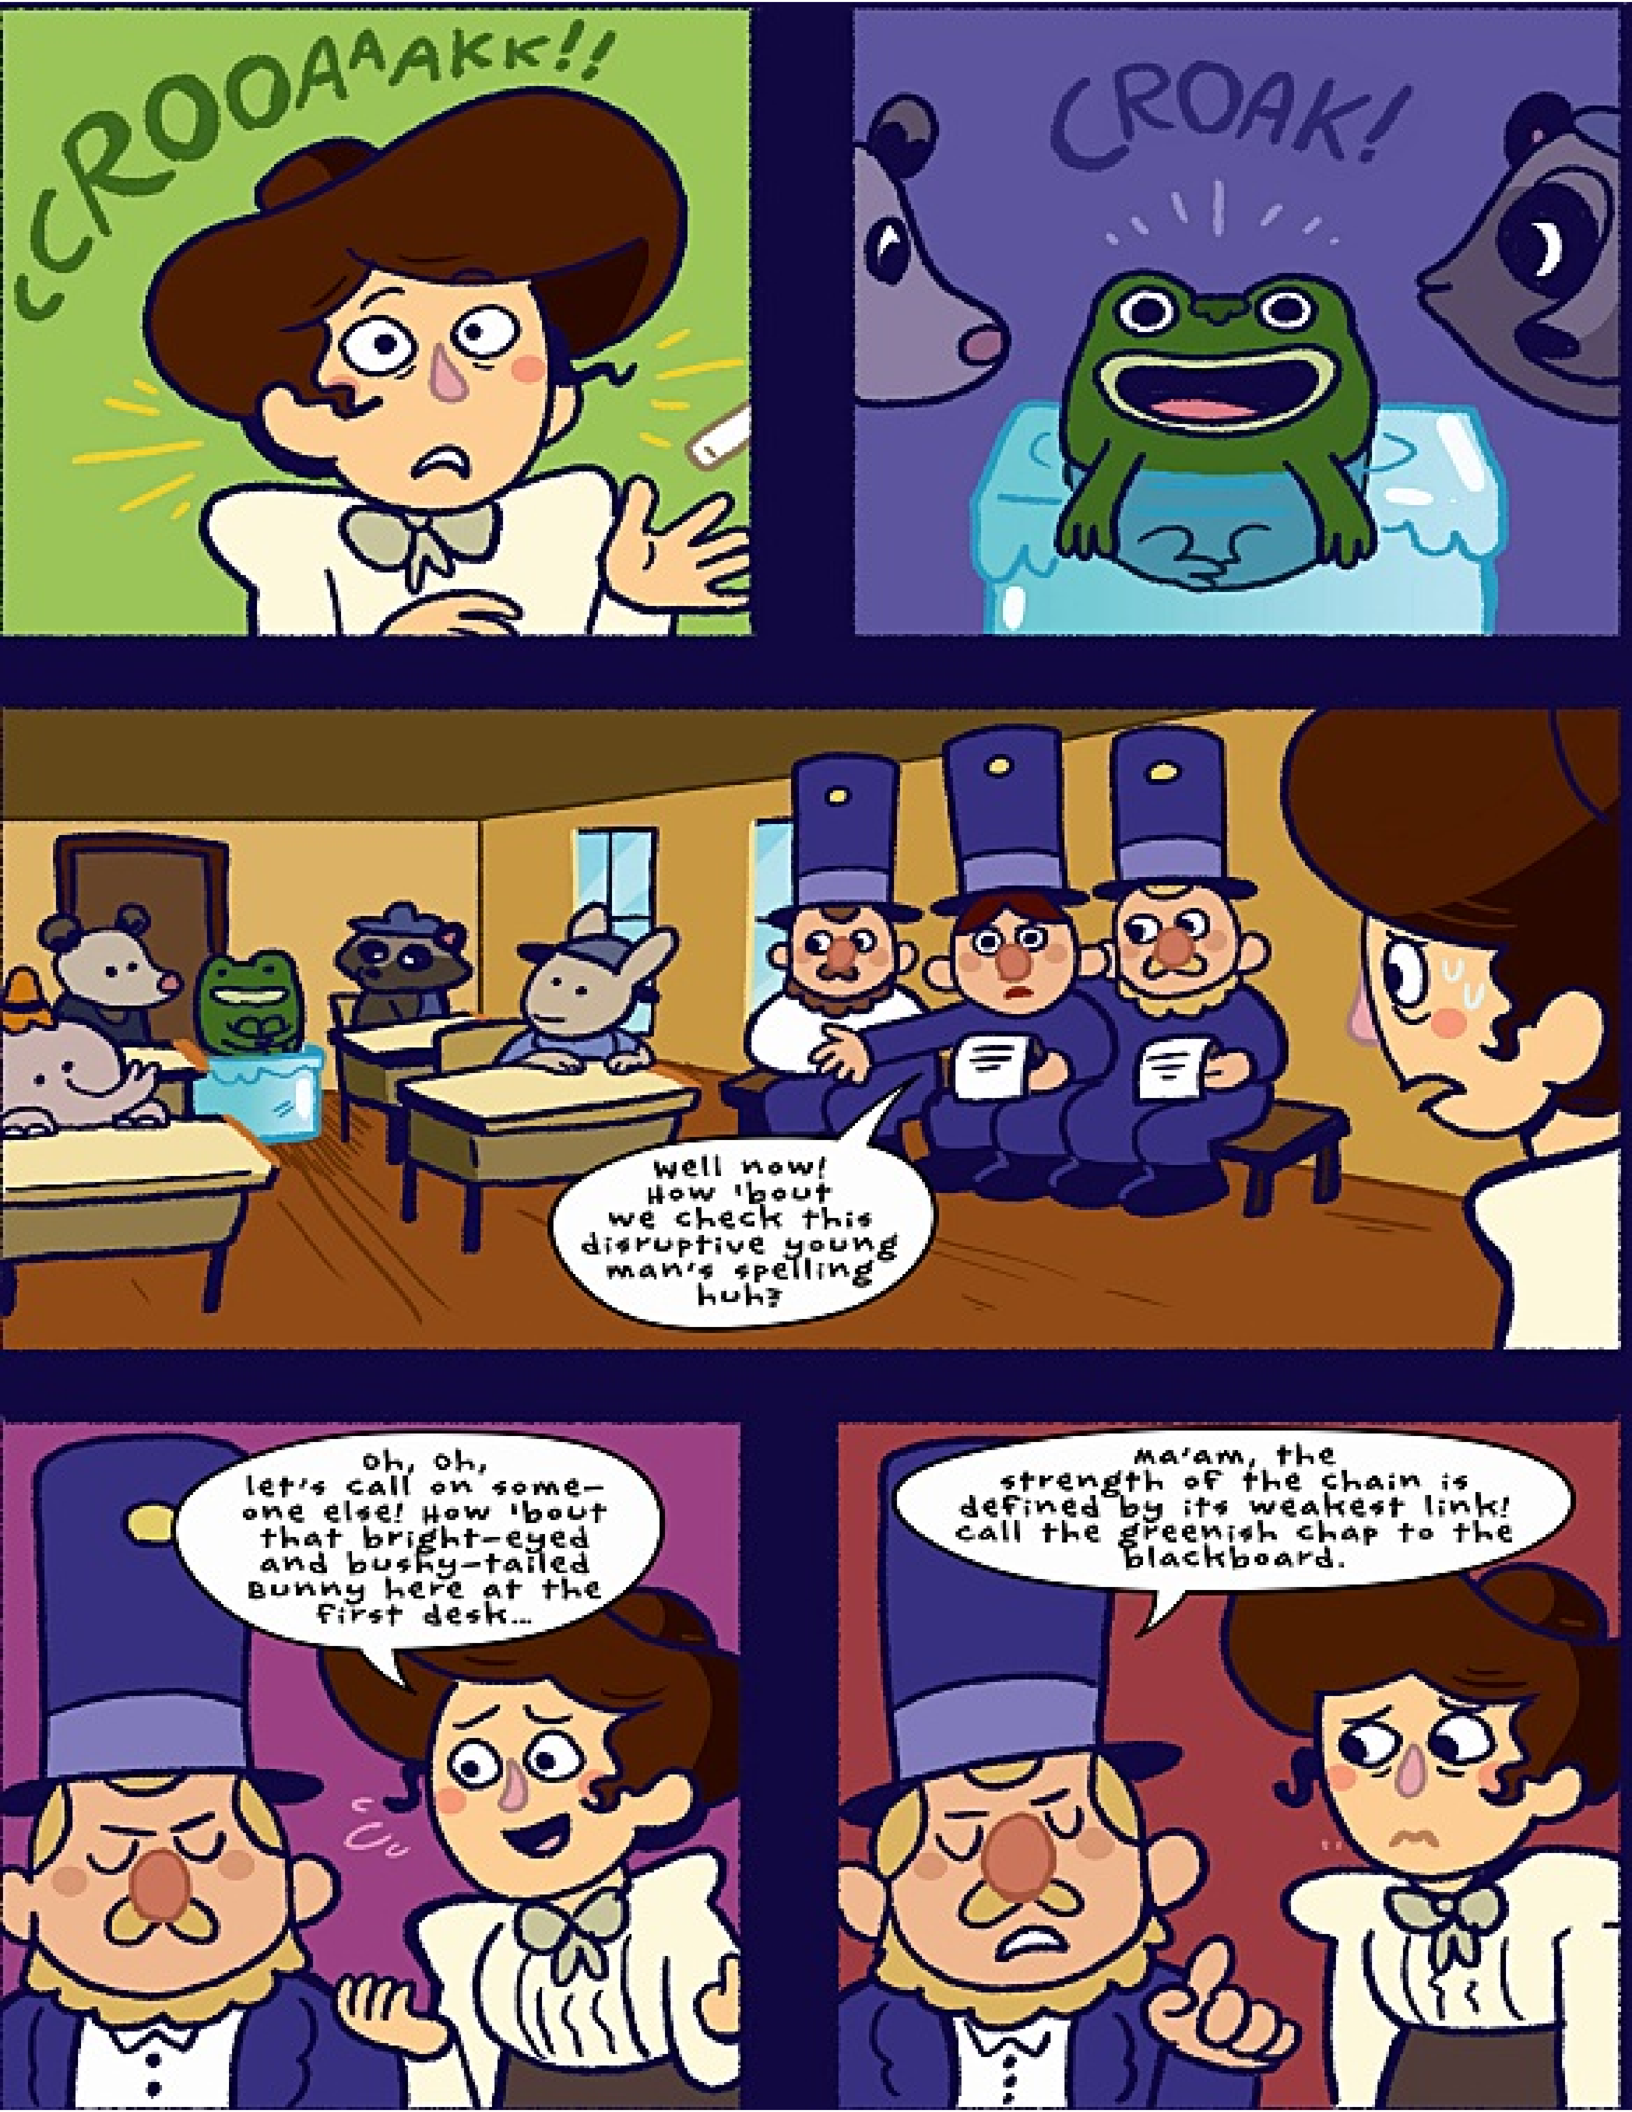
oh-kay, very nice...now maybe let's do some dictation.
SQUEEEAAAKK
class, today we shall recite a passage from "A Tale of Two cities"...



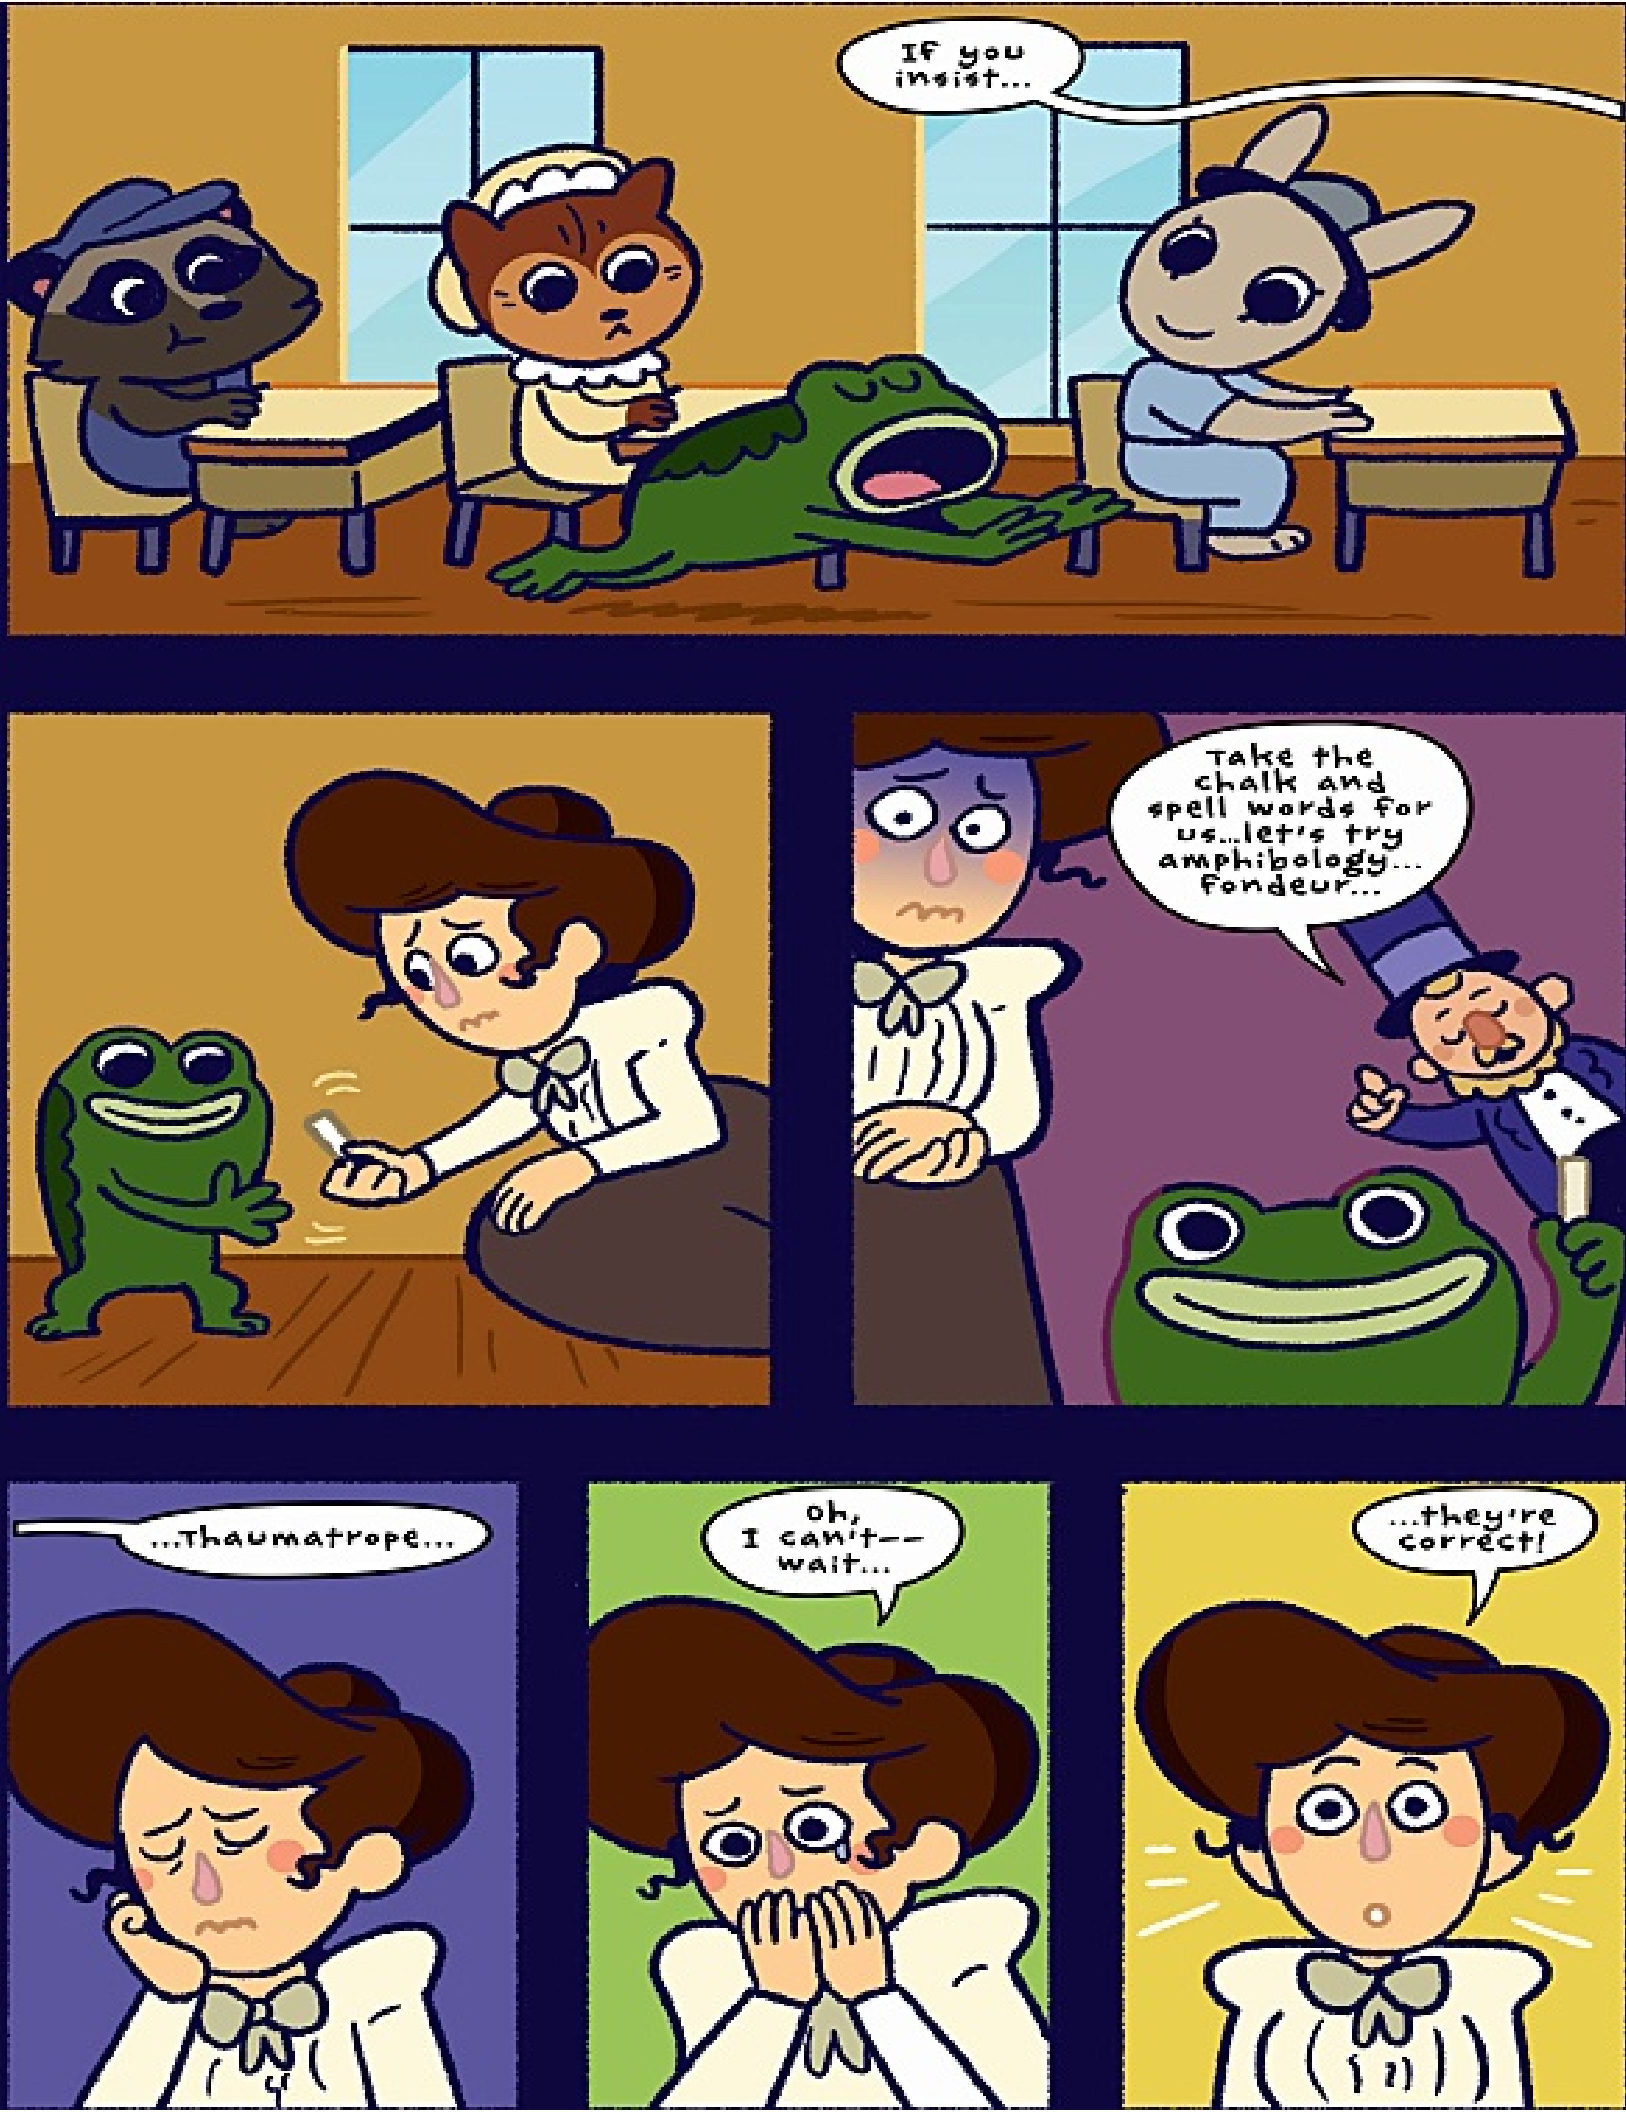
"melted iron boiled in the basin of the fountain..."
"...the water ran dry; the tops of the towers disappeared...like ice before the heat..."
Hmm?
Behave!
"...and trickled down into four wells of flame."



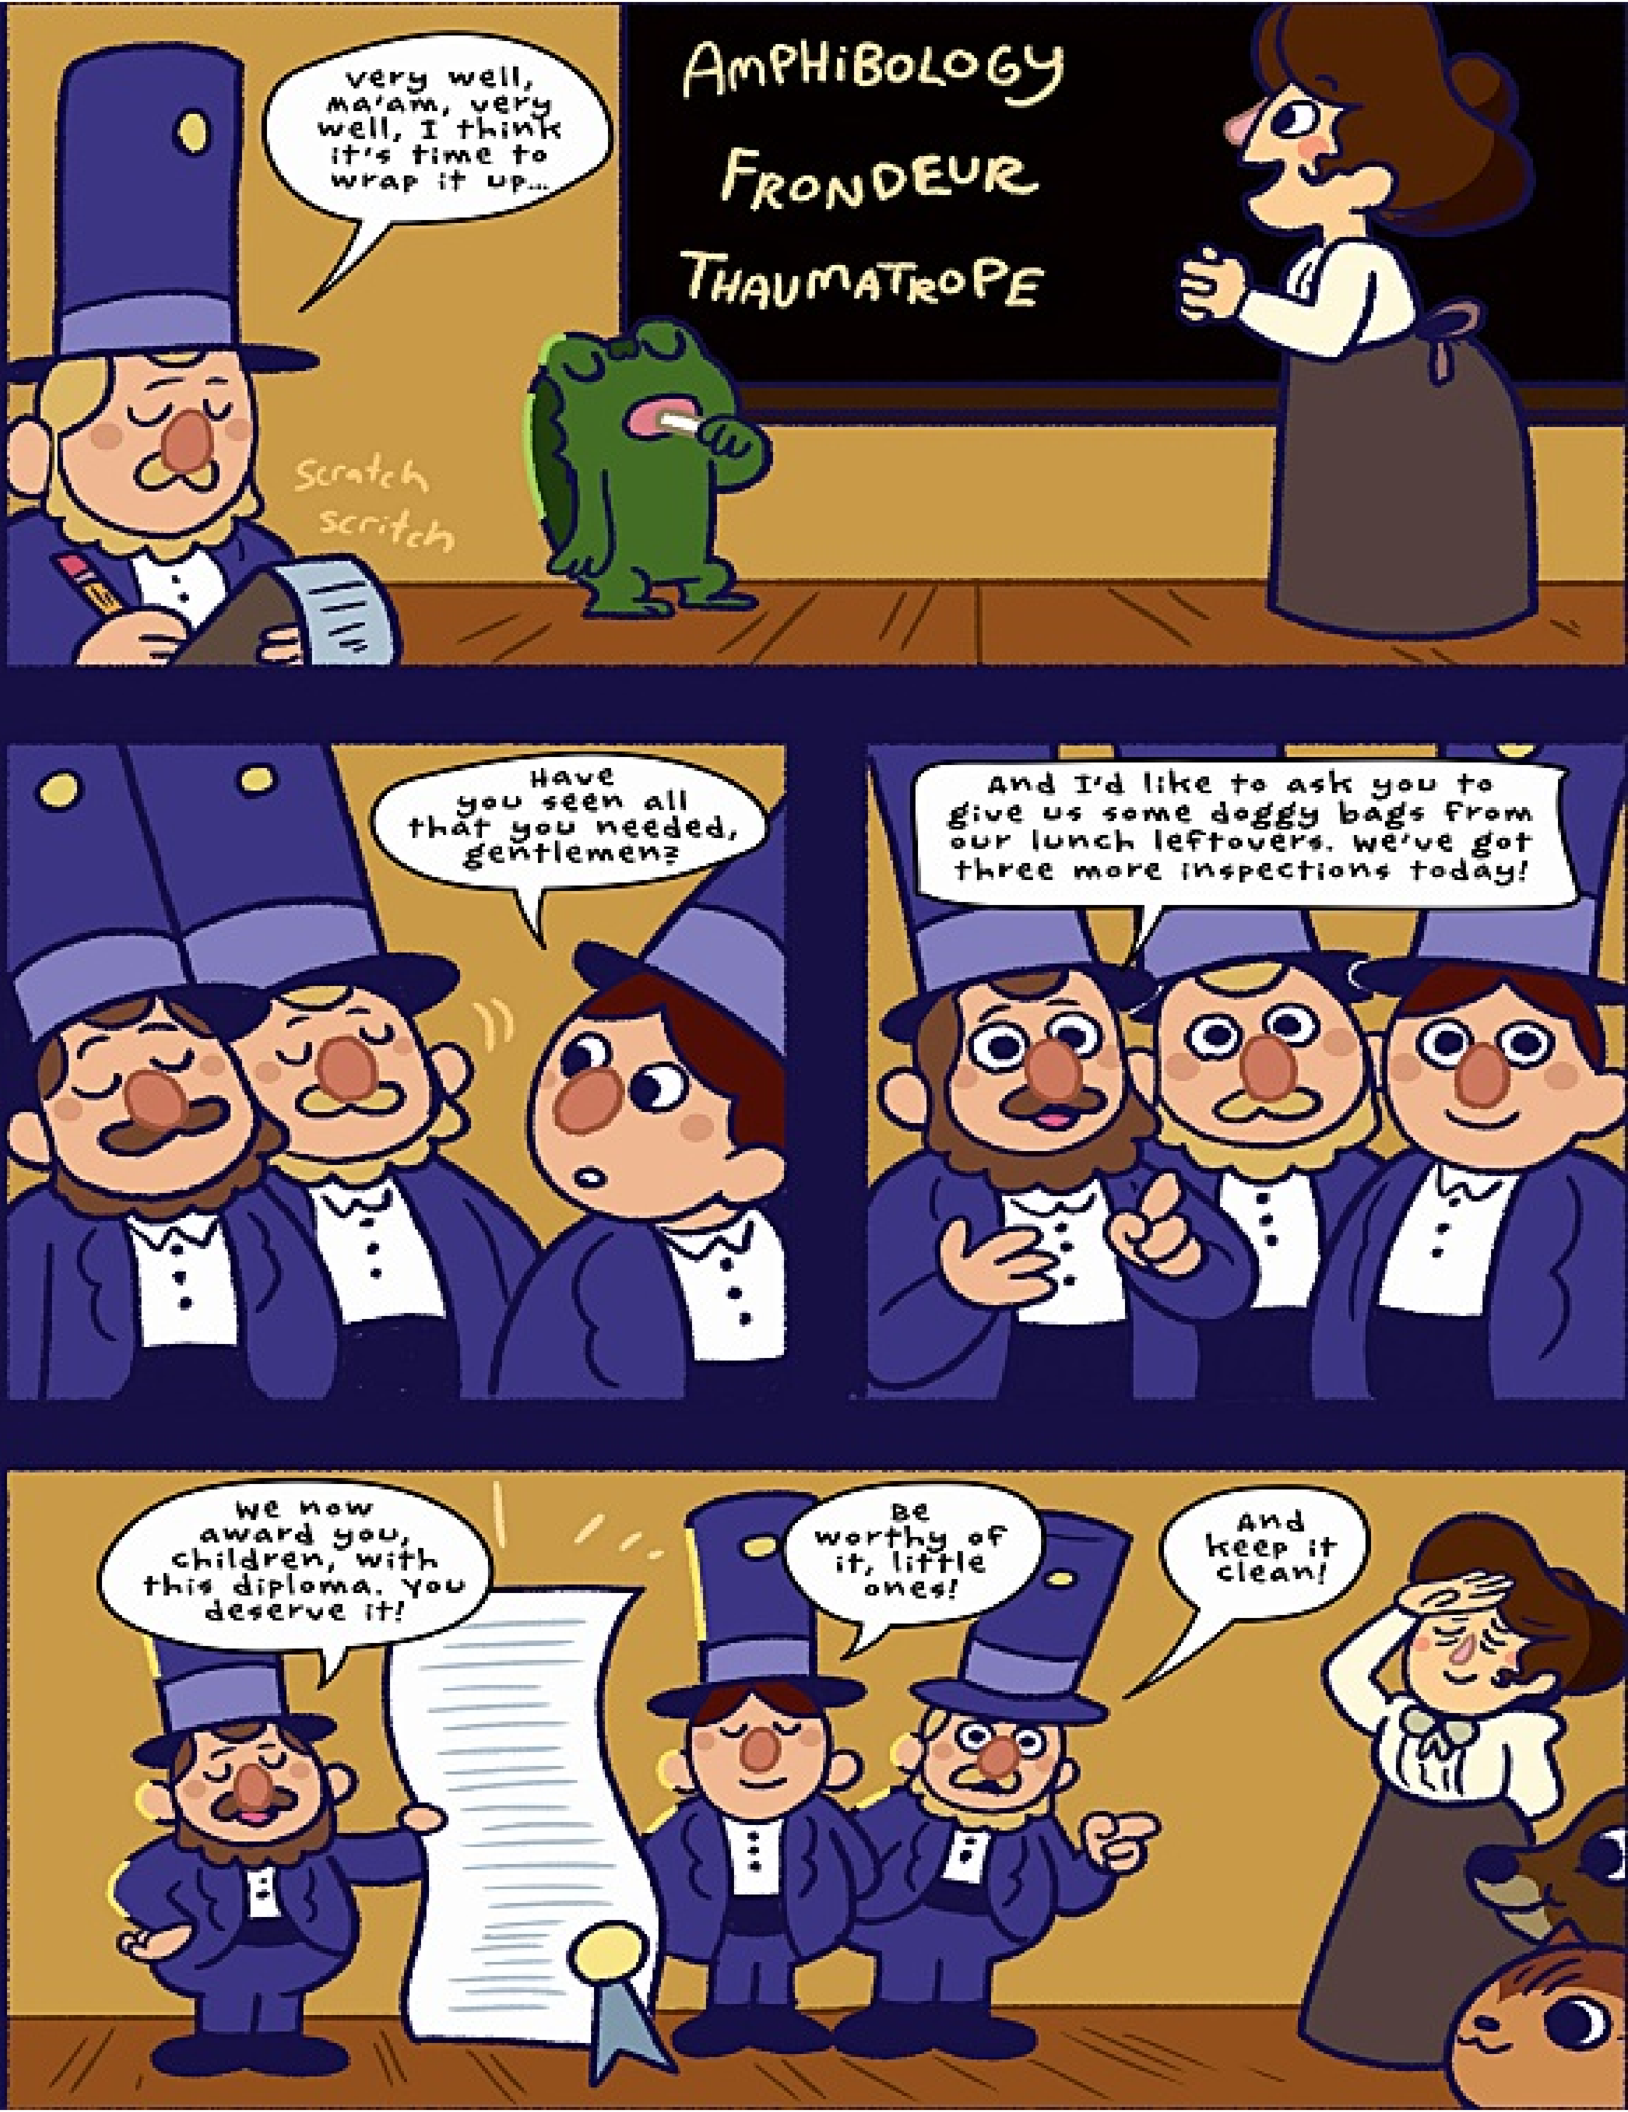
HMMM????
Ma'am?
Any prompting is prohibited, ma'am, including those of gestures.
Jim
So, c-c-children, have you written it all down?



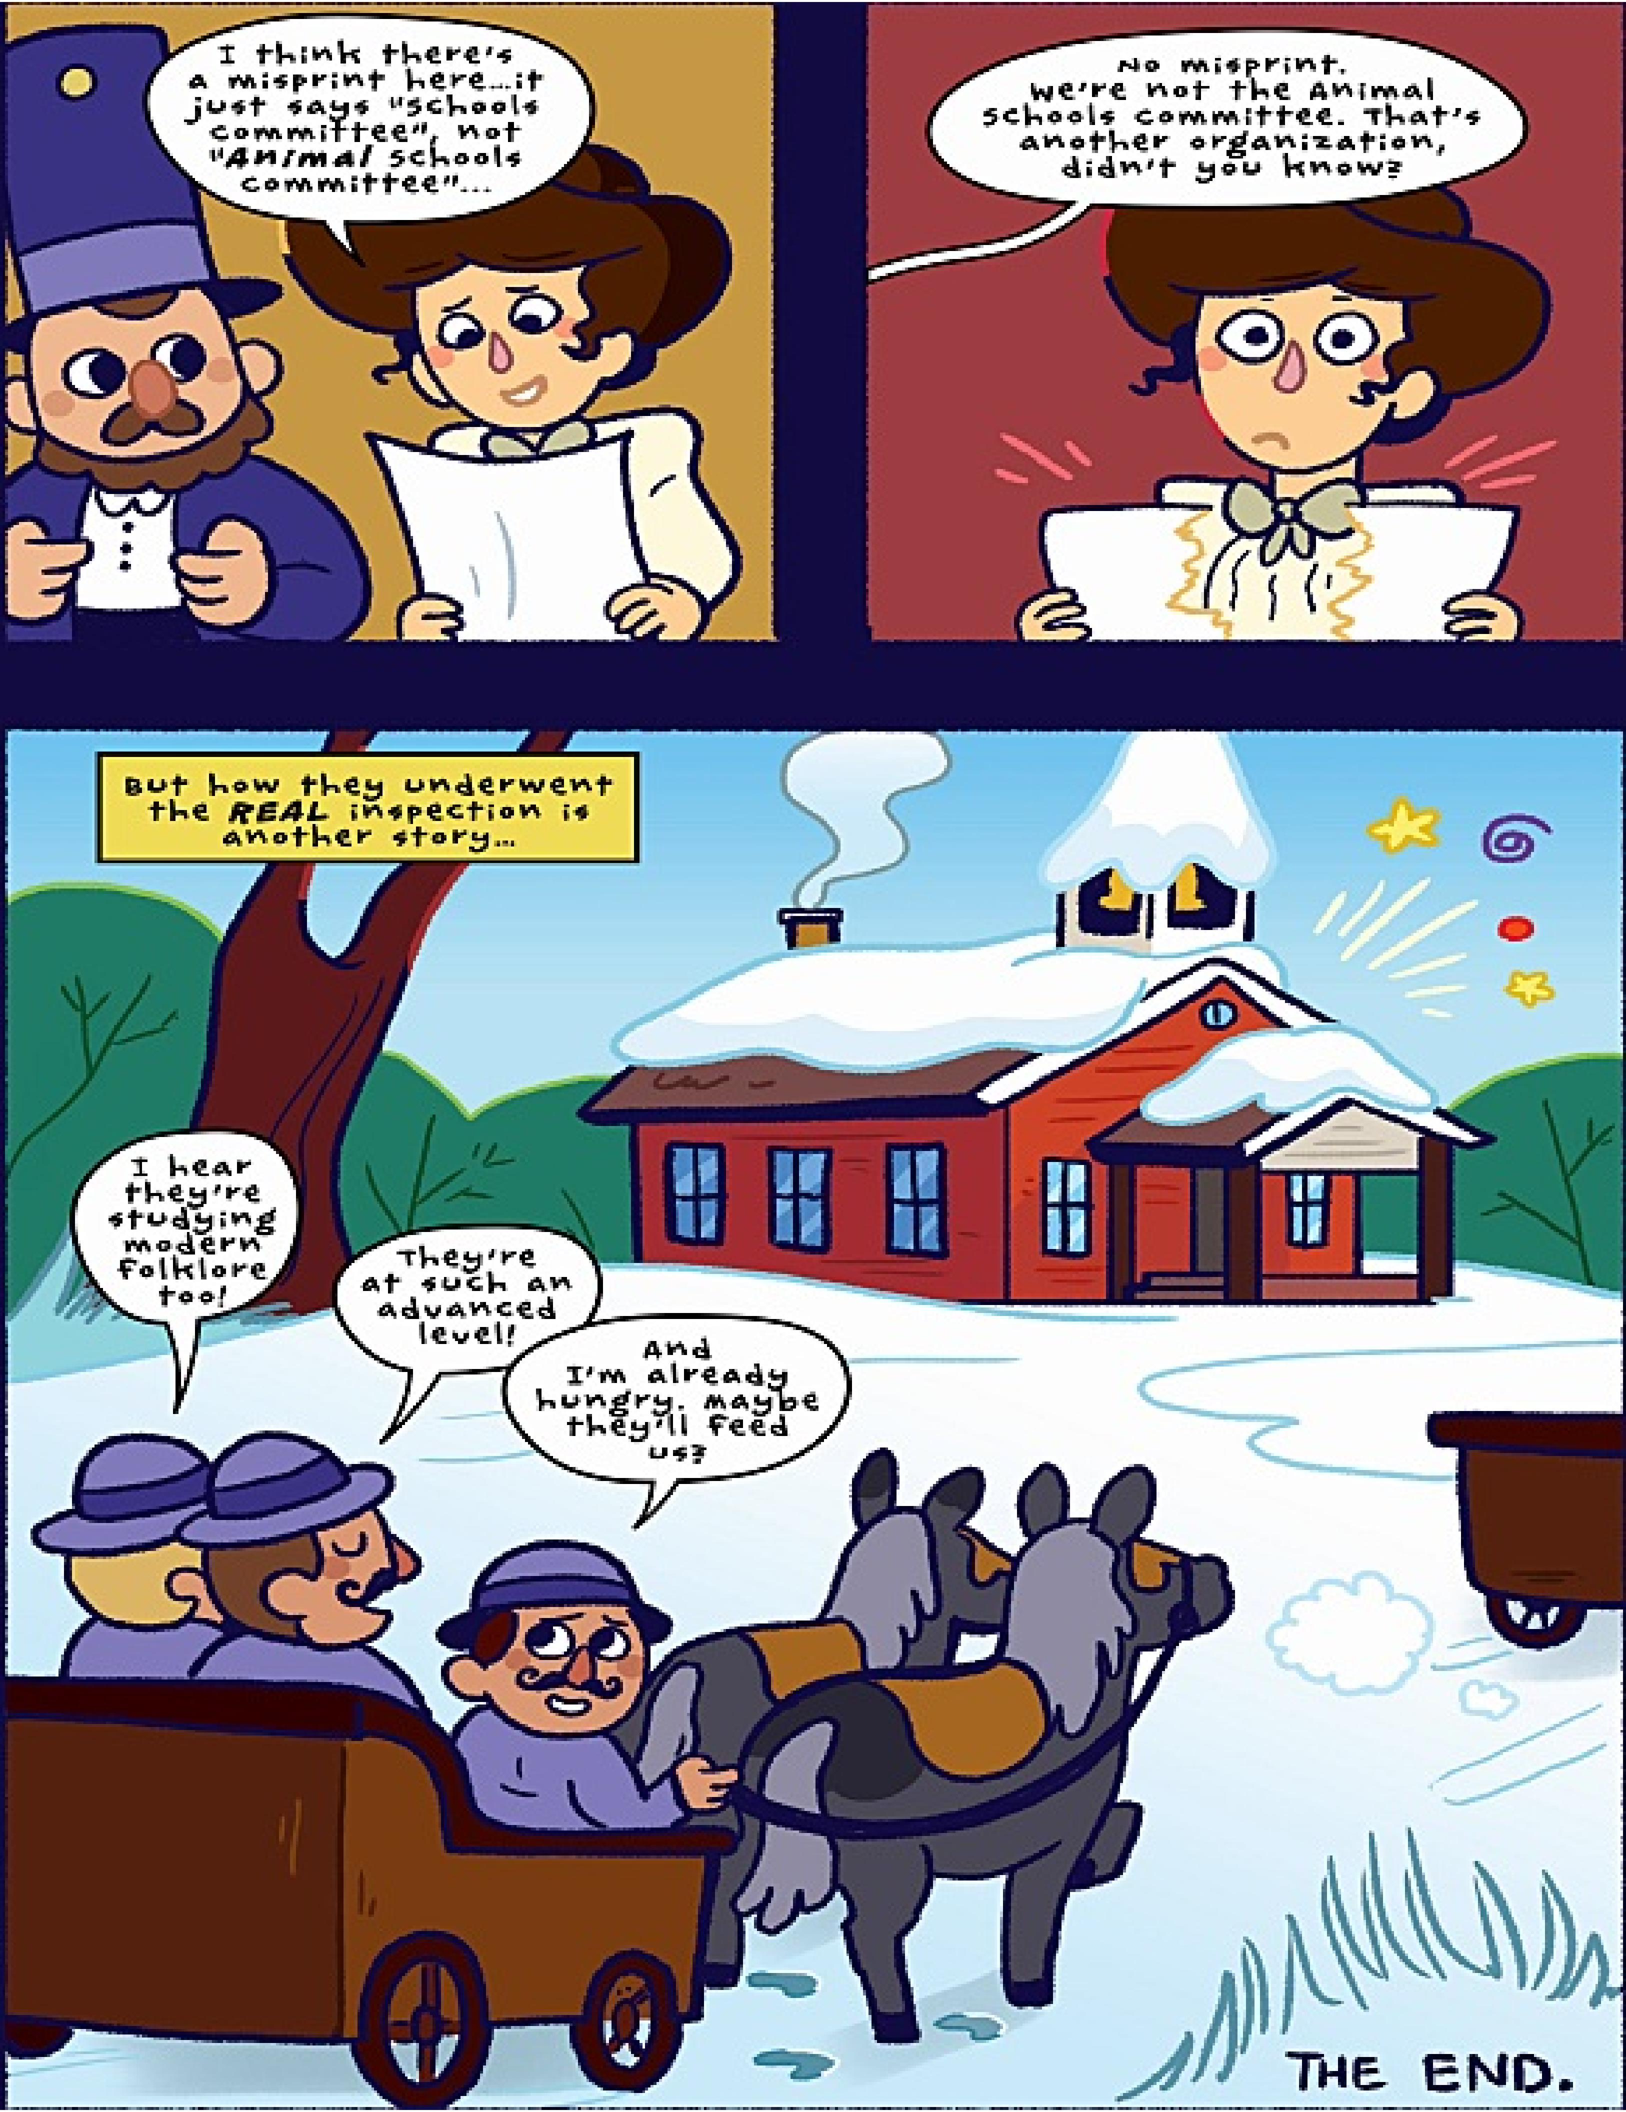
CROOAAAKK!!
CROAK!
Well now! How 'bout we check this disruptive young man's spelling huh?
Oh, oh, let's call on someone else! How 'bout that bright-eyed and bushy-tailed Bunny here at the first desk...
Ma'am, the strength of the chain is defined by its weakest link! Call the greenish chap to the blackboard.



If you insist...
Take the chalk and spell words for us...let's try amphibology... fondeur...
...Thaumatrope...
Oh, I can't-- wait...
...they're correct!



AMPHIBOLOGY
FRONDEUR
THAUMATROPE
very well, ma'am, very well, I think it's time to wrap it up...
scratch scritch
Have you seen all that you needed, gentlemen?
And I'd like to ask you to give us some doggy bags from our lunch leftovers. We've got three more inspections today!
We now award you, children, with this diploma. You deserve it!
Be worthy of it, little ones!
And keep it clean!



I think there's a misprint here...it just says "Schools committee", not "ANIMAL Schools committee"...
No misprint. We're not the Animal Schools committee. That's another organization, didn't you know?
But how they underwent the REAL inspection is another story...
I hear they're studying modern folklore too!
They're at such an advanced level!
And I'm already hungry. Maybe they'll feed us?
THE END.

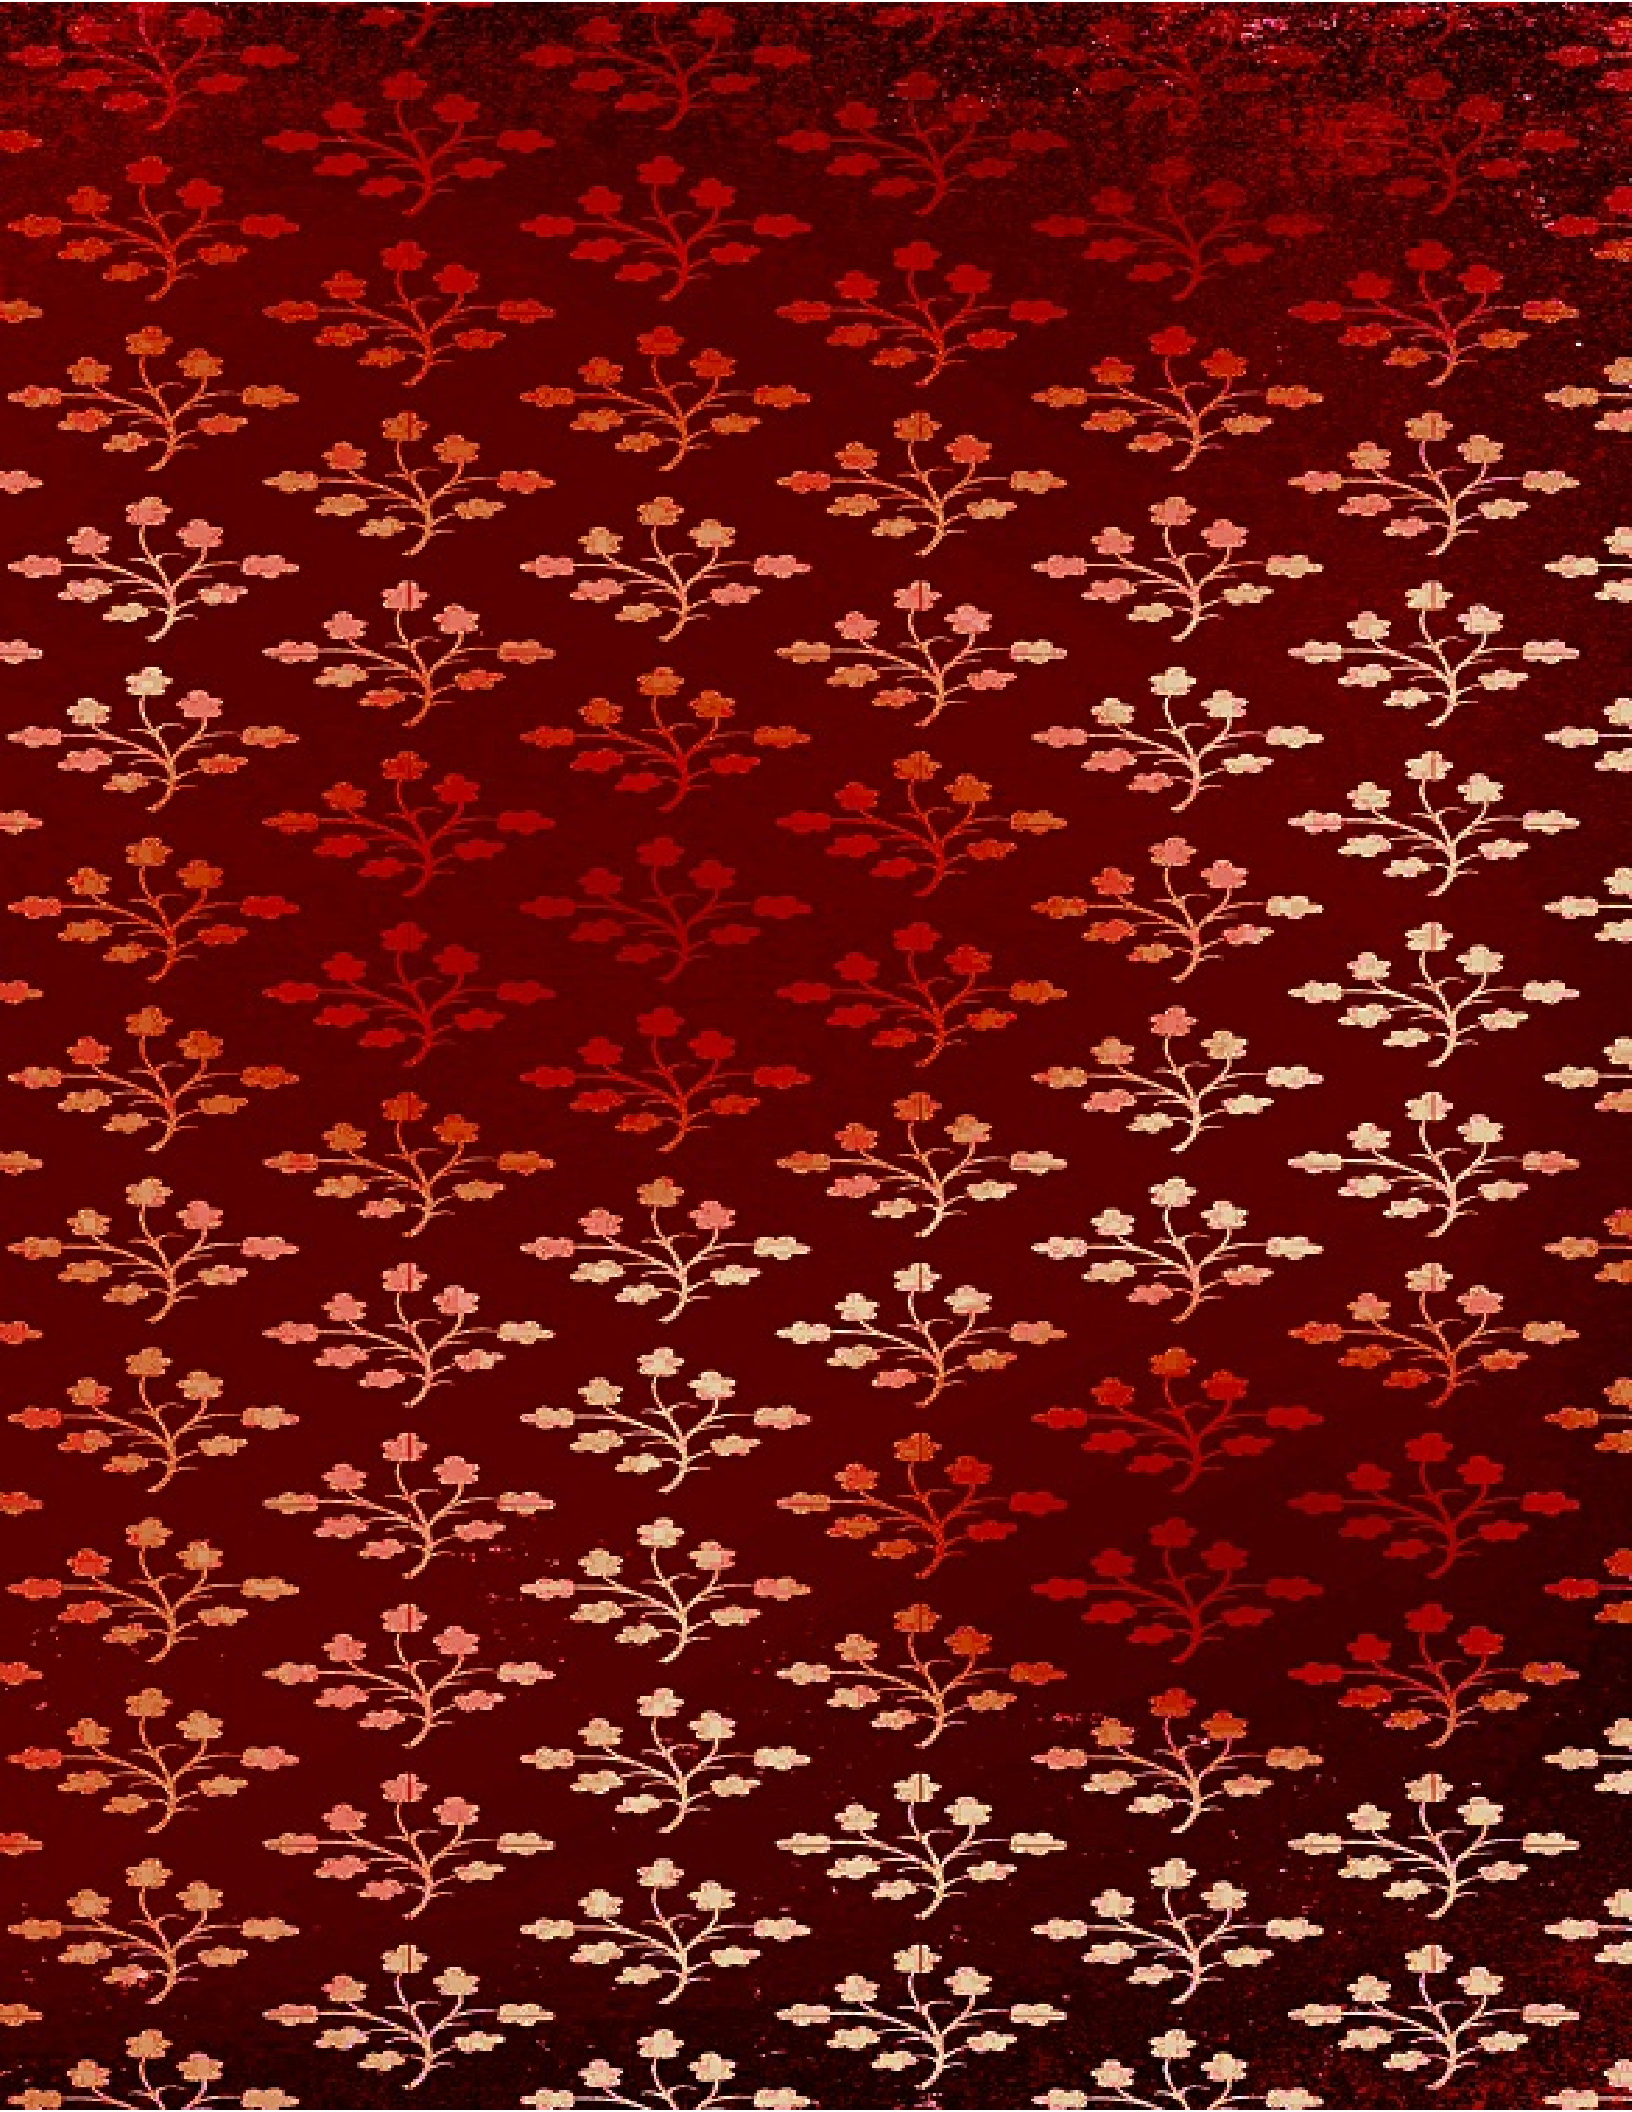
STAR MAQUILING



It's the ultimate test of good versus evil as Greg continues his journey to find Jason Funderburker's father: Hero Frog. They might have finally found the right Frog... but there is something about him that just doesn't seem very nice. Meanwhile, Wirt is trapped between chasing a shapeshifter with Sara and helping his brother find out the truth—that Hero Frog is actually a pirate! Join these half-brothers as they experience the fantastical world found in the Unknown.

The Eisner Award-winning series continues with a collection of stories written by **Danielle Burgos, Kiernan Sjursen-Lien** (*Adventure Time*), **George Mager** (*Uncle Grandpa*) and illustrated by *Over the Garden Wall* storyboard artist **Jim Campbell** and **Cara McGee** (*Dodge City*). Don't miss the ongoing adventures based on the Emmy Award-winning show from Cartoon Network.
